Excavations at Jericho: The tombs excavated in 1952-4

All of these statements are false: Christians are science-deniers when it comes to evolution. Real science actually lines up more with evolution than creation as found in Genesis. Fossils are evidence for evolution. The Genesis account is fully compatible with evolution. These questions need answers! What exactly is the difference between evolution right and evolution wrong? Is it possible to bend Genesis to fit evolution? How can one defend belief in a six-day creation from the onslaughts of the evolutionists? How about any questions you have? This book is a must for any Christian about to enter a public high school or university. Accepting evolution as true is the basis for three of the ten reasons Christians give up saving faith. It is time for you to arm yourself with the truth and stand your ground logically, philosophically, scientifically, and most important biblically! Ready? Let's go!

Is Evolution Compatible with Christianity?

For more than 150 years, a cold war has engulfed the world. Two feuding factions contend, not for military dominance, but for cultural sovereignty. Those caught in the middle are forced to choose sides. It is only a matter of time until this cold war escalates into a violent conflict. The victorious will have supreme rule over the world. The defeated will be utterly eradicated. Whose side will you choose? Do you think this is just some fictitious war story? Think again. This is real life. On one side is religion. On the other is conventional science and logic. These two sides fight for the right to define what is true. Many people are forced every day to decide which one is right. Who, if any, is correct? What is the true beginning of the universe? How did life really begin? How have we as a people gotten to the current state that we are in? What is in our future? These questions, and more, are at the forefront of the conflict. If the truth is ignored, the consequences could be dire. We cannot afford to just simply look the other way. The line has been drawn, and a side must be chosen. The evidence is available for those that are willing to listen and understand. Inside, you will find what the real truth is; a truth that can truly set you free.

Why God?

Using the Biblical story of Rahab as an example, the author presents advice for mothers on how to use spiritual practices, confessions, and prayers to keep their family safe.

The new Ark Encounter represents more than just a giant wooden ship — it reveals important details on how the systems within the Ark could have worked! Refuting the most common arguments against the viability of the Ark, we learn how ancient knowledge of bamboo pipes, cisterns, gears, ropes and pulleys, animal-powered machines, and more show how the ship was not just seaworthy, but an actual working vessel. The book also explores how a crew of just eight people could have housed, fed, and watered all of the representatives of the animal kinds. In this book you will learn: How critical issues of fresh water and waste removal might have been solved Labor-saving minimal designs to aid in the care of the animal kinds Historical efforts to determine feasible details of the Ark and its journey. What details are actually revealed in the Bible concerning Noah's Ark? What do we know of the pre-Flood world? Did the skills exist during Noah's time for a boat like the Ark to be built? Discover the answers to these and many other questions about one of the most amazing accounts in history, and realize God's Word regarding the history of God's world is true!

Unwrapping the Pharaohs

Peter Enns recounts his transformative spiritual journey in which he discovered a new, more honest way to love and appreciate God's Word. Trained as an evangelical Bible scholar, Peter Enns loved the Scriptures and shared his devotion, teaching at Westminster Theological Seminary. But the further he studied the Bible, the more he found himself confronted by questions that could neither be answered within the rigid framework of his religious instruction or accepted among the conservative evangelical community. Rejecting the increasingly complicated intellectual games used by conservative Christians to 'protect' the Bible, Enns was conflicted. Is this what God really requires? How could God's plan for divine inspiration mean ignoring what is really written in the Bible? These questions eventually cost Enns his job - but they also opened a new spiritual path for him to follow. The Bible Tells Me So chronicles Enns' spiritual odyssey, how he came to see beyond restrictive doctrine and learned to embrace God's Word as it is actually written. As he explores questions progressive evangelical readers of Scripture commonly face yet fear voicing, Enns reveals that they are the very questions that God wants us to consider - the essence of our spiritual study.

The Chaldean Account of Genesis

This classic book, extensively revised in 1979, includes the most important archaeological discoveries of that time made regarding both the pre-biblical and biblical history of Palestine. The earliest archaeological finds in Palestine reveal man's presence as early as 9000 B.C., about 6000 years before early biblical history is established. This early phase of human activity was first defined by remarkable discoveries in the Mount Carmel caves and later elucidated by the author's own excavations at Jericho. This book traces the development of man from hunter and food-gatherer to the earliest agricultural settlements that grew into towns and city states which were eventually incorporated into the Israelite Kingdom. It also discusses the post-Exilic period down to the early fourth century B.C. This book added considerable knowledge about early phases of Palestinian history, particularly due to the inclusion of Carbon-14 determinations and special study of animal and plant remains from Jericho. This is a detailed guide to twentieth-century archaeology in the Holy Land that remains fascinating, wonderfully illustrated, and a great aid in understanding life in Palestine as revealed by archaeological evidence.

Here are the details of how it all came together!

Archaeology in the Holy Land

So He destroyed all living things which were on the face of the ground: both man and cattle, creeping thing and bird of the air. They were destroyed from the earth. Only Noah and those who were with him in the ark remained alive. Genesis 7:22-24 Could a ship be constructed that would be able to survive the global flood described in biblical book of Genesis? Could it be built without the modern techniques of today being available to Noah? This groundbreaking book answers both of these questions with a resounding "yes"! Join naval expert and mechanical engineer Tim Lovett in "thinking outside the box" as you consider groundbreaking research in this innovative new study on Noah's ark. Lovett builds on traditional research into this historic event using the latest techniques in computer modeling and testing. Includes insight and context by pioneering creationist researcher, Dr. John Whitcomb. Unveils a new ark design based on biblical information and shipbuilding principles. Beautiful illustrations and photos reveal facets of design and construction techniques. Remaining faithful to the biblical dimensions, Lovett's updated design, similar to that of ancient sailing vessels, is based on established principles in ship design and cutting-edge research. He reveals a feasible ark design, explores the impact of flood waters on the vessel, and provides remarkable insight and analysis into the skills and techniques needed to construct it.

Building of the Ark Encounter

The fascinating, true account of the quest for one of the Old Testament's most infamous cities. Like many Christians today in the academic world, Dr. Steven Collins felt pulled in different directions when it came to apparent conflicts between the Bible and scholarly research and theory—an intellectual crisis that inspired him to lay it all on the line as he set off to locate the lost city of Sodom. Recounting Dr. Collins's quest for Sodom in absorbing detail, this adventure-cum-memoir reflects the tensions that define biblical archaeology as it narrates a tale of discovery. Readers follow "Dr. C" as he tracks down biblical, archaeological, and geographical clues to the destruction of Sodom and Gomorrah, narrowing the list of possible sites as he weighs evidence and battles skeptics. Finally, he arrives at a single location that looms as the only option: a massive ancient ruin called Tall el-Hammam in the Hashemite Kingdom of Jordan. Many scholars who were initially opposed to Dr. Collins's theory now concede that history books may need to be rewritten in light of his groundbreaking discovery. It—along with several other recent finds—is challenging the assumptions of academics and asserting a new voice in the controversy of biblical archaeology and the dispute over using the Bible as a credible historical source. *** From respected archaeologist Dr. Steven Collins and award-winning author Dr. Latayne C. Scott comes the fascinating, true account of the frustrating search and exciting excavation of the city the Bible calls Sodom, which scholars and others had "misplaced" for hundreds of years. Like many modern-day Christians, Dr. Collins struggled with what seemed to be a clash between his heritage of belief in the Bible and the research regarding ancient history and human evolution. This crisis of faith led him to embark on a quest to put both his archaeological education and the Bible to the test by seeking out the lost ancient city, an expedition that has led to one of the most exciting finds in recent archaeology. Challenging the assumptions of academics around the world, *Discovering the City of Sodom* may well inspire a revision of the history books. Dr. Collins has become a new voice in the controversy over using the Bible as a credible source of understanding the past—and opened a new chapter in the struggle over the soul of biblical archaeology.

Discovering the City of Sodom

From the origins and exodus to the restoration and new hope, *Kingdom of Priests* offers a comprehensive introduction to the history of Old Testament Israel. Merrill explores the history of ancient Israel

not only from Old Testament texts but also from the literary and archeological sources of the ancient Near East. After selling more than 30,000 copies, the book has now been updated and revised. The second edition addresses and interacts with current debates in the history of ancient Israel, offering an up-to-date articulation of a conservative evangelical position on historical matters. The text is accented with nearly twenty maps and charts.

A Pocket Guide To...Noah's Ark

In this illustrated book, some of Israel's foremost archaeologists present a survey of early life in the land of the Bible, from the Neolithic era (eighth millenium BC) to the fall of Jerusalem and the destruction of the First Temple in 586 BC. Each chapter covers a particular era and includes a bibliography.

More details about the most advanced ancient technology we've ever seen, including Roman nanotechnology Identify the counterfeit religion of Babel mirrored in every pagan religion through time Why the Tower of Babel incident was about a rebellion that has continued throughout history into the present day! Knowledge. Wisdom. Understanding. Mankind yearns for these. We find ourselves enthralled with secrets, mysteries, and riddles. Man is seduced by the unknown and enticed by the offer of revelation. Perhaps this is why we pursue science so passionately and we seek desperately to unearth the remnants of our ancestors. We have this innate impression that there is something we don't know, something important that we must discover. The Ancient Man research team of Jackson Hole Bible College has been hard at work over the past two years since publishing their first book, The Genius of Ancient Man. Dedicated to bringing you more of the fascinating details, commentary, and the Bible affirming truths you loved about ancient man, the team now invites you to think critically about both history and the forces at work in our world today.

The Book of Joshua

Over the centuries, researchers have found bones and artifacts proving that humans like us have existed for millions of years. Mainstream science, however, has suppressed these facts. Prejudices based on current scientific theory act as a knowledge filter, giving us a picture of prehistory that is largely incorrect.

How thick was the wall of Jericho?

Combining the academic rigor that has won the respect of his peers with an accessible style that has made him a favorite with readers and students alike, he lays out each mystery, evaluates all available evidence - from established fact to arguable assumption to far-fetched leap of faith - and proposes an explanation that reconciles Scripture, science, and history. Numerous amateur archaeologists have sought some trace of Noah's Ark to meet only with failure. But, though no serious scholar would

undertake such a literal search, many agree that the Flood was no myth but the cultural memory of a real, catastrophic inundation, retold and reshaped over countless generations. Likewise, some experts suggest that Joshua's storied victory at Jericho is the distant echo of an earthquake instead of Israel's sacred trumpets - a fascinating, geologically plausible theory that remains unproven despite the best efforts of scientific research. Cline places these and other Biblical stories in solid archaeological and historical context, debunks more than a few lunatic-fringe fantasies, and reserves judgment on ideas that cannot yet be confirmed or denied. Along the way, our most informed understanding of ancient Israel comes alive with dramatic but accurate detail in this groundbreaking, engrossing, entertaining book by one of the rising stars in the field.

Bible Answers for Almost All Your Questions

In die Bybel kan God nie die gebed van 'n Goddelike vrou weerstaan nie, en 'n Goddelike vrou kan dit nie weerstaan om met God te kommunikeer nie. Vroue se gebede het geweldige krag om God se hart aan te raak, God se hand te beweeg, God se gedagtes te verander en God se guns te wen. Perry Stone neem jou op 'n toer van die gebedslewens van verskeie Bybelse vroue om jou te wys hoe om doeltreffend vir jou familie te bid. Deur te fokus op Ragab se storie, wat se verbond met God gesimboliseer word deur 'n bloedrooi draad wat by haar venster uithang, gee hy spesifieke, praktiese gebede en voorbeelde wat jou sal help om jou geestelike outoriteit op te neem om jou gesin veilig te hou. Jy sal die volgende ontdek: Vier geestelike waarhede wat elke moeder kan gebruik; Vyf gebede vir wanneer jou gesin in die moeilikheid is; Hoe om jou kinders vir hulle roepings voor te berei; Hoe om te bid om jou verlore seuns en dogters terug te bring huis toe; Hoe om Satan se vestings oor jou bloedlyn te verbreek, en baie meer. Jou bloedrooi tou is jou geloof wat aan 'n belofte vashou wanneer die stad besig is om te skuk en die mure om jou begin inval. Jou bloedrooi tou is jou gebed wat jou gesin teen gevegte van buite beskerm. Jou bloedrooi tou is wat jy om jou geliefdes bind, deur vas te hou aan die tou, vas te hou aan jou gebede en belydenisse, totdat jy hulle uit die put van wanhoop en verwoesting gelig is. Met behulp van een stap van geloof – 'n rooi tou wat uit 'n venster hang – word 'n family se nalatenskap gevorm. Dit is tyd om dieselfde met joune te doen.

Forbidden Archeology

Ancient History Refined combines the study of creation, secular science, and the Bible to present a groundbreaking theory that reconciles ancient historical records with events in the Holy Book. Jeff Walling presents the Barnes & Humphreys theory related to C-14 dating, which has proved to be accurate in calculating the measured values for the existence, strength, and the decay rate of the magnetosphere. Up until now, creationists and Bible scholars have neglected to consider this science when dating historical events, and they've failed to make the necessary alignment/synchronizations of time periods from Biblical chronologies with secular chronologies. Walling avoids that mistake, applying his B&H theory to the Egyptological chronologies based on the C-14 dates given to artifacts of associated time periods (see appendix B). While researching, he observed strict adherence to the scientific method. Whether you're a historian, Bible scholar, archeologist, pastor, or student, you'll enjoy finding out how creation science solves mysteries of the past.
