Babies Love Colores

Help your baby learn all about colors with this chunky board book of first words. From finding a roary green dinosaur to a cute yellow duck, your little one will love exploring fantastic colors in this bright baby book that encourages early learning. Babies and toddlers can lift flaps, explore the shape and texture of the tactile tabs, and enjoy the playful images and bold type--perfect for reading aloud and encouraging early word recognition.

Bright Baby: Happy Thanksgiving

The reds, the yellows, and the blues all think they're the best in this vibrant, thought-provoking picture book from Arree Chung, with a message of acceptance and unity. In the beginning, there were three colors . . . Reds, Yellows, and Blues. All special in their own ways, all living in harmony—until one day, a Red says "Reds are the best!" and starts a color kerfuffle. When the colors decide to separate, is there anything that can change their minds? A Yellow, a Blue, and a never-before-seen color might just save the day in this inspiring book about color, tolerance, and embracing differences.

Bright Bursts of Colour

"Introduce your baby to a world of discovery! Contrasting patterns, bright artwork, flaps to flip, tracks to trace, fur to feel & a shiny mirror!"--from p. [4] of cover.

Big Board First 100 Words

A lift-the-flap colors book full of bright and bold photographs, first words to learn, and large fold-out flaps. Color is filled with familiar images to introduce babies to each color of the rainbow. Your little one will be captivated by the busy pages as you help them to guess what is behind each peep-through hole and explore the themed pages. With simple words to encourage early speaking skills and large flaps that are easy for little hands to open, this is the perfect first colors book for your baby.

Baby: Colors!

Little ones will love these brightly colored, padded board books. This appealing series of eight colorful board books presents simple concepts for babies and toddlers. Bold and bright photographs coupled with identifying words will spark object recognition and encourage language skills. Young children will delight in the bright images while getting a head start on learning. Vibrant hues abound in this collection of items representing more than 10 basic colors. A great introduction for little ones.

Mixed: A Colorful Story

Babies will love looking through this cute book all about colours! Little hands will find the narrow pages and large flaps easy to open and enjoy guessing what is behind each peep-through flap. The bold, colourful photography throughout will captivate your bright baby.

Bright Baby!

From the creators of the Wee Gallery come these beautifully illustrated bath books that magically change color when you dip them in water. Color Me: Who's in the Ocean? introduces children to a range of sea creatures that include a fish, an octopus and a starfish. Squeezable and lightweight, each black-and-white creature transforms in a child's hands, guaranteeing hours of bathtime fun.

Priddy Baby Lift-the-flap: Color

Every new parent purchases at least one high-contrast board book, and this one, with its bold, more abstract art, stands out from the crowd. Featuring graphic images that are perfect for infants, parents and babies will love exploring this book together. Infants can distinguish the colors black and white because of their high contrast. But what is the next color infants see? Red! The images in this book have been created based on decades of research and refinement and are accompanied by bouncy, rhyming text.

Baby's First Colors

"Priddy Books big ideas for little people."

Colours

An easy-to-read book about color, inspired by Dr. Seuss and illustrated with artwork from his books! This simple rhymed riff about color is illustrated with art from some of the most beloved—and colorful—works by Dr. Seuss, including *The Cat in the Hat*, *Green Eggs and Ham*, and *One Fish Two Fish Red Fish Blue Fish*. Great for the earliest reader, it is a perfect companion to Dr. Seuss concept books like *Mr. Brown Can Moo! Can You?*, *The Shape of Me and Other Stuff*, and Dr. Seuss's *ABC*. Nurture a love of reading—and of the many colorful characters created by Dr. Seuss—with this great new concept book for beginning readers!

Color Me: Who's in the Ocean?

This first learning book, Roger Priddy's *Bright Baby Touch & Feel Numbers*, is an ideal introduction to numbers for your baby or toddler. Includes: Bold colors and photography for fun, easy counting Each spread features patches which are exciting to touch and feel. With clear photography, bright colors, and simple text labels, *Bright Baby* board books help babies and toddlers to develop and build early vocabulary through the introduction of first words and pictures.

Baby Sees First Colors: Black, White & Red

Baby Touch: Colours is part of Ladybird's best-selling *Baby Touch* series, designed to help stimulate a baby's senses from birth. Encouraging interaction and play, the *Baby Touch* books are lots of fun for the very youngest babies, as well as toddlers. *Baby Touch: Colours* is a bold, bright board book perfect for little hands to explore. With a big touch-and-feel on every double page, it helps to stimulate your baby's senses as well as gently helping to teach first colours such as red, blue, green, yellow and purple.

Bright Baby Touch and Feel Mealtime

The best-selling *My First* series - now in ebook format! Packed with bright, lively pictures and simple text, this is ideal to stimulate recognition and encourage talking and naming. It is designed to capture interest, and every page will help develop early speaking and listening skills. *My First Colours* is perfect to read aloud together, and you'll both love the playful images.

Dr. Seuss's Book of Colors

A child reflects on the meaning of being Black in this moving and powerful anthem about a people, a culture, a history, and a legacy that lives on. Red is a rainbow color. Green sits next to blue. Yellow, orange, violet, indigo, They are rainbow colors, too, but My color is black . . . And there's no BLACK in rainbows. From the wheels of a bicycle to the robe on Thurgood Marshall's back, Black surrounds our lives. It is a color to simply describe some of our favorite things, but it also evokes a deeper sentiment about the incredible people who helped change the world and a community that continues to grow and thrive. Stunningly illustrated by Caldecott Honoree and Coretta Scott King Award winner Ekua Holmes, *Black Is a Rainbow Color* is a sweeping celebration told through debut author Angela Joy's rhythmically captivating and unforgettable words.
