

Landscapes And Language English For American Academic Discourse

[#Academic English](#) [#American academic discourse](#) [#English language landscapes](#) [#Scholarly communication](#) [#Higher education writing](#)

This resource explores the intricate connection between conceptual and linguistic 'landscapes' and the English language, specifically within American academic discourse. It delves into how various contexts shape rhetorical strategies and communication styles prevalent in U.S. higher education, offering insights for mastering academic English and effective scholarly communication.
