Intro

Welcome to this Mental Health Practitioner INTERVIEW training tutorial!

Q. Why do you want to work for our organization as a mental health worker? I am looking for long term employment within mental health and the standards you set are ones I can closely relate to.

Q. What are the most important values in mental healthcare and which, in your opinion, is the most important?

Q. What are the most important values in mental health and which, in your opinion, is the most important? I believe the most important values are care, compassion, competence, communication,

courage and commitment.

Q. What skills and qualities are needed to work in mental health? To be effective as a mental health worker you need an abundance of skills and qualities in order to maintain competence.

Q. What does confidentiality mean to you? Confidentiality is an essential part of work within not just mental health, but healthcare in general. It centres on privacy and respect for a patient's or client's wishes and it is an integral part of the professional relationship.
