Dating In The Dark

Jason is single and has been for all of his 32 years. It's depressing. But not as depressing as being told by his mother that he looks like Humpty Dumpty - after the accident. With a face that not even his own mother can love, it's hardly surprising that he'll try anything to get a woman to go out with him, even if

it's only for a single date. With little interest in anything other than his quest for a woman and a nice bit of cod and chips, Jason needs to think outside the box if he's going to find someone who'll give him a chance. Along with Barry - his best mate - Jason comes up with the only thing he thinks will work: dating a blind woman. However, to do that, he needs to pretend he's blind himself, which is a lot harder than you might think ... especially when guide dogs are so hard to come by. Eventually Jason's efforts pay off and he meets Emma, a pretty professional with a host of friends. When he takes her out, they instantly hit it off. But will Jason be able to fool both Emma and her best friend Jerry into thinking he's blind? With everything to play for, Jason faces the biggest challenge of his life, and nobody - especially not him - can see how it'll all turn out.

Bride and Gloom

In the first book of the 'Sometimes love ...' series, 'Dating in the Dark: sometimes love just pretends to be blind', Jason Harding thought he'd committed the ultimate betrayal. No, not cheating; he pretended to be, you guessed it, blind. For Emma, the woman he was stupid enough to think he was fooling, it wasn't anything like a betrayal. It was both sweet and sad at the same time and, as people in relationships have a tendency to do (if they don't split up because of one party's wild lies), Emma and Jason decide to get married. Just how Jason manages to deal with the huge life change that is marriage is what this book is about. From getting his specially made suit tailored to his short height, to trying to keep a lid on his best man's plans for a wild weekend in Liverpool, he is going to struggle to make it through to the wedding without having a full nervous breakdown. His second best friend, Boris, also returns in this book, although he has lost his taxi, his wife and his ability to seem sober even when he's drunk six litres of vodka. Jason is foolish enough to add Neil, Emma's wayward cousin, and Terry, the owner of Jason's favourite fish and chip shop, to his list of groomsmen. This is the fairly tragic band of men that are to ensure Jason makes it to the church on time, in possession of both his eyes and, of course, the rings ...

The Diary Of An Expectant Father

Not only is Graham Peterson unlucky in his choice of careers, he's also been terrible with women throughout his adult life. That changes when he meets Alison on a work night out. Unfortunately for Graham, however, things change so drastically that within a month of dating Alison he gets the news that he's about to become a father for the first time. 'The Diary of an Expectant Father' charts the months leading up to what should be the happiest day of a young couple's life, but with a relationship so new and a career so bad, can Graham keep everything together for the sake of his unborn child? With all the pitfalls and worries of an expectant father charted, this book is for all those who have been through pregnancy or just want to know how a man deals with all these things internally. 'Expectant Father' is the first in a series of diaries by Graham Peterson, who sometimes thinks he's writing to an Alien Warlord from the future. The next in the series, 'The Diary of a Hapless Father: Months 1-3', charts those first three terrifying months of parenthood.

So Low So High

Simon Brewster is a doomed man. If he doesn't change his ways, he'll never see middle, let alone old age. He knows that most people generally don't drink white cider for breakfast, don't use the aisle of Tesco as a toilet and don't steal from their family and friends. At School the careers adviser never suggested stealing Edam balls and legs of lamb as a job and his doctor has never prescribed crack cocaine or heroin. Simon still does these things though and the worst part is, he doesn't know anymore than you do why he continues doing it. He's seen his parents on their knees, crying, begging him to stop; he's been arrested by his former best mate; he's been hospitalized, all as a result of drug and alcohol abuse. It's just not enough to make him stop. Simon lies to everyone, including himself. The truth is, he has no more idea why he does the things he does than you do. What he needs is a way out. But if such a thing exists, Simon hasn't had much luck finding it. He's powerless, his life is unmanageable to the point of insanity. This is the story of Simon Brewster's last year using class 'A' drugs. Join him as he crashes his way through police cells, courtrooms and display cabinets. One way or another, Simon will stop using drugs. But can he overcome his addictions before his addictions destroy him?

The Sense of an Ending

A monumental novel capturing how one man comes to terms with the mutable past. 'A masterpiece... I would urge you to read - and re-read ' Daily Telegraph **Winner of the Man Booker Prize for Fiction** Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they would navigate the girl-less sixth form together, trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they all swore to stay friends for life. Now Tony is retired. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove.

Kiss and Part

From the Whiting Award-winning author of *Pretend I'm Dead* and one of the most exhilarating new voices in fiction, a "thoroughly delightfully, surprisingly profound" (Entertainment Weekly) one-of-a-kind novel about a cleaning lady named Mona and her struggles to move forward in life. Soon to be an FX television show starring Lola Kirke. Mona is twenty-six and cleans houses for a living in Taos, New Mexico. She moved there mostly because of a bad boyfriend—a junkie named Mr. Disgusting, long story—and her efforts to restart her life since haven't exactly gone as planned. For one thing, she's got another bad boyfriend. This one she calls Dark, and he happens to be married to one of Mona's clients. He also might be a little unstable. Dark and his wife aren't the only complicated clients on Mona's roster, either. There's also the Hungarian artist couple who—with her addiction to painkillers and his lingering stares—reminds Mona of troubling aspects of her childhood, and some of the underlying reasons her life had to be restarted in the first place. As she tries to get over the heartache of her affair and the older pains of her youth, Mona winds up on an eccentric, moving journey of self-discovery that takes her back to her beginnings where she attempts to unlock the key to having a sense of home in the future. The only problems are Dark and her past. Neither is so easy to get rid of. Jen Beagin's *Vacuum in the Dark* is an unforgettable, astonishing read, "by turns nutty and forlorn...Brash, deadpan, and achingly troubled" (O, The Oprah Magazine). Beagin is "a wonderfully funny writer who also happens to tackle serious subjects" (NPR).

Bulletin of the Atomic Scientists

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Vacuum in the Dark

A unique perspective on half a century of American cinema—from the audience's point of view. Tom Stempel goes beyond the comments of professional reviewers, concentrating on the opinions of ordinary people. He traces shifting trends in genre and taste, examining and questioning the power films have in American society. Stempel blends audience response with his own observations and analyzes box office results that identify the movies people actually went to see, not just those praised by the critics. Avoiding statistical summary, he presents the results of a survey on movies and moviegoing in the respondents' own words—words that surprise, amuse, and irritate. The moviegoers respond: "Big bad plane, big bad motorcycle, and big bad Kelly McGillis."—On Top Gun "All I can recall were the slave girls and the Golden Calf sequence and how it got me excited. My parents must have been very pleased with my enthusiasm for the Bible."—On why a seven-year-old boy stayed up to watch The Ten Commandments "I learned the fine art of seduction by watching Faye Dunaway smolder."—A woman's reaction to seeing Bonnie and Clyde "At age fifteen Jesus said he would be back, he just didn't say what he would look like."—On E.T. "Quasimodo is every seventh grader."—On why The Hunchback of Notre Dame should play well with middle-schoolers "A moronic, very 'Hollywoody' script, and a bunch of dancing teddy bears."—On Return of the Jedi "I couldn't help but think how Mad magazine would lampoon this." —On The Exorcist

Fact and Fiction! Disappointed Love

New York City: a battered town left for dead, one that almost a million people abandoned and where those who remained had to live behind triple deadbolt locks. It was reinvigorated and became the capital of wealth and innovation, an engine of cultural vibrancy, a magnet for immigrants, and a city of endless possibility. Since its founding in 1968, New York Magazine has told the story of that city's constant morphing, week after week. This book draws from all that coverage to present an enormous, sweeping, idiosyncratic picture of a half-century at the center of the world. It constitutes an unparalleled history of that city's transformation, and of a New York City institution as well.

'... nobody who lives there, nobody at all, has much good to say about Delhi.' Along with Milton Keynes, Detroit and Purgatory, Delhi is one of the world's great unloved destinations. So when Elizabeth Chatterjee makes her way from the cool hum of Oxford to the demented June heat of heat of Delhi to research her PhD, she find herself both baffled and curious about the je ne sais quoi of this city of 'graveyards and tombstones'. As flâneur and sagacious resident, Liz takes us through the serpentine power structures, the idyll, the bullshit—peeling layer after layer of the city's skin to reveal its aspirations, its insecurity, its charm and finally its urban dissonance. Uncannily perceptive, predictive, and hysterical, Delhi Mostly Harmless puts a firm finger on the electric pulse of Delhi
