Battle Angel Alita

After Joe's parents died, he stopped growing up. He doesn't know where his money comes from. His diet consists primarily of cheeseburgers from McDonald's. He plays basketball on the level of a pro, but he has only ever played on the streets. Then his brother disappears, and Julia shows up. Joe falls in love with Julia as quickly as his twin brother, Alvin, did. And like Alvin did before him, he runs away with Julia to her parents' hotel. There, he's so blinded by her seductive, dysfunctional family that he can't see the truth of his brother's disappearance ...until he accidentally stumbles upon Alvin's killer.

Tears of an Angel

As Alita confronts mad scientist Desty Nova for the last time, she finally learns the chilling secret of her past. Meanwhile, the leader of the Barjack's rebellion, Den, launches a kamikaze assault on both the Scrapyard and Tipahres, which Alit a finally views with her own eyes for the first time just before it is annihilated.

In Synners, the line between technology and humanity is hopelessly slim. To be a Synner is to join the online hardcore, an outlaw band of hackers, simulation pirates, and reality synthesizers hooked on artificial reality and virtual space. Now you can change yourself to suit the machines - all it costs you is your freedom, and your humanity. Synners shows us a world perilously close to our own. A constant stream of new technology spawns new crime before it hits the streets, and the human mind and the external landscape have fused to the point where any encounter with "reality" is incidental. Equal parts thrill-ride and cautionary tale, this classic novel by the Queen of Cyberpunk offers us a terrifying glimpse into the future of our race. Winner of the Arthur C. Clarke Award for best novel, 1992

Alita: Battle Angel

There is a Japanese saying that goes, "Hana yori dango," or "dumplings over flowers." And no one is more of an advocate of this adage than mangaka Y-naga, a woman whose life revolves around her intense work and equally intense sleep schedule. The only thing that can rouse her out of this infernal cycle of deadlines and being dead to the world? Food. As Y-naga and her friends visit restaurants around Tokyo to satisfy their appetites, their individual approaches to food add an extra dimension to their witty and comical interactions. Friendships are explored and lifestyle choices revealed, all over exquisite culinary creations that prove that variety on an empty and open-minded stomach is, indeed, the spice of life. Acclaimed mangaka and Eisner Award nominee Fumi Yoshinaga (Antique Bakery, Ooku) brings a quirky cast of characters and a delectable assortment of actual Tokyo restaurants to life in this homage to two of the greatest things life has to offer: friendship and food!
