Pet Isn't Just for Christmas, A

A Dog Isn't Just for Christmas is a touching story told in verse from a young pup's point of view. As the seasons change, the pup experiences changes of his own. Born just before Halloween, the pup sadly has to leave his family at Christmas to join a new family. He is a present for a young boy and girl who find the little pup under the tree on Christmas Day. Their excitement and joy make him feel happy again, but as the winter snows begin to wane, so too do the wonderful feelings from Christmas.

Celebrate the true spirit of giving.... This Christmas, Quinn Cooper is combining the two things she loves the most, painting and animals, by making ornaments to raise money for her local pet shelter's "12 Pets of Christmas" drive. The goal of the drive is to find forever homes for twelve cats and dogs before Christmas. With half the proceeds from her ornaments going to the shelter, Quinn plans to use the rest of the money she raises to buy a plane ticket to visit her best friend, who moved away last summer. As Christmas draws closer, the adopt-a-thon is going great... but Quinn's favorite dog at the shelter, Buddy, is proving especially hard to place. Quinn finds the perfect home for the dog, but the family can't afford to take on the financial responsibility of adopting him. Will the magic of Christmas help make sure that Quinn-and all the pets-have a very merry Christmas? ©2017 Hachette Book Group. All rights reserved.

The celebrity vet is back in town. Bunny's high school crush has returned to town just in time for the holidays. Ethan, celebrity veterinarian to the stars, has even called her with an early Christmas present: his company wants to buy out her vet clinic. Sure, the clinic's a little dated, the staff is clamoring for a raise, and the clientele is scattering, but she can't trust a word out of Ethan's perfectly chiseled mouth...even if it does wicked things to her when he stops talking. Ethan's arrogance drove Bunny away once, but twenty years hasn't diminished his infatuation with the curvy veterinarian. This time, staying off Bunny's naughty list will be even harder since he works for the company planning to buy her out. She thinks he's nothing but a pretty face for a cold corporate machine. But he's not here to dismantle her life's work, he's here to save it, because without a Christmas miracle, her clinic won't survive another year. The clock is ticking down, and not just until Santa's arrival. Ethan needs an answer from Bunny before Christmas. A yes means putting coal in the stockings of all her employees, but a no means Ethan's bosses will spend the new year driving her business into the ground—and she'll have to give up the only man she's ever wanted for Christmas.

The Best Christmas Present Ever

The Poodle is known for her keen intelligence, excellent trainability, and, most notably, those signature curly locks. But there's more to the Poodle than meets the eye (like, say, those expensive grooming bills). So, to Poodle or not to Poodle? That is the question. With an overview of the breed's history, an exploration of all three varieties (Standard, Miniature, and Toy), and 8 pages of full-color photos detailing the colors available and tips and techniques for grooming, Poodles for Dummies is filled with all the meaty information and enlightening morsels you need to decide if this refined beauty is a good match for you. You'll get answers to your most important questions, including: Which size Poodle is best for me? Which color? How do I know if a Poodle breeder is reputable? What are the pros and cons of shelters and rescue groups? What do I look for in choosing a healthy Poodle? How can I Poodle-proof my home and yard? What's the best way to introduce my Poodle to kids and other pets? How often does my Poodle need grooming? No matter which size, color, or gender you own, Poodles are not a "wash 'n' wear" breed. But if you have the time, passion, and dedication to give her the training, exercise, and upkeep she needs, you and your curly companion will have a happy and rewarding life together.

Dogs Love Christmas Holiday Coloring Book

Betty Kowalski isn't looking forward to the holidays. She just can't seem to find Christmas in her heart. There's church, of course. But who can she bake for these days? And who would care whether or not she pulled out the Christmas decorations? Her new neighbor just adds to the problem. He's doing home improvements that don't appear to be improving much of anything. These days when Betty looks out the window, she sees a beat-up truck, a pile of junk, lots of blue tarps, and--horror of horrors--an old pink toilet. But when a mangy dog appears at her doorstep, the stage is set for Betty to learn a very important lesson about what Christmas is all about. This contemporary Christmas story is a timely yet gentle reminder that God can work miracles through something as seemingly insignificant as a little brown dog.
