Jerusalem, Footsteps Through Time

Ten Torah study-tours of Jerusalem's Old City that make the words of Scripture come alive. Replete with hundreds of photographs, illustrations and detailed maps, and precise instructions to ensure that you don't miss a single detail.

Jerusalem

This book offers a comprehensive listing of resources on Jerusalem's history, politics and government, ethnic relations, social conditions, and international status.

The Holy City of Jerusalem

An instant New York Times bestseller! Journey with Kathie Lee Gifford and Messianic Rabbi Jason Sobel into Israel and explore the deep roots of the Christian faith. As a lifelong student of Scripture, Kathie Lee Gifford has always desired a deeper understanding of God's Word and a deeper knowledge of God Himself. But it wasn't until she began studying the biblical texts in their original Hebrew and Greek—along with actually hiking the ancient paths of Israel—that she found the fulfillment of those desires. Now you can walk with Kathie on a journey through the spiritual foundations of her faith: The Rock (Jesus Christ): Hear directly from Kathie about her life-changing and ever-deepening connection with Jesus, the Lover of her soul. The Road (Israel): Explore dozens of ancient landmarks and historical sites from Israel, the promised land of God's covenant. The Rabbi (God's Word): Go beyond a Sunday-school approach to the Bible by digging into the original languages and deeper meanings of the Holy Scriptures. As you journey through The Rock, the Road, and the Rabbi, you'll also find additional content from Messianic Rabbi Jason Sobel throughout the book. Jason's insight into

the Hebrew language, culture, and heritage will open your eyes to the Bible like never before. Begin your journey toward a deeper faith through The Rock, the Road, and the Rabbi.

American Book Publishing Record

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Northern California Jewish Bulletin

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

The Rock, the Road, and the Rabbi

2ND REVISED EDITION Jerusalem after the Babylonian captivity was all but destroyed. It was in the time of Nehemiah, governor of the province of Judah or Yehud, that the grand reconstruction of the city took place. Jerusalem in the Time of Nehemiah takes us on an Archaeological Tour of Nehemiah's Jerusalem illuminating all the sites, gates and walls of the city. It is richly illustrated with models of reconstructions, photographs, drawings and illustrative maps.,

The Itinerary Of Benjamin Of Tudela

This volume is a critical study of recent archaeology in the Western Wall Plaza area, Jerusalem. Considered one of the holiest places on Earth for Jews and Muslims, it is also a place of controversy, where the State marks 'our' remains for preservation and adoration and 'theirs' for silencing. Based on thousands of documents from the Israel Antiquities Authority and other sources, such as protocols of planning committees, readers can explore for the first time this archaeological 'heart of darkness' in East Jerusalem. The book follows a series of unique discoveries, reviewing the approval and execution of development plans and excavations, and the use of the areas once excavation has finished. Who decides what and how to excavate, what to preserve – or 'remove'? Who pays for the archaeology, for what aims? The professional, scientific archaeology of the past happens now: it modifies the present and is modified by it. This book 'excavates' the archaeology of East Jerusalem to reveal its social and political contexts, power structures and ethics. Readers interested in the history, archaeology and politics of the Israeli-Palestinian conflict will find this book useful, as well as scholars and students of the history and ethics of Archaeology, Jerusalem, conservation, nationalism, and heritage.

The Acts of the Apostles

"Every day," writes Rabbi Meir Kahane, "the Arabs of Israel move closer to becoming a majority. Are we [Israel] committed to national suicide? Should we allow demography, geography, and democracy to push Israel closer to the abyss? According to Rabbi Kahane, Israel can only be sustained by a permanent Jewish majority and a small, insignificant, and placid Arab minority. But the Arab population continues to grow quantitatively and qualitatively. They feel no ties for a state that breathes Jewishness. They mockingly accept moneys from the National Insurance Institute for medical services, tuition, and social welfare; yet they pay little or no tax. Even worse, they openly vow to destroy the Jewish state - not with bullets or bombs, but with the democratic vote. Is there a solution? Rabbi Kahane insists, "Yes." In this explosive manifesto Rabbi Kahane sets forth the only plan to save Israel. Israeli Arabs would be given the options of accepting noncitizenship, leaving willingly with compensation, or being forcibly expelled without compensation. Controversial? Yes. Could the Arabs be convinced to leave? "We will not come to the Arabs to request, argue, or convince," says Kahane. "For Jews and Arabs in Israel there is only one answer - separation. Jews in their land, Arabs in theirs. Separation. Only separation." They Must Go was written in 1980 while Rabbi Meir Kahane was jailed in Ramle Prison by the Israeli

government under an unprecedented administrative detention order that imprisoned him without a trial, without his being informed of any specific charge, and without opportunity to know or to question any alleged evidence or witness. His crime: his philosophy concerning the danger that exists to the state of Israel by the very presence of its large and growing Arab population. Rabbi Kahane's ideas were suppressed, twisted, defamed, and subjected to emotional and hysterical diatribes by people who were too frightened to consider them intelligently or to debate them intellectually. Is there a time bomb ticking away relentlessly in the Holy Land? Can Arabs and Jews ultimately coexist in a Jewish-Zionist state? Rabbi Kahane's only answer: "They Must Go."

Jerusalem in the Time of Nehemiah

Addresses the central role of Jewish and Muslim women's movements at the heart of the struggle over Jerusalem's sacred spaces.

Archaeology, Heritage and Ethics in the Western Wall Plaza, Jerusalem

Theodor Herzl: Old New Land. (AltNeuLand) First print Leipzig 1902. Translated by Dr. David Simon Blondheim, Federation of American Zionists, 1916 Vollständige Neuauflage. Herausgegeben von Karl-Maria Guth. Berlin 2015. Umschlaggestaltung von Thomas Schultz-Overhage unter Verwendung des Bildes: Paul Gauguin, Am Fusse des Berges, 1892. Gesetzt aus Minion Pro, 11 pt.

They Must Go

"This book is a translation of historian Carlo Ginzburg's latest collection of essays. Through the detective work of uncovering a wide variety of stories or microhistories from fragments, Ginzburg takes on the bigger questions: How do we draw the line between truth and fiction? What is the relationship between history and memory? Stories range from medieval Europe, the inquisitional trial of a witch, seventeenth-century antiquarianism, and twentieth-century historians"--Provided by publisher.

Information for Pilgrims Unto the Holy Land

The Book of Judith tells the story of a fictitious Jewish woman beheading the general of the most powerful imaginable army to free her people. The parabolic story was set as an example of how God will help the righteous. Judith's heroic action not only became a validating charter myth of Judaism itself but has also been appropriated by many Christian and secular groupings, and has been an inspiration for numerous literary texts and works of art. It continues to exercise its power over artists, authors and academics and is becoming a major field of research in its own right. The Sword of Judith is the first multidisciplinary collection of essays to discuss representations of Judith throughout the centuries. It transforms our understanding across a wide range of disciplines. The collection includes new archival source studies, the translation of unpublished manuscripts, the translation of texts unavailable in English, and Judith images and music.

Women and the Holy City

Jewish identity is a perennial concern, as Jews seek to define the major features and status of those who "belong," while at the same time draw distinctions between individuals and groups on the "inside" and those on the "outside." From a variety of perspectives, scholarly as well as confessional, there is intense interest among non-Jewish and Jewish commentators alike in the basic question, "Who is a Jew?" This collection of articles draws diverse historical, cultural, and religious insights from scholars who represent a wide range of academic and theological disciplines. Some of the authors directly address the issue of Jewish identity as it is being played out today in Israel and Diaspora communities. Others look to earlier time periods or societies as invaluable resources for enhanced and deepened analysis of contemporary matters. All authors in this collection make a concerted effort to present their evidence and their conclusions in a way that is accessible to the general public and valid for other scholars. The result is a richly textured approach to a topic that seems always relevant. If, as is the case, no single answer appeals to all of the authors, this is as it should be. We all gain from the application of a number of approaches and perspectives, which enrich our appreciation of the people whose lives are affected, for better or worse, by real-life discussions of this issue and the resultant actions toward exclusivity or inclusivity.

Old New Land

The American Jewish Year Book, now in its 118th year, is the annual record of the North American Jewish communities and provides insight into their major trends. The first two chapters of Part I include a special forum on "Contemporary American Jewry: Grounds for Optimism or Pessimism?" with assessments from more than 20 experts in the field. The third chapter examines antisemitism in Contemporary America. Chapters on "The Domestic Arena" and "The International Arena" analyze the year's events as they affect American Jewish communal and political affairs. Three chapters analyze the demography and geography of the US, Canada, and world Jewish populations. Part II provides lists of Jewish institutions, including federations, community centers, social service agencies, national organizations, synagogues, Hillels, day schools, camps, museums, and Israeli consulates. The final chapters present national and local Jewish periodicals and broadcast media; academic resources, including Jewish Studies programs, books, journals, articles, websites, and research libraries; and lists of major events in the past year, Jewish honorees, and obituaries. Today, as it has for over a century, the American Jewish Year Book remains the single most useful source of information and analysis on Jewish demography, social and political trends, culture, and religion. For anyone interested in Jewish life, it is simply indispensable. David Harris, CEO, American Jewish Committee (AJC), Edward and Sandra Meyer Office of the CEO The American Jewish Year Book stands as an unparalleled resource for scholars, policy makers, Jewish community professionals and thought leaders. This authoritative and comprehensive compendium of facts and figures, trends and key issues, observations and essays, is the essential guide to contemporary American Jewish life in all its dynamic multi-dimensionality. Christine Hayes, President, Association for Jewish Studies (AJS) and Robert F. and Patricia R. Weis Professor of Religious Studies in Classical Judaica at Yale University

Threads and Traces

According to a longstanding interpretation, book religions are agents of textuality and logocentrism. This volume inverts the traditional perspective: its focus is on the strong dependency between scripture and aesthetics, holy books and material artworks, sacred texts and ritual performances. The contributions, written by a group of international specialists in Western, Byzantine, Islamic and Jewish Art, are committed to a comparative and transcultural approach. The authors reflect upon the different strategies of »clothing« sacred texts with precious materials and elaborate forms. They show how the pretypographic cultures of the Middle Ages used book ornaments as media for building a close relation between the divine words and their human audience. By exploring how art shapes the religious practice of books, and how the religious use of books shapes the evolution of artistic practices this book contributes to a new understanding of the deep nexus between sacred scripture and art.

The Sword of Judith

This book deals with the integration of thousands of survivors of the Holocaust into Israeli society in the early years of the new State's existence. Among the issues discussed are: the ways in which the survivors were recruited into the defence forces and the role they played in the War of Independence, the settlement of the immigrants in towns and villages abandoned by Arabs during the war and the immigrant youth.

The Source

The inspiring life-story of Rabbi Moshe Feinstein.

Who Is A Jew?

In Jewish Radical Ultra-Orthodoxy Confronts Modernity, Zionism and Women's Equality, Motti Inbari undertakes a study of the culture and leadership of Jewish radical ultra-Orthodoxy in Hungary, Jerusalem and New York. He reviews the history, ideology and gender relations of prominent ultra-Orthodox leaders Amram Blau (1894–1974), founder of the anti-Zionist Jerusalemite Neturei Karta, and Yoel Teitelbaum (1887–1979), head of the Satmar Hasidic movement in New York. Focussing on the rabbis' biographies, the author analyzes their enclave building methods, their attitude to women and modesty, and their eschatological perspectives. The research is based on newly discovered archival materials, covering many unique and remarkable findings. The author concludes with a discussion of contemporary trends in Jewish religious radicalization. Inbari highlights the resilience of the current generations' sense of community cohesion and their capacity to adapt and overcome challenges such as rehabilitation into potentially hostile secular societies.

Priscillian of Avila

This book summarizes the NGO Master Plan that provides a comprehensive program to rehabilitate the Lower Jordan River and its tributaries in Jordan, Israel and Palestine. It is a regional and civil society effort designed to promote the restoration of the valley's environmental and ecological values within a realistic financial and economic framework. The plan identifies 127 specific regional and national "interventions"(projects) until the year 2050, based on seven strategic planning objectives: pollution control, sustainable water management and river rehabilitation, sustainable agriculture, Jordan River basin governance, ecological rehabilitation, sustainable tourism and cultural heritage development, and urban and infrastructure development. The total investment value is 4.58 billion USD, the plan ranks the interventions and identifies their feasibility in a short, medium and long term investment cycles considering the political environment.

American Jewish Year Book 2018

Tour the Final Book of the Bible Revelation was written because God wants us to know what the future holds. For Christians, the prophetic truths within provide wisdom, reassurance, and discernment—while for unbelievers, Revelation is a plea to receive God's grace while there is still time. Bestselling author Amir Tsarfati examines what Revelation makes known about the end times and beyond. Guided by accessible teaching that lets Scripture speak for itself, you'll take a closer look at the timeline of what believers and nonbelievers will experience before, during, and after the tribulation plan that the Lord has specifically prepared for the people of Israel in the end times encouragements, challenges, and warnings Jesus Himself gave to prepare us for His return Revealing Revelation provides an eye-opening look at what lies ahead for every person in the end times—either in heaven or on earth. Are you prepared for what is to come?

Clothing Sacred Scriptures

In this New York Times–bestselling study, the co-author of *Holy Blood, Holy Grail* explores further mysteries surrounding Jesus Christ. What if everything we have been told about the origins of Christianity is a lie? What if a small group had always known the truth and had kept it hidden . . . until now? What if there is evidence that Jesus Christ survived the crucifixion? In *Holy Blood, Holy Grail* Michael Baigent and his co-authors Henry Lincoln and Richard Leigh stunned the world with a controversial theory that Jesus Christ and Mary Magdalene married and founded a holy bloodline. The book became an international publishing phenomenon and was one of the sources for Dan Brown's novel *The Da Vinci Code*. Now, with two additional decades of research behind him, Baigent's *The Jesus Papers* presents explosive new evidence that challenges everything we know about the life and death of Jesus. Praise for *The Jesus Papers* "An explosive book." —The Today Show "Fascinating." —CNN's American Morning

Survivors of the Holocaust

This book offers a new approach to the vexing question of how to write the early history of Islam. The first part discusses the nature of the Muslim and non-Muslim source material for the seventh- and eighth-century Middle East and argues that by lessening the divide between these two traditions, which has largely been erected by modern scholarship, we can come to a better appreciation of this crucial period. The second part gives a detailed survey of sources and an analysis of some 120 non-Muslim texts, all of which provide information about the first century and a half of Islam (roughly A.D. 620-780). The third part furnishes examples, according to the approach suggested in the first part and with the material presented in the second part, how one might write the history of this time. The fourth part takes the form of excursions on various topics, such as the process of Islamization, the phenomenon of conversion to Islam, the development of techniques for determining the direction of prayer, and the conquest of Egypt. Because this work views Islamic history with the aid of non-Muslim texts and assesses the latter in the light of Muslim writings, it will be essential reading for historians of Islam, Christianity, Judaism, or Zoroastrianism--indeed, for all those with an interest in cultures of the eastern Mediterranean in its traditional phase from Late Antiquity to medieval times.

Reb Moshe

PaRDeS. Zeitschrift der Vereinigung für Jüdische Studien e.V., möchte die fruchtbare und facettenreiche Kultur des Judentums sowie seine Berührungspunkte zur Umwelt in den unterschiedlichen

Bereichen dokumentieren. Daneben dient die Zeitschrift als Forum zur Positionierung der Fächer Jüdische Studien und Judaistik innerhalb des wissenschaftlichen Diskurses sowie zur Diskussion ihrer historischen und gesellschaftlichen Verantwortung. PaRDeS. Journal of the Association of Jewish Studies e. V. The journal aims at documenting the fruitful and multifarious culture of Judaism as well as its relations to its environment within diverse areas of research. In addition, the journal is meant to promote Jewish Studies within academic discourse and discuss its historic and social responsibility.

Jewish Radical Ultra-Orthodoxy Confronts Modernity, Zionism and Women's Equality

"A wondrous tale of American Judaism" from the Colonial Era to the twentieth century, by the acclaimed author of *Jews, God, and History* (Kirkus Reviews). Beginning with the Sephardim who first reached the shores of America in the 1600s, this fascinating book by historian Max Dimont traces the journey of the Jews in the United States. It follows the various waves of immigration that brought people and families from Germany, Russia, and beyond; recounts the cultural achievements of those who escaped oppression in their native lands; and discusses the movement away from Orthodoxy and the attitudes of American Jews—both religious and secular—toward Israel. From the author of *Jews, God, and History*, which has sold more than one million copies and was called "unquestionably the best popular history of the Jews written in the English language" by the *Los Angeles Times*, this is a compelling account by an author who was himself an immigrant, raised in Helsinki, Finland, before arriving at Ellis Island in 1929 and going on to serve in army intelligence in World War II.

Sustainable Development in the Jordan Valley

The Story of Ancient Jerusalem.

Revealing Revelation

As government by the people, democracy has always had its proponents as well as opponents. What forms of government have Jewish leaders, both with and without actual political power, favored? Not surprisingly, many options have been offered theoretically and in practice. Perhaps more surprisingly, democracy has been at the heart of most systems of governance. Biblical Israel was largely a monarchy, but many writers of the Bible were critical of the excesses that almost always arise when human kings take charge: the general populace loses its freedom. In rabbinic Judaism, the majority ruled, and many principles that support modern democratic institutions have their basis in interpretations offered by the classical rabbis. This is true even though rabbinic Jews did not govern democratically. When Jews did have some degree of self-governance, democratic principles and institutions were often upheld. At the same time, so most communal leaders insisted, God—the ultimate judge—ultimately judges everything and everyone. Modern Israel provides the first instance of an independent Jewish nation since the Hasmonean monarchy of the second and first centuries BCE. On an almost daily basis, common features uniting democracy and Judaism, as well as flash point of controversy, are highlighted there. The fourteen scholars whose work is collected here are mindful of all of these circumstances—and many more. In a style that is accessible, clear, and balanced, they allow readers to assess these issues based on the most current thinking. This volume is required reading for anyone interested in how religion and politics have interacted, and continue to interact, in Judaism and among Jews.

The Jesus Papers

The sheer number of Jewish laws infuses everyday life with endless opportunities to touch the divine within. With this modern translation, the English-reading public can imbibe the holy ways of Jewish law as taught by Rabbi Schneur Zalman of Liadi, the Alter Rebbe, from the original source. In these volumes, the translation faces the newly reset Hebrew text. Notations appear when the Alter Rebbe's rulings are at variance with Rabbi Yosef Cairo's *Shulchan Aruch* and when other halachic works cite the subject at hand.

Seeing Islam as Others Saw It: A Survey and Evaluation of Christian, Jewish and Zoroastrian Writings on Early Islam

What is there of Jewish interest to see in Bombay? In Casablanca? Where are the kosher restaurants in Seattle? How did the Jewish community in Hong Kong originate? The *Jewish Traveler: Hadassah Magazine's Guide to the World's Jewish Communities and Sights* provides this information and much more.

The Purim Big Book

This autobiography of one of the world's leading Jewish religious thinkers and teachers, and the central participant in the dramatic 'Jacobs affair', begins with his early boyhood in a poor district of Manchester. The story covers his student life at Gateshead and London University, his trips overseas and the showbiz world of Hollywood - all of which enhances the book's value as a historical source. For the first time, he provides an extended personal account of the 'Jacobs affair' of the 1960s, the bitter controversy over his theological writings which led to his being ostracised by many representatives of the Orthodox tradition from which he sprang.

Transformative Translations in Jewish History and Culture

The history behind the Copper Scroll and the true story of Jim Barfield's quest for its treasure. Whether the objects are of legend or history, certain ancient mysteries arrest the imaginations of every generation. These antiquities refuse to be forgotten by the human spirit—hidden sufficiently to evade discovery, but historically prominent enough to leave a smattering of clues. Many explorers have fallen prey to fortune's siren call, spending their lifetimes searching for the artifacts that promise to alter human history. The Copper Scroll Project is a relative newcomer to the modern treasure hunt. Part of the Dead Sea Scrolls collection, the Copper Scroll is unlike any of the leather and papyrus documents, though not simply for its copper plates. The relic reads like a coded map, listing dozens of hiding spots where tithes and vessels thought to be secreted from the Jewish Temple were stored for safekeeping. More than fifty years after archaeologists found this unique artifact in a cave near Qumran, four adventurers have dared to chase after the scroll's priceless relics. "A unique introduction not only to a famous biblical mystery but to the world of American Christian interest in Israel, which remains opaque or bewildering to many outsiders, and is often caricatured."—Matti Friedman, author of *The Aleppo Codex* "Equal parts mystery, treasure hunt and erudite elucidation of biblical history."—Chanan Tigay, author of *The Last Moses* "Neese's narrative pacing and story-telling is masterful. She gets the political and religious nuances of contemporary Israel."—Elliot Jager, Jerusalem-based author and former editorial page editor at *The Jerusalem Post*

The Itinerary of Benjamin of Tudela

Reveals evidence of visionary plants in Christianity and the life of Jesus found in medieval art and biblical scripture--hidden in plain sight for centuries • Follows the authors' anthropological adventure discovering sacred mushroom images in European and Middle Eastern churches, including Roslyn Chapel and Chartres • Provides color photos showing how R. Gordon Wasson's psychedelic theory of religion clearly extends to Christianity and reveals why Wasson suppressed this information due to his secret relationship with the Vatican • Examines the Bible and the Gnostic Gospels to show that visionary plants were the catalyst for Jesus's awakening to his divinity and immortality Throughout medieval Christianity, religious works of art emerged to illustrate the teachings of the Bible for the largely illiterate population. What, then, is the significance of the psychoactive mushrooms hiding in plain sight in the artwork and icons of many European and Middle-Eastern churches? Does Christianity have a psychedelic history? Providing stunning visual evidence from their anthropological journey throughout Europe and the Middle East, including visits to Roslyn Chapel and Chartres Cathedral, authors Julie and Jerry Brown document the role of visionary plants in Christianity. They retrace the pioneering research of R. Gordon Wasson, the famous "sacred mushroom seeker," on psychedelics in ancient Greece and India, and among the present-day reindeer herders of Siberia and the Mazatecs of Mexico. Challenging Wasson's legacy, the authors reveal his secret relationship with the Vatican that led to Wasson's refusal to pursue his hallucinogen theory into the hallowed halls of Christianity. Examining the Bible and the Gnostic Gospels, the authors provide scriptural support to show that sacred mushrooms were the inspiration for Jesus' revelation of the Kingdom of Heaven and that he was initiated into these mystical practices in Egypt during the Missing Years. They contend that the Trees of Knowledge and of Immortality in Eden were sacred mushrooms. Uncovering the role played by visionary plants in the origins of Judeo-Christianity, the authors invite us to rethink what we know about the life of Jesus and to consider a controversial theory that challenges us to explore these sacred pathways to the divine.

The Jews in America

City of David
