The Collected Short Stories of Roald Dahl

(Book Jacket Status: Jacketed) The only hardcover edition of Roald Dahl's stories for adults, the "Collected Stories" amply showcases his singular gifts as a fabulist and a born storyteller. Later known for his immortal children's books, including "Charlie and the Chocolate Factory, James and the Giant Peach, "and "The BFG, "Dahl""also had a genius for adult short fiction, which he wrote throughout his life. Whether fictionalizing his dramatic exploits as a Royal Air Force pilot during World War II or concocting the ingeniously plotted fables that were dramatized on television as "Tales of the Unexpected," Dahl was brilliant at provoking in his readers the overwhelming desire to know what

happens next--and at satisfying that desire in ways that feel both surprising and inevitable. Filled with devilish plot twists, his tales display a tantalizing blend of macabre humor and the absurdly grotesque. From "The Landlady," about an unusual boardinghouse that features a small but very permanent clientele, to "Pig," a brutally funny look at vegetarianism, to "Man from the South," in which a fanatical gambler does his betting with hammer, nails, and a butcher's knife, Dahl's creations amuse and shock us in equal measure, gleefully reminding us of what might lurk beneath the surface of the ordinary.

Charlie and the Chocolate Factory

Twenty wickedly anarchic tales from the master of the unpredictable, chosen from his bestsellers *Over to You*, *Someone Like You*, *Kiss Kiss* and *Switch Bitch*. Stylish, outrageous and haunting, they explore the sinister side of the human psyche with unexpected outcomes. There's the wife who serves up a murderous new dish to her husband, the gambler who collects little fingers from losers, the sound machine that can hear grass scream, and the night-time seduction that has macabre consequences, to name a few.

The Best of Roald Dahl

The star and creative force behind *Mr. Show* and *Arrested Development* pens his "first and final book, chronicling his meteoric rise and abysmal fall in the literary world." After a decade spent in isolation in the Ugandan jungles thinking about stuff, David Cross has written his first book. Known for roles on the small screen such as "never-nude" Tobias Funke on *Arrested Development* and the role of "David" in *Mr. Show With Bob And David*, as well as a hugely successful stand-up routine full of sharp-tongued rants and rages, Cross has carved out his place in American comedy. Whether deflating the pomposity of religious figures, calling out the pathetic symbiosis of pseudo-celebrity and its leaching fandom, or merely pushing the buttons of the way-too-easily offended P.C. left or the caustic, double-standard of the callous (but funnier) right, Cross has something to say about everyone, including his own ridiculous self. Now, for the first time, Cross is weaving his media mockery, celebrity denunciation, religious commentary and sheer madness into book form, revealing the true story behind his almost existential distaste of Jim Belushi ("The Belush"), disclosing the up-to-now unpublished minutes to a meeting of Fox television network executives, and offering up a brutally grotesque run-in with Bill O'Reilly. And as if this wasn't enough for your laughing pleasure in these troubled times, some of the pieces splinter off with additional material being created online in exclusive video and animated web content created solely for the book—a historical first (presumably)! With a mix of personal essays, satirical fiction posing as truth, advice for rich people, information from America's least favorite Rabbi and a top-ten list of top-ten lists, *I Drink for a Reason* is as unique as the comedian himself, and cannot be missed.

I Drink for a Reason

Charlie and the Chocolate Factory

It's been over 55 years since Roald Dahl's classic "*Charlie and the Chocolate Factory*" hit bookshelves across the world and yet continues to be one of the most sought-after children's novels. The book was adapted into a movie in 1971 with Gene Wilder in the titular role. The story follows the adventures of five lucky children who win Golden Tickets to visit the magical Chocolate Factory set up by Willy Wonka. The factory is full of surprises and one that leaves onlookers amused! Willy decides to open the doors of his factory to 5 young children for a once in a lifetime experience. Charlie Bucket, one of the main protagonists of the movie, lives with his parents and grandparents in a humble household. They belong to a financially backward community and have cabbage soup on most days. The Golden Ticket that

Charlie wins is hidden inside one of Wonka's famous chocolate bars, leaving his grandfather ecstatic! But before he wins his ticket, Augustus Gloop wins the first coveted Golden Ticket. He is an overweight kid who is often at the receiving end of jokes since he loves stuffing his mouth with food. The first girl who wins the ticket is Veruca Salt, an obnoxious kid who throws tantrums to get what she wants. Violet Beauregarde is the other one and an over-enthusiastic girl who ends up turning into a giant blueberry at the factory. Mike Teave is the fifth child to win the ticket and is eliminated from the factory after he jumps into the television. From chocolate fountains to wallpapers that taste like fruits, Wonka puts out brilliant chocolate/candy themed inventions. My personal favorite must be the three-course gum and giant Gummy Bears! In case you are wondering what I'm talking about, read on to find out more!
