Born For This

The New York Times bestselling author of *The \$100 Startup*, Chris Guillebeau shows us how to enjoy greater career success and personal fulfillment by finding the work we were born to do, whether within a traditional company or business, or by striking out on our own. *Born For This* helps you create your own self-styled career with a practical, step-by-step guide to finding work that feels so right it doesn't even seem like work. Learn how to:

- Launch a side job that turns a passion into a profitable business.
- Win the career lottery by finding a dream position within a traditional organization.
- Become a DIY rock star by fashioning an entirely new profession around your varied interests.
- OR hack an existing humdrum job into work you will love.

Guillebeau offers an actionable method and framework for turning our passions into paychecks.

Born for This

Demonstrates how to enjoy greater career success and personal fulfillment by finding one's life calling, with recommendations beyond the entrepreneurial sphere to outline an actionable method for rendering one's passions profitable. --Publisher's description.

Summary Chris Guillebeau's Born for This

This is a Summary of Chris Guillebeau's *Born For this: How to Find the Work You Were Meant to Do*. Have you ever met someone with the perfect job? To the outside observer, it seems like they've won the career lottery -- that by some stroke of luck or circumstance they've found the one thing they love so much that it doesn't even feel like work-and they're getting paid well to do it. To the outside observer, it seems like they've won the career lottery-that by some stroke of luck or circumstance, they've found the one thing they love so much that it doesn't even feel like work, and they're getting paid well to do it. In reality, their good fortune has nothing to do with chance. There's a method for finding your perfect job, and Chris Guillebeau, the bestselling author of *The \$100 Startup*, has created a practical guide for how to do it-whether within a traditional company or business, or by striking out on your own. Finding the work you were "born to do" isn't just about discovering your passion. Doing what brings you joy is great, but if you aren't earning a living, it's a hobby, not a career. And those who jump out of bed excited to go to work every morning don't just have jobs that turn their passions into paychecks. They have jobs

where they also can lose themselves for hours in the flow of meaningful work. This intersection of joy, money, and flow is what Guillebeau will help you find in this book. Through inspiring stories of those who have successfully landed their dream career, as well as actionable tools, exercises, and thought experiments, he'll guide you through today's vast menu of career options to discover the work perfectly suited to your unique interests, skills, and experiences. You'll learn how to:

- * Hack the job of your dreams within a traditional organization by making it work for you
- * Find not only your ideal work but also your ideal working conditions
- * Create plans that will allow you to take smarter career risks and "beat the house" every time
- * Start a profitable "side hustle" and earn extra cash on top of your primary stream of income
- * Escape the prison of working for someone else and build a mini-empire as an entrepreneur
- * Become a rock star at any creative endeavor by creating a loyal base of fans and followers

Whichever path you choose, this book will show you how to find that one job or career that feels so right, it's like you were born to do it. Available in a variety of formats, this summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 320 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. This is a summary that is not intended to be used without reference to the original book.

Do you want more free book summaries like this? Download our app for free at <https://www.Quick-Read.com/App> and get access to hundreds of free book and audiobook summaries. Written for those who are yearning to find the career of their dreams, *Born for This* (2016) is your guidebook. Chris Guillebeau knows how draining it is to feel trapped in a job that brings you neither meaning nor satisfaction. That's why he's crafted a step-by-step guide for pursuing your passion, ditching your dead-end job, and learning how to turn your genuine interests into a paying career.

You Were Born for This

His New York Times phenomenon *The Prayer of Jabez* changed how millions pray. Now Bruce Wilkinson wants to change what they do next. Anyone can do a good deed, but some good works can only happen by an act of God. Around the world these acts are called miracles—not that even religious people expect to see one any time soon. But what would happen if millions of ordinary people walked out each morning expecting God to deliver a miracle through them to a person in need? *You Were Born for This* starts with the dramatic premise that everyone at all times is in need of a miracle, and that God is ready to meet those needs supernaturally through ordinary people who are willing to learn the "protocol of heaven." In the straightforward, story-driven, highly motivating style for which he is known, Wilkinson describes how anyone can be a 'Delivery Guy' from heaven in such universally significant arenas of life as finances, practical help, relationships, purpose and spiritual growth. *You Were Born for This* will change how you see your world and show you what you can expect God to do through you to meet real needs. You will master seven simple tools of service, and come to say with confidence, "I want to deliver a supernatural gift from God to someone in need today—and I expect to!"

You Were Born For This

THE NEW YORK TIMES BESTSELLER Chani Nicholas has amassed hundreds of thousands of loyal devotees for her radical approach to astrology for the real world - her first book is a modern day guide for using everyday astrology as a route to self-discovery, growth and finding purpose. Gone are the whimsical musings of 'On Tuesday you will meet your prince charming' horoscopes - Nicholas is spearheading an empowering new approach. Challenging readers to take control, confront their emotions, supercharge their intentions and use the power of the stars to reach their true potential. In an era when growing numbers of people are feeling a sense of meaninglessness and a desire to learn more about themselves, *You Were Born for This* teaches you how to harness the zodiac to become in tune with yourself and able to contextualise in an overwhelming world of confusing experiences and chaos. With journal prompts, reflection questions and affirmations personal to your astrological make-up, this book guides you along the path your chart has laid out for you.

The Art of Work

A USA TODAY, WASHINGTON POST, AND PUBLISHER'S WEEKLY BESTSELLER! The path to your life's work is difficult and risky, even scary, which is why few finish the journey. This book will help you discover your life's work to live a life that matters with passion and purpose. It's about the task you were born to do, your true life's work. Bestselling author and entrepreneur Jeff Goins explains how the

search begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose. Those who experience this intersection experience something exceptional and enviable. Though it is rare, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of motivation and talent, Jeff shows you how to find their vocation and what to expect along the way. In *The Art of Work*, you'll learn: The seven stages of calling to discover your life's work How accidental apprenticeships differ from mentoring and why taking action is key How believing The Myth of the Leap can prevent you from achieving your dreams To live The Portfolio Life and how it can lead to your greatest satisfaction and best work Our hearts crave connection to a meaningful calling. *The Art of Work* illuminates the proven path for anyone who wants to embrace that calling and build a body of work they can be proud of.

The Purpose Path

"When you've found your life's purpose, work becomes meaningful to you. If you want to discover and live your purpose, read Nicholas Pearce's book. Not only will it inspire you to become who you were born to be, it also will show you how." - Ken Blanchard, New York Times bestselling coauthor of *The One Minute Manager®* How to build a meaningful career with a moral center and a purpose in the world. Some of the world's most successful companies—Google, Disney, Starbucks—are not simply profit-driven, but purpose-driven. They identify the purpose behind why they do what they do, and let their "why" drive what they do every day. Nicholas Pearce argues that we all should do the same: discover our "why" and commit to the journey of aligning our daily work with our life's work. *The Purpose Path* is for people in any field who long to have more than just a job or a career, but a true vocation that allows them to connect their soul with their role. *The Purpose Path* is organized around five key questions: What is success? Who am I? Why am I here? Am I running the right race? Am I running the race well? Nicholas Pearce sits at the unconventional intersection of academia, business, and faith. With examples and advice, he shows how he and other people in a variety of fields and at different life stages have asked and answered these five questions in order to start, shape, or even radically change their careers. Inspiring, thought-provoking, and practical, *The Purpose Path* is an essential book for anyone who seeks the clarity and courage to advance their authentic life's work every day.

I Was Born for This

The third novel by the phenomenally talented Alice Oseman, the author of the 2021 YA Book Prize winning *Loveless*, *Solitaire* and graphic novel series *Heartstopper* – now a major Netflix series.

A Life at Work

A job is never just a job. It is always connected to a deep and invisible process of finding meaning in life through work. In Thomas Moore's groundbreaking book *Care of the Soul*, he wrote of "the great malady of the twentieth century...the loss of soul." That bestselling work taught readers ways to cultivate depth, genuineness, and soulfulness in their everyday lives, and became a beloved classic. Now, in *A Life's Work*, Moore turns to an aspect of our lives that looms large in our self-regard, an aspect by which we may even define ourselves—our work. The workplace, Moore knows, is a laboratory where matters of soul are worked out. *A Life's Work* is about finding the right job, yes, and it is also about uncovering and becoming the person you were meant to be. Moore reveals the quest to find a life's work in all its depth and mystery. All jobs, large and small, long-term and temporary, he writes, contribute to your life's work. A particular job may be important because of the emotional rewards it offers or for the money. But beneath the surface, your labors are shaping your destiny for better or worse. If you ignore the deeper issues, you may not know the nature of your calling, and if you don't do work that connects with your deep soul, you may always be dissatisfied, not only in your choice of work but in all other areas of life. Moore explores the often difficult process—the obstacles, blocks, and hardships of our own making—that we go through on our way to discovering our purpose, and reveals the joy that is our reward. He teaches us patience, models the necessary powers of reflection, and gives us the courage to keep going. *A Life's Work* is a beautiful rumination, realistic and poignant, and a comforting and exhilarating guide to one of life's biggest dilemmas and one of its greatest opportunities.

Human Design

Offers a comprehensive guide to Human Design, a practice that goes beyond horoscopes to render a unique personality reading for each person, with the aim of empowering him or her to make the correct decisions, choose the best professions and create relationships with ease and success. Original.

You Were Born Rich

"Now what am I going to do?" is a question many people ask—and leave unanswered—at critical potential turning points in their careers. Perhaps you're a new graduate, but instead of lining up for a boring entry-level job at a big corporation, you wish you could start your own sustainable and responsible business. Or maybe you've been stuck in a job you hate for a few years, but you still dream of doing the thing you love and that you're actually good at. Or maybe you're a boomer and you're ready for a second career, a personal venture that will represent a total change from what you've spent most of your work life doing. Whatever your situation, this is the book to help you get started. Finding the Sweet Spot explains how sustainable, responsible, and joyful natural enterprises differ from most jobs, and it provides the framework for building your own natural enterprise. You'll learn how to find partners who will help make your venture successful, how to do world-class market research, how to innovate, how to build resilience into your enterprise, and how to avoid the land mines that sink so many small businesses. Most importantly, you'll learn how to find the "sweet spot" where your gifts, your passions, and your purpose intersect. And make no mistake: our world needs your talent. The current economic system and the educational system that feeds into it have let us down and are destroying our planet. We need a blossoming of natural enterprises—connected, collaborating, and supporting ventures—to form a dynamic new natural economy. Is such a thing possible? Inventor, entrepreneur, and humanist Buckminster Fuller said: "You never change things by fighting the existing reality. To change something, build a new model that makes the existing model obsolete." Finding the Sweet Spot presents a new model. Use it to find the work you were meant to do, thereby helping to create the world we're meant to live—and make a living—in.

Finding the Sweet Spot

Before We Were Strangers description forthcoming from Atria Books.

Before We Were Strangers

From bestselling author of *The \$100 Startup* and *Side Hustle* comes Chris Guillebeau's engaging story about the power you have to create your own financial destiny. Like financial classics *The Latte Factor* and *The Richest Man in Babylon*, *The Money Tree* uses a compelling story with captivating characters to share its core insight: you are never at the mercy of fortune as long as you have an appetite for hard work and a willingness to step outside your comfort zone. Jake Aarons is in trouble. He's being evicted from his apartment in less than 30 days, the bill for his \$50,000 in overdue student loans is almost due, and the digital marketing agency he works at just implemented a new military-style grading system that might cost him his job. To top it off, Jake's new relationship with Maya was going so well... but with everything else falling down around him, he might lose her, too. In search of answers, Jake reluctantly attends a weekly group meeting at the invitation of a coworker. Everyone in the group is trying to create a lucrative side hustle with one key requirement: they can only spend up to \$500 before earning a profit. Over the course of several weeks, Jake undertakes a series of challenges, first learning how to make \$1,000 in a single weekend, and ultimately how to discover the untapped skills he needs to take control of his finances--and his life.

The Money Tree

This extensively updated edition of a crucial New Age classic will appeal to previous and new readers alike

The Life You Were Born to Live

New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring

Outside magazine to name him "The Fittest (Real) Man in America." In *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

Can't Hurt Me

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the *Orwell's Essays* series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can – and must – be rediscovered with every age.' — *Irish Times*

Why I Write

An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy *Legendborn* offers the dark allure of *City of Bones* with a modern-day twist on a classic legend and a lot of Southern Black Girl Magic. After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC–Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.

Legendborn

A book of poetic essays written in English, Kahlil Gibran's *The Prophet* is full of religious inspirations. With the twelve illustrations drawn by the author himself, the book took more than eleven years to be formulated and perfected and is Gibran's best-known work. It represents the height of his literary career as he came to be noted as 'the Bard of Washington Street.' Captivating and vivified with feeling, *The Prophet* has been translated into forty languages throughout the world, and is considered the most widely read book of the twentieth century. Its first edition of 1300 copies sold out within a month.

The Prophet

First published in the United Kingdom by The Bodley Head, an imprint of Vintage, in 2021.

What We Owe Each Other

A guide to writing a full-length transformational nonfiction book, from an editor with two decades' experience working in publishing. "I know I have a book in me." "I've always wanted to be an author." "People always ask me when I'm going to write my book." "I have a story to tell, but I never seem to make time to write." Are you a thought leader, healer, or change-agent stuck at the starting line of book publication? Life coach and publishing industry insider Kelly Notaras offers a clear, step-by-step path

for turning your transformational idea or story into a finished book as quickly as possible. With humor, encouragement, and common sense, she demystifies the publishing process so you can get started, keep writing, and successfully get your wisdom out into the world. Notaras guides you through: Getting clear on your motivation for writing a book, Crafting a powerful, compelling hook and strong internal book structure, Overcoming resistance and writer's block, and Getting your finished manuscript onto the printed page, whether through traditional publishing or self-publishing. Publishing a book has never been as simple, accessible, and affordable as it is today, and in our tumultuous world, readers need your healing voice. Be brave, be bold, and take the steps you need to share your message with those who need to hear it most.

The Book You Were Born to Write

Twenty years ago, a book about being fired after one reaches a certain age would be a ridiculous and irrelevant idea, but today, it is a resource that is badly needed. There is much talk these days about how hard it is to find a job as a fresh post-secondary graduate, but life is hard on the other end of the spectrum too. Finding a job in your 50s can be just as hard, if not harder, than finding a job in your 20s. Christine provides invaluable tools in this book to help those fired at fifty to stop looking for work and discover how their valuable life skills can be turned into a business.

Fired at Fifty

A collection of A.J. Jacobs's hilarious adventures as a human guinea pig, including "My Outsourced Life," "The Truth About Nakedness," and a never-before-published essay. One man. Ten extraordinary quests. Bestselling author and human guinea pig A.J. Jacobs puts his life to the test and reports on the surprising and entertaining results. He goes undercover as a woman, lives by George Washington's moral code, and impersonates a movie star. He practices "radical honesty," brushes his teeth with the world's most rational toothpaste, and outsources every part of his life to India—including reading bedtime stories to his kids. And in a new adventure, Jacobs undergoes scientific testing to determine how he can put his wife through these and other life-altering experiments—one of which involves public nudity. Filled with humor and wisdom, *My Life as an Experiment* will immerse you in eye-opening situations and change the way you think about the big issues of our time—from love and work to national politics and breakfast cereal.

My Life as an Experiment

Are you weary? Worn out by the bills that keep stacking, a virus that keeps raging, or a heart that keeps aching? If so, the book of Esther brings welcome news: Relief will come! To be clear, you didn't ask for this struggle. You want to get past it. You don't know how much longer you can hold up. But what if God is with you in this difficult season? When life seems off the rails, remember this truth: the minute you bow your head to pray is the moment God lifts his hand to help. Queen Esther learned this truth firsthand. When confronted with a royal decree that would annihilate her people, she had to make some tough choices. Would she remain silent in the face of this challenge, or would she speak up? Would she blend in, or would she stand out? But after Esther spent three days in prayer and fasting, God gave her the courage to speak up. God used her to save the nation. And God can do the same with you. In *You Were Made for This Moment*, pastor and New York Times bestselling author Max Lucado will help you: put your hope in the God of grand reversals, trusting that God will right every wrong cultivate courage for your challenging times by leaning on the God who redeems and restores discover your role in God's story by exploring how God can use your experiences and circumstances to join him in his holy work God never promised us a life without trials, but he does promise to be with us as we walk through them. Trust that he can redeem your struggles for a mighty purpose. You, friend, were made for this moment.

You Were Made for This Moment

"In *You Are Here (For Now)*, artist and author Adam J. Kurtz is vulnerable, wise and hilarious as he doles out advice and comfort to anyone who's really going through it." —BookPage The national bestseller An honest and relatable guide to figuring out where you're headed—and feeling okay in the meantime. When life feels uncertain, or just plain out of control, making intentional choices can help us move forward and find our way. Sometimes all it takes is a gentle nudge, but for anyone waiting for that big, obvious sign from the universe: This is it! This candid collection of essays and artwork is full of reflections, encouragement, and insights on the theme of personal transformation—realistic

perspectives to help you move from “staying alive” to nurturing and celebrating the person you know you really are. From the generous and slightly jaded mind of artist Adam J. Kurtz, these pages explore mental health, identity, handling setbacks, and finding humor in the unknown—and will be a touchstone for seekers, graduates, creatives, and anyone who’s trying to figure out what’s next (and maybe even feel a little hopeful about it).

You Are Here (For Now)

A clever, thrilling YA about two sisters searching for each other and for truth, against a backdrop of environmental disaster.

The Ones We’re Meant to Find

Have you ever wondered about your life’s purpose? The next step in the life-changing Human Design system, *The Book of Destinies* presents in-depth profiles of the 192 Life Themes that encompass humanity. Based on the place, date, and time of your birth, your Life Theme reveals a remarkably detailed portrait of your true nature, allowing you the peace of knowing who you really are so you can live your life with clarity and fulfillment. Instead of struggling to achieve unsuitable goals, you can align yourself with a deeper plan for your relationships, career, and decision making. Many passages include a list of noted people who share that Life Theme. The culmination of the authors’ twenty years of research, practice, meditation, and readings, *The Book of Destinies* is for anyone who has ever stopped to wonder, “What is my life purpose, and how do I realize it?”

Never Let Me Go

Simon Sinek’s recent video on ‘The Millennial Question’ went viral with over 180 million views. *Find Your Why* is the follow up to *Start with Why*, the global bestseller and the subject of the third most watched TED Talk of all time. With *Start With Why*, Simon Sinek inspired a movement to build a world in which the vast majority of us can feel safe while we are at work and fulfilled when we go home at night. Now, along with two of his colleagues, Peter Docker and David Mead, Sinek has created a guide to the most important step any business can take: finding your why. This easy-to-follow guide starts with the search for your personal why, and then expands to helping your colleagues find your organization’s why. With detailed instructions on every stage in the process, the book also answer common concerns, such as: What if my why sounds like my competitor’s? Can you have more than one why? And, if my work doesn’t match my why, what do I do? Whether you’re entry level or a CEO, whether your team is run by the founder or a recent hire, these simple steps will lead you on a path to a more fulfilling life and long-term success for you and your colleagues.

The Book of Destinies

THE MILLION-COPY GLOBAL BESTSELLER - BASED ON THE LIFE-CHANGING TED TALK! DISCOVER YOUR PURPOSE WITH ONE SIMPLE QUESTION: WHY? 'One of the most incredible thinkers of our time; someone who has influenced the way I think and act every day' Steven Bartlett, investor, BBC Dragon and host of The Diary of a CEO podcast ***** Why are some people more inventive, pioneering and successful than others? And why are they able to repeat their success again and again? Because it doesn't matter what you do, it matters WHY you do it. Those who have had the greatest influence in the world all think, act, and communicate in the same way - and it's the opposite to most. In *Start with Why*, Simon Sinek uncovers the fundamental secret of their success. How you lead, inspire, live, it all starts with why. WHAT READERS ARE SAYING: 'It's amazing how a book can change the course of your life, and this book did that.' 'Imagine the Ted Talk expanded to 2 hours long, with more depth, intrigue and examples.' 'What he does brilliantly is demonstrate his own why - to inspire others - throughout.'

Find Your Why

When it comes to money management, most of us take a hands-off approach because we’re just not confident that we have the know-how needed. But personal finance is actually more personal than it is finance. Tim Maurer has made a career out of distilling complex financial concepts into understandable, doable actions. In this eminently practical book, he shows readers how to - better understand their values and goals in order to simplify their money decisions - budget major expenses intelligently - reduce and eliminate debt - make vital decisions on home, auto, and life insurance - establish a

world-class investment portfolio - craft a workable retirement plan - and more Readers will be relieved to see that managing their money is actually not as complicated as they thought--and that they can take control of their financial future starting today.

Start With Why

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

Simple Money

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

If He Had Been with Me

"Ann has always seen the power and potential in young women. *The Big Life* helps make all our dreams closer than ever." —Lauren Conrad, designer and New York Times bestselling author of *Lauren Conrad Celebrate* "The Big Life is a guide for women in their 20s and 30s who are hungry for a job they love, a supportive network of friends, respect from their bosses, and partners who want all those things for them as badly as they do." —The New York Times Millennials women are changing what it means to be powerful and successful in the world—for everyone. Forever. You want *The Big Life*—that delicious cocktail of passion, career, work, ambition, respect, money, and a monumental relationship. And you want it on your own terms. Forget climbing some corporate ladder, you want a career with twists and turns and adventure. For you, success only matters if it's meaningful. Ann Shoket knows the evolving values of young women more than anyone. She's the voice behind the popular Badass Babes community, a sisterhood of young, hungry, ambitious women who are helping each other through the most complex issues around becoming who you're meant to be. As the trailblazing editor-in-chief of *Seventeen* for the better part of a decade, Shoket led provocative conversations that helped young women navigate the tricky terrain of adolescence and become smart, confident, self-assured young women. Now that they are adding muscle to the framework of their lives, she's continuing the conversation with *The Big Life*. *The Big Life* is packed with actionable guidance combined with personal advice from high-profile millennial women who have already achieved tremendous success, plus intimate conversations with a cast of compelling characters and Shoket's own stories on her quest for *The Big Life*. You'll learn to tackle all of the issues on heavy rotation in your mind such as: • How to craft a career that's also a passion. • How to get respect from a boss who thinks you're a lazy, entitled, and self-obsessed millennial • Why you need a “squad” of people who support you as you build your Big Life • How a side hustle will make you smarter, hotter, and more in control of your destiny. • Why work/life balance is a sham and your need to embrace the mess. • How to find a partner whose eyes light up when you talk about your ambition. Written in Shoket's friendly and authoritative style, *The Big Life* will help you recognize your power, tap into your ambition, and create your own version of *The Big Life*.

Quotations from Chairman Mao Tsetung

Jamie is a small boy who is waiting with his aunt for his younger brother or sister to be born. His aunt tells him about the day she spent waiting for him to be born in this warm, atmospheric story by Wendy McCormick.'

The 48 Laws of Power

The PRIZE-WINNING BESTSELLER, now a major BBC1 DRAMA SERIES starring Thomasin McKenzie, Sian Clifford and James McArdle, directed by BAFTA award-winning John Crowley. 'Dazzling, witty, moving, joyful, mournful, profound... one of the best novels I've read this century' Gillian Flynn, bestselling author of GONE GIRL 'A box of delights ... it grips the reader's imagination on the first page and never lets go.' HILARY MANTEL, author of THE MIRROR AND THE LIGHT

What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? Life After Life follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves. 'Merging family saga with a fluid sense of time and an extraordinarily vivid sense of history at its most human level. A dizzying and dazzling tour de force' Daily Mail 'Absolutely brilliant...it reminded me a bit of her first book Behind the Scenes at the Museum, which is one of my most favourite books ever.' Marian Keyes, author of Rachel, Again 'An exceptional writer' Guardian '[A] magnificently tender and humane novel' Observer 'A ferociously clever writer...a big, bold novel that is enthralling, entertaining' New Statesman 'Exceptionally captivating' New York Times 'Truly brilliant...Think of Audrey Niffenegger's The Time Traveler's Wife or David Nicholl's One Day.. a rare book that you want to start again the minute you have finished.' The Times

The Big Life

A remarkable guide to the quests that give our lives meaning—and how to find your own—from the New York Times bestselling author of The \$100 Startup and 100 Side Hustles “If you like complacency and mediocrity, do not read this book. It’s dangerously inspiring.”—A. J. Jacobs, author of The Know-It-All When he set out to visit all of the planet’s countries by age thirty-five, compulsive goal-seeker Chris Guillebeau never imagined that his journey’s biggest revelation would be how many people like himself exist—each pursuing a challenging quest. These quests are as diverse as humanity itself, involving exploration, the pursuit of athletic or artistic excellence, or battling against injustice and poverty. Everywhere that Chris visited he found ordinary people working toward extraordinary goals, making daily down payments on their dreams. These “questers” included a suburban mom pursuing a wildly ambitious culinary project, a DJ producing the world’s largest symphony, a young widower completing the tasks his wife would never accomplish—and scores of others writing themselves into the record books. The more Chris spoke with these strivers, the more he began to appreciate the direct link between questing and long-term happiness, and he was compelled to complete a comprehensive study of the phenomenon. In The Happiness of Pursuit, he draws on interviews with hundreds of questers, revealing their secret motivations, their selection criteria, the role played by friends and family, their tricks for solving logistics, and the importance of documentation. Equally fascinating is Chris’s examination of questing’s other side. What happens after the summit is climbed, the painting hung, the endurance record broken, the at-risk community saved? A book that challenges each of us to take control—to make our lives be about something while at the same time remaining clear-eyed about the commitment—The Happiness of Pursuit will inspire readers of every age and aspiration. It’s a playbook for making your life count. “The Happiness of Pursuit is smart, honest, and dangerous. Why dangerous? Because it is as practical as it is inspiring. You won’t just be daydreaming about your quest—you’ll be packing for it!”—Brené Brown, Ph.D., LMSW, author of Daring Greatly

The Night You Were Born

WINNER OF THE THURBER PRIZE The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show The Daily Show with Trevor Noah, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped

him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, *Born a Crime* tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. *Born a Crime* is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. *Born a Crime* is a must read.
