Science.com breaks down the stories behind the most interesting news and photos on the ...

The theory of evolution by natural selection was first formulated in Darwin's book "On the Origin of Species" in 1859.

Natural selection is often described as survival of the fittest, where fitness refers to the ability to survive and reproduce.

Natural selection can change a species in small ways, such as causing a population to change color or size over the course of generations.

There is also a form of natural selection that depends on an organism's success at attracting a mate, a process known as sexual selection.

Now, scientists know that the physical and behavioral changes that make natural selection possible happen at the genetic level.

Residing in the besieged city of ...

Intro

And there came unto him all they that dwelt in the hill country, and all that dwelt by Euphrates, and Tigris and Hydaspes, and the plain of Arioch the king of the Elymeans, and very many nations of the sons of Chelod, assembled themselves to the battle.

And to those among the nations that were of Carmel, and Galaad, and the higher Galilee, and the great plain of Esdrelom

1. And in the eighteenth year, the two and twentieth day of the first month, there was talk in the house of Nabuchodonosor king of the Assyrians that he should, as he said, avenge himself on all the earth. Then they decreed to destroy all flesh, that did not obey the commandment of his mouth.

And thou shalt go against all the west country, because they disobeyed my commandment.

And I will lead them captives to the utmost parts of all the earth.

And plenty of victual for every man of the army, and very much gold and silver out of the king's house.

And they went forth of Nineve three days journey toward the plain of Bectileth, and pitched from Bectileth near the mountain which is at the left hand of the upper Cilica.

Then he went over Euphrates, and went through Mesopotamia, and destroyed all the high cities that were upon the river Arbonal, till ye come to the sea.

Then he went down into the plain of Damascus in the time of wheat harvest, and burnt up all their fields, and destroyed their flocks and herds, also he spoiled their cities, and utterly wasted their countries, and smote all their young men with the edge of the sword.

Behold, even our cities and the inhabitants thereof are thy servants; come and deal with them as seemeth good unto thee.

And he pitched between Geba and Scythopolis, and there he tarried a whole month, that he might gather together all the carriages of his army.

CHAPTER 4

For they were newly returned from the captivity, and all the people of Judea were lately gathered together; and the vessels, and the altar, and the house, were sanctified after the profanation.

And the children of Israel did as Joacim the high priest had commanded them, with the ancients of all the people of Israel, which dwelt at Jerusalem.

Thus every man and women, and the little children, and the inhabitants of Jerusalem, fell before the temple, and cast ashes upon their heads, and spread out their sackcloth before the face of the Lord: also they put sackcloth about the altar

So God heard their prayers, and looked upon their afflictions: for the people fasted many days in all Judea and Jerusalem before the sanctuary of the Lord Almighty.

1. Then was it declared to Holofernes, the chief captain of the army of Assur, that the children of Israel

had prepared for war, and had shut up the passages of the hill country, and had fortified all the tops of the high hills and had laid impediments in the champaign countries

And he said unto them, "Tell me now, ye sons of Chanaan, who this people is, that dwelleth in the hill country, and what are the cities that they inhabit, and what is the multitude of their army, and wherein is their power and strength, and what king is set over them, or captain of their army, 4. And why have they determined not to come and meet me, more than all the inhabitants of the west."

So they dwelt in the land of the Amorites, and they destroyed by their strength all them of Esebon, and passing over Jordan they possessed all the hill country.

But when they departed from the way which he appointed them, they were destroyed in many battles very sore, and were led captives into a land that was not their's, and the temple of their God was cast to the ground, and their cities were taken by the enemies.

#### CHAPTER 6

He will send his power, and will destroy them from the face of the earth, and their God shall not deliver them: but we his servants will destroy them as one man; for they are not able to sustain the power of our horses.

And thou, Achior, an hireling of Ammon, which hast spoken these words in the day of thine iniquity, shalt see my face no more from this day, until I take vengeance of this nation that came out of Egypt. But the Israelites descended from their city, and came unto him, and loosed him, and brought him to Bethulia, and presented him to the governors of the city

1. The next day Holofernes commanded all his army, and all his people which were come to take his part, that they should remove their camp against Bethulia, to take aforehand the ascents of the hill country, and to make war against the children of Israel

And viewed the passages up to the city, and came to the fountains of their waters, and took them, and set garrisons of men of war over them, and he himself removed toward his people.

For this people of the children of Israel do not trust in their spears, but in the height of the mountains wherein they dwell, because it is not easy to come up to the tops of their mountains.

Then all the people assembled to Ozias, and to the chief of the city, both young men and women, and children, and cried with a loud voice, and said before all the elders

Then there was great weeping with one consent in the midst of the assembly; and they cried unto the Lord God with a loud voice.

And he dispersed the people, everyone to their own charge; and they went unto the walls and towers of their city, and sent the women and children into their houses and they were very low brought in the city.

#### CHAPTER 8

For as he stood overseeing them that bound sheaves in the field, the heat came upon his head, and he fell on his bed, and died in the city of Bethulla: and they buried him with his fathers in the field between Dothaim and Balamo.

And she fasted all the days of her widowhood, save the eves of the sabbaths, and the sabbaths, and the eves of the new moons, and the new moons and the feasts and solemn days of the house of Israel

For the which cause our fathers were given to the sword, and for a spoil, and had a great fall before our enemies.

For thou hast wrought not only those things, but also the things which fell out before, and which ensued after; thou hast thought upon the things which are now, and which are to come.

Smite by the deceit of my lips the servant with the prince, and the prince with the servant: break down their stateliness by the hand of a woman.

1. Now after that she had ceased to cry unto the God of Israel, and had made an end of all these words.

"The God, the God of our fathers give thee favour, and accomplish thine enterprizes to the glory of the children of Israel, and to the exaltation of Jerusalem." Then they worshipped God.

Then was there a concourse throughout all the camp: for her coming was noised among the tents, and they came about her, as she stood without the tent of Holofernes, till they told him of her

And are resolved to spend the firstfruits of the tenths of wine and oil, which they had sanctified, and reserved for the priests that serve in Jerusalem before the face of our God; the which things it is not lawful for any of the people so much as to touch with their hands.

1. Then he commanded to bring her in where his plate was set; and bade that they should prepare for her of his own meats, and that she should drink of his own wine.

Then Holofernes commanded his guard that they should not stay her: thus she abode in the camp three days, and went out in the night into the valley of Bethulia, and washed herself in a fountain of

water by the camp.

And in the fourth day Holofernes made a feast to his own servants only, and called none of the officers to the banquet.

So she arose, and decked herself with her apparel and all her woman's attire, and her maid went and laid soft skins on the ground for her over against Holofernes, which she had received of Bagoas for her daily use, that she might sit and eat upon them.

Now Judith had commanded her maid to stand without her bedchamber, and to wait for her, coming forth, as she did daily: for she said she would go forth to her prayers, and she spake to Bagoas according to the same purpose.

For now is the time to help thine inheritance, and to execute thine enterprizes to the destruction of the enemies which are risen against us.
