Graveyard Shift

A "grim" urban fantasy series full of mythology, dark humor, and paranormal romance! It's a hard-knock afterlife... Lana Harvey is a reaper, and a lousy one at that. She resides in Limbo City, the modern capital of the collective afterlives, where she likes to stick it to the man (the legendary Grim Reaper himself) by harvesting the bare minimum of souls required of her. She'd much rather be hanging out with Gabriel, her favorite archangel, at Purgatory Lounge. But when a shocking promotion falls in her lap, Lana learns something that could unravel the very fabric of Eternity. If the job isn't completed, there could be some real hell to pay. If you love urban fantasy steeped in mythology, dark humor, and paranormal romance, then buckle up, buttercup! You're in for one hell of a ride... This series is complete at 7 books (plus a short story collection and illustrated guide) but you can catch up with Lana and the gang in *LIFE AFTER DEATH*, book one of the *RETURN TO LIMBO CITY* spin-off series! Keywords: free book, free fantasy, free novel, urban fantasy, urban fantasy romance, action, gritty action, paranormal romance, complete series, strong heroine, complete urban fantasy series, badass heroine, grim reaper, grim reaper urban fantasy, reaper paranormal romance, afterlife, limbo, purgatory, afterlife fantasy adventure, angels and demons, gods and goddesses, mythology, Greek mythology, Egyptian mythology, Bangsian fantasy

Spero Heights (Books 1-3)

There's a place where broken creatures go when they can no longer face humanity... Welcome to Spero Heights, a quaint little town full of secrets and second chances, where supernaturals who have lost their bump in the night go to recover. Tucked in the wooded Ozark Mountains, the humans are rarely cause for concern, but the citizens of Spero Heights have enough troubles of their own. This series crosses over with the *Blood Vice* series. If you like a little fang in your urban fantasy and action in your paranormal romance, follow Jenna Skye on her crash course introduction to supernatural society in St. Louis in book 1, *Blood Vice*.

Cursed Cogs

Broken hearts and broken parts. That's all anyone is left with after Ezra Huxley's time machine shatters reality in 1916, Boston. The mechanical abomination plagues the city with an hourly time warp signaled by the bells of the new Custom House Tower Clock. Isla Huxley's wedding ended in disaster after the Break, and now her husband is in a coma. She's spent the last three months in the Post Boston Infirmary, waiting for her rich uncle to fix her life yet again. But when he instead sends her out into Late Boston to retrieve her father's journal in hopes of fixing the time machine, she comes face to face with Dorian Verne, the man she once dreamed of having a future with before her uncle shipped her off to school in Europe. Dorian lives a humble life as a clocksmith, but his skills are put to the test when the timeline-altered citizens of Late Boston come to him for mechanical remedies to survive the tolling of the bells from the cursed world clock. But Dorian was also Ezra's apprentice, and when the inventor disappears, he vows to build a new time machine and set things right. Not just for those living on clock-work and borrowed time, but for Isla, the one who got away.

World Clock Journals (The Complete Trilogy)

The complete *World Clock Journals* trilogy, a dystopian steampunk romance. Late Boston is a city held hostage by time. It has been five years since inventor Ezra Huxley's wife mysteriously disappeared through a portal in the time machine he was building. When he finally gives up hope and uses the same technology to craft a perpetual motion clock in the Custom House Tower, everything goes horribly wrong—at his daughter's wedding, no less. Time is shattered, and the citizens in its wake suffer an hourly reminder of the day they lost their sanity. And their freedom. The city is on lockdown to prevent the spread of time sickness, and now the clock is ticking. If they cannot find a way to fix the broken time machine plaguing Late Boston, the governor is prepared to take matters into his own hands and declare them a casualty of the war raging across the Atlantic. If you enjoy time travel romance, clockwork fantasy, and alternate history, this series is for you!

Blood Moon

She saves lives, but can he save her from herself? Zelda Fulmen, a once powerful witch and doctor, lost everything in a tragic accident. She now lives a more humble life in the supernatural safe haven of Spero Heights, patching up werewolves and putting them to work in her pub, until a neighboring pack objects and begins a sabotage campaign against her. Logan Chase had one job: keep an eye

on the bleeding heart running the Crimson Moon. Her habit of collecting reject mutts from the city was a disaster waiting to happen, and the council needed a wolf on the inside. He never expected to fall for her, or to get mixed up with her misfit pack. When Zelda offers sanctuary to the wrong wolf and threatens the safety of Spero Heights, Logan is torn between the supernatural community he's sworn to protect and the woman and wolves that could be his.

Lana Harvey, Reapers Inc.: The Complete Series (Books 1-7)

A bundled collection of the complete Lana Harvey, Reapers Inc. series (books 1-7). It's a hard-knock afterlife... Gear Hearts

Time can't heal these wounds. At least, not with a broken time machine ripping them open again and again, every hour on the hour. Pearl Shelley thought that leaving the Clockwork Apothecary to help Dr. McCaffrey at the Post Boston Infirmary would take her mind off Dorian and the future she can never have with him. But when she discovers a sinister plot to salvage the malfunctioning time machine and use it to hold the world hostage, Pearl knows she must brave the heartache of Late Boston once again. Though she will need help... The last thing Captain Leopold Le Guin remembers is the pomp and circumstance leading up to his wedding—right before the earth split open and the world went black. After waking to discover that he's been in a coma for the past three months and everyone in the city is in mortal peril—including his new wife—he accepts Miss Shelley's plea for assistance and escapes the infirmary, oblivious to the new and terrible world of Late Boston waiting for him.

Fresh Blood (Blood Vice Books 1-3)

Supernatural crime, vampy romance, and a few loose screws... A digital omnibus of books 1-3 in the Blood Vice Series. 1) Blood Vice 2) Blood and Thunder 3) Blood in the Water Detective Jenna Skye

bombs her first week on the St. Louis Vice Squad when she's bitten by a vampire in a supernatural brothel. Her day only gets worse from there. She wakes up in the morgue and discovers that her partner is dead. Before the sun rises, she realizes she is too. Jenna vows to continue their investigation until justice is served, but a werewolf squatter, an unexpected visit from her estranged sister, and a nosy FBI agent stand in her way. Not to mention her fresh aversion to sunlight and a thirst for something a little stiffer than revenge. If you like a little fang in your urban fantasy and action in your paranormal romance, follow Jenna Skye on her crash course introduction to supernatural society in St. Louis!

The Bloody End (Blood Vice Books 7-8)

Royal vampire duties are a pain in the fangs. A digital omnibus of books 7-8 in the Blood Vice Series. 7) Flesh and Blood 8) Out for Blood Jenna would trade her crown for a badge and gun any day of the week. But life—or death, rather—had different plans for her. Still, she's convinced she can find a balance between the two. The same way she thought she could maintain both her former mortal existence and newly undead status. In a perfect world, it might have been doable. But in Jenna's world of cutthroat vampire councils and werewolf terrorists? Not a chance. If you like a little fang in your urban fantasy and action in your paranormal romance, follow Jenna Skye on her crash course introduction to supernatural society in St. Louis! The Midnight District

Welcome to SPERO HEIGHTS... A little town where supernaturals who have lost their bump in the night go to recover. Tucked in the wooded Ozark Mountains, the humans are rarely cause for concern, but the citizens of Spero Heights have enough trouble to go around. Graham Pierce, the beloved mayor of Spero Heights, has finally returned home... but he's not alone. After a wild vampire chase prompted by one of Dr. Delph's visions, he stumbles across an apocalyptic affair resulting from his failure. The vampire in question is dead, leaving a curiously strong vampiring in his place. Graham can't explain his fascination with her, and he has no idea what bringing her back to his quiet little haven in the Ozarks could mean for him or for all of Spero Heights. Eliza Wilson shouldn't have gone to her ten-year class reunion. Certainly not right after losing her job, and most definitely not after being served divorce papers by her husband's attorney and latest conquest. When her high school stalker corners her in the parking lot for a little love bite and she wakes up with a more literal thirst for vengeance, that's the last straw. Hell hath no fury, because she brought it all back with her.

Death at First Sight

Welcome to SPERO HEIGHTS... A little town where supernaturals who have lost their bump in the night go to recover. Tucked in the wooded Ozark Mountains, the humans are rarely cause for concern, but the citizens of Spero Heights have enough trouble to go around. Lia James would give anything to be normal. Struck with horrific, daily visions of death isn't what any sane person would consider gifted. Her only consolation is that Sheriff Saunders, her shady keeper, does what he can to change the outcome of her visions—at least, the ones that might lead to a swanky promotion. Christian Delph is not a normal doctor, and his patients' maladies are not found in the average medical journal. As the head therapist of Orpheus House in Spero Heights, he sees everything—and usually before it happens. The one thing he didn't see coming was Lia, and all the ways she would turn his fragile world inside out.

Graveyard Shift

It's a hard-knock afterlife in Limbo City. If you had Lana's job, you'd be grim too. "Roquet breathes new life into death with the debut of her Reapers Inc. urban fantasy series ... The setting is rich and varied with a little something for fans of several different genres." -BookLife

The Ghoul Friend

This book was first published in 1989. The Soviet presence and purposes in Latin America are a matter of great controversy, yet no serious study was hitherto combined with a regional perspective (concentrating on the nature and regional impact of Soviet activity on the ground) and diplomatic analysis, examining the strategic and ideological factors that influence Soviet foreign policy. Nicola Miller's lucid and accessible survey of Soviet-Latin American relations over the past quarter-century demonstrates clearly that existing, heavily 'geo-political' accounts distort the real nature of Soviet activity in the area, closely constrained by local political, social and geographical factors. In a broadly chronological series of case-studies Dr Miller argues that, American counter-influence apart, enormous physical and communicational barriers obstruct Soviet-Latin American relations and that the lack of economic complementarity imposes a natural obstacle to trading growth: even Cuba, often cited as 'proof' of Soviet designs upon the area, is only an apparent exception.

Soviet Relations with Latin America, 1959-1987

Millions of people already live their lives in accordance with Rob Breznsny's "Real Astrology" prophecies. But the time has come for a deeper dose of Breznsny's brain. The Televisionary Oracle is an archetypal roller-coaster that would make Rumi dizzy and leave Carl Jung gasping for breath.

The Televisionary Oracle

Released from the magic pokey and paroled with limited power is enough to make any witch grumpy. However, if you throw in a recently resurrected cat, a lime-green Kia and a sexy egotistical werewolf, it's enough to make a gal fly off the edge. Not to mention a mission...with no freaking directions. So here I sit in Asscrack, West Virginia trying to figure out how to complete my mysterious mission before All Hallows Eve when I'll get turned into a mortal. The animals in the area are convinced I'm the Shifter Whisperer (whatever the hell that is) and the hotter-than- asphalt-in-August werewolf thinks I'm his mate. Now apparently I'm slated to save a bunch of hairy freaks of nature? If they think I'm the right witch for the job, they've swallowed some bad brew.

Switching Hour

Two's company, three's an inquisition. After a year of playing scion to the temperamental Princess of House Lilith, Jenna is ready to get back to solving cases—even if that means sneaking out of the manor to get the job done. Jenna's antics do not go unnoticed by the Vampiric High Council. When several representatives drop in to conduct the princess and duchess's one-year evaluation and are nearly taken out by a poorly-timed bomb, the council decides to put Jenna's skills as an agent to the test. If she can uncover whoever is behind the attack, the council will approve her arrangement with the princess. Otherwise, there's a locked coffin in her immediate future—a future she's just learned could include a living niece or nephew. New to Jenna and House Lilith? If you love urban fantasy with supernatural crime and modern vampire royalty, begin this series with book 1, Blood Vice, today!

Flesh and Blood

Love doesn't obey preordained rules. Sometimes, social status and gender mean nothing. The purest of affections can be born between two people living in different worlds. In a society where women rule over an enslaved race of men and love between a woman and man is considered a perversion, Pax's and Prince's union is destined for a tragic end. Coming from an existence of privilege, Pax has never endured harshness. She has never had any reason to doubt the rules Ginecea was built on. Everything changes when she is sent to spend her summer on a desolate farm and is exposed to the ongoing brutalities against defenseless men. A wrong turn leads her to witness Prince's thrashing at the hands of the guards. One look from him and Pax's perfect life is shattered, the memory of his dark eyes haunting her night and day. As a pure breed, born to one of the most prestigious family in Ginecea, she would have never thought it possible to fall in love with a man. Marked as a sinner, Pax abjures her ancestry to save Prince's life. She hopes they can disappear into the desert, but social prejudice and political schemes give them no respite. The Priestess, the ruler of all Ginecea, has other plans for Pax

Layan and her family. Second in The Ginecean Chronicles, Pax in the Land of Women is a dystopian tale set on the planet Ginecea.

Pax in the Land of Women

Less regal, more penal. Jenna Skye, the new Duchess of House Lilith, is losing her mind. After spending eight months holed up in the duke's manor with her new sire, the slightly nutty and ever moody Ursula, all she wants to do is to get out of the house. She'll take any excuse she can to ditch the princess's etiquette lessons and do something worthwhile with her time—even if it means visiting a fancy blood finishing school where one of Dante's potential scions has gone missing. Jenna's sudden jealousy forces her to take a closer look at the conflicted feelings she has for Dante, and the guilt she still harbors over Roman Knight's fateful farewell. Of course, a house full of new residents, preparations for the upcoming All Hallows' Eve ball, and unsolved murders don't leave much time for introspection. New to Jenna and House Lilith? If you love urban fantasy with paranormal law enforcement and modern vampire royalty, begin this series with book one, Blood Vice, today!

Blood, Sweat, and Tears

The 8th and final book in the Blood Vice series. This vampire princess is out for blood. Jenna thought thwarting the Free Blooders' plans in St. Louis would send the wolf rebels back into the shadows, but the organization's reach is much further than anyone realized. House Lilith pays dearly for this lack of foresight. Before they have time to recover from the devastating loss, their enemies strike again. The night after Ursula is crowned queen, multiple bomb attacks are reported across the country, all targeting high profile members of supernatural society. The Vampiric High Council demands retribution, and every Blood Vice agent is assigned overtime in the search for the Free Blooders and their leader, Marcel Moreau. So, it's up to House Lilith to save one of their own when the royal family is ambushed. With the future of their family and world at stake, they seek out every ally at their disposal—friends in low places, high places, and places lost in time. New to Jenna and House Lilith? If you love urban fantasy with paranormal law enforcement and modern vampire royalty, begin this series with book one, Blood Vice, today!

Out for Blood

Absence makes the fangs grow fonder. Jenna thought becoming a Blood Vice agent would solve all her problems, but now she's sworn to solve House Lilith's problems, too. And there's no shortage of trouble when dealing with the most regal vampire family in the United States. The duke's first assignment for Jenna and company is to locate Ursula, the estranged Duchess of House Lilith suspected of murdering her sire. It's a tall order—a wild bat chase, some might say—and the long hours with half-sired agent Roman Knight soon drive Jenna to distraction, and possible destruction. Lusting after another vampire's pending scion is a dangerous game, one with legal ramifications in Jenna's brave new underworld. New to Jenna and House Lilith? If you love urban fantasy with paranormal law enforcement and modern vampire royalty, begin this series with book one, Blood Vice, today!

Blood Dolls

Supernatural boot camp bites. Jenna Skye and her blood harem are off to train for Blood Vice in Denver. If they can survive three long months at the BATC (the Blood Authority Training Center, aka, the bat cave), they'll become official Blood Vice agents. But not everyone is thrilled about the duke allowing a baby vampling to train with the big fangs, and the undead have some pretty rotten ideas when it comes to hazing. The training program also opens Jenna's eyes to House Lilith politics, and she's soon swept away into the dark current of warring vampire families and an empire on the verge of collapse—an empire no one can know she's an heir to. New to Jenna and House Lilith? If you love urban fantasy with paranormal law enforcement and modern vampire royalty, begin this series with book one, Blood Vice, today!

Blood in the Water

Being a vampire isn't easy. Jenna Skye thought she could pull it off without giving up her old life, but the compromises are taking a toll—and not just on her. Jenna's sister Laura is eager to return to her glamorous life in Hollywood, and Mandy, Jenna's wolfy partner, is getting sick of playing her K9 sidekick to get around the police department's red tape. Jenna's never been good with change, but with her

human existence slipping further and further out of her reach, she has no choice but to accept FBI agent Roman Knight's offer to help the supernatural police force ruled by House Lilith hunt down a serial killer targeting new vampires in St. Louis...like her. Playing bait isn't exactly what Jenna had in mind, but it's a rookie lump she'll have to take if she wants a shot at joining Blood Vice—and if she wants to survive her new life as a vampire. New to Jenna and House Lilith? If you love urban fantasy with supernatural crime and modern vampire royalty, begin this series with book 1, *Blood Vice*, today!

Blood and Thunder

The end is nigh... Lana Harvey is on top of the world—the underworld, that is. With the war fallout tapering off, she finds herself reduced back to mundane soul harvesting. It's not a fancy gig, and the pay isn't thrilling, but that hardly matters now that she's shacking up with her retired demon consort, Beelzebub. The afterlives have stabilized, and all seems well, until an average day on the job crosses Lana's path with not one but two ghosts she thought were long gone. The startling revelation rips open old wounds and sends her on a quest to discover the truth behind her mentor's mysterious death, and what it could mean for the fate of Eternity. Hellfire and Brimstone

Blood Vice Book 5 With her home and heart in ruins, Jenna is none too keen on the idea of helping the Duke of House Lilith—the man she holds responsible for everything wrong in her life. But when the Vampiric High Council summons Ursula, Duchess of House Lilith and Jenna's unsuspecting grandsire, to a trial where she's to stand accused of murdering her sire and abandoning her depraved scions, the duke is eager to strike a deal. If Jenna helps him protect Ursula, he will keep her darkest secret and put in a good word with the adoptive sire the queen assigns to her. Oh, and return her guns—provided she doesn't use them on him.

Thicker Than Blood

Lana Harvey's been through hell and back. As a reaper, it's all part of the job, but the afterlife has been more turbulent than usual. The Second War of Eternity is underway, and the streets of Limbo City are heavy with the scent of carnage and betrayal. With the recent death of a dear friend, a lover-turned-spy, and temperamental gods breathing down her neck, Lana's days seem numbered. But Eternity isn't done with her yet.

Limbo City Lights (Lana Harvey, *Reapers Inc.* Short Story Collection)

From R.L. Stine, master horror author of the *Goosebumps* series and the *Fear Street* trilogy—now streaming on Netflix—comes another spooky tale! Max's life wasn't going so well even before two ghosts moved into his closet. But when Nicky and Tara show up, claiming that they used to live in his room, everything changes for Max! Soon they're following him to school, using their invisibility to

embarrass him in front of the girl of his dreams. And to make matters worse, there's some other totally evil spirit named Phears following him around turning animals inside out!

Who Let the Ghosts Out?

Soul-searching is a dirty business. In the wake of a thwarted war, Lana Harvey is more than ready for an extended vacation on the new houseboat she shares with the Lord of the Flies, but when the leaderless rebels begin poaching souls and selling them on the Ghost Market, Lana is tasked with heading up a new reaper unit to stop them. Having one of the most famous faces in Eternity proves challenging when it comes to finding a way inside the secretive world of illegal soul peddling, and the only person Lana knows with the right connections is Tasha Henry, a former colleague and defeated rebel-with a poaching record of her own. The rogue reaper isn't going to be easy to track down, and even if Lana does manage to catch up with her, the real question is whether or not a shot at redemption will be enough to lure her away from the dark side.

Ghost Market

Master of chilling suspense R. L. Stine proves that you never outgrow a good scare. If he frightened you then, he'll terrify you now. . . . Ellie Saks is dying to escape the city. She's sick of dead-end jobs, her mother's disapproval, her loser ex-boyfriend, Clay, who won't take a hint, and the memories of a terrible incident that occurred years ago. When her best friend suggests a summer in the Hamptons, full of glitzy parties, cool cocktails, and hot dates, Ellie's on the first Jitney out. To fund all this glamour, Ellie takes a job as a nanny. From the outside, the family's beachfront home is perfect. But then Ellie meets four-year-old Brandon, who hasn't spoken for months. The boy's icy stare and demonic laughter make clear to Ellie that he is troubled, haunted by something too horrible for words. She begins to receive threatening messages and disturbing gifts. But it's not until she barely escapes a harrowing experience that she realizes her life may depend on figuring out who's behind it: Clay? Brandon? And why? And every once in a while, in a crowd, she sees a face she hasn't seen in seven years—the face of a boy who died long ago. It would seem that Ellie's summer of fun has turned into a summer of horror—one she'll never forget . . . if she survives it at all.

The Sitter

To a master alchemist like Addie, impossible is just another word for challenge. When a fiery explosion destroys the Alchemica, the premier alchemy institute in the United States, she's left with nothing. No home, no colleagues, and no memory. Learning what happened seems impossible, but she still has one strength, and in her opinion, it's the only one she needs. She hasn't forgotten a thing about alchemy. Addie brews a potion to restore her lost past, but remembers only the flames of the Alchemica's destruction—and a man among the ashes. A man with the elemental power of fire, who just happens to be the leader of the magical community. He might know what happened, but getting him to tell her will require some...creativity. The magical aren't fond of alchemists. Some say it borders on hatred, but Addie isn't one to back down from a challenge, even if that challenge happens to be a man who can turn her to ash with a thought.

The Final Formula

Sky's a freak. She'll tell you so herself. Her past - a mystery. Her future - uncertain. Having spent most of her life avoiding humans in an effort to conceal her wings, she wants nothing more than to end it all, leaving behind the solitary life she's been forced to live. But numerous attempts to die have proven immortality is both a curse and a nuisance. She now lives out her days in self-imposed seclusion to stay hidden from the world. But that quiet way of life is shattered when mysterious siblings arrive and reveal a destiny which sends her running for the hills. When an earth shattering discovery is made in the Badlands, history and science collide furthering the mystery behind Sky's past - and her future. Sky will need to embrace her fate and confront an evil so ancient, only a miracle can keep the world from ceasing to be.

Hear the Crickets

The fit's about to hit the shan... You won't find zombies down around Ivy Mills, where the Miller family lives in the Missouri backwoods. What you will find is a tornader that puts Dorothy's gale to shame,

earthquakes, floods, vandals, terrorists, and a merry band of rednecks who brave the storm together in search of higher ground and the kind of freedom you have no choice but to give your life for.
