Getting Well Again

Based on the Simontons' experience with hundreds of patients at their world-famous Cancer Counseling and Research Center, Getting Well Again introduces the scientific basis for the "will to live." In this revolutionary book the Simontons profile the typical "cancer personality": how an individual's reactions to stress and other emotional factors can contribute to the onset and progress of cancer -- and how positive expectations, self-awareness, and self-care can contribute to survival. This book offers the same self-help techniques the Simonton's patients have used to successfully to reinforce usual medical treatment -- techniques for learning positive attitudes, relaxation, visualization, goal setting, managing pain, exercise, and building an emotional support system.

The God Code

"One of our great visionaries." —Dr. Wayne W. Dyer "A rare blend of scientist, visionary, and scholar." —Deepak Chopra A scholar and New York Times–bestselling author shares his shocking theory of an ancient language—found in the decoded elements of our DNA—that shines new light on the mysteries of existence. What would it mean to discover an ancient language—a literal message—hidden within the DNA of life itself? What we once believed of our past is about to change. A coded message has been found within the molecules of life, deep within the DNA in each cell of our bodies. Through a remarkable discovery linking Biblical alphabets to our genetic code, the "language of life" may now be read as the ancient letters of a timeless message. Regardless of race, religion, heritage, or lifestyle, the message is the same in each cell of every woman, child, and man, past and present. Sharing all-new, fascinating research, Gregg Braden discusses the life-changing discovery that led him from a successful career in the aerospace and defense industries to an extensive 12-year study of the most sacred and honored traditions of humankind.

The international bestseller – an enthralling exploration of the how and why behind the science of happiness. We all know what it feels like to be happy, but what mechanisms inside our brains trigger

such a positive emotion? What does it really mean to be happy, and why can't we feel that way all of the time? Psychologists and neuroscientists have been studying negative emotions for decades, but until recently few have focused on the subject of happiness. Now, in *The Science of Happiness*, leading science journalist Stefan Klein ranges widely across the latest frontiers of neuroscience and psychology to explain how happiness is generated in our brains, what biological purpose it serves, and the conditions required to foster 'the pursuit of happiness'. A remarkable synthesis of a growing body of research that has not been brought together before, *The Science of Happiness* is, ultimately, a book that helps us understand our own quest for happiness and is certain to help make you happier.

The Science of Happiness

The Instant Sunday Times Bestseller The Instant #1 New York Times Bestseller PRAISE FOR WILL 'The best memoir I ever read' Oprah Winfrey 'If you read one book this year, make it this one' Jay Shetty 'Incredible' Idris Elba 'The book is awesome. So candid and considered...fascinating' Chris Evans 'A triumph...really inspiring, so well written, vulnerable and deep. I highly recommend it' Mindy Kaling 'It's fantastic...very moving' Zoe Ball 'Incredibly honest...inspiring' Greg James 'A wild ride' New York Times 'Raw, comedic, inspirational' GQ One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a fearful child in a tense West Philadelphia home to one of the biggest rap stars of his era and then one of the biggest movie stars in Hollywood history, with a string of box office successes that will likely never be broken, is an epic tale of inner transformation and outer triumph, and Will tells it astonishingly well. But it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one exceptional man mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself. 'Bracingly honest, vivid and compelling ... how an average talent became the biggest movie star in the world' The Times 'The Hollywood star's autobiography is full of indiscretions, drug-fuelled escapades and terrible parenting. Who could ask for more?' Telegraph 'It's not every day a Hollywood A-lister like Will Smith writes his life story - and there are certainly some eye-popping revelations' Sun 'Candid ... digs into the life events which fine-tuned Smith's weapons-grade charisma and steely determination' Observer 'I absolutely loved it...no holds barred...I felt as if Will Smith was talking to me. It's a testament to him and to his family' Lorraine Kelly

Renowned academics compare major features of imperial rule in the 19th century, reflecting a significant shift away from nationalism and toward empires in the studies of state building. The book responds to the current interest in multi-unit formations, such as the European Union and the expanded outreach of the United States. National historical narratives have systematically marginalized imperial dimensions, yet empires play an important role. This book examines the methods discerned in the creation of the Habsburg Monarchy, the Ottoman Empire, the Hohenzollern rule and Imperial Russia. It inspects the respective imperial elites in these empires, and it details the role of nations, religions and ideologies in the legitimacy of empire building, bringing the Spanish Empire into the analysis. The final part of the book focuses on modern empires, such as the German "Reich." The essays suggest that empires were more adaptive and resilient to change than is commonly thought.

Imperial Rule

This is not an ordinary history book. As readers will realise quite early on, Neagu Djuvara has the audacity to tackle some of the most delicate and controversial issues in Romanian history under the

guise of light storytelling. With the addition of illustrations, the book becomes better and easier to understand: we are offered the chance to see how ancient artefacts discovered by archaeologists actually look like, or catch a glimpse of the world of barbarians and medieval warriors depicted in wonderful illuminated manuscripts. As we get nearer to the modern age, the imagery becomes even richer and we get to know Romania's princes and monarchs, their allies and their enemies, the politicians – good and bad – their triumphs, tribulations or even tragedies; and sometimes even the common people going about their daily lives. The photographic discourse focuses on the most important documents, even if their condition is not optimal. You will also find images of pottery, jewellery and weaponry, some of them from unexpected sources, often unknown to the public, accompanied by detailed captions that complement the information provided in the text itself. Together, the story and illustrations intertwine to form a new, enhanced historical account - and hopefully, one not lacking in originality.

A Brief Illustrated History of Romanians

Nothing has frightened or fascinated us more than the experience that we call 'death'. Now, in what very well could be the most profound of all his CONVERSATIONS WITH GOD books, bestselling Mobius author Neale Donald Walsch asks the questions that we have all wanted to ask, and receives answers we have all been waiting for, in this deeply moving and highly personal dialogue with Deity. HOME WITH GOD is the definitive spiritual work on death and dying, offering new insights, deep wisdom and peace of mind, for the terminally ill, family members of the dying, hospital and medical professionals, members of the clergy, and everyone encountering death. HOME WITH GOD logically completes Neale Donald Walsch's dialogue with God, exploring the process by which we end our lives here on earth and begin our so-called After Life experience. A book of comfort, hope and surprising revelation, HOME WITH GOD is an astonishing, deeply healing, and reassuring spiritual classic.

Home with God

She won't let a thief steal her heart . . . It's difficult enough for Lady Clara Stanbourne to run her London home for reformed young pickpockets without having to contend with a criminal in business right next

door! The mysterious Morgan Pryce is obviously dealing in stolen property, and she will never allow the handsome scoundrel to lead the children astray! Pryce is very much mistaken if he believes her a delicate rose he can wilt with soft words and passionate, unspoken promises. Now if only Clara could douse the fiery yearning the charming cad ignites inside her . . . This bold, beautiful temptress is indeed a distraction—and Morgan wishes he could tell the exquisite Clara the truth: that he is working undercover to break up a notorious crime ring. His mind should be on his duty—not wondering how it would feel to hold Clara in his arms and taste the sweetness of her luscious lips. But now that she has entered into his most dangerous game, Morgan knows he must have her, despite the very real peril to his secret mission ... and to his heart!

Conversations With God: Book 1 Guide And Audiobook

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Sven Hassel's iconic novel about the Battle for Monte Cassino. The thunder of the guns could be heard in Rome, 170 miles away... Having survived the horrors of the Eastern Front, the 27th Penal Regiment are posted to Italy. Hitler has ordered that every position must be held to the last, and every lost position recaptured by counter-attack. Monte Cassino - a major look-out post on the German defensive line - is under attack. In the face of overwhelming Allied firepower, Sven Hassel and his comrades are ordered to hold the fortress at all costs... MONTE CASSINO is a classic Sven Hassel novel, a no-holds-barred account of frontline combat. Sven Hassel based his unflinching narrative on his experiences in the German army. He ended the Second World War in a prisoner of war camp, where he wrote his first novel LEGION OF THE DAMNED.

A Dance With Dragons: Part 1 Dreams and Dust (A Song of Ice and Fire, Book 5)

Après avoir exploré plusieurs des lois de l'univers dans son précédent ouvrage, Isaac Plotain nous emmène à la découverte de deux voies de réalisation. Il raconte sa vie de chercheur dans la voie alchimique, comment il découvrit l'histoire secrète des Frères Aînés de la Rose Croix, comment des Frères Chevaliers d'Héliopolis le contactèrent et lui apportèrent une aide précieuse dans la réalisation de ses travaux. Il explique comment ses recherches le conduisirent à découvrir la voie du coeur, comment s'opère le processus physiologique qui permet d'atteindre le même état que celui des Maîtres Alchimistes du passé et prolonger durablement la vie. Il nous invite à mettre en application cette voie du coeur dans notre vie quotidienne, à élargir notre conscience et notre reconnaissance d'appartenir à la fraternité universelle... Du point de vue spirituel, la grande majorité des aspirants sont encore des enfants ! En spiritualité, l'urgence des temps n'existe pas. Le seul raccourci possible demeure la voie du coeur, car celle-ci sait toujours trouver son juste rythme. (Père Nicolas Ambroise) Contactés par des

êtres d'un autre plan, les membres du groupe AVALON reçoivent des informations qui leur permettent de découvrir une incroyable structure de l'univers et leur révèlent que le temps des contacts et des échanges entre les différents plans de l'univers est proche. Sciences secrètes est, dans une large mesure, un travail collectif effectué par l'ensemble des membres du Groupe AVALON qui, après avoir existé de façon informelle, s'est constitué sous forme d'organisme à buts non lucratifs. L'utilisation du « je » fut utilisée afin de donner à l'ouvrage une plus grande fluidité et une plus grande facilité de lecture. Dès les premières pages, vous y découvrirez les circonstances qui ont amené la constitution du Groupe AVALON.

Letting Go describes a simple and effective means by which to let go of the obstacles to Enlightenment and become free of negativity. During the many decades of the author's clinical psychiatric practice, the primary aim was to seek the most effective ways to relieve human suffering in all of its many forms. The inner mechanism of surrender was found to be of great practical benefit and is described in this book. Dr Hawkins's previous books focused on advanced states of awareness and Enlightenment. Over the years, thousands of students had asked for a practical technique by which to remove the inner blocks to happiness, love, joy, success, health and, ultimately, Enlightenment. This book provides a mechanism for letting go of those blocks. The mechanism of surrender that Dr Hawkins describes can be done in the midst of everyday life. The book is equally useful for all dimensions of human life: physical health, creativity, financial success, emotional healing, vocational fulfillment, relationships, sexuality and spiritual growth. It is an invaluable resource for all professionals who work in the areas of mental health, psychology, medicine, self-help, addiction recovery and spiritual development.

What Are Spiritual Gifts? The subject of spiritual gifts can seem complicated: Who has spiritual gifts--"spiritual people" or everybody? What are spiritual gifts anyway? Understanding Spiritual Gifts takes you straight to God's Word to discover answers from the Gift-Giver Himself. As you dig into Bible passages about God's design for each of us, you'll find out that spiritual gifts aren't complicated--but they are life-changing. Here you will uncover what spiritual gifts are, where they come from, who has them, how they are received, and how they work within the church. As you study, you will have a new vision for how you can use your God-given gifts to bring hope to your home, your church, and a hurting world. 40 Minutes a Week Could Change Your Life! The 40-Minute Bible Studies series from the teaching team at Precept Ministries International tackles the topics that matter to you. These inductive study guides, designed to be completed in just six 40-minute lessons with no homework required, help you discover for yourself what God says and how it applies to your life today. With the leader's notes and Bible passages included right in the book, each self-contained study is a powerful resource for personal growth and small-group discussion.

Sciences secrètes (Tome 2)

What is in your future? What is coming on the horizon for our planet and our civilization? How can you be better prepared for change? Ramtha has been teaching about the days to come -- the days that are already here -- since his first appearance in the late 1970s. Last Waltz of the Tyrants, the Prophecy REVISITED, captures Ramtha's teachings and predictions over twenty years ago that describe the drastic changes that are coming from natural upheaval to economic and political turmoil. Ramtha explains the forces behind these changes and the many events throughout history -- including our near future -- which have been carefully planned out by a few. Many things Ramtha predicted three decades ago can clearly be confirmed in many of today's news headlines, yet there is more to come, according to Ramtha. Although the future may seem daunting and grim, Ramtha forecasts a greater destiny in the making with the help of advanced civilizations who love humanity: the dawning of superconsciousness -- a new age -- and a more evolved human race. This destiny -- those changes I talked about so long ago in your time -- is coming into full manifestation. Go and look at them. What sounds common to you now was uncommon then. -- Ramtha July 1992

based on current scientific theory act as a knowledge filter, giving us a picture of prehistory that is largely incorrect.

Understanding Spiritual Gifts

Jenny's never had much time for boys, K-pop, or really anything besides her dream of being a professional cellist. But when she finds herself falling for a K-pop idol, she has to decide whether their love is worth the risk. A modern forbidden romance wrapped in the glamorous and exclusive world of K-pop, XOXO is perfect for fans of Jenny Han and Maurene Goo. Jenny didn't get to be an award-winning, classically trained cellist without choosing practice over fun. That is, until the night she meets Jaewoo. Mysterious, handsome, and just a little bit tormented, Jaewoo is exactly the kind of distraction Jenny would normally avoid. And yet, she finds herself pulled into spending an unforgettable evening wandering Los Angeles with him on the night before his flight home to South Korea. With Jaewoo an ocean away, there's no use in dreaming of what could have been. But when Jenny and her mother move to Seoul to take care of her ailing grandmother, who does she meet at the elite arts academy she's just been accepted to? Jaewoo. Finding the dreamy stranger who swept you off your feet in your homeroom is one thing, but Jaewoo isn't just any student. Turns out, Jaewoo is a member of one of the biggest K-pop bands in the world. And like most K-pop idols, Jaewoo is strictly forbidden from dating anyone. When a relationship means not only jeopardizing her place at her dream music school but also endangering everything Jaewoo's worked for, Jenny has to decide once and for all just how much she's willing to risk for love. XOXO is a new romance that proves chasing your dreams doesn't have to mean sacrificing your heart, from acclaimed author Axie Oh. Indigo Best Teen Books of 2021

Sven Hassel's iconic war novel about the Russian Front. 'An extraordinary book, which has captured the attention of all of Europe' - NEW YORK TIMES 'LEGION OF THE DAMNED is an incredible picture of totalitarianism, of stupefying injustice ... He is graphic, at times brilliantly so, but never brutal or bitter. He is, too, a first-rate storyteller' - WASHINGTON POST Convicted of deserting the German army, Sven Hassel is sent to a penal regiment on the Russian Front. He and his comrades are regarded as expendable, cannon fodder in the battle against the implacable Red Army. Outnumbered and outgunned, they fight their way across the frozen steppe... This iconic anti-war novel is a testament to the atrocities suffered by the lone soldier in the fight for survival. Sven Hassel's unflinching narrative is based on his own experiences in the German Army. He began writing his first novel, LEGION OF THE DAMNED in a prisoner of war camp at the end of the Second World War.

XOXO

Christopher Dawson concludes that the period of the fourth to the eleventh centuries, commonly known as the Dark Ages, is not a barren prelude to the creative energy of the medieval world. Instead, he argues that it is better described as "ages of dawn" for it is in this rich and confused period that the complex and creative interaction of the Roman empire, the Christian Church, the classical tradition, and barbarous societies provided the foundation for a vital, unified European culture. In an age of fragmentation and the emergence of new nationalist forces, Dawson argued that if "our civilization is to survive, it is essential that it should develop a common European consciousness and sense of historic and organic unity." But he was clear that this unity required sources deeper and more complex than the political and economic movements on which so many had come to depend, and he insisted, prophetically, that Europe would need to recover its Christian roots if it was to survive. In a time of cultural and political ambiguity, The making of Europe is an indispensable work for understanding not only the rich sources but also the contemporary implications of the very idea of Europe.

The House at Shiraz: An Agatha Christie Short Story

David Armitage - husband, father and failure - has lived the life of an unsuccessful screenwriter for eleven years. When one of his scripts is bought for television, David's life is transformed, more dramatically than he could have ever imagined. An overnight success and suddenly the toast of

Tinseltown, David's upward trajectory finally gives him everything he had ever hoped for. New found success means total reinvention, and initiation into the Hollywood world of high-flyers. Life for David quickly becomes a heady rush of celebrities, parties and women - but everything comes at a price. Walking out on his wife and daughter, David climbs to dizzy new heights, brimming with luxury, opulence and scandal. But before long a dark figure casts a shadow on the horizon. When an influential film director presents David with an offer, the opportunity of a lifetime - could this temptation be one that jeopardises everything David has worked for. Enthralling, vivid and addictive, Douglas Kennedy's *Temptation* masterfully explores the destructive power of success, and the choices we have to make between personal gain and the people closest to our hearts.

The Making of Europe

A sobering portrait of the absurdity of the Nazi regime and the atrocities committed by Hitler's secret police. 'Frighteningly vivid, a most strongly felt piece of writing' *IRISH TIMES* After months of fighting a savage war on the Eastern Front, the 27th Penal Regiment - men considered little more than criminals - are joined by German reserves. A garrison has been attacked and occupied by Russian troops. The German soldiers have been slaughtered. Sven Hassel and his comrades are ordered to get behind Russian lines and massacre those responsible. But this is only the beginning... Because then the orders change: the regiment are sent to Hamburg, where their next assignment is guard duty for the mercilessly cruel Gestapo...

A Beginner's Guide to Creating Reality

A shocking insight into the realities of war, the conditions endured by ordinary soldiers and their unwavering solidarity. It was supposed to be Hitler's glorious conquest of Russia... The 27th Penal Regiment has been ordered to invade the Soviet Union. They are half-starved and ill-equipped. To reach Moscow they must defeat the fearsome Red Army. But instead, they find themselves at the mercy of an even deadlier enemy: the killer cold of the Russian winter. As they advance across the icy wastes, they think only of survival.

Temptation

Written in Irv Yalom's inimitable story-telling style, *Staring at the Sun* is a profoundly encouraging approach to the universal issue of mortality. In this magisterial opus, capping a lifetime of work and personal experience, Dr. Yalom helps us recognize that the fear of death is at the heart of much of our anxiety. Such recognition is often catalyzed by an "awakening experience"—a dream, or loss (the death of a loved one, divorce, loss of a job or home), illness, trauma, or aging. Once we confront our own mortality, Dr. Yalom writes, we are inspired to rearrange our priorities, communicate more deeply with those we love, appreciate more keenly the beauty of life, and increase our willingness to take the risks necessary for personal fulfillment.

Your Brain. Becoming Supernatural draws on epigenetics, quantum physics & neuroscience research conducted at his advanced workshops since 2012 to explore how common people are doing the uncommon to transform their consciousness, mindset, and beliefs to heal and live SUPERNATURAL lives. Becoming Supernatural marries some of the most profound scientific information with ancient spiritual wisdom to show how people like you and me can experience a more mystical life. Readers will learn that we are, quite literally supernatural by nature if given the proper knowledge and instruction, and when we learn how to apply that information through various healing meditations, we should experience a greater expression of our creative abilities. We have the capacity to tune in to frequencies beyond our material world and receive more orderly coherent streams of consciousness and energy; that we can intentionally change our brain chemistry to initiate profoundly mystical transcendental experiences; and how, if we do this enough times, we can develop the skill of creating a more efficient, balanced, healthy body, a more unlimited mind, and greater access to the quantum field and the realms of spiritual truth. Topics include: • Demystifying the body's 7 energy centers and how you can balance them to heal • How to free yourself from the past by reconditioning your body to a new mind • How you can create reality in the generous present moment by changing your energy • The difference between third-dimension creation and fifth-dimension creation • The secret science of the pineal gland and its role in accessing mystical realms of reality • The distinction between Space-Time vs. Time-Space realities • And much more Chapters Include: Opening the Door to the Supernatural The Present Moment Tuning In to New Potentials in the Quantum Blessing of the Energy Centers Reconditioning the Body to a New Mind Case Studies: Living Examples of Truth Heart Intelligence Mind Movies/Kaleidoscope Walking Meditation Case Studies: Making It Real Space-Time and Time-Space The Pineal Gland Project Coherence: Making a Better World Case Studies: It Could Happen to You Using tools and disciplines ranging from cutting-edge physics to practical exercises such as a walking meditation, Dr. Joe offers nothing less than a proven program for stepping outside our physical reality and into the quantum field of infinite possibilities. "In a style that is simple, straightforward, and easy to understand, Dr. Joe Dispenza has woven into a single volume the paradigm-altering discoveries of quantum science and the deep teachings that adepts of the past dedicated their entire lifetimes to master." — Gregg Braden, New York Times best-selling author of Human by Design and The Divine Matrix "We can create better lives for ourselves—and that we are not linear beings living linear lives, but dimensional beings living dimensional lives. Hopefully, reading it will help you understand that you already have all the anatomy, chemistry, and physiology you need to become supernatural sitting latent within you, waiting to be awakened and activated." - Dr. Joe Dispenza New York Times best-selling author Researcher of epigenetics, quantum physics & neuroscience

The Dalai Lama's Cat is back! Latest title in the ever-popular and bestselling series. The Dalai Lama's Cat is back: irreverent, vain-and delightfully insightful as ever! When the Dalai Lama's inner circle is set the task of providing His Holiness with a book he can give his visitors, an unexpected volunteer stretches out her paws. The book is to summarise the four key elements of Tibetan Buddhism-and, importantly, to communicate how it feels to be in the profoundly reassuring presence of His Holiness. Who better to do this than his much-loved feline? Through encounters with celebrity visitors and her own intriguing adventures, the Dalai Lama's Cat explains all four key themes, not so much as ideas but as practices to be embodied. Along the way she even gets a new title: "Therapy Cat". If you have ever sought a summary of Tibetan Buddhist wisdom, albeit from an unusual and whiskery source, this may just be the book to get you purring!

Staring at the Sun

Drawing from Eastern and Western literatures, Heinrich Zimmer presents a selection of stories linked together by their common concern for the problem of our eternal conflict with the forces of evil. Beginning with a tale from the Arabian Nights, this theme unfolds in legends from Irish paganism, medieval Christianity, the Arthurian cycle, and early Hinduism. In the retelling of these tales, Zimmer

discloses the meanings within their seemingly unrelated symbols and suggests the philosophical wholeness of this assortment of myth. Copyright © Libri GmbH. All rights reserved.

Becoming Supernatural

Most people consider life a battle? but it is not a battle, it is a game. It is a game, however, which cannot be played successfully without the knowledge of spiritual law, and the Old and the New Testaments give the rules of the game with wonderful clearness. Jesus Christ taught that it was a great game of Giving and Receiving. "Whatsoever a man soweth that shall he also reap." This means that whatever man sends out in word or deed, will return to him; what he gives, he will receive. If he gives hate, he will receive hate; if he gives love, he will receive love; if he gives critici.

A Dance With Dragons: Part 2 After The Feast (A Song of Ice and Fire, Book 5)

A shocking insight into the brutalities faced by ordinary soldiers and the atrocities committed in the name of survival. Dispassionately we stared at the bloody scene. It had become an everyday sight. The 27th Penal Regiment care nothing for Hitler's war. They fight only to stay alive. But then they uncover the Soviet Army's biggest secret. A Russian commissar has hidden 30 million dollars of gold somewhere behind enemy lines. In a madcap scheme, Porta brokers a deal with the commissar: free passage for the Russians in return for a share of the gold. To find it, Sven and his comrades must be prepared to lie, steal and go behind the lines of the deadly Russian army...

The Dalai Lama's Cat and the Four Paws of Spiritual Success

The Russian uses his machine pistol like a scythe. Feldwebel remains standing for a fraction of a second. The rain of bullets pours into him, making him twitch violently. He falls to the floor. The Russian grins. There is no doubt that he is enjoying himself. Sven Hassel and his comrades are ordered to take O.G.P.U. Prison in any way they can, even if it means killing the Russians with their bare hands. Armed with flame-throwers and heavy artillery, the 27th Penal Regiment plan their attack. O.G.P.U. PRISON is one of Sven Hassel's most compulsively readable novels, full of battle scenes, written in the gritty style that Hassel is renowned for.

The King and the Corpse

David Icke reveals in documented, sourced detail, how the same interconnecting bloodlines have controlled the planet for thousands of years. How they created all the major religions and suppressed the spiritual and esoteric knowledge that will set humanity free from its mental and emotional prisons. It includes a devastating exposé of the true origins of Christianity and the other major religions and documents the suppressed science which explains why the world is facing a time of incredible change and transformation. 1983, 1999.
