Why do underdogs succeed so much more than we expect? How do the weak outsmart the strong? In *David and Goliath* Malcolm Gladwell, no.1 bestselling author of *The Tipping Point*, *Blink*, *Outliers* and *What the Dog Saw*, takes us on a scintillating and surprising journey through the hidden dynamics that shape the balance of power between the small and the mighty. From the conflicts in Northern Ireland, through the tactics of civil rights leaders and the problem of privilege, Gladwell demonstrates how we misunderstand the true meaning of advantage and disadvantage. When does a traumatic childhood work in someone's favour? How can a disability leave someone better off? And do you really want your child to go to the best school he or she can get into? *David and Goliath* draws on the stories of remarkable underdogs, history, science, psychology and on Malcolm Gladwell's unparalleled ability to make the connections others miss. It's a brilliant, illuminating book that overturns conventional thinking about power and advantage. 'A global phenomenon... there is, it seems, no subject over which he cannot scatter some magic dust' *Observer*

David and Goliath

Planting and leading a new church is not easy. There are the inevitable setbacks and challenges that come with launching anything new. And the process will test and try a leader's faith, as they face discouragement, loneliness, and failure. In this book, pastor and seasoned church leader Wayne Cordeiro speaks the truth in love, offering wisdom and insight to prepare leaders as they face the difficulties and hardships of church planting, while providing encouragement and inspiration for the journey. "Sifted" is based on Jesus' encouragement to Peter in Luke 22 to keep his faith and minister to others from his weakness. An experienced practitioner, Wayne shares the things he wishes he'd known when he was

starting a new church. With additional stories from other prominent, seasoned leaders, each chapter includes a thought provoking, challenge question to develop a heart that is surrendered to God, focused on "being and becoming" versus "doing and accomplishing." Wayne writes about a healthy integration and balance of personal care and leadership amidst the difficulties of the church planting journey. Loneliness and discouragement are normal in church planting, but God cares more about our journey of faith and who we are becoming than our worldly accomplishments and the churches we build. Church planting is an ongoing process of surrender, personal growth and character development. The book will challenge leaders to persevere and rededicate themselves to their calling, their marriage, and their family. Instead of a "how to" book on models and methods, this is a combination of a self-assessment book that challenges leaders' scorecards of success, encourages leaders to realize that they are not alone in what they are experiencing, and provides wisdom for the long haul to position younger leaders for a life of ministry and finish strong.

David's remarkable life, insights, and achievements inspire us today. David's story is compelling, exciting -- with "chance" encounters, narrow escapes, beautiful women, and a warrior who carves out an empire. David is a singer-songwriter, whose body of work is revered by millions of fans three thousand years after his death. His character encourages us, his weaknesses speak to us, his faith moves us. He is the king of Israel's Golden Age and points us to his great descendant, the Son of David, Jesus Christ the Lord. This book is designed to aid your study of David's life, with a special emphasis on what we can learn as Jesus' disciples today. Twenty maps and charts help you understand his family, as well as the geography of his sojourns, escapes, battles, and conquests. The historical background and geopolitical context will help you to appreciate David in his own world and grasp his internal complexity. Classes and small groups will find this a helpful curriculum guide to their study of 1 and 2 Samuel, with links to free participant handouts as well as thorough preparation for the leader. Thought-provoking questions will stimulate many insightful discussions. Preachers and teachers will find a great deal of their research done for them. Lessons are heavily footnoted for those who want to dig deeper, but are optional for the general student. According to Paul, "David ... served God's purpose in his own generation." Your understanding of David's life and faith will help you to live out God's plan for you in your own generation.
