GCSE Maths Workbook

This book supports students preparing for the Edexcel International GCSE exam. It comprises of 4 full practice papers. Each practice paper contains 25 questions and detailed solutions. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of IGCSE mathematics with an appropriate difficulty. Solutions are easy and comprehensible by people of all skill levels. They offer students ways of dealing with common problems but also more complex questions that students may struggle with under examination pressure. The solutions have been reviewed by many students of varying skill, to ensure that they are easily understandable while being the fastest and most re-applicable.

Edexcel International GCSE Maths Practice Papers and Solutions

Providing complete coverage of the 2009 Edexcel IGCSE mathematics specification, this engaging book makes the information accessible for every student. It contains exam practice throughout, with revision questions and practice exam questions.
