## This is My God

An introduction to Jewish history, faith, customs, and law.

## This is My God: the Jewish Way of Life

The Innovative Guide to Spiritual Self-Discovery Your Spiritual Identity is an undeniable part of who you are whether you've thought much about it or not, and whether you consider yourself religious or not. Spirituality is not just about what you believe or don't believe, it's about how you believe how you approach the ultimate questions and mystery of life, and what you think those questions are. Who Is My God? is a tool for discovering and exploring your own unique spirituality. You can take the Spiritual Identity Self-Test to find out how: Your Spiritual Type (how you believe) Your Tradition Indicator (what you believe) Your Spiritual Identity And, when you learn more about your Spiritual Identity from the results of the self-test, you can continue your own spiritual search by using the descriptions of twenty-eight different spiritual traditions followed in America today from Buddhism to Roman Catholicism, from Sufism to New Consciousness. For each of them, there are People You Should Know who are representative of that tradition, specific suggestions for further exploration, and contact information. Here is a guide to help you walk the path that is your way. Attention: Spiritual directors, professional counselors, and clergy of all faiths and denominations. Who Is My God? is a proven resource for beginning spirituality conversations, suitable for a variety of settings. An ability to discuss religion your religious background and beliefs is essential for psychological, spiritual, and emotional growth.

## This is My God

The author writes: "The focus of this book is on Judaism as it expresses itself in the Jewish holidays. Through these days Judaism is most visible and most easily accessible. But this is meant to be more than a book about the holidays; rather, it is a book about the Jewish way through life and history. To celebrate the holidays is to relive by reliving the Jewish way. Over the centuries Jewish thought and values have been crystallized in religious behavior. Judaism's underlying structures of meaning—the understanding of the world, the direction of history, the values of life—have come to their classic

expression in the holidays. This book seeks to uncover those patterns. "All halachic behaviors are dramatic/mimetic gestures articulating a central metaphor of living. Grasping the metaphor adds depth to action and joy to life. Entering into the holidays with this understanding widens the range of emotion and brings a whole new set of roles and personae into even the most conventional life. Living the Jewish way calls for a highly developed capacity for fantasy and playacting. If you will, one must be a bit of a ham to be a kosher Jew. I hope that by pointing out the roles we are summoned to play, this book will help release the creative imagination for religious living present in every person. "This is not to suggest that practice of the Jewish faith is all play, all fun and games. There have been times when this religion has brought painful memories, moral problematic conflicts with others, oppressive minutiae, and obligations so great I felt guilty no matter what I accomplished. Yet on balance the overwhelming effect has been to fill my life with a sense of Divine Presence and human continuity, bondedness, joy, textured living experiences full of love that make everything worthwhile. No wonder that over the course of history millions of Jews were willing to die, if necessary, for this faith. Through this book, I hope to show others why it is worth living for this faith. "This book is written for different types of readers: nonobservant Jews who seek new experiences to deepen their Jewish identity; observant Jews who wish to avoid the pitfall of practicing the details while missing the overarching goal; those lacking Jewish education who search for more information; learned Jews who search for new insights; and non-Jews who wish to understand the underlying visions of Judaism and who may find that it resonates in their own religious living."

### Who Is My God? (2nd Edition)

A guide to the beliefs, traditions and practices of Judaism that answers questions for both Jew and Gentile. Rabbi Kertzer answers over 100 of the most commonly asked questions about Jewish life and customs, including: What is the Jewish attitude toward intermarriage? Toward birth control? Do Jews believe in equality between the sexes? Are Jews forbidden to read the New Testament? What is the basis for the Dietary Laws? For non-Jews who want to learn about the Jewish way of life. For Jews who wish to rediscover forgotten traditions and beliefs. "This portrayal of the Jewish way of looking at things attempts to convey some of the warmth, the glow and the serenity of Judaism: the enchantment of fine books; the captivating color of Hasidism;...the mirthful spirit of scholars more than sixteen centuries ago; and the abiding sense of compassion that permeates our tradition. It is in this way—and only in this way that anyone can give a meaningful answer to the question, 'What is a Jew?'"—Rabbi Morris N. Kertzer

### The Jewish Way

Jewish patients customarily have particular ways of approaching health and healthcare. This book outlines the Jewish practices and customs of direct relevance to health professionals, illustrated throughout with case histories. Information is provided to facilitate day to day communication, discussing etiquette and interpersonal relationships between the health professionals and their patients, describing in detail the dietary laws, customs and festivals. This book will offer practical advice about Jews, Judaism and the Jewish community helping to educate and enable all healthcare professionals in hospitals and in the community to provide care in a culturally appropriate manner.

### What Is A Jew?

The Way Into ... Series offers an accessible and highly usable "guided tour" of the Jewish faith, people, history, and beliefs -- in total, an introduction to Judaism that will enable you to understand and interact with the sacred texts of the Jewish tradition. Each volume is written by a leading contemporary scholar and teacher, and explores one key aspect of Judaism. The Way Into ... enables all readers to achieve a real sense of Jewish cultural literacy through guided study. Book jacket.

### Caring for Jewish Patients

Covers contemporary authors and works that have enjoyed commercial success in the United States but are typically neglected by more "literary" guides. Provides high school and college students with everything they need to know to understand the authors and works of American popular fiction.

### The Way Into Jewish Prayer

The commandment of God is His word. The understanding is God's word that has engaged you. The wisdom of words is food for thought, and it's a cue to service you and your character. We are vulnerable with a different source of strength, but truth be told wisdom will not dwell in a body of sin. Nosh Gram believes deep down inside everyone is searching for God for a genuine understanding of what our purpose on earth is! Virginia L. Edge was born in Brooklyn, New York 1945 the oldest girl of 3 children. She is the author of Faith and Love: Moving Along Through Biblical Truth. She has been married to Theron Edge for the last 42 years. They have 3 Children, 7 Grandchildren, 3 Great-Grandchildren, and one dog named Maxis. She has always had a great love for her family and has poured all that she has into her children and family (and Maxis is no exception). She has the heart to give, that big heart led her to a career in Nursing. Virginia was a Registered Nurse for many years, although she retired now 22 years and hasn't slowed down since. The principals in Faith and Love are both near and dear to her as well as the way she lives. She hopes that you will enjoy this book and follow her into future endeavors as she shares the impartation that God has instilled into her life. Inspiring Books to Read: 1. There is so much to learn, but you will feel great when you learn and start to understand!

#### Witnessing to Jews

The Reader's Guide to Judaism is a survey of English-language translations of the most important primary texts in the Jewish tradition. The field is assessed in some 470 essays discussing individuals (Martin Buber, Gluckel of Hameln), literature (Genesis, Ladino Literature), thought and beliefs (Holiness, Bioethics), practice (Dietary Laws, Passover), history (Venice, Baghdadi Jews of India), and arts and material culture (Synagogue Architecture, Costume). The emphasis is on Judaism, rather than on Jewish studies more broadly.

#### Quotations for All Occasions

"From the Sabbath to circumcision, from Hanukkah to the Holocaust, from bar mitzvah to bagel, how do Jewish religion, history, holidays, lifestyles, and culture make Jews different, and why is that difference so distinctive that we carry it from birth to the grave?" This accessible introduction to Judaism and Jewish life is especially for Christian readers interested in the deep connections and distinct differences between their faith and Judaism, but it is also for Jews looking for ways to understand their religion--and explain it to others. First released in 2002 and now in an updated edition.

#### Faith and Love

If you have ever wondered what being born Jewish should mean to you; if you want to find out more about the nature of Judaism, or explain it to a friend; if you are thinking about how Judaism can connect with the rest of your life -- this is the first book you should own. It poses, and thoughtfully

addresses, questions like these: Can one doubt God's existence and still be a good Jew? Why do we need organized religion? Why shouldn't I intermarry? What is the reason for dietary laws? How do I start practicing Judaism? The *Nine Questions People Ask About Judaism* was written for the educated, skeptical, searching Jew, and for the non-Jew who wants to understand the meaning of Judaism. It has become a classic and very widely read introduction to the oldest living religion. Concisely and engagingly, authors Dennis Prager and Joseph Telushkin present Judaism as the rational, moral alternative for contemporary man.

#### Reader's Guide to Judaism

In December 1988 Floyd Skloot was stricken by a virus that targeted his brain, leaving him totally disabled and utterly changed. *In the Shadow of Memory* is an intimate picture of what it is like to find oneself possessed of a ravaged memory and unstable balance and confronted by wholesale changes in both cognitive and emotional powers. Skloot also explores the gradual reassembling of himself, putting together his scattered memories, rediscovering the meaning of childhood and family history, and learning a new way to be at home in the world. Combining the author's skills as a poet and novelist, this book finds humor, meaning, and hope in the story of a fragmented life made whole by love and the courage to thrive.

#### What I Wish My Christian Friends Knew about Judaism

A psychological study, based on extensive interview data, of Jewish adults who take on a devout lifestyle. Spiritual transformation is the process of changing one's beliefs, values, attitudes, and everyday behaviors related to a transcendent experience or higher power. Jewish adults who adopt Orthodoxy provide a clear example of spiritual transformation within a religious context. With little prior exposure to traditional practice, these baalei teshuvah (literally, "masters of return" in Hebrew) turn away from their former way of life, take on strict religious obligations, and intensify their spiritual commitment. This book examines the process of adopting Orthodox Judaism and the extensive life changes that are required. Based on forty-eight individual interviews as well as focus groups and interviews with community outreach leaders, it uses psychological developmental theory and the concept of socialization to understand this journey. Roberta G. Sands examines the study participants' family backgrounds, initial explorations, decisions to make a commitment, spiritual struggles, and psychological and social integration. The process is at first exciting, as baalei teshuvah make new discoveries and learn new practices. Yet after commitment and immersion in an Orthodox community, they face challenges furthering their education, gaining cultural knowledge, and raising a family without parental role models. By showing how baalei teshuvah integrate their new understandings of Judaism into their identities, Sands provides fresh insight into a significant aspect of contemporary Orthodoxy. "Sands's judicious and comprehensive application of social science theories to the study of Jewish returnees provides a unique contribution to the social scientific study of religion." — Roberta Rosenberg Farber, coeditor of *Jews in America: A Contemporary Reader*

#### Nine Questions People Ask About Judaism

While participating in Passover meals and observances is not a part of designated Latter-day Saint rituals, many participants see the activity as a way to re-enact the observance as it was structured in Old Testament times, and tie it to their modern-day Easter celebrations of the atoning sacrifice and glorious resurrection of our Lord and Savior, Jesus Christ. With this in mind, many have expressed a desire for more information on how to combine the two events effectively. To meet this need, *Celebrating Passover* recounts the history of the Passover feast, including its importance, origins, symbolism, and developments through time. Then, it correlates the Passover observance with Christ's life and LDS beliefs and prophecies, explaining differences in the emphasis and showing how to prepare a modern Latter-day Saint Passover observance that truly is Christ-centered. *Celebrating Passover* provides all the information needed for modern LDS families to hold a gospel-oriented Passover celebration that respects the Old Testament Passover instructions but still focuses on the mission and gospel-centered message of salvation through Jesus Christ. This well-written, highly informative book provides a complete script, recipes, music and all the instructions needed for a meaningful, joyous celebration.

#### In the Shadow of Memory

The commandment of God is His word. The understanding is God's word that has engaged you. The wisdom of words is food for thought, and it's a cue to service you and your character. We are vulnerable with a different source of strength, but truth be told wisdom will not dwell in a body of sin. ### The Spiritual Transformation of Jews Who Become Orthodox

Christians and Messianic Jews who are interested in the rich spiritual traditions of their faith will be thrilled with this brand new study Bible. The Complete Jewish Study Bible pairs the updated text of the Complete Jewish Bible translation with extra study material, to help readers understand and connect with the Jewish roots of the Christian faith. The Complete Jewish Bible shows that the word of God, from Genesis to Revelation, is a unified Jewish book meant for everyone Jew and non- Jew alike. Translated by David H. Stern with new, updated introductions by Rabbi Barry Rubin, it has been a best-seller for over twenty years. This translation, combined with beautiful, modern design and helpful features, makes this an exquisite, one-of-a-kind Bible. Unique to The Complete Jewish Study Bible are a number of helpful articles and notes to aid the reader in understanding the Jewish context for the Scriptures, both in the Tanakh (the Old Testament) and the Brit Hadashah (the New Testament). Features include: - Twenty-five contributors (both Jewish and Christian), including John Fischer, Patrice Fischer, Arnold G. Fruchtenbaum, Walter C. Kaiser, Jr., Rabbi Russell Resnik, and more - Thirty-four topical articles ranging from topics such as the menorah (or candelabra of God ) and repentance (t shuvah) in the Bible, to Yeshua's Sermon on the Mount and the Noachide Laws (the laws given by God to Noah and subsequent generations) and their applicability to Gentiles - In addition to these topical articles and detailed study notes, there are twelve tracks or themes running throughout the Bible with 117 articles, covering topics such as Jewish Customs, the Names of God, Shabbat, and the Torah - New Bible book introductions, written from a Jewish perspective - Bottom-of-page notes to help readers understand the deeper meanings behind the Jewish text - Sabbath and Holy Day Scripture readings - Offers the original Hebrew names for people, places, and concepts "

### Celebrating Passover: A Guide to Understanding the Jewish feast for Latter-day Saints

Back by popular demand, the classic JPS holiday anthologies remain essential and relevant in our digital age. Unequaled in-depth compilations of classic and contemporary writings, they have long guided rabbis, cantors, educators, and other readers seeking the origins, meanings, and varied celebrations of the Jewish festivals. The Hanukkah Anthology delves into the stories and messages of Hanukkah as they have unfolded in Jewish literature over the past two thousand years: biblical intimations of the festival, postbiblical writings, selections from the Talmud and midrashim, excerpts from medieval books, home liturgies, laws and customs, observances in different nations, stories and poems, art, and recipes. This timeless volume features many works by prominent authors, including Herman Wouk, Judah L. Magnes, Chaim Potok, Heinrich Heine, Emma Lazarus, Howard Fast, Sholom Aleichem, Curt Leviant, I. L. Peretz, and Henry Wadsworth Longfellow.

Hasidic tales are often read as charming expressions of Jewish spirituality. This title offers a radical reappraisal of how we think of Hasidic tales, calling into question received notions of authenticity. It focuses on the neglected Hasidic literature of the early 20th century - primarily the work of Israel Berger and Abraham Hayim Michelson.

### The Complete Jewish Study Bible

Permission to Believe is a powerful statement of belief and faith by Samuel Karff, a prominent rabbi, spiritual leader, and outstanding figure in Jewish-Christian relations. Rabbi Karff, describing conversations he has had his entire career with agnostics, atheists, and other doubters, has been struck by the fact that "on some level my challengers wanted me to win the argument....Granting ourselves permission to believe does not require that we turn away from the 'ordinary world' but that we heed these deep intuitions of our heart....Life is not only a puzzle to solve but a mystery to embrace." The book contains 10 chapters and explores themes of brokenness, stubbornness, doubt, and faith. Chapter titles: What Is Faith? What Kind of Life Is This Anyway? Confronting the Obstacles to Faith, Recovering Faith, Prayer—The Vital Connection, Overcoming A Crisis of Faith, When Prayer Is Not Enough, The Power of Love, Living in a Broken World, Sustaining Faith in Our Later Years, Dance, Laughter, and Hope.

### The Hanukkah Anthology

"Understanding Your Neighbor's Faith: What Christians and Jews Should Know About Each Other was the brainchild of Rabbi Philip Lazowski of Hartford, Connecticut. The idea was born several years back after he invited a group of non-Jewish clergymen to visit the Holy Land with him. Priests, ministers and some members of their congregations who wanted a better understanding of Israel and Judaism enthusiastically accepted his gesture of good will. Rabbi Lazowski's unique perspective as a Holocaust survivor made him ideally poised to teach others about the historical and philosophical context of Judaism as well as its rich tradition of practice. Rabbi Lazowski also learned much from his colleagues of other faith traditions. This unprecedented volume gives Rabbi Lazowski and the other clergy the opportunity to explicate their religion, using their own language and concepts in responding to the questions of people of goodwill outside their faith. Difficult, even uncomfortable, questions are asked--and answered. No question is too simple or too complex. Every chapter, each by an author belonging to a different Christian faith tradition, will prove as informative to the co-religionist as to the outsider. The concise, straightforward question-and-answer style allows the book to be studied in full, read casually, or consulted for reference.

### Imagining Holiness

The true story of a German-Jewish love that overcame the burdens of the past. Finalist for the 2017 Book of the Year Award by the Chicago Writers Association "A book that is hard to put down." —Jerusalem Post "This book confirms Annette Gendler as an indispensable Jewish voice for our time." —Yossi Klein Halevi, author of *Like Dreamers* "The ghosts of the past haunt a woman's search for herself in this thoughtful, poignant memoir about the transformative power of love and faith." —Hillary Jordan, author of *Mudbound*, now a Netflix movie "An exquisitely written conversion story which expounds upon personal and collective identity." —Washington Independent Review of Books "A compelling, gracefully written memoir about the impact of the past on the present." —Michael Steinberg, author of *Still Pitching* History was repeating itself when Annette fell in love with Harry, a Jewish man, the son of Holocaust survivors, in Germany in 1985. Her Great-Aunt Resi had been married to a Jew in Czechoslovakia before World War II a marriage that, while happy, put the entire family in mortal danger once the Nazis took over their hometown in 1938. Annette and Harry's love, meanwhile, was the ultimate nightmare for Harry's family. Not only was their son considering marrying a non-Jew, but a German. Weighed down by the burdens of their family histories, Annette and Harry kept their relationship secret for three years, until they could forge a path into the future and create a new life in Chicago. Annette found a spiritual home in Judaism a choice that paved the way toward acceptance by Harry's family, and redemption for some of the wounds of her own family's past.

### Permission to Believe

Virtually every other religious book portrays the act of believing-the decision a believer makes to accept that his or her own religion's particular assumptions and explanations are true-as if it is a good thing. Frankly, I think believing is dangerous. . . . The thrust of my argument is simple: All of us think that

our religion is "good" and that those in apparent (and often politically motivated) opposition to it are "bad." But the real truth is that all of our religions are equally guilty of being used to promote violence, and thanks to centuries of political manipulation that have distorted the way we read our holy books—all of us are equally guilty of not following what our religions really say. . . . The later chapters of this book explore belief and human nature in a new light to explain how Freud's theories of the subconscious and quantum physics' model of the subatomic universe offer some of the best proof we have that God exists; show us a way to restore religion to its rightful role in our lives and our world; and conclude that we're all a lot closer to where we should be than we think.

### Understanding Your Neighbor's Faith

In these troubled times, people are asking very difficult questions about God and their faith: If I suffer, does that mean I deserve it? Why do innocent people, especially children, die tragically? How can God be so cruel? Does God ever intervene during times of trouble? Who really runs the world—God or man? Do my prayers do any good? Why does God allow sickness, torture and evil to exist? Benjamin Blech admits, the answers are not simple. There is no one-size-fits-all explanation. Indeed, not only are there many answers, but in different situations several explanations may apply. Blech wrote this book as an intellectual analysis of Jewish wisdom on the subject of suffering. His theories are the fruit of thousands of years of debate, examination and struggle. Jewish wisdom teaches that there are rich and inspiring answers to the ultimate question: If God is good, why is the world so bad? Take part in the most important spiritual journey of all—the quest for serenity in the face of adversity—and discover that in the accumulated wisdom of the ages lies a time-tested solution for turning despair into hope and sorrow into faith.

### Jumping Over Shadows

The point of this book is simple: to make Christians aware of a story that they have not been told—the story of relations between Christians and Jews. This involves tracing the church's anti-Judaism to its source in the gospels and the Book of Acts and describing the development of the church's displacement-replacement theology according to which we new Gentiles, spiritual, universal, inclusive Christians replace the old, carnal, ethnocentric legalist and works-righteous Jews in the favor of God. The story also details the actions of the churches, specifically a long chain of canons (laws) governing relations between Jews and Christians, all the way from banning Christians for socializing or dining with Jews, marrying Jews, and asking rabbis for blessings, to requiring all Jews to live in ghettos. This history of actions comes down to the present and its consequences in the Holocaust in which all the killers were Christians and in the Nazi laws governing Jewish behavior. Each such law took its precedent from a canon law passed by a council of the church. The recent rash of bomb threats against Jewish Community Centers and synagogues reminds us of how deeply this bigotry is embedded in people. The point of making people aware of anti-Judaism is to prompt them not to shrug it off when scripture readings regularly teach contempt for Jews with the rhetoric of vilification. Words are important. Teaching contempt should be called out and rejected. This can be done pastorally and gently, but it should be done. Otherwise the church's language reinforces a deeply embedded bigotry. Most Christian pastors are unaware of this reality and prone to thinking that anti-Judaism is not a serious problem for the church. Hence most anti-Judaism in Christian preaching is unintentional. Awareness of the story of Christian anti-Judaism prods us to move from unintentional anti-Judaism to intentional teaching of respect for Jews and Judaism. "Better than any other book in post-Holocaust theology, this classic volume brings together consideration of the Bible, the history of the church, and contemporary constructive theology, in Jewish-Christian relationships. While the book lays bare the church's anti-Judaism and anti-semitism, and their painful consequences, Williamson moves us toward a vital relationship of mutual support, and, indeed, mutual witness, between Judaism and Christianity. The only other book that has affected me more profoundly is Williamson's own *Way of Blessing, Way of Life: A Christian Theology*." --Ronald J. Allen, Nettie Sweeney and Hugh Th. Miller, Professor of Preaching and New Testament at Christian Theological Seminary. "After my visit to Hitler's death camp Dachau in 1979, I looked at the sky and whispered 'My God...what have we done?' Clark Williamson has helped us answer that terrible question with this clear explanation of what has been called 'the teaching of contempt' and 'the left hand of Christology,' the built-in belief that in order for Christianity to be proclaimed, Judaism and Jews must be disparaged and negated. We must read this book." --Prof. Richard K. Thewlis, Hiram College. "Historically informed, pastorally responsible, and theologically creative, Williamson's classic work remains both a warning against the toxicity of much Christian preaching and a bright beacon shining light on new ways of envisioning the relationship

between the church and the Jewish people." --Amy-Jill Levine, University Professor of New Testament and Jewish Studies, E. Rhodes and Leona B. Carpenter Professor of New Testament Studies, Professor of Jewish Studies, Divinity School and College of Arts and Sciences, Vanderbilt University. "When Clark Williamson's *Has God Rejected His People?* was first published in 1982 it set a standard for an honest and penetrating critique of anti-Judaism in the Christian tradition. Its re-publication comes at a time when events have reminded us that the ugly legacy of anti-Judaism is still wi

### Muslim, Christian, and Jew

Professor Ayoub of Temple University, Pennsylvania, is one of the best known scholars of Islam in America today. He firmly believes that it is important to learn about Islam, its history, beliefs, and practices from believing Muslims. In this book, he combines his objective scholarship with the insights of an insider, to present a unique introduction to Islam as a living religion. From the starting point of his own spiritual journey, Ayoub explores all aspects of Islam: from its origins to the modern-day challenges of the world; from the Qur'an and Islamic law to the epic poetry of the Sufis; and from the spread of Islam worldwide to the present role of Islam in the US and Europe. A unique blend of personal understanding and scholarly endeavour, this digestible account will enable the reader to gain an insider's perspective on Islam and experience its significance from within.

### The Encyclopaedia Britannica

Judaism itself is a language, a group's way of expressing beliefs, longings, aspirations and dreams. The vocabulary of Jewish life is the framework that Jews use to hand their past down to their children. It is, also, the vocabulary that people of other faiths need to know to understand Judaism and Jewish life. In this revised edition of the ultimate Jewish primer, one of the greatest spiritual teachers of our time takes readers on a historical and spiritual journey through Judaism.

### If God Is Good, Why Is The World So Bad?

A powerful and challenging examination of what Jews believe today, by a new generation's dynamic and innovative thinkers. New in Paperback! At every critical juncture in Jewish history, Jews have understood a dynamic theology to be essential for a vital Jewish community. This important collection sets the next stage of Jewish theological thought, bringing together a cross section of interesting new voices from all movements in Judaism to inspire and stimulate discussion now and in the years to come. Provocative and wide-ranging, these invigorating and creative insights from a new generation's thought leaders provide a coherent and inspiring picture of Jewish belief in our time. The passionate voices of a new generation of Jewish thinkers continue the dialogue with God, examining the dynamics of what Jews can believe today. They explore: 

- A dynamic God in process
- The canon of Jewish literature and its potential to be both contemporary and authentic to tradition
- Critical terms and categories for discussing Jewish theology
- The ongoing nature of the Jewish search for God
- Ruptures within the modern Jewish condition
- And much more

### Has God Rejected His People?

Explore the wisdom and traditions of the Jewish faith and examine what they mean for Christians. "In this extraordinary book, Rabbi Evan Moffic takes Christians on a journey through the roots of our faith, by giving insight into the history and tradition that Jesus would have observed. In this way, Rabbi Moffic provides the backstory to the main story. If you want to get more from your faith, this book is a must-read!" —Dave Adamson, Pastor, North Pointe Church "Rabbi Moffic is an engaging teacher who excels at communicating ancient truths for modern audiences. His insights into Hebrew scriptures and the Jewish heritage of the Christian faith will be a blessing to all who want to learn." —Steve Gillen, Pastor, Willow Creek Community Church When Christians learn about Jewish tradition and history, they see the Bible and the life of Jesus with a new and enriched perspective. Knowing more about Judaism brings them closer to Jesus because Jesus lived and died as a Jew and consistently quoted the Jewish scripture and stories. In this book Evan Moffic, popular rabbi, author, and guide to Jewish wisdom for people of all faiths, continues the *What Every Christian Needs to Know About* series with an exploration of the wisdom and traditions of Judaism. Rabbi Moffic provides answers to hundreds of questions he receives about Judaism to provide a deeper understanding of the roots shared by Christians and Jews. Through this book's explorations, readers will learn insights of the great Jewish sages to live a richer and more meaningful life, soak up the wisdom and traditions of Judaism, and develop a closer relationship with God. "My hope is that these teachings can serve as a way of fostering bonds focused not on the

past and the troubled history between Jews and Christians, but rather one looking forward to a future in which we share wisdom with one another.” – Rabbi Evan Moffic

**Product Features:** A popular rabbi explores Jewish wisdom and traditions for Christian readers. Topics explored include: Jewish texts, spiritual life, holidays and events, and others. Highlights intersections of the Jewish and Christian faith that give deeper meaning to reading the Bible.

#### Islam

In this ebook download of *Walking in the Dust of Rabbi Jesus*, Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context. Doing so will provide a richer, deeper understanding of his ministry, compelling us to live differently, to become more Christ-like. We'll begin to understand why his first Jewish disciples abandoned everything to follow him, to live out his commands. Our modern society, with its individualism and materialism, is very different than the tight-knit, family-oriented setting Jesus lived and taught in. What wisdom can we glean from his Eastern, biblical attitude toward life? How can knowing Jesus within this context shed light on his teachings for us today? In *Walking in the Dust of Rabbi Jesus* we'll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus' day, and consider how hearing Rabbi Jesus with the ears of a first-century disciple can bring new meaning to our faith. And we'll listen to Jewish thinkers through the ages, discovering how ideas that germinated in Jesus' time have borne fruit. Doing so will yield fresh, practical insights for following our Rabbi's teachings from a Jewish point of view.

#### These are the Words

Describes the odyssey of the convert to the Jewish faith, introducing the laws and traditions of Judaism, its life cycle events and holidays, and its ideals and values

#### Jewish Theology in Our Time

"The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul." *My People's Prayer Book* provides diverse and exciting commentaries to the traditional liturgy, written by some of today's most respected scholars and teachers from all perspectives of the Jewish world. They explore the text from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, medieval, linguistic, biblical, Chasidic, mystical, and historical perspectives. This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all. The *My People's Prayer Book* series belongs on the library shelf of every home, every synagogue—every sanctuary of prayer. Introductions tell the reader what to look for in the prayer service, as well as how to truly use the commentaries, to search for—and find—meaning in the prayer book.

#### What Every Christian Needs to Know About Judaism

A welcoming introduction to the most important ideas in Judaism. In an age of fluid identity, many people are honestly asking the question "Why be Jewish?" What in this religious and ethnic legacy is worth preserving? Does Judaism have something unique to offer a contemporary seeker free to choose a way of life and a system of values? Here is the answer of a leading spiritual teacher who has faced these questions in conversation with generations of students. With warmth, humor, personal and rabbinic stories and down-to-earth explanations, Arthur Green presents the ideas in Judaism that kept him loyal to the tradition passed on to him. The result is an enticing look into timeless Jewish wisdom that will encourage you to explore further and search out the riches of Judaism for yourself.

#### Walking in the Dust of Rabbi Jesus

A welcoming introduction to the most important ideas in Judaism. In an age of fluid identity, many people are honestly asking the question "Why be Jewish?" What in this religious and ethnic legacy is worth preserving? Does Judaism have something unique to offer a contemporary seeker free to choose a way of life and a system of values? Here is the answer of a leading spiritual teacher who has faced these questions in conversation with generations of students. him loyal to the tradition passed on to him. The result is an enticing look into timeless Jewish wisdom that will encourage you to explore further and search out the riches of Judaism for yourself.

### Becoming a Jew

"My standpoint is then one of tension, a tension that I bear in my flesh and in my intellectual and spiritual life: I heard the two voices. And it is the weight of this tension that has pressed me to think and study about it, to teach about it, and eventually to write about it. It is the Jewish-Christian tension in my flesh and in my scholarly and professional life that has given birth to this book. In echo to Israel Zangwill, I will set my questions straight: Were Jesus and Moses indeed irreconcilable? Are our theological and historical clichés in agreement with the original intention of prophetic revelation and with what indeed took place in history?" --From the Preface: *The Two Jews*

### My People's Prayer Book Vol 2

Judaism's Ten Best Ideas

### Pearl of Great Price

The extraordinary life of Mother Maria Skobtsova (1891-1945), a Russian nun who shunned traditional monasticism for a life of service to alcoholics, drug addicts, and the mentally and physically ill.

### Mother Maria, Her Life in Letters

An exploration of life at the margins of history from one of Russia's most exciting contemporary writers Shortlisted for the 2021 International Booker Prize Winner of the MLA Lois Roth Translation Award With the death of her aunt, the narrator is left to sift through an apartment full of faded photographs, old postcards, letters, diaries, and heaps of souvenirs: a withered repository of a century of life in Russia. Carefully reassembled with calm, steady hands, these shards tell the story of how a seemingly ordinary Jewish family somehow managed to survive the myriad persecutions and repressions of the last century. In dialogue with writers like Roland Barthes, W. G. Sebald, Susan Sontag, and Osip Mandelstam, *In Memory of Memory* is imbued with rare intellectual curiosity and a wonderfully soft-spoken, poetic voice. Dipping into various forms—essay, fiction, memoir, travelogue, and historical documents—Stepanova assembles a vast panorama of ideas and personalities and offers an entirely new and bold exploration of cultural and personal memory.

### In Memory of Memory

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

### Los Angeles Magazine

George Orwell's vivid memoir of his time living among the desperately poor and destitute, *Down and Out in Paris and London* is a moving tour of the underworld of society. Written when Orwell was a struggling writer in his twenties, it documents his 'first contact with poverty'. Here, he painstakingly documents a world of unrelenting drudgery and squalor – sleeping in bug-infested hostels and doss houses of last resort, working as a dishwasher in Paris's vile 'Hôtel X', surviving on scraps and cigarette butts, living alongside tramps, a star-gazing pavement artist and a starving Russian ex-army captain. Exposing a shocking, previously-hidden world to his readers, Orwell gave a human face to the statistics of poverty for the first time – and in doing so, found his voice as a writer.

### Down and Out in Paris and London

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal

evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, The New Yorker “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—American Journal of Psychiatry

### The Origin of Consciousness in the Breakdown of the Bicameral Mind

In its third edition, this massive reference work lists the final resting places of more than 14,000 people from a wide range of fields, including politics, the military, the arts, crime, sports and popular culture. Many entries are new to this edition. Each listing provides birth and death dates, a brief summary of the subject's claim to fame and their burial site location or as much as is known. Grave location within a cemetery is provided in many cases, as well as places of cremation and sites where ashes were scattered. Source information is provided.

### Resting Places

Clark examines the book of hours in the context of medieval culture, the book trade in Paris, and the role of Paris as an international center of illumination. 64 illustrations, 40 in color.

## The London Journal

The masterpiece of the German experience during World War I, considered by many the greatest war novel of all time—with an Oscar-winning film adaptation now streaming on Netflix. “[Erich Maria Remarque] is a craftsman of unquestionably first rank.”—The New York Times Book Review I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive.

## Billboard

\*NOW A NETFLIX LIMITED SERIES—from producer and director Shawn Levy (Stranger Things) starring Mark Ruffalo, Hugh Laurie, and newcomer Aria Mia Loberti\* Winner of the Pulitzer Prize and National Book Award finalist, the beloved instant New York Times bestseller and New York Times Book Review Top 10 Book about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris, and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure’s reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum’s most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the Resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure’s converge. Doerr’s “stunning sense of physical detail and gorgeous metaphors” (San Francisco Chronicle) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. Ten years in the writing, *All the Light We Cannot See* is a magnificent, deeply moving novel from a writer “whose sentences never fail to thrill” (Los Angeles Times).

WITH INTRODUCTIONS BY JEANETTE WINTERSON AND GILLIAN BEER The Waves is an astonishingly beautiful and poetic novel. It begins with six children playing in a garden by the sea and follows their lives as they grow up and experience friendship, love and grief at the death of their beloved friend Percival. Regarded by many as her greatest work, The Waves is also seen as Virginia Woolf's response to the loss of her brother Thoby, who died when he was twenty-six. The Vintage Classics Virginia Woolf series has been curated by Jeanette Winterson, and the texts used are based on the original Hogarth Press editions published by Leonard and Virginia Woolf.

#### Huis Clos

The most complete English-language collection of the prose of Tadeusz Borowski, the most challenging chronicler of Auschwitz, with a foreword by Timothy Snyder, author of On Tyranny In 1943, the twenty-year-old Polish poet Tadeusz Borowski was arrested and deported to Auschwitz as a political prisoner. What he experienced in the camp left him convinced that no one who survived Auschwitz was innocent. All were complicit; the camp regime depended on this. Borowski's tales present the horrors of the camp as reflections of basic human nature and impulse, stripped of the artificial boundaries of culture and custom. Inside the camp, the strongest of the prisoners form uneasy alliances with their captors and one another, watching unflinchingly as the weak scrabble and struggle against their inevitable fate. In the last analysis, suffering is never ennobling and goodness is tantamount to suicide. Bringing together for the first time in English Borowski's major writings and many previously uncollected works, this is the most complete collection of stories in a new, authoritative translation, with a substantial foreword by Timothy Snyder that speaks to its enduring relevance.

#### Los Angeles Magazine

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel The Unlit Lamp (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy The Forge (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel The Well of Loneliness (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

You Know It Is Possible by Personality Tests To Categorize People in Terms of Their Level of Generosity and Altruism and if You Look at Identical Twins They Tend To Be a More Alike than People Who Aren't Related so that Might Tell You that There Are some Hereditary Influences on Being Generous and Altruistic but They'Re Going To Be Pretty Minor Compared to Other Influences and Particularly Freewill Decisions and if in Fact There Are some Neurological Pathways That Play a Role in Altruism that in no Way Seems to Me To Reduce the Likelihood that this Is a Divinely Inspired One Question That Keeps Coming to Mind Is that the Evidence That You Presented All the Evidence Can Be Used To Account for either a Theistic or a Naturalistic Perspective and that At Least Seems To Suggest that the Issue CanNot Be Settled on Evidence Alone It Seems to Me Rather that There Is a Pre Commitment to a Particular Paradigm Worldview Conceptual Scheme Whatever You Call It that Then Sometimes Even Selects the Evidence or in any Instance the Evidence Gains Its Intensity Meaning Whatever You May Call It within this Particular Conceptual Scheme and Therefore the Internal Consistency Coherence and So On within the Conceptual Scheme Establish a Preconceived Conclusion

It Seems to Me Rather that There Is a Pre Commitment to a Particular Paradigm Worldview Conceptual Scheme Whatever You Call It that Then Sometimes Even Selects the Evidence or in any Instance the Evidence Gains Its Intensity Meaning Whatever You May Call It within this Particular Conceptual Scheme and Therefore the Internal Consistency Coherence and So On within the

Conceptual Scheme Establish a Preconceived Conclusion in Other Words Is in One Position Just As Good as the Other and if You Can Not Establish One Position over the Other Just Based on Evidence How Does the Naturalist Become a Theist So Great Question and Well Phrased Again I Think You're Referring to the Evidence That Supports Evolution and the Relatedness of Living Organisms That Can Certainly Be Supported on a Purely Naturalistic Basis

When We Only Had Classical Mechanics It Seemed as if There Was Going To Be no Solution to this Problem that Everything in the Universe Was Really All Predetermined by the Motions of Particles under the Influence of Classical Mechanics Laws but Then Quantum Came Along and whether It's Fair To Bring Quantum Mechanics into a Philosophical Discussion It Certainly Is Something That You Have To Deal with and I Think in that Perspective the Uncertainty Kicks In and There Is Nothing That Is Defined So Precisely Just in Terms of Pure Physics once that in Certainty Principle Becomes Part of Reality and It Is so that's Maybe a Little Bit of a Dodge but I Think It's a Legitimate

And in My Own Experience There Are Principled Agnostics but I Will Say Most of the People I Encounter Who Say They're Agnostics Were Agnostics like I Was Which Was To Say I Don't Want To Think about this so that that's Maybe Not Such a Good Position To Be In because It's a Really Important Set of Questions There Now if One Is an Agnostic and You Look Closely at All the Evidence for and against and You Conclude I Can't Really Find any Evidence Conclusively for either Perspective Then that's Where You Are and I Suspect a Lot of People in this Room May Very Well Find Themselves in that Position

But Don't Be Surprised if over the Course of Time That Might Change for Me the Agnostic Position Ended Up Feeling like a Bit of a Cop-Out like It Had Not Really Resolved the Question After All and that Made Me Want To Go Further and Again while I Can't Prove My Position as a Theist and Particularly as a Christian the Evidence to Me Including the Evidence for Jesus Christ in His Life Which Is Really Very Strong Was Difficult To Dismiss and Particularly Again Coming Back to Louis this Argument that Many Agnostics Might Put Forward that Christ Was a Great Teacher because It Is Hard To Read the Words of Christ and Not Conclude that but We Shouldn't Consider Christ as Divine That's a Hard One To Sustain because

Alien Sons of God? Michael Heiser Explains the Divine Council of the Elohim - Alien Sons of God? Michael Heiser Explains the Divine Council of the Elohim by TruthSeekah 24,475 views 7 days ago 10 minutes, 22 seconds - Michael Heiser delves into **the**, biblical concept of aliens and **the**, Divine Council, presenting it as an assembly of celestial beings, ...

Introduction to the Divine Council: Dr. Michael Heiser discusses extraterrestrial beings known as the Divine Council of the Elohim, pondering why their existence is often omitted in church teachings and suggesting that there may be efforts to suppress this information.

The Divine Council of Elohim and Aliens: Heiser highlights Deuteronomy 32, which he considers

crucial for understanding the biblical worldview. This passage describes how, following the Tower of Babel event, God allocated nations under the stewardship of different celestial divine beings, labeled as "sons of God or Aliens".

The Tower of Babel The UFO Connection: The narrative connects to the Tower of Babel, explaining that in response to humanity's disobedience and possibly try to build a launch pad for UFOs, God decided to divide them, assigning each nation to the care of these extraterrestrial entities.

Establishment of New Extraterrestrials : Following the division, God chooses Abraham to start a new lineage, intending to create a people who would be directly under His guidance, contrasting with the nations overseen by other celestial Extraterrestrials.

Cosmic Governance and Israel's Role: Heiser discusses the expectation for these extraterrestrial entities to govern righteously, akin to their creator, and the failure leading to corruption. Israel was envisioned as a beacon for other nations, guiding them back to the divine, a plan that became increasingly complicated over time, hence all the major UFO sightings.

And with the Stones He Built an Altar in the Name of the Lord and He Made a Trench about the Altar As Great as Would Contain Two Measures of Seed and He Put the Wood in Order and Cut It Cut the Bullock in Pieces and Laid Him on the Wood and Said Fill Four Barrels with Water and Pour It on the Burnt Sacrifice and on the Wood and He Said Do It in the Second Time and Did It the Second Time and He Said Do It a Third Time and They Did It the Third Time

... That Elisha **the**, Prophet Came Near and Said Lord **God**, ...

... People May Know that Thou Art **the**, Lord **God**, and Thou ...

Now Why Did the Lord Do that because every Experience You Have in Life Is Internal Is Not External It's Internal Everything Is What Internal When You Buy a Home You Don't See Your Home from Outside but You Enjoy Being in Your Home because of How You Feel Inside When You Put On Good Clothes You See Yourself on the Mirror for About Two Seconds You Check Yourself Out Then It's All about How You Feel Inside after You Saw Yourself Your Confidence Will Be Determined by How You Saw Yourself When You Drive a Nice Car It Feels Good Where Is It Feeling Good Inside

But It Is the Way That You Feel When You Eat that Makes You Want To Continue To Eat so It Makes You Eat More Not because the Taste Is Actually Remaining in Your Mouth Sometimes You Even Remember How It Tastes like without Having Anything in Your Mouth because of an Internal Experience That You Had When You Act You Felt Something You're like this Is Good It Made You Smile It Made You Laugh You Remember the Occasion You Remember the Scent I Still Sometimes Walk Around and I Smell Something He Reminds Me of My Mother When I Was a Boy

The, World Will Come To Know Me Jehovah **God**, so It ...
