Study Guide for Fundamentals of Nursing

Created in conjunction with Fundamentals of Nursing, Seventh Edition, this Study Guide helps students review and apply concepts from the textbook to prepare for exams as well as nursing practice. Each chapter includes three sections: Practicing for NCLEX® (containing multiple-choice and alternate-format questions), Developing Your Knowledge Base (including a variety of questions formats such as fill-in-the-blank, matching, and short answer), and Applying Your Knowledge (comprised of critical thinking questions, reflective practice scenarios, and patient care studies). An Answer Key appears at the back of the book.

How to Hear from God Study Guide

God wants to speak to you on a One-to-one basis, every day. He wants to take you step by step to the good things He has in store for you. In the hustle and bustle of today's busy world, sometimes it's hard enough to hear yourself think, much less take a minute to stop and listen for the voice of God. But learning to recognize God's voice and the many ways in which He speaks is vital toward following His plan. In How to Hear from God, bestselling author Joyce Meyer revealed the ways in which God delivers His word, and the benefits of asking Him for the sensitivity to hear His voice. In this companion study guide, she takes you a step further, leading you through an interactive process toward a greater understanding of how God is working in your life. With thoughtful question-and-answer sections and further Scripture reading, as well as a recap on each of the book's chapters, Joyce Meyer has created an intimate and meaningful experience on the path to hearing God's Word for you personally. The How to Hear From God Study Guide includes: * More Than 200 Questions Adapted From How to Hear From God and Relevant Scriptures * A Workbook-Styled Format so You Can Write Your Answers Directly into the Book * A Section of Answers to Help Guide You in Your Own Personal Reflections on the Questions.
