Charles Sumner at 200: The Tradition of Civil Rights in America - Charles Sumner at 200: The Tradition of Civil Rights in America by GBH Forum Network 952 views 9 years ago 1 hour, 27 minutes - To mark the 200th anniversary of his birth in 1811, the city of Cambridge rededicated **Charles Sumner's**, statue in Harvard Square.

The Tradition of Civil Rights in America

The 1872 Civil Rights Bill

Conclusion

What Happened to Burlingham after Preston Brooks Challenged Him to a Duel

The Boston Athenaeum

Celebrations of the Sesquicentennial of the Civil War and the Emancipation Proclamation

Why Charles Sumner Is Not a Household Name in America

So a Lot of What Keeps Sumner from Being Recognized for His True Greatness Is It Tied Up in the Problems We Have Right Now in the Country Just To Add to that in Very Recent Poll Given that We're in the We've Just Started the Sesquicentennial of the Civil War and a Fairly Accurate Poll That's Respected the Majority of Americans Still Believe that Slavery Was Only Incidental to the Civil War the Slavery Was Still a Minor Cause of the Civil War and I Think the Best Way To Understand the Civil War Is in the Long View Which Also Helps To Explain Sumner's Status Today and that Is that after Appomattox

And the Real Reason for It as John Says Is that Slavery Had Become aa Balut the Core of Southern Economics and and Southern Life li Mean the Problem Wasn't that It Was Shrinking or Diminishing within the Deep South As Many Had Hoped but It Was Spreading with Increased Vigor into Arkansas into Texas into Missouri I Mean the Institution Was Growing and that Is What Sumner Saw So Clearly that Is that More than Anything Else That Made Compromise about Slavery Impossible up until a Point this Idea of Balance a Southern a Slave State in a Free

The Idea of Citizenship in the United States the Idea of Being a Citizen Isn't Codified until the 14th Amendment before the 14th Amendment Who Was Included as a Citizen Was Up for Debate and One of the Criteria of Citizenship Was a Passport It's Why So Many So Many Politicians those or Secretaries of State Wanted To Deny Blacks Citizenship Their Passports because Particularly after Dred Scott in Which Chief Justice Tani Declares the Blacks Have Never Been and Could Never Be Citizens Which Is Historically False Box Had Received Passports throughout American History for Sumner To Get Rock a Passport Is for to State Not Just John Rock but John Rock Is Symbolic of a Tall African Americans

I Know There Would Be Quite a Bit of Opposition to What He Stood for So I'M Interested How Was He Elected How Did He Hold Office So Long I Had the Opportunity on Several Occasion Two Occasions To Visit Senator Kennedy's Office and li Liken It to this to the Same Thing That There's a Point at Which Whatever Your Beliefs However Radical They May Be to the Mainstream There Is a Great Deal of Kind of Honor Paid to One's Ability To Be a Great Senator and a Great Statesman and You Can Argue about the Differences between the Two but in Fact
