Alice Walker's The Color Purple

Alice Walker's Pulitzer Prize winning novel *The Color Purple* is a tale of personal empowerment which opens with a protagonist Celie who is at the bottom of America's social caste. A poor, black, ugly and uneducated female in the America's Jim Crow South in the first half of the 20th century, she is the victim of constant rape, violence and misogynistic verbal abuse. Celie cannot conceive of an escape from her present condition, and so she learns to be passive and unemotional. But *The Color Purple* eventually demonstrates how Celie learns to fight back and how she discovers her true sexuality and her unique voice. By the end of the novel, Celie is an empowered, financially-independent entrepreneur/landowner, one who speaks her mind and realizes the desirability of black femaleness while creating a safe space for herself and those she loves. Through a journey of literary criticism, *Dialogue: Alice Walker's The Color Purple* follows Celie's transformation from victim to hero. Each scholarly essay becomes a step of the journey that paves the way for the development of self and sexual awareness, the beginnings of religious transformation and the creation of nurturing places like home and community.

The Pulitzer Prize– and National Book Award–winning novel is now a new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning 20 years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug

Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sofia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-winning Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the 25th anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.

The Color Purple, by Alice Walker

Three novels by a New York Times—bestselling author—including the Pulitzer Prizewinner The Color Purple—that speak to the African experience in America. The Color Purple is Alice Walker's stunning, Pulitzer Prize—winning novel of courage in the face of oppression. Celie grows up in rural Georgia, navigating a childhood of ceaseless abuse. Not only is she poor and despised by the society around her, she's badly treated by her family. As a teenager she begins writing letters directly to God in an attempt to transcend a life that often seems too much to bear. Her letters span twenty years and record a journey of self-discovery and empowerment through the guiding light of a few strong women and her own implacable will to find harmony with herself and her home. In The Temple of My Familiar, Celie and Shug from The Color Purple follow the lives of a brilliant cast of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie's own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. Possessing the Secret of Joy portrays Tashi's tribe, the Olinka, where young girls undergo genital mutilation as an initiation into the community. Tashi manages to avoid this fate at first, but when pressed by tribal leaders, she submits. Years later, married and living in America as Evelyn Johnson, Tashi's inner pain emerges. As she questions why such a terrifying, disfiguring sacrifice was required, she sorts through the many levels of subjugation with which she's been burdened over the years. Hailed by the Washington Post as "one of the best American writers of today," Alice Walker is a master storyteller and a major voice in modern literary fiction. Includes a new letter written by the author on The Temple of My Familiar.

The Book of Broadway Musical Debates, Disputes and Disagreements is purposely meant to start arguments and to settle them. Broadway musical fans won't always agree with the conclusions musical theater judge Peter Filichia reaches, but the best part of any drama is the conflict. Among lovers of musical theater, opinions are never in short supply, and Filichia addresses the most dividing questions and opinions in one book. What will you say when he asks, "What is the greatest opening number of a Broadway musical?" Will your answer be "The Circle of Life" from The Lion King, "Heaven on Their Minds" from Jesus Christ Superstar, or "Beautiful Girls" from Follies? Will you agree with his answer to "Whose Broadway performance in a musical was later best captured on film?" Did you immediately think of Robert Preston in The Music Man or Barbra Streisand in Funny Girl? More questions that will add to the fire include "What song from a musical is the most beloved?" and "What's the worst song that a Broadway musical ever inflicted on us?" They're all in The Book of Broadway Musical Debates, Disputes and Disagreements. Let the arguments begin!

Bowker's Guide to Characters in Fiction 2007

When *Lady in the Dark* opened on January 23, 1941, its many firsts immediately distinguished it as a new and unusual work. The curious directive to playwright Moss Hart to complete a play about psychoanalysis came from his own Freudian psychiatrist. For the first time since his brother George's death, Ira Gershwin returned to writing lyrics for the theater. And for ?migr? composer Kurt Weill, it was a crack at an opulent first-class production. Together Hart, Gershwin, and Weill (with a little help from the psychiatrist) produced one of the most innovative works in Broadway history. With a company of 101 and an astronomical budget, *Lady in the Dark* launched the career of a young nightclub performer named Danny Kaye and starred Gertrude Lawrence in the greatest triumph of her career. With standees at many performances, *Lady in the Dark* helped establish the practice of advance ticket sales on the Great White Way, while Paramount Pictures' bid for the film rights broke all records. New York Times drama critic Brooks Atkinson hailed the production as "splendid," anointed Kurt Weill 'the best writer of theatre music in the country,' and worshiped Gertrude Lawrence as "a goddess." Though *Lady in the Dark* was a smash-hit, it has never enjoyed a Broadway revival, and a certain mystique has grown up around its legendary original production. In this ground-breaking biography, Bruce McClung pieces together the musical's life story from sketches and drafts, production scripts, correspondence, photographs, costume and set designs, and thousands of clippings from the star's personal scrapbooks. He has interviewed eleven members of the original company to provide a one-of-a-kind glimpse into the backstage story. The result is a virtual ticket to opening night, the saga of how this musical play came to be, and the string of events that saved the experimental show at every turn. Although America was turned upside down by Pearl Harbor after the production was on the boards, *Lady in the Dark* played an important role for the war effort and rang up 777 performances in 12 cities. In what may be the most illuminating study of a single Broadway musical, this biography brings *Lady in the Dark* back to the spotlight and puts readers in the front row.

American Literature on Stage and Screen

"Though we have encountered our share of grief and troubles on this earth, we can still hold the line of beauty, form, and beat. No small accomplishment in a world as challenging as this one." — from the preface "I was born to grow, / alongside my garden of plants, / poems / like / this one" So writes Alice Walker in this new book of poems, poems composed over the course of one year in response to joy and sorrow both personal and global: the death of loved ones, war, the deliciousness of love, environmental devastation, the sorrow of rejection, greed, poverty, and the sweetness of home. The poems embrace our connections while celebrating the joy of individuality, the power we each share to express our truest, deepest selves. Beloved for her ability to speak her own truth in ways that speak for and about countless others, she demonstrates that we are stronger than our circumstances. As she confronts personal and collective challenges, her words dance, sing, and heal.

The Color Purple (Study Guide)

In over thirty years as one of the most original and charismatic figures in modern music, Prince Rogers Nelson has enjoyed huge success – and courted considerable controversy. Now, acclaimed rock journalist Ronin Ro chronicles both the man and his music. During the course of his journey from teenage obscurity to the Rock and Roll Hall of Fame, Prince has provoked moral outrage, starred in a hit movie, adopted an unpronounceable symbol for a stage name, confronted record labels and fostered young talent, making a profound mark on the entertainment industry and pop culture at large. Moreover, his restless creativity has produced a string of international hits including 'Little Red Corvette', 'Let's Go Crazy', 'Kiss' and 'Cream', and at the height of his fame the album Purple Rain was selling at a rate of a million copies a week in the US alone. Through access to an unrivalled array of witnesses to Prince's remarkable rise, including former producers, bandmates and managers, Ronin Ro gets closer to him than any previous biographer, peeling away the masks to lay bare the story of a true modern icon.

Why are you here? What is life for? What are you meant to do? Robert Holden helps you go from looking for your purpose to living it. (Hint: It's not just about you.) "The best book on purpose I've ever read! Accept this invitation to awaken to the very reason you're here on Earth." — Mike Dooley, New York Times best-selling author of Infinite Possibilities and Life on Earth "How do I find my life's purpose?" In the 10-year run of Robert Holden's call-in radio show, Shift Happens!, his listeners asked that question more often than any other, by far. It seems everybody is looking for their purpose, and yet we all struggle to recognize it and live it. In the paperback edition of Higher Purpose, Holden takes readers on an epic journey of self-discovery that includes the hero's journey with Joseph Campbell, Carl Jung's work on true vocation, Victor Frankl's search for meaning, a pilgrimage with St. Francis of Assisi, the poetry of Wordsworth and Rilke, and much more. The journey has four stages: "The Call" explores "the calling" inside you to live a more meaningful life. "The Path" helps you to realize what inspires you, what brings you alive, to follow your joy, and to do more of what you love. "The Ordeal" tackles the inner blocks, the road of trials, and challenges you must overcome to live your higher purpose. "The Victory" encourages you to not betray yourself, to "sing your whole song," and to keep on saying YES to your soul's high adventure. In Higher Purpose, Holden explores three distinct levels of purpose: your unique purpose, a shared purpose, and the greater purpose of life. He offers inquiries, meditations, and journaling exercises to help you live your purpose every day. And he shares stories from his own life and conversations with a host of remarkable people—Maya Angelou, Louise Hay, Jean Houston, Matthew Fox, Robert Thurman, Caroline Myss, Andrew Harvey, Wayne Dyer, Oprah Winfrey, and more. "I hope Robert Holden's beautiful books, like this one . . . keep reaching more and more people and aid their heart to unfurl." — Daniel Ladinsky, author of The Gift and The Subject Tonight Is Love

Critical Essays on Alice Walker

A family from the United States goes to the remote Sierras in Mexico--Susannah, the writer-to-be; her sister, Magdalena; and their father and mother. There, amid an endangered band of mixed-race blacks and Indians called the Mundo, they begin an encounter that will change them more than they could ever dream. Moving back and forth in time, and among unforgettable characters and their magical stories, Walker brilliantly explores the ways in which a woman's denied sexuality leads to the loss of the much prized and necessary original self--and how she regains that self, even as her family's past of lies and love is transformed. . . .

GOOD MORNING AMERICA BUZZ PICK • The Pulitzer Prize-winning playwright and co-writer of *In the Heights* tells her lyrical story of coming of age against the backdrop of an ailing Philadelphia barrio, with her sprawling Puerto Rican family as a collective muse. **ONGLISTED FOR THE ANDREW CARNEGIE MEDAL** • **ONE OF THE BEST BOOKS OF THE YEAR:** NPR, New York Public Library, BookPage, and BookRiot • “Quiara Alegria Hudes is in her own league. Her sentences will take your breath away. How lucky we are to have her telling our stories.”—Lin-Manuel Miranda, award-winning creator of *Hamilton* and *In the Heights* Quiara Alegria Hudes was the sharp-eyed girl on the stairs while her family danced their defiance in a tight North Philly kitchen. She was awed by her mother and aunts and cousins, but haunted by the unspoken, untold stories of the barrio—even as she tried to find her own voice in the sea of language around her, written and spoken, English and Spanish, bodies and books, Western art and sacred altars. Her family became her private pantheon, a gathering circle of powerful orisha-like women with tragic real-world wounds, and she vowed to tell their stories—but first she'd have to get off the stairs and join the dance. She'd have to find her language. Weaving together Hudes's love of music with the songs of her family, the lessons of North Philly with those of Yale, this is a multitymythic dive into home, memory, and belonging—narrated by an obsessed girl who fought to become an artist so she could capture the world she loved in all its wild and delicate beauty.
