We provide it completely free with no restrictions.

We are committed to offering authentic materials only.
Every item has been carefully selected to ensure reliability.
This way, you can use it confidently for your purposes.

We hope this document will be of great benefit to you.
We look forward to your next visit to our website.
Wishing you continued success.

This document is one of the most sought-after resources in digital libraries across the internet.

You are fortunate to have found it here.

We provide you with the full version of Rainbow Ocean Races completely free of charge.

Where Dolphins Race with Rainbows

'Welcome to Karensa'. Luke opened his eyes, blinking in the strong sunlight ... This was not Poldawn. What is this strange land to which the dolphins have brought Luke and Rosie This is the first book in the Tales of Karensa series.

Where Dolphins Race with Rainbows

Luke opened his eyes, blinking in the strong sunlight. He was sprawled on his back on soft, dry, sand. In front of him the sea was calm and deepest blue. So the mist and the storm were a dream? But as he struggled to sit up he realised that there had been no dream. And he was being watched by a group of the strangest people he had ever seen.

Found Treasure

Effie Martin was humiliated! Lawrence Earle, the football hero, was coming back from college, and all the girls were planning a big picnic for him. She had been planning to go, too-until she overheard the girls saying they didn't want her along because she was too rough, too much of a tomboy. Well, she'd show them. She could be as much a lady as any of them! Or could she? Almost immediately Effie found herself caught in a struggle between "acting ladylike" and being herself-a struggle she was afraid of losing. Then suddenly, wonderfully, an act of heroism throws Effie into an extraordinary friendship with the football star himself! And she begins the thrilling journey of becoming a woman who understands strong faith and lasting love.

The Everything Health Guide to OCD

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Silver Serpent, Golden Sword

"Show me the way." Petroc lowered his voice to a whisper. "Salvis, help me to be rid of the Guardians, whatever it takes." When Petroc said this, he could not know how great a price he would pay. Luke and Rosie visit Karensa again as the Guardians arrive to take power in the region of the Dark Forest. Those who remain loyal to the King are in grave danger. The battle is won with terrible sacrifice, but the King turns defeat into a mighty victory and Morwen and Efram find true happiness.

Our Intrepid Heroine

There are three things that you really ought to know about our Intrepid Heroine: Firstly, she cannot pronounce 'felicitations'. Secondly, a unicorn is following her about. Thirdly, she's on her way to kill a dragon. A dragon that has killed an entire flock of her father's sheep, three goats and one pig. And a frog. Throw in a command from a King, a knight (or two), and a mysterious Hooded Person of Unknown Gender and this dragon had better watch his scales.

Children of the Second Morning

The third book in the Karensa series and this time we visit the far side of the island where the government look after every need of the people. Only the children know there is something more to life, so the King sends Luke and Rosie to help them. When a new Government called the Guardians comes to power on the far side of the island of Karensa, it was said by many that a new morning had dawned. But the children knew there was something more. The children were looking for a Second Morning. So the King sent Luke and Rosie to help them.

Louise Haselton

Louise Haselton offers glimpses of the curious inner lives of everyday and overlooked things. From the domestic to the exotic, the natural to the 'made', she distinctively intuits connections between seemingly disparate material vernaculars. Haselton believes in the invisible forces that bind and repel the world around us. With a witty reverence for the objects and materials she engages with, Haselton explores the communicative possibilities of weight, balance and form within her predominantly sculptural works. Her practice is unexpected, unconventional, and exemplary of an artist especially attuned to the matters which surround us. Louise Haselton: Act natural is a compendium of Haselton's works to date including illustrated essays chronicling the inspirations, influences and ideas behind her extraordinary practice of the last twenty-five years.

Search for the Palantir

When it is rumored that the Seeing Stone of Annuminas has been recovered, the Free Peoples of Endor race the minions of the Witch-king of Angmar to seize this great treasure. The reader is sent by Gandalf and Aragorn on an exciting quest for the stone to reinstate peace in Middle Earth.

Python 101

Learn how to program with Python from beginning to end. This book is for beginners who want to get up to speed quickly and become intermediate programmers fast!

Step on a Crack

Ellie Murphy lived happily with her widowed father, Max, bowling, eating TV dinners and playing with junk. But now, suddenly, life is different. Max has remarried, and Ellie has a stepmother. Ellie and her imaginary friends, Lana and Frizbee, launch into a fantasy world as Ellie seeks to escape real-life problems. They romp through prison breaks, Cinderella, Snow White and Ellie's own funeral where "Everyone is really sorry for all the mean things they did to you." Only by running away and discovering what it is really like to be alone does Ellie begin to come to terms with herself and her own need for a mother --From publisher's description.

The stories behind the inequality crisis—a forty-year investigation by In These Times With heart-wrenching reporting and incisive analysis, In These Times magazine has charted a staggering rise in inequality and the fall of the American middle class. Here, in a selection from four decades of articles by investigative reporters and progressive thinkers, is the story of our age. It is a tale of

shockingly successful corporate takeovers stretching from Reagan to Trump, but also of brave attempts to turn the tide, from the Seattle global justice protests to Occupy to the Fight for 15. Featuring contributions from Michelle Chen, Noam Chomsky, Tom Geoghegan, Juan González, David Moberg, Salim Muwakkil, Ralph Nader, Frances Fox Piven, Keeanga-Yamahtta Taylor, Slavoj Žižek, and many others, *The Age of Inequality* is the definitive account of a defining issue of our time.

The Age of Inequality

Unruly women have been making a spectacle of themselves in film and on television from Mae West to Roseanne Arnold. In this groundbreaking work, Kathleen Rowe explores how the unruly woman—often a voluptuous, noisy, joke-making rebel or "woman on top"—uses humor and excess to undermine patriarchal norms and authority. At the heart of the book are detailed analyses of two highly successful unruly women—the comedian Roseanne Arnold and the Muppet Miss Piggy. Putting these two figures in a deeper cultural perspective, Rowe also examines the evolution of romantic film comedy from the classical Hollywood period to the present, showing how the comedic roles of actresses such as Katharine Hepburn, Barbara Stanwyck, and Marilyn Monroe offered an alternative, empowered image of women that differed sharply from the "suffering heroine" portrayed in classical melodramas.

The Unruly Woman

This classic dictionary explains the origins of over 16,000 names in current English use. It will be a source of fascination to everyone with an interest in names and their history. This classic dictionary answers questions such as these and explains the origins of over 16,000 names in current English use. It will be a source of fascination to everyone with an interest in names and their history.

A Dictionary of English Surnames

Game of Thrones, one of the hottest series on television, leaves hundreds of critics divided on how "feminist" the show really is. Certainly the female characters, strong and weak, embody a variety of archetypes--widow queens, warrior women, damsels in distress, career women, priestesses, crones, mothers and maidens. However, the problem is that most of them play a single role without nuance--even the "strong women" have little to do besides strut about as one-note characters. This book analyzes the women and their portrayals one by one, along with their historical inspirations. Accompanying issues in television studies also appear, from the male gaze to depiction of race. How these characters are treated in the series and how they treat themselves becomes central, as many strip for the pleasure of men or are sacrificed as pawns. Some nude scenes or moments of male violence are fetishized and filmed to tantalize, while others show the women's trauma and attempt to identify with the scene's female perspective. The key is whether the characters break out of their traditional roles and become multidimensional.

Women in Game of Thrones

Fodor's correspondents highlight the best New England has to offer in Massachusetts, Connecticut, Rhode Island, Vermont, New Hampshire, and Maine. Our local experts vet every recommendation to ensure you make the most of your time, whether it's your first trip or your fifth. **MUST-SEE ATTRACTIONS** from rugged coasts to green mountains **PERFECT HOTELS** for every budget **BEST RESTAURANTS** to satisfy a range of tastes **GORGEOUS FEATURES** on fall foliage, skiing, and antiques **VALUABLE TIPS** on when to go and ways to save **INSIDER PERSPECTIVE** from local experts **COLOR PHOTOS AND MAPS** to inspire and guide your trip

It is not a "flirting" technique or a kinky "sexual" position -- it is an amazing technique that will literally allow you to control your man's behavior. I know this sounds too good to be true -- BUT it is true. I assure you that there is no way you can understand how powerful this technique is until you try it and then you will be amazed at how fast it works. It is truly magic!

A Century of Vision

"A major contribution to the understanding of gender." -- Anne Bolin "Its readable style achieves a unique balance of the personal with scientific rigor." -- Contemporary Sociology "Holly Devor's Gender Blending is a pathfinding study that creates a new frontier in sex and gender research." -- Journal of the History of Sexuality "... a fascinating study..." -- Choice Fifteen women who have to varying degrees rejected traditional femininity, but not their femaleness, discuss their lives with Devor. These women, sometimes mistaken for men, choose to minimize their female vulnerability in a patriarchal world by minimizing their femininity.

Pussy Whip - Proven, Powerful Secret Technique Controls Your Man

In this seminal new study of resilience, Meg Jay tells the stories of a diverse group of people who have overcome trauma in their childhoods to go on and live successful lives as adults. These are the 'supernormal', who having shouldered greater than average hardship as children defy expectation and achieve better than average success as adults. But how, and at what cost? Whether it was experiencing parental divorce, or growing up with an alcohol or drug-abusing parent, living with a parent or sibling with mental illness, being bullied, living in poverty, being a witness to domestic violence, suffering physical or emotional neglect, the people Meg Jay introduces us to are all survivors. She explores what they have in common that made it possible for them to transcend the trauma of their early years and to build successful adult lives. And she asks the questions: What was the cost of developing those powers? And having survived, even thrived, how do you go on and build a trusting, fulfilled life? Drawing on her clinical experience with survivors of childhood trauma, Meg Jay documents ordinary people made extraordinary by the experience of all-too-common trauma. Bringing together personal, scientific and cultural knowledge Jay gives a voice to the experience of the 'supernormal', furnishes them with the tools to better understand themselves and take full advantage of their strengths, and gives a window into their world for those who seek to understand them.

Gender Blending

Offers detailed descriptions of drives through California and the Southwest, with a flexible format allowing one to switch routes during a journey, and including information on where to eat and sleep, the best local radio stations, hundreds of roadside attractions, and more.

Supernormal

This is the first major publication devoted to Stephen Bowers' craft. Mapping the artist's inspirations, influences and ideas, detailing the formation and development of his practice, this book discusses his creative techniques and methods, and explains the importance of his collaborative approach to making work. His career extends over 35 years.

Road Trip USA

This collection of essays is the result of a major Centenary of Federation project that included conferences and workshops, seeking to evaluate policy choices that had been made in the past, changes that had subsequently made to these policies, and the implications of both for the future of Australia.

Stephen Bowers

Eastern Anmatyerr artist Kathleen Petyarre was born around 1940 on the Atnangker homelands in the Northern Territory, arid spinifex country. Kathleen Petyarre represents a stunning full colour retrospective of Petyarre's work to date.

Australia's Choices

Providing new and challenging ways of understanding the medieval in the modern and vice versa, this volume highlights how medieval aesthetic experience breathes life into contemporary cinema. Engaging with the subject of time and temporality, the essays examine the politics of adaptation and our contemporary entanglement with the medieval.

Kathleen Petyarre

The Tall Book is a celebration of the tall-advantaged, which notes and explores the myriad benefits that come with living large--from the simple pleasures of being able to see over crowds at a parade, to the professional joys of earning more money, and having others perceive you as a natural leader. The Tall Book also offers well-researched explanations into the great unanswered questions of tallness, including: Why are people tall to begin with? How have tall people figured throughout history? Why are CEOs so tall? And how does tallness affect the dating game? Filled with illustrative graphics, charts, and piles of tall miscellanea and factoids, The Tall Book is a wonderful and much-needed exploration of life from on high.

The Medieval Motion Picture

The Warrior Women of Television examines contemporary representations of the female action hero in three series: La Femme Nikita, Aeon Flux, and Buffy the Vampire Slayer. Detailed readings focus on the ways the structure and content of each series work to create specific understandings of the body that are in contrast to those of male-centered action texts. Arguing that television texts mediate larger cultural concerns, this book considers the feminist implications of the series and uses insights from critical writings on contemporary culture and the body to discuss the ways the female hero functions as a potent contemporary cultural symbol.

The Tall Book

Wind-carved red rocks, brightly-painted adobe houses, and miles of open desert road: explore the beauty of the Southwest with Moon Southwest Road Trip. Well hello to you, Dear Book Peruser and thank you for your kind interest in my book o'Miranda. Here you will find my favourite six scripts, hand-picked from all three series, with introductions by moi, and some other tit-bits, and silliness. Because no book of this ilk should be without tit-bits and silliness. If nothing else it's fun to say tit-bits. Repeat after me: tit-bits. You're welcome. I hope you enjoy seeing the scripts in their pure written form on the page before they translated to what you have seen on screen. And if you're a lovely young person still at school let me know if your drama teacher ever lets you do an episode for the school play. Nothing would make me happier. Though I bagsy play Miranda. Your favourite, number one bestselling, comedian Miranda Hart is giving you an access-all-areas VIP backstage pass to her award-winning sitcom. Miranda Hart has won bundles of awards, written a bestselling book and completed a sell-out nationwide tour. But it was her award-winning BBC sitcom Miranda which first made her a much-loved household name. Here Miranda gives us an access-all-areas VIP backstage pass to Miranda the sitcom. The Best of Miranda is a beautiful and hilarious book which will delight Miranda's many fans and earn her many new ones.

Christopher Orchard

NEW YORK TIMES BESTSELLER • “A delightful sampler plate of our national parks, written with charisma and erudition.”—Nick Offerman, author of *Paddle Your Own Canoe* From CBS Sunday Morning correspondent Conor Knighton, a behind-the-scenery look at his year traveling to each of America's National Parks, discovering the most beautiful places and most interesting people our country has to offer NAMED ONE OF THE BEST BOOKS OF THE YEAR BY OUTSIDE When Conor Knighton set off to explore America's "best idea," he worried the whole thing could end up being his worst idea. A broken engagement and a broken heart had left him longing for a change of scenery, but the plan he'd cooked up in response had gone a bit overboard in that department: Over the course of a single year, Knighton would visit every national park in the country, from Acadia to Zion. In *Leave Only Footprints*, Knighton shares informative and entertaining dispatches from what turned out to be the road trip of a lifetime. Whether he's waking up early for a naked scrub in a historic bathhouse in Arkansas or staying up late to stargaze along our loneliest highway in Nevada, Knighton weaves together the type of stories you're not likely to find in any guidebook. Through his unique lens, America the Beautiful becomes America the Captivating, the Hilarious, and the Inspiring. Along the way, he identifies the threads that tie these wildly different places together—and that tie us to nature—and reveals how his trip ended up changing his views on everything from God and love to politics and technology. Filled with fascinating tidbits about our parks' past and reflections on their fragile future, this book is both a celebration of and a passionate case for the natural wonders that all Americans share.

The Best of Miranda

Discover 25 scenic alternatives to Interstates that take only a few hours to enjoy. Stunning photography, detailed maps, and easy-to-follow narrative guide the way through breathtaking landscapes and iconic western towns in Arizona and New Mexico. E-Research teaches students how to become both active practitioners and informed consumers of Net-based research, its tools, and its techniques. E-Research takes the learner through the complete research process from problem formulation, through literature review, ethics approval, quantitative and qualitative data gathering and analysis, to dissemination and publication. This text is written in clear, nontechnical language with educational research examples, illustrating how each of these components of the research process changes in a Net-enabled context. Every professional is obliged to understand and, in most cases, master the use of tools of their trade even when those tools are undergoing rapid evolution. E-Research is not a research methods text. Rather, it begins where standard methodology texts end, by focusing on when and how to use the Internet to enhance the research process.

Roaming America

Road Trip USA

Tales of the Whirling Rainbow

Tales of the Whirling Rainbow is a journalist's account of some of the key myths and mysteries of the Americas, and an electrifying exploration of how those myths are resounding in real time. Veteran journalist Steven McFadden weaves the living myths together seamlessly in a tightly written book that is eye-opening, and soul resonant. Drawn from sources both ancient and modern, Tales of the Whirling Rainbow conveys adroit insights into key facets of North America's unfolding saga. Learning to respect these knowings is fundamental to our spiritual growth and progress on the land going forward in time. McFadden tells the tales in plain, precise language, creating a quick but absorbing investigation into a deeply rooted mythos that offers keys to healing. As the Sun awakens and earth changes intensify, our human lives attain high velocity. At this time and in this manner, elders across Turtle Island (North America) told the author, the human beings who are the different colors and faiths of the world will be moved. This will create opportunities to heal their web of relationships.

Legend of the Rainbow Warriors

Legend of the Rainbow Warriors is a journalist's account of one of the core myths of America, and an electrifying exploration of how that myth is playing out in real time. One dominant myth is formed by advertising images of vast, luxurious wealth-the myth of materialism. Another myth is conjured in the bloody, sorrowful images that pervade movies, music and computer games-the myth that the world is hate-filled and chaotic beyond redemption. The Legend of the Rainbow Warriors offers a spiritual alternative of hope and real possibility based upon respect, freedom and responsibility. As drawn from dozens of historical accounts, the Legend of the Rainbow Warriors relates that "when the Earth becomes desperately sick, people of all colors and faiths will unite, and rise to face the overwhelming challenges with insight, honesty, caring, sharing, and respect." Veteran writer Steven McFadden weaves the myths and the headlines together seamlessly in a rich work of literary journalism that is adroitly crafted, eye-opening, and soul-inspiring.

Rainbow Tales for Kids

Four short stories about rainbows are selected from several books of fairy tales from different sources. These tales are designed to be fascinating reading for young children. The tales are: (1) The Maker of Rainbows, (2) Rainbow Pete, (3) Mary's Rainbow, and (4) The Rainbow, After the Thunder-Storm. Children have enjoyed reading these fairy tales for years and it is good to find them in one single volume. It is a pleasure to publish this new, high quality, and affordable edition of these timeless stories.

Whirling Rainbow

"The Rainbow Book" is a children's tale by author M. H. Spielmann. Nine year old twins Cyril and Dulcie dash out into the rain one afternoon in search of adventure. They soon come upon a mysterious door that eventually leads them into a Wizard's house. The Wizard gives them some magical bracelets that can transport them anywhere which the naïve children then put on before running off. Their adventures will lead them to seeing the most extraordinary creatures...

The Rainbow Book: Tales of Fun & Fancy

'The Rainbow Book' is a wonderful collection of children's stories, written by M. H. Spielmann. It includes the tales of: 'Adventures in Wizard Land' (illustrated by Arthur Rackham), 'The Little Picture Girl' (Hugh Thomson), 'The Sleeping Beauty's Dream' (Bernard Partridge), 'The Gamekeeper's Daughter' (Lewis Baumer), 'Cedric's Unaccountable Adventure' (Harry Rountree), 'Father Christmas at Home' (Arthur Rackham) and many more. Marion Harry Alexander Spielmann (1858 – 1948) was a prolific Victorian art critic and scholar, who was the editor of various magazines as well as a celebrated biographer. His works are still very much in demand, celebrated for their imagination and whimsicality. This book contains a selection of illustrations from some of the greatest artists of the Golden Age of Illustration. It showcases the drawings of Arthur Rackham, Hugh Thompson, Bernard Partridge, Lewis Baumer, Harry Rountree and C. Wilhelm. Although all fine artists in their own right, Arthur Rackham (1867-1939) is by far the most famous – whose work is quite simply, unparalleled. Throughout his career, he developed a unique style, combining haunting humour with dream-like romance. Presented alongside the stories, his, and the other artists illustrations, further refine and elucidate Spielmann's enthralling narratives.

The Rainbow Book - Tales of Fun & Fancy - Illustrated by Arthur Rackham, Hugh Thompson, Bernard Partridge, Lewis Baumer, Harry Rountree, C. Wilhelm

Let's paint a big rainbow to put on display. When people pass by it and see it, they'll say ... 'All rainstorms must end, and this rainstorm will too.' And they'll feel a bit happier, all thanks to you. Light can't shine without dark. Rainbows can't colour the sky without rain. And the world is always full of hope and possibility, even when we feel lost and alone. Inspired by the rainbows that children across the world have been creating and displaying in their windows, The World Made a Rainbow is a beautiful story with a hopeful message of staying connected to the people we love, and a proportion of proceeds will be donated to a leading children's charity. Bestselling author Michelle Robinson was desperate to find a way to help small children navigate their way through the complex emotions caused by the 2020 lockdown. She has written a story that matters now, but will last for ever. With charming illustrations from new talent Emily Hamilton, The World Made a Rainbow will reassure, uplift and is the perfect reminder of fun, hope and togetherness. This audio-enabled edition comes with a gorgeous reading by Sarah Ovens, along with music and sound effects.

The Rainbow Book

This book explores the phenomenon of Rainbow Gatherings in Europe. These countercultural events form radically alternative temporary societies in the peripheries of modern states and manage themselves without centralized power, market economy or institutionalized forms of religion. The volume offers a vivid description of life in the Gatherings, analyses the main ideological tenets and places the meetings in historical and cultural context. It considers how the Rainbow Gathering tradition is rooted in networks of alternative spirituality and environmental counterculture but also reflects broader shifts in religion and religiosity.

The World Made a Rainbow

Excerpt from The Rainbow Book: Tales of Fun and Fancy It's all very well - but you, and I, and most of us who are healthy in mind and blithe of spirit, love to give rein to our fun and fancy, and to mingle fun with our fancy and fancy with our fun. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Alternative Spirituality, Counterculture, and European Rainbow Gatherings

The Call of the Land is a sourcebook exploring positive pathways for food security, economic stability, environmental repair, and cultural renewal. This book shows how everyone can respond creatively to the challenges we face. From community gardens and locavore restaurants to urban farms and local food banks, this book is a survey and synthesis of the great transition that is underway.

The Rainbow Book

"Fairy tales tell us the stories we need to hear, the truths we need to be aware of. Arising from oral narrative, born of imagination, they are constantly being adapted to fit new cultural contexts. They shapeshift just like their characters. Their plots, motifs, and elements often serving as warnings. Over the Rainbow: Folk and Fairy Tales from the Margins is a collection of adult stories that invite us to imagine new possibilities for our contemporary times. And much is happening in these times! Cultural diversification and increased societal awareness of personal differences is allowing voices that tend to be silenced by mainstream society to come to the forefront. Collected by seven-time Prix Aurora Award-winning editor Derek Newman-Stille, these are edgy stories, tales that invite us to walk out of our comfort zone and see what resides at the margins. Over the Rainbow is a gathering of modern literature that brings together views and perspectives of the underrepresented, from the fringe, those whose narratives are at the core of today's conversations -?voices that we all need to hear."--

The Call of the Land

"[...]Night's Dream, ' I happened to look up, and saw before me a patch of soft, green grass with the Fairy-ring upon it: whilst I was wondering how it came, my old friends appeared and acted the whole play (I suppose to amuse me). After this they often came, and did the same with the other plays." There! what do you say to that? Do you wonder that the good folk of Blagdon, for example, still point to the hill "where the fairies come to dance," and show you the Fairy-rings, like that which Cedric saw (as is recounted in this book), with the Little People capering about? Of course, the country folk don't laugh at them, because it is all so mysterious, and, as the scientific professors declare, abnormal, if not supernatural; but do you believe for one [...]."

Over the Rainbow

This collection of thirty-seven tales is drawn from the famous color fairy books of Andrew Lang that were originally published between 1889 and 1910.

The Rainbow Book Tales of Fun Fancy

Daddy, tell us a story about a dog rainbow.^ Another night, it might have been a fish rainbow, a monster rainbow, or even a bad rainbow. These stories, about rainbows and fairies and witches and ghosts and other things, were the few that Edward remembers from the days when his children were small and appreciated the magic of fairyland and the lively imagination of his father. Most stories that he told then, including those of Cartoonland and of the Walking Heads, were told once and are gone forever. But all of the Rainbow Stories have survived. No publisher will accept this anthology. The vocabulary is for adults and older children, and the concepts are for young children. But perhaps the pleasure that Edward's children felt can be felt by other people young at heart. There is, however, a serious message. The Fairy of Good Vision, who appears in many of the Rainbow Stories, bases her behavior and even her color on the work of rebel eye doctor William H. Bates, teaching in "The Happy Rainbow" a visual exercise that helps prevent young children from acquiring the need for eyeglasses. Take a trip to Fairyland. It's a lovely place.

The Rainbow, or Tales and sketches ... Illustrated, etc

This story is a children's fantasy that originally came from a dream. It begins with a bedroom scene where Lucy awakens surrounded by a strange eerie light. She is whisked into the fantasy world in order to assist in a special task of making rainbows. The Rainbow maker is Soup, a strange little man who is dressed as an artist with oddly coloured hair, skin and clothes. He persuades Lucy that he needs her especially as his transport is the beautiful horse – Joe - that once belonged to her. There are references here of Lucy's tragic loss and the acknowledgment to the young reader of their own fears of losing loved ones. Throughout the journey, the friends experience a variety of problems but also wonderful times where magical things assist them. Although this story is a fantasy I believe it would appeal to readers

age 6/7 to 12 years as the language is fairly advanced. It would also appeal to younger children if read by an adult. The full-page ink illustrations and a variety of smaller symbolic drawings are included throughout the text.

The Rainbow Fairy Book

A little boy Michael sees a rainbow for the first time. Let your child make a wonderful discovery together with Michael and learn how the rainbow appears.

The Rainbow Book Tales of Fun and Fancy

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Island of the Rainbow. A Fairy Tale, and Other Fancies. Illustrated

From fantasy to fiction, this romp through the imagination, inspired by colors, brings laughs, tears, insight, and vitality to our imaginations. This set of stories is designed to remind readers and listeners in the ways we learned as children, how the lessons we have learned, and continue to experience throughout life, are not only subjective and useful to revisit, but are open to reinterpretation; should one simply choose to view them through a different lens. Like different animals looking at a flower, we can all look at the same thing and sometimes see something in a completely different light. Read, think, imagine, and enjoy.

Rainbow Stories

Ten captivating stories of adventure and resilience celebrating LGBTQ+ characters, published as an illustrated collection of queer classics for the first time. These are the fairy tales that history forgot - or concealed. Tales in which gender is fluid and where queer stories can have a happy ending. From the humble sailor who finds his handsome prince to the transgender market girl who becomes queen, from Europe to Asia via the African savannah, LGBTQ+ folklore researcher Pete Jordi Wood has combed through generations of history and adapted ten unforgettable stories, each illustrated by an artist who shares heritage with the culture from which the stories were born.

The Tale of Rainbow's End

The Rainbow Warriors is a story of wonder, magic, mystery and adventure where your child will learn to become a warrior alongside the characters in this story. A journey of self-discovery and empowerment, where we bridge the gap of the spiritual and physical worlds and give hope a place to thrive in the hearts and minds of the children, our only true hope for the future. The Rainbow Warriors have been given a mission to help all humans remember their connection to the Earth, how to be happy, and how to listen to their hearts once more. The Rainbow Warriors are just like you and me. In fact, we can all choose to become a Rainbow Warrior. We are hoping you will join us!

Towards the Rainbow

The Rainbow Warriors is a story of wonder, magic, mystery and adventure where your child will learn to become a warrior alongside the characters in this story. The Rainbow Book Tales of Fun & Fancy

A young girl sets out to find what's at the end of a rainbow. Rabbit, Bird, Turtle, and Horse join her along the way. They don't find treasures, but something better: new friends! According to School Library Journal, "This enchanting story might inspire readers to set out on adventures of their own."

The island of the rainbow, a fairy tale, and other fancies

For 8-12 year old readers with Short, self contained chapters. Also ideal for story time for 5-7 year olds. This is the story of four mischievous woodland fairies. Their names are Mirth, Glee, Shimmer & Twinkle. The four fairy friends become restless on a rare day off from going to-and-fro doing all their fairy work. They decide to visit the good people of nearby Cuckoo Village to have fun playing tricks on them. As is often the way for trouble makers, things do not work out exactly the way they wish. So, the mischievous youngling fairies soon find themselves in as much trouble as they caused for the humans of Cuckoo Village.

The Shuffled Rainbow

The Red Book is the first book in the Rainbow Series of "Magic Fairy Tales". It begins with our foundation Fairy Tale, "Happy Home" and continues with 6 more delightful Fairy Tale Fables that gently, and with kindness, demonstrate the natural values of a "Happy Home". 1. "Happy Home" About kindness, gratitude, and caring for each other. 2. "Ladybug and Seven Spots" About mutual support, friendship, and desire to learn new things. 3. "Little Fluffy Cloud" About diligence, responsibility, and joy. 4. "Grasshopper's Violin" About talents, realizing one's own ability, and kindness. 5. "Why I need Wings?" About the uniqueness, the possibilities, and the ability not to be offended by others. 6. "Teddy Bear and Rain" About sympathy, mutual aid, the ability to look at the world with a smile. 7. "Colorful World" About friendship, talent, and the ability to see and create beauty. Enjoy the wise insights your child will share as you share these Fairy Tales with an open heart!

Tales From Beyond the Rainbow

How do you make a rainbow? This joyful story, written by Caroline Crowe and illustrated by Cally Johnson-Isaacs, shows how to find color and hope when days seem dim and gray: celebrating love, positivity, and the precious relationship between a child and her grandad. Stuck inside on a cloudy day, a little girl asks her grandad to help her paint a rainbow on the sky. But as Grandad tells her, rainbows aren't painted on the sky, they grow out of kindness, hope, and helping other people. How Do You Make a Rainbow? is a reassuring, heart-warming story of colors, kindness, community and nature, that shows that brighter times are always around the corner.

Rainbow Warriors

If you are looking for an interesting and simple fairy tale story book that is perfect for telling to your child. This is one very good book. It's fun, magic, fairy tales, adventures, it's all gathered in this book 'The Rainbow Book' is a wonderful collection of children's stories, written by M. H. Spielmann. It includes the tales of: 'Adventures in Wizard Land' (illustrated by Arthur Rackham), 'The Little Picture Girl' (Hugh Thomson), 'The Sleeping Beauty's Dream' (Bernard Partridge), 'The Gamekeeper's Daughter' (Lewis Baumer), 'Cedric's Unaccountable Adventure' (Harry Rountree), 'Father Christmas at Home' (Arthur Rackham) and many more.

Rainbow Warriors

What if the Rainbow is a Place a Magic Rainbow Story Engages the reader and the child. Filled with fun activities to increase knowledge of all the rainbow colours, inspirational and comforting. Written to increase self-esteem and confidence in children supporting optimal performance in school and in life. A joy to read. The author encourages group readings and may be contacted to appear in full costume. This is a story about a young Irish boy who had a dream. His dream is to catch a Rainbow, follow it to the end and reach the Pot of Gold. One day the boy's dream comes true. According to the Legend Lloyd George must learn all about the colours of the Rainbow before he can catch it. Two Grandfathers teach him the secret qualities of each colour. The boy finds a very big surprise and a blessing. The activities are designed to bring out the artist because everyone is an artist. Life is Art

Over the Rainbow

In this first story from Tillie's Tales of the Rainbow Realm, an engaging moral twist is woven into a classic-style fairytale. Why is the rainbow getting shorter? Tillie discovers Hecatey the Hideous, King of the Hobgoblins, is planning something no-one would ever think of doing and the beautiful sprites who create the rainbows are counting on Tillie to stop him. Stealing the thread from the rainbow to create a dazzling magic cloak, he can suck the colour from whatever he passes; this way, he believes he'll become the most magnificent sight in all the land!

Tales from the Rainbow

"Fairy tales tell us the stories we need to hear, the truths we need to be aware of. Arising from oral narrative, born of imagination, they are constantly being adapted to fit new cultural contexts. They shapeshift just like their characters. Their plots, motifs, and elements often serving as warnings. Over the Rainbow: Folk and Fairy Tales from the Margins is a collection of adult stories that invite us to imagine new possibilities for our contemporary times. And much is happening in these times! Cultural diversification and increased societal awareness of personal differences is allowing voices that tend to be silenced by mainstream society to come to the forefront. Collected by seven-time Prix Aurora Award-winning editor Derek Newman-Stille, these are edgy stories, tales that invite us to walk out of our comfort zone and see what resides at the margins. Over the Rainbow is a gathering of modern literature that brings together views and perspectives of the underrepresented, from the fringe, those whose narratives are at the core of today's conversations -?voices that we all need to hear."--

The End of the Rainbow
