With the help of classrooms around the world, we can ...

Projects are typically limited in scope and duration.

They're a good way for students to work with content they've already learned.

They address a real-world problem

Students have voice and choice in PBL

They collaborate in a process of sustained inquiry.

and then revise their work based on those reflections.

The final product is shared with an audience beyond the classroom.

When students spend an hour exploring the four forces
