Create a great organized resource. See your growth over the years. **SERIOUS STUDYING** Great for biblical character and topical studying. If you are a seminary student or take bible classes, you will definitely find this handy. Going from class to class placing all of your notes into one journal that is ready to fill in with your insight. **STRESS-FREE NOTE-TAKING** If you want to remember what you've learned within a certain chapter you can leave a note on what you learned after reading. What is the main idea you learned from reading a chapter of the Bible can now be recorded in your journal? **PERSONAL BIBLE STUDY** Give yourself a few things to seek when reading your Bible. How does the passage relate to your life? What is God saying to you through the reading of the bible? What is your favorite verse of a chapter? What is something you want to explore later from a chapter? What is something you never want to forget about from a chapter of the bible? Write reminders on what you want in your journal. **SHARING VERSES WITH OTHERS** Want to place names in the journal to share key details on a passage for a family member, friend, or colleague to review when you see them? Place their name in the blank journaling space as a reminder to share it with them. Do you have a particular group, maybe a bible group you want to share something with? Church group, Sunday school? Jot a note for them in your journal. **USED BY ALL AGES** Doesn't matter if you a serious Bible reader or a casual reader your Bible Journal will still benefit you in many ways. **MAIN RESOURCE** If you have other Biblical resources such as commentary, topical Bibles, and other books you are reading that complement the Bible, what better way than to put your notes and reference points in your Bible Journal? You will be pleased with this Bible Journal. **EDUCATORS** For teachers and professors of the Bible, this is great for your students. Serves as a potential workbook for test preparation and other academic purposes. **BIBLE COMPANION** This is not a bible. This is an awesome Bible Companion to have with any version of the Bible you prefer. **DIFFERENT COLOR OPTIONS** A variety of different colorways submitted for your color preference. We plan to make different styles, colors, patterns available on Amazon. In the search field, you can search for "bible journal james a. mccauley" to see different options. You can click the blue hyperlink "James A. McCauley" under the book title to view all the books I've published on Amazon. Great for gifting to others as well. Neutral, school, team, and church colors are where we get the color scheme from. Purchase the Bible Journal that fits your preference. Thank you in advance. **GOD BLESS. - JMc**
