All the Things We Do in the Dark

Sadie meets Girl in Pieces in this dark, emotional thriller by acclaimed author Saundra Mitchell. Something happened to Ava. The curving scar on her face is proof. Ava would rather keep that something hidden—buried deep in her heart and her soul. But in the woods on the outskirts of town, the traces of someone else's secrets lie frozen, awaiting Ava's discovery—and what Ava finds threatens to topple the carefully constructed wall of normalcy that she's spent years building around her. Secrets leave scars. But when the secret in question is not your own—do you ignore the truth and walk away? Or do you uncover it from its shallow grave and let it reopen old wounds—wounds that have finally begun to heal?

Defy the Dark

Such "New York Times"-bestselling authors as Aprilynn Pike, Beth Revis, Carrie Ryan, and Rachel Hawkins contribute to this collection of 17 original stories featuring unforgettable teens who find comfort, confront fears, lose what they value most, and

The Vespertine

It's the summer of 1889, and Amelia van den Broek is new to Baltimore and eager to take in all the pleasures the city has to offer. But her gaiety is interrupted by disturbing, dreamlike visions she has only at sunset—visions that offer glimpses of the future. Soon, friends and strangers alike call on Amelia to hear her prophecies. However, a forbidden romance with Nathaniel, an artist, threatens the new life Amelia is building in Baltimore. This enigmatic young man is keeping secrets of his own—still, Amelia finds herself irrepressibly drawn to him. When one of her darkest visions comes to pass, Amelia's world is thrown into chaos. All Out: The No-Longer-Secret Stories Of Queer Teens Throughout The Ages

Seventeen of the best young adult authors across the queer spectrum have come together to create a collection of beautifully written diverse historical fiction for teens.

The Prom

The novel of the laugh-out-loud Tony-nominated Broadway musical, now on Netflix starring Meryl Streep, Kerry Washington and Nicole Kidman! They just wanted to dance. They didn't mean to start a revolution... How big a deal could prom really be? Emma knows better than anyone that Edgewater, Indiana, is not a great place to be gay. But she's had enough of high school homophobia, and is determined to take her girlfriend - the popular, closeted It Girl Alyssa- to prom. But when their classmates find out, the backlash exceeds Emma's worst nightmares. Meanwhile, in Manhattan, Barry and Dee Dee are fading Broadway stars of yesteryear. Their new show has bombed, and they're desperate for the applause (and attention) they once had. Then they hear about Emma's plight, and decide to step in and create a prom for everyone. Suddenly, Edgewater is the centre of a national news story. As the drama queens of New York take over the sleepy town, chaos ensues and the glare of the spotlight is brighter than anyone could have guessed. But all Emma and Alyssa want is to dance together. Is that too much to ask? A glamorous, glitzy super fun read for fans of Dear Evan Hansen and Simon Vs. the Homo Sapiens Agenda!

Out There

Into the queer new yonder! To conclude the trio of anthologies that started with critically acclaimed All Out and Out Now, Out There features seventeen original short stories set in the future from fantastic queer YA authors. Explore new and familiar worlds where the human consciousness can be uploaded into a body on Mars...an alien helps a girl decide if she should tell her best friend how she feels...two teens get stuck in a time loop at a space station...people are forced to travel to the past or the future to escape the dying planet...only a nonbinary person can translate the binary code of a machine that predicts the future...everyone in the world vanishes except for two teen girls who are in love. This essential and beautifully written collection immerses and surprises with each turn of the page. With original stories from: Ugochi M. Agoawike K. Ancrum Kalynn Bayron Z Brewer Mason Deaver Alechia Dow Z.R. Ellor Leah Johnson Naomi Kanakia Claire Kann Alex London Jim McCarthy Abdi Nazemian Emma K. Ohland Adam Sass Mato J. Steger Nita Tyndall

Claire, however, is more interested in the flirtations of soccer god Matthew Engle, who graciously ignores the mysterious rash on her hands and ears. His attentions are the highlight of her evening—until she transforms into a werewolf! After learning she's the latest in a long line of she-wolves, Claire is compelled to help her pack find and defeat the rogue werewolf who's been killing humans—but she must keep her lupine identity a secret from her new boyfriend Matthew, whose father hunts her kind.

Prom

An orphan girl must face untold danger and an ancient evil to save her kingdom's prince in this lush, romantic fantasy perfect for fans of *Girls of Paper and Fire* and *Tess of the Road*. How can you live without your heart? In the vast palace of the empress lives an orphan girl called Nothing. She slips within the shadows of the Court, unseen except by the Great Demon of the palace and her true friend, Prince Kirin, heir to the throne. When Kirin is kidnapped, only Nothing and the prince's bodyguard suspect that Kirin may have been taken by the Sorceress Who Eats Girls, a powerful woman who has plagued the land for decades. The sorceress has never bothered with boys before, but Nothing has uncovered many secrets in her sixteen years in the palace, including a few about the prince. As the empress's army searches fruitlessly, Nothing and the bodyguard set out on a rescue mission, through demon-filled rain forests and past crossroads guarded by spirits. Their journey takes them to the gates of the Fifth Mountain, where the sorceress wields her power. There, Nothing will discover that all magic is a bargain, and she may be more powerful than she ever imagined. But the price the Sorceress demands for Kirin may very well cost Nothing her heart.

Night Shine

The truth is that for those who dare to be different school and growing up can be hell. *Truth & Dare* is a collection of edgy, quirky stories that revolve around a funny, nerdy cast of characters who struggle to fit in . . . or struggle not to. Written in authentic teen voices, they speak to fans of the movies *Juno* and *Nick and Nora's Infinite Playlist* and the TV series *The Gilmore Girls*. Witty and smart, these are short stories from the point of view of funny, though not always cool or popular guys and girls, who are dealing with all the pressures of growing up - school, friends, music, relationships, parents, and just plain fitting in (or not). Contributors: Jennifer Finney Boylan is author of eleven books, five of which are YA books. Truth & Dare

Heartbroken over the tragic death of her fiancé, seventeen-year-old Zora Stewart leaves Baltimore for the frontier town of West Glory, Oklahoma, to help her young widowed aunt keep her homestead going. There she discovers that she possesses the astonishing ability to sense water under the parched earth. When her aunt hires her out as a "springsweet" to advise other settlers where to dig their wells, Zora feels the burden of holding the key to something so essential to survival in this unforgiving land. Even more, she finds herself longing for love the way the prairie thirsts for water. Maybe, in the wildness of the territories, Zora can finally move beyond simply surviving and start living.

The Springsweet

A long-abandoned—and long-haunted—summer camp sets the stage for the sequel to *Camp Murderface*, perfect for fans of old school scare masters like R.L. Stine and Christopher Pike. There's no such thing as an uneventful summer at Camp Sweetwater. Now that the Vampire Devils beneath the lake have been awakened, the camp is in big trouble. The first victims? Tez and Corryn's counselors, Gavin and Scary Mary. The Camp Director insists that the missing counselors are just quitting and going home, but Tez and Corryn don't believe it. They know something much more eeeeeevil is afoot. With

the help of their cabinmates, Tez and Corryn set out to investigate the disappearances. But what they find is a horror closer than the bottom of the lake... and it might just spell the end for all of them.

50 Impressive Kids and Their Amazing (and True!) Stories

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

The Girl Who Wrote in Silk

Aprilynne Pike, #1 New York Times bestselling author of the *Wings* series, shines in this stand-alone novel that offers a humorous twist on ghosts and is perfect for fans of Ally Carter, Rachel Hawkins, and Kiersten White. Kimberlee Schaffer may be drop-dead gorgeous . . . but she also dropped dead last year. Now she needs Jeff's help with her unfinished business, and she's not taking no for an answer. When she was alive, Kimberlee wasn't just a mean girl; she was also a complete kleptomaniac. So if Jeff wants to avoid being haunted until graduation, he'll have to help her return all of the stolen items. But Jeff soon discovers that it's much easier to steal something than it is to bring it back. Paying for your mistakes takes on a whole new meaning in this hauntingly clever twist on *The Scarlet Pimpernel*.

All Out

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

All Out: The No-Longer-Secret Stories of Queer Teens Throughout the Ages

"A twisty, dark psychological thriller that will leave you guessing til the very end."—Teen Vogue "[A] riveting read..."—NPR The line between best friend and something more is a line always crossed in the dark. Jess Wong is Angie Redmond's best friend. And that's the most important thing, even if Angie can't see how Jess truly feels. Being the girl no one quite notices is OK with Jess anyway. If nobody notices her, she's free to watch everyone else. But when Angie begins to fall for Margot Adams, a girl from the nearby boarding school, Jess can see it coming a mile away. Suddenly her powers of observation are more a curse than a gift. As Angie drags Jess further into Margot's circle, Jess discovers more than her friend's growing crush. Secrets and cruelty lie just beneath the carefree surface of this world of wealth and privilege, and when they come out, Jess knows Angie won't be able to handle the consequences. When the inevitable darkness finally descends, Angie will need her best friend. "It doesn't even matter that she probably doesn't understand how much she means to me. It's purer this way. She can take whatever she wants from me, whenever she wants it, because I'm her best friend." A Line in the Dark is a story of love, loyalty, and murder. "Mesmerizing."—Kirkus, starred review.

A Line in the Dark

Sydney Taylor Award-winning novel Berlin Boxing Club is loosely inspired by the true story of boxer Max Schmeling's experiences following Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review. Karl Stern has never thought of himself as a Jew; after all, he's never even been in a synagogue. But the bullies at his school in Nazi-era Berlin don't care that Karl's family doesn't practice religion. Demoralized by their attacks against a heritage he doesn't accept as his own, Karl longs to prove his worth. Then Max Schmeling, champion boxer and German hero, makes a deal with Karl's father to give Karl boxing lessons. A skilled cartoonist, Karl has never had an interest in boxing, but now it seems like the perfect chance to reinvent himself. But when Nazi violence against Jews escalates, Karl must take on a new role: family protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel.

The Berlin Boxing Club

From the author of Cracked Up to Be and Some Girls Are comes Courtney Summers's Fall or Anything, a gripping story about one girl's search for clues into the mysterious death of her father. When Eddie Reeves's father commits suicide her life is consumed by the nagging question of why? Why when he was a legendary photographer and a brilliant teacher? Why when he seemed to find inspiration in everything he saw? And, most important, why when he had a daughter who loved him more than anyone else in the world? When she meets Culler Evans, a former student of her father's and a photographer himself, an instant and dangerous attraction begins. Culler seems to know more about her father than she does and could possibly hold the key to the mystery surrounding his death. But Eddie's vulnerability has weakened her and Culler Evans is getting too close. Her need for the truth keeps her hanging on...but are some questions better left unanswered?

Fall for Anything

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years. The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

A Taxonomy of Love

An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

Girl Last Seen

Proud to be Flesh

From #1 New York Times bestselling author Aprilynne Pike comes a truly original new novel—*Breaking Bad* meets *Marie Antoinette* in a near-future world where the residents of Versailles live like it's the eighteenth century and an almost-queen turns to drug dealing to save her own life. Outside the palace of Versailles, it's modern day. Inside, the people dress, eat, and act like it's the eighteenth century—with the added bonus of technology to make court life lavish, privileged, and frivolous. The palace has every indulgence, but for one pretty young thing, it's about to become a very beautiful prison. When Danica witnesses an act of murder by the young king, her mother makes a cruel power play . . . blackmailing the king into making Dani his queen. When she turns eighteen, Dani will marry the most ruthless and dangerous man of the court. She has six months to escape her terrifying destiny. Six months to raise enough money to disappear into the real world beyond the palace gates. Her ticket out? Glitter. A drug so powerful that a tiny pinch mixed into a pot of rouge or lip gloss can make the wearer hopelessly addicted. Addicted to a drug Dani can sell for more money than she ever dreamed. But in Versailles, secrets are impossible to keep. And the most dangerous secret—falling for a drug dealer outside the palace walls—is one risk she has to take.

Glitter

In this sequel to the New York Times bestseller *99 Days*, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her

ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?

9 Days and 9 Nights

In this sequel to *A River of Royal Blood*, Eva and Isa must find a way to work together if they want to save their queendom in the thrilling conclusion to this royal fantasy duology. Now on the run, Eva is desperate for answers about her transformation and her true heritage. Along with Aketo, a small contingent of guards, and the sister she could not kill, Eva flees Ternain in hopes of finding friends and allies to the north--not to mention Baccha--to help her decide what to do next. Princess Isa is a difficult, unremorseful captive, and Eva knows better than to trust her sister, but she wants to. Despite their history, Eva is convinced that to survive the growing unrest in the queendom, she and her sister must make peace. Since the Entwining ceremony, Eva's and Isa's lives have been bonded, and each can only die by the other's hand. This perhaps provides an opening for a truce and a more hopeful future for both the sisters and the queendom, if only Isa would see reason and give up the battle for the throne. With the two princesses on the run, the Queendom of Myre is on the brink of a revolution. And without Baccha to guide and train her magick, Eva must find a way not only to survive her own metamorphosis, but to unite all the people of Myre, including her sister, by finally taking the Ivory Throne.

A Queen of Gilded Horns

What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

The Never Hero

A genre-defying debut, this queer historical YA centers a wild and reckless trio who fly in the face of small-town tradition—full of compassion, love, and determination to live the lives of their choosing. It's 1904 on an island just west of Norway, and Asta Hedstrom doesn't want to marry her odious betrothed, Nils. But her mother believes she should be grateful for the possibility of any domestic future, given her single-sided deafness, unconventional appearance, and even stranger notions. Asta would rather spend her life performing in the village theater with her fellow outcasts: her best friend Gunnar Fuglestad and his secret boyfriend, wealthy Erlend Fournier. But the situation takes a dire turn when Nils lashes out in jealousy—gravely injuring Gunnar. Shunning marriage for good, Asta moves with Gunnar and Erlend to their secluded cabin above town. With few ties left to their families, they have one shot at gaining enough kroner to secure their way of life: win the village's annual horse race. Despite Gunnar's increasing misgivings, Asta and Erlend intend to prove this unheard-of arrangement will succeed. Asta trains as a blacksmith; Erlend cares for recovering Gunnar. But as race day approaches, the villagers' hateful ignorance only grows stronger. With this year's competition proving dangerous for the trio, Asta and Erlend soon find they face another equally deadly peril: the possibility of losing Gunnar, and their found family, forever.

The Reckless Kind

From the acclaimed Printz Honor winner author Stephanie Hemphill comes this powerful fictionalized account of the Salem witch trials from the point of view of three of the real young women living in Salem in 1692. Ann Putnam Jr. is the queen bee. When her father suggests a spate of illnesses in the village is the result of witchcraft, she puts in motion a chain of events that will change Salem forever. Mercy Lewis is the beautiful servant in Ann's house who inspires adulation in some and envy in others. With her troubled past, she seizes her only chance at safety. Margaret Walcott, Ann's cousin, is desperately in love. She is torn between staying loyal to her friends and pursuing a life with her betrothed. With new accusations mounting against the men and women of the community, the girls will have to decide: Is it too late to tell the truth?
