Submitting to His Rules

Two alpha men accustomed to being in charge, in the office and in the bedroom. Two feisty women intent on going after what they want... no matter what it takes. From New York Times and USA Today Bestselling Author Opal Carew comes this sizzling collection of two erotic tales of love and lust in the office. Mastered by the Boss Ryan Blair has wanted Kali from the first moment she started working for him six months ago. So when he sees a stunning stranger in a mask and sub costume at the masquerade party who could easily pass for Kali, he decides to play out the fantasy of mastering his sexy little secretary. Maybe that will alleviate his constant yearning for her. When Ryan figures out that Kali was his Cinderella sub, their days in the office become a roller coaster of passionate, mind-blowing sexual pleasure. But Kali quickly realizes that all there will ever be between them is sex and she needs so much more than that. Mastered by the CEO (Winner of the National Readers' Choice Award) It all started when King bought the company Rachel works for. The last time she was out of work--after handing King her resignation--it took two years before she found another position and she's desperate to avoid that situation again. So now she'll do whatever she can to keep her job. The truth is King still wants Rachel in his bed. But he won't hire her just for the sex. She insists she can change, that she'll do exactly as she's told, but he knows that'll never work. Offering her the chance to prove herself--by becoming his submissive for an entire weekend--will prove to her it'll never work. He never dominated her when they were together before, and the mere thought has him rock-hard. He just hopes he can handle losing her again after he experiences the sweetness of her submission. Submitting to His Rules contains two delectable tales of women submitting to their powerful bosses in the office. One story has a Cinderella meets Christian Grey flavour, while the other is a second chance at love. Both are filled with humor, passion and delightfully sexy scenes that will take your breath away. Submit to your deepest desires and buy this collection today!

Surrendering to His Rules

Two women surrendering to their powerful male captors. Two men who fight the growing love they feel for these women because of wounds carved deep into their souls. From New York Times and USA Today Bestselling Author Opal Carew comes this sizzling collection of poignant tales about captivity and surrender. (Includes a third bonus story.) Mastered by her Captor Kalie wants a relationship. Flowers and candlelight. Soft words spoken in front of a fire. But I'm not a romantic kind of guy. I like my sex rough and hard. And I like my women soft and submissive. Just because she enjoyed a fantasy about being kidnapped by two strong, powerful men, she thinks she can handle what I want. She doesn't get that what I enjoy is in a whole different league. She seems intimidated by my status, which is good. I intend to take every opportunity to keep her off balance. For her own good, as well as mine. So I will give her the chance she's been begging for, confident that in the end, she'll be begging to get away from me. The Captive, which is the prequel to Mastered by her Captor, is also included in this collection. Mastered by the Sheikh Lily's vacation to paradise turns into a nightmare when she's kidnapped and taken to a sheikh's vacation hideaway where she's blindfolded, chained, and presented to the sheikh's brother as a gift. She's shocked to discover her new "owner" is a man from her past. When Yasin sees Lily bound and at his mercy, his deeply rooted family genes urge him to punish her for the immeasurable pain she caused him five years ago. To dominate her until she surrenders totally to his will, quivering in his arms. But his heart is wrenched by the sight of her terrified and powerless. He walks a fine line between keeping Lily safe and appeasing his powerful brother. He is committed to protecting Lily from being ravaged by his ruthless family, but can he protect her from his own barbaric desires? Surrendering to His Rules consists of two powerful tales of captivity and surrender. Each one is about a strong woman who finds herself held captive by the man who holds the key to her heart. A man whose soul is so badly wounded, he can't allow himself to feel the love trapped deep within. Both stories are filled with intense emotion, and passionate sex scenes that will leave you breathless. His Rules

I was a "Good" girl by all rights, then I had a boyfriend that forced me to do things. It started out as 'play' that I did out of love for him. It was simple, light bondage, soft spankings. I now look at what it has become, piercings in places I never dreamed. He started sharing me with others and takes discipline very seriously. When and how did I go from being a good girl to a slave girl? This contract/agreement is for a male Master and female submissive. The Submission

The highest bidder gets to spend the night with me. No strings attached, no funny business involved. Of course, nothing is that simple. Lines are blurred and I have to question my own morals more than once. Everyone would sway a little in my shoes, I'm sure, especially when the stakes are so high. Three billionaires want me to be theirs for the duration of our contract. Billionaires who seem to think that just because they are paying me, they can get away with everything. No rules, only the ones that work for them. I have to submit to their every whim and desire, whatever those may be. Judging by the hungry look in their brown eyes, they want it all, but I have nothing to lose anyway. But then why do I have a feeling I just stepped into the lion's den? Of course, they don't ask questions and neither do I. Their secret is going to be safe with me, and if it's up to me, the secret from my past will be safe with me, too. What you don't know doesn't hurt, right? Note from the Author: This is a collection of 3 short BDSM Billionaire Romance stories, where our resident heroine meets three handsome strangers. Although they don't know each other, they are quite willing to change that by the end of the night. Stories in this collection: Three Billionaires & Me, Three Billionaires & Me 2, Three Billionaires & Me 3. Due to the stories' nature, expect insta romance as well as a HFN ending. Includes mature scenes, slight bondage, and dark humour. You have been warned.

She fights her desires, but she can't deny that there is a part of her that craves entry into their world of dominance and submission. How can she even think of submitting herself to three men and a lifestyle that she has begged her sister to leave? A Submissive by Design - Danika Lansing's boss, Marlena, is called away at the last minute to help her pregnant daughter. She throws a job at Dani that she would normally never give her. It's the design and construction of a dominant's playroom. Her boss confides she has been doing this for some time and that she is a dominant herself. Dani's shocked, but she likes her boss and can't let her down. Now she finds herself not only supervising the construction crew, but lusting after the three gorgeous men who have been hired to construct the playroom. When she finds out Holden, Oliver, and Bart are more than willing to teach her about dominance and submission with the playroom as their classroom, she knows she's stumbled onto something that will help her find out who she really is. Does she dare risk her job and all she has worked so hard to achieve to pursue what she has thought of as her dark side, or will she turn her back on the three men who make her want more? Terry is rich, attractive and all Dom. When he sees something he likes, or more accurately, something his d**k likes, he gets it. His women are hot, successful and experienced in BDSM. Until, he meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a "sex" club. She tries not to look, but there are people doing it everywhere. She is not getting turned on by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. Of course, that's easier said than done. Not only has she bumped into just about every person in the club, but one of the men—a very handsome and extremely rude stranger—not only follows her, but suggests that they "do it" in the hallway. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others?

Tempted to Submit: His Darkest Desire, Part 1 (BDSM Erotic Romance)

Rachel Porter's dreams of being dominated are finally about to come true. But can she live up to the demands of a real-life Dom? Rachel Porter is feisty, independent, and horny. When she unexpectedly bumps into her sexy but demanding boss, Adam Stone, at Boundaries, an exclusive BDSM club, it seems all her dreams are about to come true. Adam is a strict and challenging Dom and it's not long before he has Rachel kneeling at his feet, right where she wants to be. Rachel soon comes to crave Adam's firm discipline, but when she becomes too flippant and deliberately provokes a

spanking, she finds out that a real punishment is not as pleasurable as an erotic one. Nevertheless, her complete surrender during these punishments takes her to new heights she never thought possible. But Rachel also learns that one of the most important aspects of a BDSM relationship is trust, and that's the one thing she doesn't have. After a lifetime of betrayal, she's not about to risk losing her heart again. To make matters worse, when she learns that Adam's ex-wife was, in fact, his slave, she realizes that she might have to give up more than she'd bargained for if she's to remain his submissive.

The Submission Challenge [Siren Classic: Erotic Consensual BDSM Romance, bondage, whipping, sex toys] When independent Rebecca derides her best friend's brother for being a Dominant, he scoffs. She could never understand the lifestyle, but Jon challenges her to be his submissive for twenty-four hours anyway, demanding all that being a submissive entails. Not one to back down from a challenge, Rebecca agrees, determined to show him she can be submissive yet remain emotionally detached. During the challenge, Jon works all his Dom tricks to try to make her lose, including insisting she be naked constantly, touching her intimately, and using various BDSM techniques, like bondage. Some tricks Rebecca finds harder to accept than others, but as the weekend continues, they realize they are attracted to each other. But just as Rebecca comes to enjoy giving control to someone else, Jon learns to enjoy having someone who doesn't submit easily. But things aren't that simple. ** Submissive Training [Siren Allure: Erotic Consensual BDSM Romance, M/F with M/F/M and F/F elements, public exhibition, spanking, whipping, caning, shaving, piercing, sex toys, HEA] Desperate for Dominant Ben to show an interest in her, Kat is persuaded by a friend to attend a beginners submissive and BDSM training conference in the hope of finding out how to attract him. She is shocked to find he is one of the trainers. Meanwhile, Ben doesn't think she is submissive enough for him and conceives of increasingly intimate tasks to prove he is right, despite admiring her courage in staying. As the conference progresses, Kat is fascinated by what she learns and completes each task, hoping all the while to convince him of her submissiveness-although some tasks she finds more difficult than others. Confused by his growing feelings for her, Ben keeps pushing her away until her tenacity finally wears him down and he insists on her taking a final exam to prove herself. Is this a step too far for Kat? ** The Sub Who Switched [Siren Allure: Erotic Consensual BDSM Romance, public exhibition, sex toys, HEA] Needing to prove she is still desirable, being the last of her girlfriends to find a partner, Ellie Grant has erotic photographs taken for her thirtieth birthday. Meanwhile, wanting a Dominant man and fascinated with the BDSM lifestyle, she keeps turning down gentle Nick Sinclair. Hiccups occur including a disastrous date, a male stripper, and Ellie having sex in the club with a stranger while restrained. Asked what she really wants, an upset Ellie blurts out, "To be a sex slave." Does Nick call her bluff, and can he change his personality? Will Ellie finally see Nick as the person she's been looking for and submit to him? An unusual suggestion from a friend proves the catalyst. ** A Siren Erotic Romance

Heart of Submission

1. When you enter my place, you (young lady) will take off your shoes and go kneel on the thick padding next to my bed (or other agreed upon spot like a chair or couch). Unless told differently, your eyes should be looking at where my penis will be when I sit down in front of you. 2. I will come over and sit in front

of you (assuming I'm not already there.) I may or may not have clothes on. You'll then put your hands on my upper legs, massaging my legs. Keep your hands high up on my legs, massaging my legs but you may not touch my penis until allowed to. 3. I will kiss you, touch you, play with you, talk to you and undress you as you remain kneeling in front of me. At some point you may be instructed to stand up and take the rest of your clothes off. 4. You will undress me when I order you to. (Later on young lady the following will occur:) I will sit against the headboard of the bed and you young lady will lay stomach down across my lap. I will then give you a nice sensual spanking, playing with your body as I do. If you have previously done something that requires punishment, and if I have decided that your punishment will be one or more spankings, now is likely the time you will be punished. A punishment spanking lasts longer and the spanks are harder. ----- The women's sexual pleasure is essential to BDSM, S & M and other kinky pursuits. In His Silks

I am a self taught female slave. I was trained by two talented dominants and one asshole. I have become well versed in all areas of domestic and sexual servitude. This girl thrives on being an obedient and cherished sex slave for Dominant men. I love to serve and please in anyway commanded. My body is firm, my stamina is high and I'm well trained in the art of love. This girl has the heart of a 1950's submissive housewife. Something as simple as making sure her Dom's dinner is always hot and ready is as rewarding as using special parts of my body to skillfully keep him satisfied. Kneeling before my Dom and rubbing his feet as we watch TV is every bit as important as letting my owner's sadistic nature run free. This girl is heteroflexible, rather than bisexual but I accept that my Dom has the right to share me from time to time. This girl's has also learned that she must have discipline and would never respect anybody but a strong, strict Master. My Master has sentenced me to Bed Arrest many times and I recommend it for use on any submissive in need of discipline. Here is what a Dom has to say about it... So your lover is in need of discipline! You know that when you don't spend enough time with her she gets so horny and mischievous. Now she needs to be punished! In this book bed arrest is described and discussed by the author who has many years of experience doing it. Suggestions are made regarding how to most optimally carry out bed arrest on a sub/slave. Of course you can adapt what's in this book to fit your particular desires, needs and time schedule. Perhaps your lovely lady has not been reacting well enough to your usual punishments. Perhaps spanking her used to work well as a punishment but now she gets so turned on by it that if anything she'll misbehave to get a good spanking.
