Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

NEW PRINT WITH PROFESSIONAL TYPE-SET IN CONTRAST TO SCANNED PRINTS OFFERED BY OTHERS A Brief Account Of The Rise And Progress Of The People Called Quakers: In Which Their Fundamental Principle, Doctrines, Worship, Ministry, And Discipline, Are Plainly Declared. With A Summary Relation Of The Former Dispensations Of God In The World; By Way Of Introduction. This

book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

A Brief Account of the Rise and Progress of the People Called Quakers

Excerpt from Rise and Progress of the People Called Quakers: Also Sandy Foundation Shaken, and Innocency With Her Open Face This following account of the people called Quakers c.was written in the fear and love of Grod: first as a standing testimony to that ever blessed truth, in the inward parts, with which God, in my youthful time, visited my soul, and for the sense and love of which I was made willing, in no ordinary way, to relinquish the honours and interests of the world. Second!?, as a testimony for that despised people, that God has in his great mercy gathered and united by his own blessed Spirit in the holy profession of it; whose fellowship I value above all worldly greatness. Thirdly, in love and honour to the memory of that worthy servant of God, George Fox, the first instrument thereof, and therefore styled by me. The great and blessed apostle of our day.
