Basic Real Estate Appraisal

A practical guide to real estate appraisal for students and real estate professionals as well as for consumers, explaining the Uniform Standards of Professional Appraisal Practice. Although this is an entry-level text, all of the appraisal-related topics listed in the educational requirements for ap

Basic Real Estate Appraisal

This book provides a clear overview of the profession and basic appraisal techniques, providing a thorough outline of fundamental real estate appraisal theory and practice. This edition highlights the new Uniform Appraisal Dataset (UAD) and gives an update on the Appraisal Reports section, USPAP Reporting Standards, and the URAR Form. Each book is accompanied by a CD that includes a student version of ClickFORMS™ along with important Fannie Mae and Freddie Mac bulletins regarding requirements and standards.

Basic Real Estate Appraisal

Basic Real Estate Appraisal covers the fundamentals of the appraisal business, making concepts accessible for aspiring real estate appraisers. It also helps real estate salespeople, brokers, consumers, investors, and all others seeking a better understanding of the role of appraisers in today's real estate market. This ninth edition reflects the major changes in appraising and appraisal regulations in recent years, including changes to the Uniform Standards of Professional Appraisal Practice (USPAP) in the 2014-2015 Edition, as well as those approved for the 2016-2017 Edition. This edition also addresses the Uniform Appraisal Dataset (UAD) and the Market Conditions Addendum used in single-family residential appraisals for lending purposes.

Real Estate Appraisal

Completely updated to meet the new 2008 qualifying education requirements, this popular real estate appraisal book provides a thorough outline of fundamental real estate appraisal theory and practice.

Basic Real Estate Appraisal

Never HIGHLIGHT a Book Again! Virtually all of the testable terms, concepts, persons, places, and events from the textbook are included. Cram101 Just the FACTS101 studyguides give all of the outlines, highlights, notes, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. Accompanys: 9780324652611 .

Basic Real Estate Appraisal

Mastering real estate appraisal has never been easier. This ever-popular resource, based on the authors' combined wealth of both professional and academic experience, continues to provide a thorough outline of the most up-to-date appraisal theory and practice for students, real estate professionals and consumers. Both simple and complex subjects are covered in terms that are easy to understand and accurate. This book references and explains the Uniform Standards of Professional Appraisal Practice, introducing all of the appraisal related topics listed in educational requirements for universal state licensing and certification. Master real estate appraisal like a professional.

Outlines and Highlights for Basic Real Estate Appraisal

AQB approved, this basic appraisal text is designed to be used with Basic Appraisal Principles to meet the suggested second 30-hour content required for appraisal trainees under the 2008 AQB required core curriculum. You'll appreciate the open instructional design used in each lesson that blends theory and practice to engage users and pace material into manageable elements. Real-world examples, lesson quizzes and section reviews provide direct application and facilitate mastery of content. Authors Mark A. Munizzo and Lisa Virruso Musial are both practicing Certified General Real Estate Appraisers and award-winning instructors receiving the Instructor of the Year Award from the National Association of Independent Fee Appraisers (NAIFA) in 2002 and 2004 respectively.

Appraisal Principles and Procedures

AQB approved, this basic appraisal text is a complete overview of real estate appraisal principles to meet the suggested first 30-hour content required for appraisal trainees under the 2008 AQB required core curriculum. You'll appreciate the open instructional design used in each lesson that blends theory and practice to pace material into manageable elements. Real-world examples, lesson quizzes and section reviews provide direct application and facilitate mastery of content. Authors Mark A. Munizzo and Lisa Virruso Musial are both practicing Certified General Real Estate Appraisers and award-winning instructors receiving the Instructor of the Year Award from the National Association of Independent Fee Appraisers (NAIFA) in 2002 and 2004 respectively.

Basic Real Estate Appraisal

Fundamentals of Real Estate Appraisal, 8th Edition contains all the tools you need to understand today's ever-changing appraisal marketplace. The book includes: An Internet Appendix containing Web site addresses useful for all appraisers; Free Appraise-It software for hands-on practice filling out electronic appraisal forms; and over 65 exercises and 15 Achievement exams to test your appraisal knowledge. Pass your exam the first time with this study guide designed specifically for the appraisal licensing exam.

Real Estate Appraisal

"Offering a comprehensive look at the appraisal of real estate income property, this textbook explains the importance of projecting income when valuing commercial real estate through the income approach and other approaches to value. Ideal for college-level real estate classes, the text includes Excel templates, Instructor Resources, and a link to a free trial of ARGUSTM 11.0"--PUBLISHER.

Basic Real Estate Appraisal

The official course book for the VanEd Basic Real Estate Appraisal Principles Course - a 30-hour introductory appraisal course that meets the standards set forth by The Appraisal Foundation's required core curriculum.

Basic Appraisal Procedures

Discusses the components of property value, appraisal principles, market analysis, financing, and cash flow forecasting.

Basic Appraisal Principles

these prelicensing supplements are the premier source for current and detailed information about state real estate license laws and regulations. Each text provides a comprehensive prelicense education package and is sold individually or in a set with one of the following best selling real estate principles products: "Modern Real Estate Practice, Real Estate Fundamentals" or, "Maturing Real Estate Principles." Highlights include: * New state specific Statutes and Rules references through out the text. * New World Wide Web Links for important Web sites with instant access to critical documents, forms, downloads, and the latest state rules and regulations. * New page references in answer key guide you to the material you need to know to master important information.

Fundamentals of Real Estate Appraisal

In The No-Nonsense Real Estate Investor's Kit, noted author and real estate expert, Thomas J. Lucier provides detailed information, step-by-step instructions and practical advice for both beginning and experienced investors, who want to join the ranks of America's real estate millionaires! You get Tom Lucier's lifetime of real estate investing expertise and experience in twenty-three meaty chapters. You also get all of the nitty-gritty details on five proven strategies for making money in real estate today. You'll learn all of the fundamentals of successful investing and get the guidance that you need on these and many more vital topics: Choosing the right investment strategies Financing your deals Limiting your risk and liability Earning tax-free income from the sale of real estate Setting up and operating your own real estate business Investing in undervalued properties Following state and federal real estate related statutes Negotiating the best possible deal for yourself Buying properties at below-market prices Performing due diligence, inspections, and estimating property values Preparing purchase and sale agreements The No-Nonsense Real Estate Investor's Kit is as close as you can get to a graduate degree in real estate investing without ever going to college. It arms you with the specialized knowledge that you need to compete successfully against the seasoned real estate professionals in your local real estate market. And this book comes complete with FREE downloadable and customizable forms to help you get started on the fast track.

Income Property Valuation

This easy-to-follow appraisal text follows the national appraisal licensing outline and presents the information in a clear, conversational, workbook style. Three case studies help students apply complex principles to real life situations while giving instructors a platform for homework and group assignments. Benefits: * Outline format explains concepts in a clear, conciseway, creating a less intimidating text for both students and instructors. * Glossary from The Language of Real Estate Appraisal reinforces key concepts and terms. * Learning Objectives and Chapter Outlines emphasize important topics and allow for easier review. * End-of-chapter questions reinforce the material and allow students to monitor their own progress. * Example boxes illustrate how concepts are used in real life, helping students apply appraisal principles to their careers. * Valuation Technique Practice Appendix allows students to apply their knowledge to "real-life" examples while providing instructors a platform for a group and homework assignments * Instructor Resources include an exam, chapter outlines, an answer key for the book's questions and case studies, and a PowerPoint presentation.
