What is something you need to work on, in order to improve your life?

What did your parents do well that you wish to replicate in your own marriage?

What is a non negotiable for you in dating?

What are some expectations that you have that often go unspoken?

How do you act when you become upset or angry?

What do you think about a person being friends with someone that they had a romantic, or sexual relationship with?

What do you do when trust is broken?

Are you dating with a purpose? (What are your intentions)

What values would you want to instill in your children?

What do you think a healthy relationship should provide for the people in it?

What does happiness mean to you?

What do you think about therapy?

How do you handle change?

What goal are you working on, and how can people support you?

Would you raise your children the same way your parents raised you?

If you could start your life over, what would you change?

How much money do you think is okay to spend without consulting your spouse?

What does quality time mean to you?

What does marriage mean to you?

What is the best relationship advice that someone has given to you?

What do you want to do it we cannot have children?
