Commission Narratives

Commission Narratives is based on the author's doctoral dissertation in Groningen (2002). The monograph offers the first overarching, comparative treatment of commission narratives in the canonical and apocryphal Acts of the Apostles, analysing them in their ancient literary setting. Following a survey of this widespread narrative theme in the cultural environment of early Christianity, Czachesz establishes a threefold social typology of divine commission (institutional, prophetic and philosophical) and explores the occurrences of the three types in the canonical and apocryphal Acts. The central chapters of the book provide a close reading of the textual evidence, investigating intertextual relations, the function of commission in the narrative structure, and the biographical models of self-definition that commission stories offered to the ancient readers in their changing social and ecclesiastical environments. Based on this textual analysis, Czachesz makes new proposals about the reconstruction, Sitz im Leben and dating of several apocryphal Acts. Finally, he examines the synchronic structure of commission, showing that the variety of commission narratives emerges from a constant set of motifs that are generated by interactions among the characters.

Romeo and Juliet In Plain and Simple English

In *Romeo and Juliet*, Shakespeare creates a violent world, in which two young people fall in love. It is not simply that their families disapprove; the Montagues and the Capulets are engaged in a blood feud. In this death-filled setting, the movement from love at first sight to the lovers' final union in death seems almost inevitable. And yet, this play set in an extraordinary world has become the quintessential story of young love. In part because of its exquisite language, it is easy to respond as if it were about all young lovers. The authoritative edition of *Romeo and Juliet* from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes: -Freshly edited text based on the best early printed version of the play -Newly revised explanatory notes conveniently placed on pages facing the text of the play -Scene-by-scene plot summaries -A key to the play's famous lines and phrases -An introduction to reading Shakespeare's language -An essay by a leading Shakespeare scholar providing a modern perspective on the play -Fresh images from the Folger Shakespeare Library's vast holdings of rare books -An up-to-date annotated guide to further reading

The First Quarto of Romeo and Juliet

This volume explores the multiple connections between the two most canonical authors in English, Jane Austen and William Shakespeare. The collection reflects on the historical, literary, critical and filmic links between the authors and their fates. Considering the implications of the popular cult of Austen and Shakespeare, the essays are interdisciplinary and comparative: ranging from Austen's and Shakespeare's biographies to their presence in the modern vampire saga *Twilight*, passing by Shakespearean echoes in Austen's novels and the authors' afterlives on the improv stage, in wartime cinema, modern biopics and crime fiction. The volume concludes with an account of the Exhibition "Will & Jane" at the Folger Shakespeare Library, which literally brought the two authors together in the

autumn of 2016. Collectively, the essays mark and celebrate what we have called the long-standing “love affair” between William Shakespeare and Jane Austen—over 200 years and counting.

Reading in the mobile era

Eat, Pray, Love (from a man’s perspective) meets Under the Tuscan Sun—a fresh, heartwarming story about a man who travels to Verona, where he answers letters addressed to Shakespeare’s Juliet, all in an attempt to understand heartbreak, to heal and to find love again. In fair Verona where we lay our scene... When Glenn Dixon is spurned by love, he does something unusual. He travels to Verona, Italy, to become a scribe of Juliet, Shakespeare’s fictional character, all in an attempt to understand his heartbreak. Once there, he volunteers to answer the thousands of letters that arrive addressed to Juliet, letters sent from lovelorn people all over the world who long to understand the mysteries of the human heart. Glenn’s journey takes him deep into the charming community of Verona, where he learns the traditions of the townspeople and becomes involved in unravelling the truth behind *Romeo and Juliet*—Did these star-crossed lovers actually exist? Did they live in Verona? Why have they remained at the forefront of hearts and minds for centuries? And what can they teach us about love? At the same time, we learn about Claire, Glenn’s unrequited love, the source of his heartbreak. Was she truly his soul’s match, or was she, like Rosalind in Shakespeare’s classic play, a mere infatuation who pales in comparison the moment his real Juliet enters his life? When Glenn returns home to Canada and resumes his duties as a Grade 10 English teacher, he undertakes a lively reading of *Romeo and Juliet*

with his students, engaging them in passions past and present. But in an intriguing reversal of fate and fortune, his students—along with an old friend—instruct the teacher on the true meaning of love, loss, and moving on. An enthralling tale of modern-day love steeped in the romantic traditions of eras past, this is a memoir that will warm your heart.

If nothing else, maybe Romi will get some insight into that recurring dream she's been having about fire and water. But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette's destiny with that of Julio Montague, a boy she's just met in the "cosmos" of an Internet chat room. It turns out they go to the same high school, not to mention having almost the same names as Shakespeare's famous lovers! Sweet-scented dreams of Julio have almost overtaken Romi's nightmares... ..when suddenly they return, but this time in real life. It seems the Devildogs, a local gang, violently oppose the relationship of Romiette and Julio. Soon they find themselves haunted by the purple-clad shadows of the gang, and the fire and water of Romiette's dream merge in ways more terrifying -- and ultimately more affirming -- than even Destiny could have foreseen.

Shakespeare and Emotion devotes sustained attention to the emotions as a novel way of exploring Shakespeare's works in their original contexts. A variety of disciplinary approaches drawn from literary, theatrical, historical, cultural and film studies brings the recent upsurge of interest in affect into conversation with some of the most urgent debates in Shakespeare studies. The volume provides both a comprehensive account of the current state of scholarship and a speculative forum for new research. Its chapters outline some important contexts for understanding Shakespeare's creativity through an emotional lens – from religion, rhetoric, and medicine, to language, acting and Bollywood – and offer a range of case studies which reveal particular emotions at work. Considering emotional and passionate experience as an animating and sometimes alienating force within the plays and poems, the volume highlights the continuing importance of Shakespeare today: for our sense of who we are and who we might become.

Silicon Seduction

One of François Truffaut's most poignantly memorable films, *Jules and Jim*, adapted a novel by the French writer and art collector Henri-Pierre Roch. The characters and events of the 1960s film were based on a real-life romantic triangle, begun in the summer of 1920, which involved Roch himself, the German-Jewish writer Franz Hessel, and his wife, the journalist Helen Grund. Drawing on this film and others by Truffaut, Robert Stam provides the first in-depth examination of the multifaceted relationship between Truffaut and Roch. In the process, he provides a unique lens through which to understand how adaptation works—from history to novel, and ultimately to film—and how each form of expression is inflected by the period in which it is created. Truffaut's adaptation of Roch's work, Stam suggests, demonstrates how reworkings can be much more than simply copies of their originals; rather, they can become an immensely creative enterprise—a form of writing in itself. The book also moves beyond Truffaut's film and the ménage-à-trois involving Roch, Hessel, and Grund to explore the intertwined lives and work of other famous artists and intellectuals, including Marcel Duchamp, Walter Benjamin, and Charlotte Wolff. Tracing the tangled webs that linked these individuals' lives, Stam opens the door to an erotic/writerly territory where the complex interplay of various artistic sensibilities—all mulling over the same nucleus of feelings and events—vividly comes alive.

Much of the work done on the Post45 literary field carries an implicitly Americanist perspective. Even the name of the field suggests a certain literary history, with certain assumptions and blind spots about national spaces, identities, and histories. But what would Post45 look like when considered from outside of the United States? How do the current contours of the field exclude certain voices, either in the United States or elsewhere in the world? And how would such new perspectives shift the beginning and possible endpoint of that literary period? What new narratives of the contemporary emerge if we begin telling the story in a different year or from a different national or global perspective? This collection attempts to re-frame the discussions in Post45 by engaging with non-American writers, texts, and perspectives. Additionally, productive conversations emerge by attempting to think of canonical American writers like Mark Twain and Ishmael Reed from other national and global perspectives. The authors consider both the ways texts themselves as well as their reception histories approach and challenge our understandings of the contemporary. Ultimately, the collection interrogates prevailing narratives of history, culture, identity, and space within the Post45 field. In so doing, it re-considers the historical periodization of the field, which currently covers approximately 75 years of literary history. The resulting essays thus work towards a new intertwined narrative about what defines the contemporary and how national and global literatures fit into that moment of world history.

Verse 9

Please Notice How Gently He Speaks to Her He's Not Rough He's Sweet He's Tender He Caresses Her He Praises Her He Is Very Gentle with Her When It Comes to Sexual Attraction and Lovemaking this Might Help Men Are Microwaves Women Are Crockpots for a Gal It Takes a While To Build Up that Intimate Desire for a Guy Ready To Go Right Now Right There They'Re like the Microwave Just Went On and Off for a Woman and I Think Solomon Understands this in the Poetry of this Book Romance Begins Early in the Day Now Once Again if You Think that God Is some Stuffy Prude Just Read through this a Couple Times on Your Own You Will See that Wow

And We Opened the Door To See Gold Cherubs and Pink and Red and Gold Wallpaper That Was this Weird Texture and a Mirror over the Bed and It Was like It Was So Hard To Just Not Do that so a Little Bit Embarrassing Verse 12 a Garden Enclosed Is My Sister My Spouse a Spring Shut Up a Fountain Sealed You Know What this Means It Means this Woman Saved Herself for Marriage She Put Up a Wall Nothing Could Penetrate that Wall She Was Inaccessible to Other Men in Other Words I Married a Virgin and He's Praising Her for that Her Body Was Sealed Now We'Re Starting To Get a Little Bit of Frame of God's Will in Relationship

And Others Don't Have the Time To Share Them with You Here's Just One Redbook Magazine Borrowing the Research a Sexual Pleasure Survey Was Showing the Preferences of a Hundred Thousand Different Women Noted and I Quote Sexual Satisfaction Is Related Significantly to Religious Belief with Notable Consistency the Greater the Intensity of a Woman's Religious Convictions the Likelier She Is To Be Highly Satisfied with the Sexual Pleasures of Marriage End Quote Solomon Recognizes this and Perhaps God Is Affirming this in this Statement Can't Be Sure It's the Lord Speaking but It Is in the Bible

And I Quote Sexual Satisfaction Is Related Significantly to Religious Belief with Notable Consistency the Greater the Intensity of a Woman's Religious Convictions the Likelier She Is To Be Highly Satisfied with the Sexual Pleasures of Marriage End Quote Solomon Recognizes this and Perhaps God Is Affirming this in this Statement Can't Be Sure It's the Lord Speaking but It Is in the Bible so as You Read It and Apply It You Could Take this as the Lord's Word to You You with Your Wife You with Your Husband I to Friends Drink Yes Drink Deeply Oh Beloved Ones Now We Get the Final Swath of this and We all Want To Move Quickly Here this Is the Marriage Chapter

It Is the Voice of My Beloved He Knocks Saying Open for Me My Sister My Love My Dove My Perfect One for My Head Is Covered with Dew My Locks with the Drops at Night this Gal Obviously Is Having a Rough Night She's Not Sleeping She Tossing and Turning Something Is Bothering Her some Unresolved Conflict It Would Seem because Solomon Comes He Comes Home Maybe Earlier than Expected He's in a Romantic Mood Open the Door Baby She's Not Feeling It Verse Three Listen to Her Excuse this Is Her Her Husband She Says I've Taken Off My Robe How Can I Put It On Again How Hard Is that I Mean that's that's a Big Impediment Okay I've Taken My Robe Off How Can I

Put It On Again I've Washed My Feet How Can I Defile Them You Would Agree this Is Less than an Enthusiastic Response toward Her Husband Now Let Me Use this as a Jumping-Off Point Men When There Is Unresolved Conflict in a Relationship Your Wife Will Not Be in a Romantic Mood That's Not the Time for Love To Blossom Right So in that Instance When There's Unresolved Conflict a Sexual Advance Will Not Be Well-Received by Her She Wants To Resolve the Conflict First She Will Not See You as a Hunka-Hunka Burnin

Love She Wants You To Sit Down Give Her Eye Contact and Deal with the Problem Obviously that Has Not Happened Verse 4 My Beloved To Put His Hand on the Latch of the Door and My Heart Yearned for Him I Arose To Open for My Beloved My Hands Dripped with Myrrh My Fingers with Liquid Myrrh on the Handles of the Lock I Opened for My Beloved but My Beloved Had Turned Away and Was Gone so She Unlocked the Door and He Bolted Sorry Pun Intended My My Heart Leaped Up When He Spoke I Sought Him but I Couldn't Find Him I Called Him but He Gave Me no Answer So by the Time She Gets around to Opening the Door and Looks Around in the Hallway

4 My Beloved To Put His Hand on the Latch of the Door and My Heart Yearned for Him I Arose To Open for My Beloved My Hands Dripped with Myrrh My Fingers with Liquid Myrrh on the Handles of the Lock I Opened for My Beloved but My Beloved Had Turned Away and Was Gone so She Unlocked the Door and He Bolted Sorry Pun Intended My My Heart Leaped Up When He Spoke I Sought Him but I Couldn't Find Him I Called Him but He Gave Me no Answer So by the Time She Gets around to Opening the Door and Looks Around in the Hallway He's Gone Verse 8 I Charge You O Daughters of Jerusalem if You Find My Beloved She Says that You Tell Him I Am Lovesick

So 25 of the Book Is Devoted to Conflict Resolution That Should Tell You the Conflict Is Pretty Normal in a Relationship and Resolution Takes Up a Whole Lot of Real Estate in Time To Get It Right So I'M Just Looking at if You Just Look at the Map of this Book and and Determine 25 % Has Conflict and Conflict Resolution You Go Wow that's that's that Could Be an Indication of How Much There Will Be in My Marriage Now You Have Conflict in Your Marriage for Two Reasons Actually for Several but Can I Just Give You Two To Start Then We'll Stop and Move on Number One because You're Human so You're Falling a Marriage Is Two Sinners That Are Committed for Life How Easy Is that

From Verse Four Onward They Start Not Speaking about each Other or to the Daughters of Jerusalem They're Now Speaking to each Other and as They're Speaking to each Other and the Conflict Gets Resolved They End Up Using the Same Mushy Language That They Used Back in Chapter Four so They Get Back to a Good Space in a Good Place That They're Obviously Fixing It I Would Sum It Up by Saying They Walked through Their Difficulties They've Worked Out Their Differences and Love Has Won the Day That's the Goal in a Conflict You Know There Is a Goal When You Have a Conflict There's a Goal You Know What the Goal Is

That's the Goal in a Conflict You Know There Is a Goal When You Have a Conflict There's a Goal You Know What the Goal Is and Don't Say To Win the Goal Is Not To Win the Fight the Goal Is To Win a Friend if One of You Wins the Fight You both Lost if You Win the Friendship You've Won It's Not To Win a Fight It's To Win a Friend so It Is True You Can Walk Hand in Hand without Seeing Eye To Eye It Happens All the Time in Good Solid Mature Marriages but You Have To Resolve Conflict

And I Become in His Eyes as One Who Found Peace Again She's Kept Herself for Him through that Conflict Solomon Had a Vineyard in Ba'al Jamn Perhaps that's the One That Her Family Rented and Leased and She Worked in He Leased the Vineyard to Keepers That Could Be Her Family Everyone Was To Bring for Its Fruit a Thousand Silver Coins My Own Vineyard That's Her Own Body Is before Me You Owe Solomon May Have a Thousand and those Who Tend Its Fruit Two Hundred so Solomon You Have Great Wealth

They Made Her Work Very Hard Tending the Vineyards so that She Had Little Opportunity To Care for Her Personal Appearance She Pruned the Vines and Set Traps for the Little Foxes She Also Kept the Flocks Being Out in the Open So Much She Had a Deep Tan One Day a Handsome Stranger Came to the Vineyard It Was Solomon Disguised He Showed an Interest in Her and She Became Embarrassed Concerning Her Personal Appearance She Took Him for a Shepherd and Asked about His Flocks

What Do You Think the First Question Is that People Ask Do They Say Hey David Great To See You How Is It Going Do They Say that First no Way You Know What They Say They Say Hi David Where's Inga Lil Now I Understand It Perfectly because if You Know Inga Lil and You Know Me She's a Much More Pleasant Person than I Am I Mean if You'D Want To Be Around either One of Us He'D Want To Be around Her and Not around Me It Makes Perfect Sense but Do You See There's Something in Me That Delights in that I Love It When People Think of Us as Together

In Your Married Relationship if You Are Married if You'Re Not Married or You'Re Not Married Yet I Pray God's Preparing You for that To Really Be Able To Have that Kind of Relationship with another Person Where You Can Say I Am My Beloved's and He Is Mine but I Pray that each and every One of You Would Know What Is like To Have the Beauty of that Relationship with Jesus Christ Your Lord Where You Are One with Him because You Know What He Intended and Many of You Know this He Intended that the Oneness of the Marriage Relationship Be an Illustration of the Oneness that He Has with His People Do You See Where They'Re Connected
