Being a mermaid isn't all it's cracked up to be... In the underwater kingdom of Corsica, mermaids are the property of mermen. We're considered valuable as breeders until we reach our mid-thirties, at which time we're deemed no longer useful. Good thing for me I'm forty, never had any children and I'm a widow. So, I can basically live my life as I see fit. Until my husband's younger brother, Cullen, decides to make me his wife... one of seven. Cullen has a mean streak a mile wide and he's always been obsessed with me-ever since we were young. Now that his older brother is out of the way, he recognizes his chance to finally possess

me. Only I'm the type of woman who won't accept my fate so easily. No, I'm a fighter by nature so when it's decreed that I should marry Cullen, I do the only thing I can do. I escape. To the land. Once I reach the shore, I'm facing a whole new and terrifyingly unfamiliar world. Luckily I've got the Siren's Song which encourages humans to do whatever I want them to. Except my song doesn't work on one human male in particular, Sawyer Ray. And Sawyer just happens to be the one man I need, because I'm fairly certain someone has come after me...

The Mermaid Next Door

"Looking for a fresh start, Peyton Clark becomes the proud owner of a piece of New Orleans history: an Antebellum-era two-story house in the Garden District. It's not long before Peyton discovers she's moved into the haunted home of a flirtatious paranormal prankster, the handsome ghost of Drake Montague. When Peyton grows closer to her general contractor, Ryan Kelly, the chill in the air could only suggest Drake's jealousy from beyond the grave. But even though she's definitely attracted to and interested in Ryan, Peyton also can't get Drake out of her dreams"-- From back cover.

Ghouls Rush in

Two is better than one, unless the second is hitching a ride in your body... Then one is definitely better than two. After agreeing to let the spirit of Drake Montague inhabit my body (probably not one of my better ideas...), I soon discover the twentieth-century French policeman may be dead, but his lothario longings sure aren't. Now I have to find a way to explain to my sweet, sexy and very alive boyfriend, Ryan Kelly, that a spirit has taken up residence in my head, whispering French words of affection day and night. And, ahem, French is a pretty... sexy language. While I'm torn between my love for a living man and my growing affection for one deceased, supernatural activity in New Orleans is at an all-time high. Something wicked this way is definitely coming. With the help of my friends (and a little voodoo), I learn that the demonic spirit of the Axeman may still be dwelling in my house. Thanks a lot, realtor.com!

Mischief Brewing

First in a brand-new paranormal mystery series by USA Today bestselling authors, J.R. Rain and H.P. Mallory! My name is Lucy Westenra. And I hunt monsters. You might remember me-I was one of the first unfortunates turned by Dracula. Well, the count might think he turned me, but I was saved by witch magic. Owing to an elixir created by high witch, Lissa Ravenwood, I'm mostly human... as long as I take the elixir every three days. But the vampire within me is always there in the background, threatening to turn me into a creature I detest. The count, Vlad, wants exactly that-for me to succumb to my darker side and return to him. He considers me his fledgling, his love, his creation. I consider him a royal pain in my backside. Regardless, I still need Vlad. Well, I need his help on a particularly difficult case... Because I'm in control of my vampire side, and I'm stronger and faster than your average human, I work as a bounty hunter, specializing in apprehending things that go bump in the night. I guess it takes a monster to catch a monster. And the case I'm on now is giving me apoplexy... Students at Lissa's witch academy are falling ill-clearly under the effects of Hyde, an illegal street drug. When another young woman's mutilated body is found in an alley, I realize we've got a murderer on the loose. And I have a feeling the two cases are tied... I'm just not sure how or why. As if that isn't stress-inducing enough, the vampire council is in town, and that means I need Vlad's protection. What I don't need is his constant amorous attempts... Sigh. It's just another day in the unlife of Lucy Westenra, a girl who hunts monsters and hasn't had a date in over a decade...

A Midsummer Night's Scream

Along with classics such as Hitchcock's works, Chinatown, and Sunset Boulevard, this highly cross-referential text discusses newer noir such as Shallow Grave and Memento. Five essays open the book and expound on themes including noir's reflection on the McCarthy era and the influence of hard boiled detective fiction on the films of Bogart and his ilk.

Encyclopedia of Film Noir

Fairy and law enforcement agent, Dulcie O'Neil, is in trouble. And so is her friend and master vampire, Bram. Finding themselves on the wrong side where illegal potions importer, Jax Rochefort, is concerned, now their only focus is finding a way to stay alive. But being taken hostage and tortured isn't Bram's style. Will this suave, centuries-old vampire find a way to free himself and Dulcie? Or will they both fall prey to the up and coming rebellion, the union of all the illegal potions gangs who seek to take over control of the Netherworld? Any way she looks at it, Dulcie is in a bad way. It might just take the perseverance and determination of a certain hunky Loki named Knight to rectify the situation. But even Knight doesn't know what he's up against...

Grave New World

Paranormal Women's Fiction from #1 Amazon Bestseller, J.R. Rain, and New York Times Bestseller, H.P. Mallory A Haven Hollow Novel Time to walk softly and carry a big stake... I had it all. A powerful coven. A charming Victorian mansion. A sexy car. A couture closet. Credit cards up the wazoo, and an endearing familiar. Actually, scratch that, Hellcat would never be described as 'endearing'. More like: the bane of my existence. So, I almost had it all. Then a vampire came along and ruined it when he turned me into a Blood Witch. Now, I've been kicked out of my coven, kicked out of the mansion, I have no credit to speak of, the Lexus is a thing of the past and, not only am I driving something from the 80s, but it's also unapologetically yellow. And rusted. But the biggest kicker of all? I'm still stuck with Hellcat. Even though my luck has too much in common with a toilet, if Wanda Depraysie is anything... it's determined. Determined to make a go of things all by myself-determined to start over. So, I pack up the few items I can actually call my own and I move to the only place that doesn't fall under coven ownership-a little town in Oregon called Haven Hollow. Imagine my surprise when I find out a gypsy has already taken up residence in this afterthought of a town. Well, no worries, witch magic trumps gypsy magic and I'll make short work of her. After all, Haven Hollow is way too small for the two of us. No, the gypsy won't be an issue. It's my new landlord who's going to be the death of me... possibly quite literally. Why? Because he's none other than the vampire who turned me into a Blood Witch in the first place, thereby ruining my life. Lorcan Rowe is the most infuriatingly smug, irritatingly determined and offensively nosy person I've ever met and if my magic were functioning correctly, I'd hex him into oblivion. But, that's just it-my magic is on the fritz. And that won't do-especially when I need to open my enchanted clothing store, Wanda's Witchery, yesterday. When my fabrics go missing at the same time that my magic stops working, I can only blame one person: Lorcan. Well, that vampire is about to learn a very valuable lesson-you don't mess with a witch, blood or otherwise, because when the going gets tough, the tough get a really sharp stake. Paranormal Women's Fiction from #1 Amazon bestseller, J.R. Rain, and New York Times bestseller, H.P. Mallory! So, this whole returning Lorcan's vampire "kiss" (which would also allow me to shed my Blood Witch status) isn't turning out the way I'd hoped. First, no matter how many times we attempt it, the spell fails. Not only that, but I'm starting to develop... ahem... extremely sensual feelings towards the incorrigible man, which doesn't exactly float my boat or power my broom, as the case may be. But, the worst side effect of our blood bond is that now whenever Lorcan leaves, my body goes into panic mode-it actually feels like a piece of me is being ripped away. Not only is my personal life one big, chaotic mess, but my business looks like it's headed there too. Someone or something keeps breaking into my store, which should be impossible, owing to all the wards and hexes I've got protecting the place (enough to give Area 51 a run for their money). Yet, breaking in is exactly what they keep doing-why? I have no clue. It's not like anything has been stolen, destroyed, or otherwise missing. Instead, the intruder keeps leaving strange scratch marks on my wood floors... Thinking things can't get much worse, enter wedding journalist Gemma McClain. Gemma, the bridezilla to end all bridezillas, has come to my store for a custom and enchanted wedding dress. Even though Gemma is human, she has lots in common with demons from the ninth level of hell. Harpy customers aren't such a big surprise, but what is a surprise is the maid of honor's mother, who I could swear is something supernatural... and the fact that she seems to have interest in me is off-putting, to say the least. With my professional and personal lives plummeting, I need some good news pronto. But, unfortunately, when I find myself facing the fight of my life, that good news is nowhere to be found. Taffeta Trickery

For as long as I can remember, I've known things I have no way of knowing-it's almost like getting little whispers from the future, little hints about what's going to happen... When I receive an email from an unknown sender about a little town called Marshall Heights, I can't seem to shake the feeling that I'm meant to move there. Fast forward a few weeks and I find myself starting over in this postage-sized town. And when I happen to see him loading groceries into an old truck, I'm shocked speechless. I've been in love with Torsten Black ever since he left me with no explanation eight years ago. Not a day has gone by that I haven't thought of him. So, to see him here, now, in this Podunk town... it has to be fate. But, Torsten isn't as happily surprised to see me. Instead, he appears to be haunted by his past-a past full of secrets and lies. Torsten insists he's not the same man he used to be. He also insists that I'm not safe in Marshall Heights-something which becomes abundantly clear when Torsten's brother, Skarde, a full-blown Viking warrior come from another realm, suddenly shows up in my apartment and tries to murder me. Realizing I'm not the witch he thinks I am, Skarde releases me and then demands I join his cause-a cause I know and want nothing to do with. Even if Skarde is just as gorgeous as his brother, he's a loose cannon. Whereas Torsten is dark and brooding, Skarde is cocky and demanding. The two can't stand each other and, at this point, I'm starting to agree with them both. Regardless, now I'm not only involved in something I don't understand, I'm in over my head. In over my head = Viking wolf shifters, jealous and vengeful goddesses, and the start of the first of three winters which will doom mankind. Learning I possess the blood of the Valkyrie (from Odin) as well as the blood of the witches (from Freya), I'm straddling the line between both pantheons of gods. Stuck in the eye of the storm, I have no idea how to get out...
