## The Book of Christmas

Alex and Ruby are back in their SECOND time-slip adventure, tumbling back into a Victorian Christmas! From multi-award-winning author Sally Nicholls comes another brilliant action-packed adventure for 7+

readers, beautifully illustrated by Rachael Dean. When Alex and Ruby fall through the mirror in their aunt's house, they find themselves in a different historical period, each time with a different task to perform before they can return to the present. From Edwardian crime capers to Victorian Christmases, their time-slip stories are always exciting and beautifully told. A Victorian Christmas is lovely - all the food and candles and games and singing - unless you're poor, motherless Edith who is condemned to be sent to a cruel boarding school on Boxing Day. Can Alex and Ruby persuade her strict father that home is where the heart is instead? Full of action and humour and featuring exciting black-and-white illustrations throughout, this is another superb time-slip story which brilliantly brings history to life as part of an adventure. 'A clever vehicle for introducing the differences between then and now in an accessible way, with a fast-paced plot and a lovely spooky ending' - The Times on *A Chase in Time*

Have you read Alex and Ruby's other adventures: *A Chase in Time* , *An Escape in Time* and *A Secret in Time* ? Cover illustration by Isabelle Follath.

Since Christmas is such a captivating time of year, it's the perfect setting for telling children about the miracle of the Lord Jesus Christ's birth. Using selected passages from the first chapters of the gospels of Matthew and Luke, *Christmas Time - It's All About Jesus* tells the story of Jesus' birth in a delightfully poetic and child-like way. The sensational illustrations create an unforgettable image, so a child can always remember the true meaning of Christmas. As an added bonus, Pastor Russ and Sue have developed devotionals to be used by families to enrich their Christmas celebrations. These are complete with attributes and names of Jesus, questions for discussion, and activities to do as a family to share Christ with those around them. Coupled together, this story and devotionals will enhance your celebration of Christmas during the season and all year long! About the Author Sue Murray Barksdale has been a pastor's wife, mom, and educator for over 30 years. She and her husband Russ live in Arlington, Texas, where Russ pastors the multi-site The Church on Rush Creek, a multi-site church. Sue has a BS in Elementary Education from The University of Houston and enjoys teaching at a public charter school in their neighborhood. Russ and Sue consider their relationship with their grown children and spouses and their six beautiful grandchildren as one of the greatest blessings in life! Their desire to leave a legacy of Christ-centered lives motivated them to write this book for their own family and all the children in their sphere of influence. This is Sue's second book, her first being *G.I.F.T.S.: A Prayer Book for Kids and Those Who Love Them*.

### Eloise at Christmastime

The Christmas Time Travelers by L. M. Haynes is a very original and fascinating Christmas story - one which is definitely a unique twist on the First Christmas for kids growing up, especially if they are dog lovers! In this tale, an inventor builds a time machine in which he decides to do a test on Christmas Eve. So, once he readies the machine and sets the automatic return timer for eight hours, he gets distracted by Christmas Carolers at his front door. Before he realizes it, his three dogs have run into the time machine and the gadget's door closed behind them - then, poof...the machine disappears. Realizing what has happened, the professor is saddened to have lost his three loved dogs, and his time machine. The next part of the book tells the story from the time-traveling dog's perspective, as they come across the Nativity scene of Jesus Christ being born. The dogs witness, first hand, the miracle of that evening. After a few hours, the trio of K-9s find a comfortable spot in the barn, and nestle down in some hay and drift off to sleep. Lily, one of the dogs, gets a little restless and decides to explore the barn while the others sleep. Lily brushes up against the blue blanket used to wrap the baby Jesus in his crib, and a piece of the blanket gets caught in Lily's collar. The professor realizes the timer was set for eight hours, and as that time is approaching, he sits in a chair to await the return of his time machine. Sure enough, at the right moment, the time machine reappears and the dogs are within; healthy, happy, and glad to return to their home. Only this time, there is a piece of the blue blanket still attached to Lily's collar as physical evidence of the dogs' journey to the First Christmas, and back. The illustrations by the author bring together the story with a visual theme making it an ideal bedtime story to be read to youngsters, especially during the holidays. Having the physical evidence of the blanket reinforces the faith of the professor, yet as the moral of the story says each of us needs to find our own evidence of our faith. The book ends with a quote from John 20:29 - Then Jesus told him, "Because you have seen me, you have believed; blessed are those who have not seen and yet have believed." As the piece of the blue blanket was the proof for faith to the professor, all readers will need to find their own evidence to their faith, as The Christmas Time Travelers brings to all's awareness.

### Let's Celebrate Christmas

If only life was a cheesy holiday movie...Unfortunately for Aspen Harris, her life doesn't even come close. Finding herself unemployed just before the holidays, she has no choice but to move back home and in her parents' house. And that means leaving behind her best friend Gabriel and all her dreams of someday owning her own chocolate shop. So when Gabe suggests she come to Silver Bell Falls to spend the holidays with his family, it seems like the perfect distraction. What's so great about holiday movies? Don't people realize that living in an actual Christmas town is anything but magical? Every year, Gabriel Andrews goes home to Silver Bell Falls to help his father run the family Christmas tree lot. When Aspen tells him she has to move to the other side of the country after losing her job, he suggests she come home with him for the holidays. It's the perfect way to spend as much time together as possible before a whole country separates them. But this is Silver Bell Falls at Christmas time...between a mother with matchmaking tendencies, tight living quarters and far too much chocolate, it doesn't take very long for life to start imitating art.

Dot May Dunn grew up in Derbyshire, the daughter of a miner, during the wartime years. In 1951 she joined the NHS as an early recruit and went on to train as a nurse. Dot's books are full of wonderful anecdotal insight into the life that she has experienced, written with warmth, humour and vivid accounts of her surroundings - from deprivation, health problems and poverty, to personal determination, the surprises faced by midwives and the social history of the pre- and post-war years. Dot draws upon her wealth of experience and shares her life with her readers, provoking both laughter and tears along the way. Centred on Christmas during war-time, this book will focus on community spirit and the sense of coming together and supporting each other, which Dunn captures so well.

### The Easy Christmas Songbook

Too many people have come to dread the approach of the holidays, a season that should -- and can -- be the most relaxed, intimate, joyful, and spiritual time of the year. In this book, Bill McKibben offers some suggestions on how to rethink Christmastime, so that our current obsession with present-buying becomes less important than the dozens of other possible traditions and celebrations. Working through their local churches, McKibben and his colleagues found that people were hungry for a more joyful Christmas season. For many, trying to limit the amount of money they spent at Christmas to about a hundred dollars per family, was a real spur to their creativity -- and a real anchor against the relentless onslaught of commercials and catalogs that try to say Christmas is only Christmas if it comes from a store. McKibben shows how the store-bought Christmas developed and how out of tune it is with our current lives, when we're really eager for family fellowship for community involvement, for contact with the natural world, and also for the blessed silence and peace that the season should offer. McKibben shows us how to return to a simpler and more enjoyable holiday. Christmas is too wonderful a celebration to give up on, too precious a time simply to repeat the same empty gestures from year to year. This book will serve as a road map to a Christmas far more joyful than the ones you've known in the past.

### Merry Christmas

'At Christmas Time' is a masterful short story written late in Chekhov's career that is divided into two parts. The first half follows an illiterate peasant family hiring an ex-soldier to write a letter to their estranged daughter as they ponder the mystery of her life. Chekhov's wit is on full display here as the former soldier writes about the army instead of informing the daughter about her parents and hometown. The second part is more sombre as the letter is delivered to the daughter by her abusive husband and we learn what has transpired in her life. Chekhov's fiery social critique is present in this short as he contrasts the warmth and love of hard village life with the coldness of upper-class luxury. 'At Christmas Time' displays Chekhov's ability to combine irony and melancholy into an incredible work of art that distils a family saga across time and place into a few pages. This short story is Chekhov at his best and should be read by fans of Russian literature and beyond. A prolific writer of seven plays, a novel and hundreds of short stories, Anton Chekhov (1860-1904) is considered one of the best practitioners of the short story genre in literature. True to life and painfully morbid with his miserable and realistic depictions of Russian everyday life, Chekhov's characters drift between humour, melancholy, artistic ambition, and death. Some of his best-known works include the plays 'Uncle Vanya', 'The Seagull', and 'The Cherry Orchard', where Chekhov dramatizes and portrays social and existential problems. His short stories unearth the mysterious beneath the ordinary situations, the failure and horror present in everyday life.
