

Imperial Exam Definition

[#imperial exam definition](#) [#chinese imperial examination system](#) [#ancient china civil service tests](#) [#history of imperial exams](#) [#meritocracy china](#)

The Imperial Exam was a comprehensive civil service examination system crucial to imperial China, used for over a thousand years to select qualified candidates for various governmental positions. This rigorous and highly competitive system served as a primary path to social mobility and ensured a bureaucracy based on merit, rather than solely on aristocratic birth, playing a pivotal role in the administration and cultural development of ancient Chinese dynasties.
