## Awakening Spirits

Tom Brown shares meditation exercises used by students of his Tracker classes, and discusses techniques for finding inner peace and harmony with nature. Through the dynamic meditation called Sacred Silence, the reader can experience the joys of self-discover - and the power of a personal vision quest.

## Return to the Sacred

Are you looking for inner peace? Do you seek a deeper understanding of yourself and the spiritual world? Have you followed the popular prescriptions for enlightenment and still found yourself unsatisfied? Return to The Sacred is a fascinating guide that will help you understand the importance of spiritual practice and the great diversity of paths that are available to you. This is a book that does more than provide philosophy and inspiration; it gives you the freedom to find a path that works for you and the knowledge to experience the answers for yourself. You'll learn about the time-tested tools of spiritual growth that will help you discover extraordinary depths of wisdom, power, and peace. Return to The Sacred will introduce you to the 12 Master Paths and Practices that have transformed the lives of countless saints, mystics, masters, and sages since the beginning of history. In this book, you'll find what you need to discover your spiritual personality and choose the path that will lead you toward the realization of boundless joy and a lifelong journey of meaning. Jonathan Ellerby, Ph.D., weaves threads of personal growth and comparative religion into captivating true tales of spiritual adventures with teachers and healers around the world. Through colorful stories and clear reflections, he presents a perspective that reveals the rewards of spiritual practice, and a realistic understanding of the deep commitments and challenging steps along the way. Return to The Sacred is an inspiring journey around the globe and into the furthest reaches of Spirit.

## Without Reservation

A powerful story of spiritual awakening, reconnection with Nature, and rekindling of ancestral wisdom

- Details the author's encounters with ancestral spirits and animal teachers, such as Coy-Wolf, and profound moments of direct connection with the natural world
- Shows how ancestral connections and intimate communications with Nature are not unique or restricted to those with indigenous cultural roots
- Reveals how reconnection with ancestors and the natural world offers insight and solutions for the complex problems we face

We are but a few generations removed from millennia spent living in intimate contact with the natural world and in close commune with ancestral spirits. Who we are and who we think we are is rooted in historical connections with those who came before us and in our relationships with the land and the sentient natural world. When we wander too far from our roots, our ancestors and kin in the natural world call us home, sometimes with gentle whispers and sometimes in loud voices sounding alarms. In this powerful story of spiritual awakening, Randy Kritkauskus shares his journey into the realm of ancestral Native American connections and intimate encounters with Mother Earth and shows how anyone can spiritually reconnect with their ancestors and Nature. Like 70 percent of those who identify as Native American, Kritkauskus grew up off the reservation. As he explains, for such "off reservation" indigenous people rediscovering ancestral practices amounts to a reawakening and offers significant insights about living in a society that is struggling to mend a heavily damaged planet. The author reveals how the awakening process was triggered by his own self-questioning and the resumption of ties with his Potawatomi ancestors. He details his encounters with ancestral spirits and animal teachers, such as Coy-Wolf. He shares moments of direct connection with the natural world, moments when the consciousness of other living beings, flora and fauna, became accessible and open to communication. Through his profound storytelling, Kritkauskus shows how ancestral connections and intimate communications with Nature are not unique or restricted to those with indigenous cultural roots. Offering a bridge between cultures, a path that can be followed by Native and non-Native alike, the author shows that spiritual awakening can happen anywhere, for anyone, and can open the gateway to deeper understanding

#### Awakening to Spirit

Explores the concept of Spirit in the postmodern age.

#### Spirit Speaks - Are You Listening?

Spirit Speaks. Are You Listening? follows the remarkable spiritual journey of a woman who knew from early childhood that she had a wise and true voice within that spoke to her from realms beyond. Valerie Croce Stiehl outlines a life path every one of us can take if we long for inner peace and fulfillment. Hers are words to live by, road signs that can be followed readily no matter where you are on your path. She tells of her early years as the suddenly single mother of five children; years of deprivation as she worked and went to school and struggled to put food on the table for her family; a later executive career in Manhattan; a transforming Near Death Experience as a result of a devastating car crash; and a decade living on an Indian reservation in South Dakota. Those experiences forged a woman of towering strength, love and purpose guided surely by Spirit. It has been said of her by a spiritual teacher that she lives in a state of grace. This book confirms the fact. Enlightened, deeply spiritual, and most welcome, Spirit Speaks' fulfills the seeker's quest for truths both mundane and ethereal. Swami Bhimasen - Sivanda Ashram, India Valerie shares with us connectedness to the universe, not unlike Nicholas Black Elk, who, like her, left behind a comfortable world to seek truth and beauty in the natural spiritualism of Native American culture. Don Wigal, Ph.D. - Experiences in Faith (1970)

#### Journeying Between the Worlds

Strengthen Your Connection to Nature, Your Inner Wisdom, and Sacred Spirits Through Shamanism Journeying Between the Worlds is written for beginner and intermediate practitioners and shares shamanic teachings in a way easily understood by people from any culture. This book contains practices that will open the door to dynamic, ever-evolving relationships with Great Spirit, your sacred self, and your ancestors. With simple exercises that help you build your skills and knowledge, this powerful guide teaches lessons based on spiritual concepts such as shamanic journeying, the Medicine Wheel, dreams and visions, Power Animals, the elements, shamanic tools, the three realms, and much more. Journeying Between the Worlds shows you how to make sacred connections with the natural world, divine beings, and your own soul.

#### Native American Spirituality

This volume offers a stimulating, multidisciplinary set of essays by noted Native and non-Native scholars that explore the problems and prospects of understanding and writing about Native American spirituality in the twenty-first century. Considerable attention is given to the appropriateness and value of different interpretive paradigms for Native religion, including both traditional religion and Native Christianity. The book also investigates the ethics of religious representation, issues of authenticity, the commodification of spirituality, and pedagogical practices. Of special interest is the role of dialogue in expressing and understanding Native American religious beliefs and practices. A final set of essays explores the power of and reactions to Native spirituality from a long-term, historical perspective.

### Walking with the Old Ones, Awakening to Native American Spirituality and Healing

Wachetecuma's personal path to Native American spirituality unfolds over a span of more than 60 years, though dreams, visions, and inspiration. Her story is told both in her own words and in the words of the Old Ones.

### Spirit Healing

"A self-help guide to the Native American spiritual growth process . . . attainable even if one lives in a modern urban setting." —Library Journal For centuries, tribal shamans have used these remarkable healing practices to bring spiritual seekers into harmony with the world around them. In keeping with that Native tradition, mystic Mary Dean Atwood uses symbolic stories to illustrate the power of shamanic techniques, and offers detailed guidance to help you change your thought patterns, eliminate mind-cluttering worries, and develop contact with your spirit guide. Master the secrets of rock divination, animal-spirit communication, and message reading—and embark upon a life-altering vision quest to find your higher self.

### Spirit Medicine

With the help of a Native American shaman, the author of *Rainbow Medicine* draws on her Osage and Cherokee heritages to create a book that helps readers reach beyond their physical limitations and achieve a wonderful wholeness by following the path of spirit medicine. 16 illustrations.

### Seeing the Dead, Talking with Spirits

Recounts one woman's discovery of her ability to heal through contact with spirits and reveals how others can awaken this same gift in their own lives • Explains how reconnecting with our inner sense of joy is the first step in healing • Shows how to rid our life of the traumas from the past that hinder our spiritual development, including unresolved traumas from past lives • Provides a roadmap that others can use for rediscovering their own connections to the spirit world Like many others who have discovered that they have a healing vocation, Alexandra Leclere began meeting with other healers and shamans to learn how to put her gift to use. At one of these gatherings she was shocked to find that she was the only one who could see the spirit of a deceased woman that was being honored there--a sign that marked the beginning of a remarkable adventure that taught her how to use her gift for healing herself and others. Despite the extraordinary powers of clairsentience and clairvoyance revealed to her through her work with the spirit world, Alexandra Leclere shows that the greatest gift she has received since her shamanic awakening is the ability to experience unconditional joy. Often the pain caused by unresolved psychological traumas from the past--including past lives--is the key obstacle restricting access to the powers offered by the spirits. The first step in healing requires reconnecting with the joy that resides within us. Once this connection has been established, we are all capable of restoring our connection to the spirit world. Alexandra Leclere's story provides a roadmap for finding our way back.

### Earthway

A mindbodyspirit guide to achieving wholeness covers diet, lifestyle, natural medicine, dream interpretation, and much more. Reissue.

### Awakening to the Spirit World

Today, practicing shamanism doesn't mean you have to live in a rain forest or a desert. Thanks to a modern renaissance of shamanic spirituality, practitioners from all walks of life now use powerful indigenous techniques for healing, insight, and spiritual growth. With *Awakening to the Spirit World*, teachers Sandra Ingerman and Hank Wesselman bring together a circle of renowned Western shaman-

ic elders—Tom Cowan, Carol Proudfoot-Edgar, José Stevens, and Alberto Villoldo—to present a comprehensive manual for making these practices accessible and available in our daily lives, including: How the original practice of shamanism shaped the world's spiritual traditions and why it is still relevant today The art of the shamanic journey—a time-tested meditative method for experiencing important spiritual lessons and truths Guidance for avoiding common pitfalls of shamanic practice Instruction for working with your dreams, connecting to your spirit guides, healing yourself and your environment-Drumming tracks to facilitate your shamanic journeys

### Kindling the Native Spirit

Kindling the Native Spirit deepens your connection to the mysterious, natural forces around you. International lecturer and healer Denise Linn is a member of the Cherokee Nation and has gained wisdom from native cultures around the world, including the Zulu in Africa, the Maori in New Zealand, and the Aborigines of Australia, as well as Native American tribes in North America. In this groundbreaking book, Denise reveals the power of ancestral wisdom to uncover your authentic self and your connection to others and the earth. When you ignite your native spirit, your intuition and sense of self expand exponentially. Gateways to spiritual realms open, and life-force energy fills you! Denise shares much of the wisdom she's received over the years from revered teachers as well as the benefits of incorporating ancient practices and techniques into the modern-day world. You'll learn how to discover your true name and awaken Spirit within you, connect with your personal spirit animal, embark on spirit journeys, and experience vision quests. In addition, there are step-by-step instructions on how to make a drum, a rattle, a dream catcher, and your own medicine bag. Denise will also help you unearth secret methods to call upon your ancestors for assistance and guidance; learn how to shape-shift; tap into your ability to "call" animals, plants, and Spirit; harness the power of the medicine wheel to bring healing and wholeness . . . and much more. Ignite your native spirit within, and enter a wondrous realm of profound visionary experiences!

### Native North American Spirituality of the Eastern Woodlands

This work makes available for the first time in a single volume a representative collection of the major spiritual texts from the Native American Indian peoples of the East Coast. Elisabeth Tooker, professor of anthropology at Temple University and and editor of *The Handbook of North American Indians*, presents the sacred traditions of the Iroquois, Winnibego, Fox, Menominee, Delaware, Cherokee and others. Included here are cosmological myths, thanksgiving addresses, dreams and visions, speeches of the shamans, teachings of parents, puberty fasts, blessings, healing rites, stories, songs, ceremonials for fires, hunting wars, feasts and the rituals of various spiritual societies.

### The Way of One

The Way of One is my journey of spiritual awakening, It is a recollection of past memories filled with clues of future abilities and the search which led to being a spiritual healer. I have written The Way of One because of a strong belief that there are many others with similar abilities. It is difficult to move from the beliefs of the past. This is my attempt, as a spiritual healer and teacher blending Native American knowledge and meditation, to make their transition easier.

### Dreaming the Council Ways

Integrates the matriarchal teachings from Canadian Indian, Mongolian, and Maya roots to create a written manifestation of these early cultures. She invites you to grasp the true universality of these symbols and traditions, to combinetheir ancient knowledge, to live the council way today. She provides practical information about shamanism, power animals, and includes charts that offer guidance for Spiritual Warriors so you can handle both worlds. Illustrated. Color insert. Index.

### Beyond the Lodge of the Sun

Medicine man Chokecherry Gall Eagle reveals the authentic core of two powerful Native American teachings. Chokecherry Gall Eagle says he has been given "permission" for one time only to bring out this knowledge for all to read, breaking the barrier against sharing the wisdom outside Native culture. Radiating with a rare authenticity, the book also includes warnings about common illusions and pitfalls of false shamanism.

## Thorsons Principles of Native American Spirituality

Native American spirituality teaches us the value of living in harmony with the earth, of honoring each other and respecting the interdependence of all life. This introductory guide explains a vision quest, the sweat lodge, medicine tools, how to reconnect with nature, how to purify with herbs, and other elements of Native American traditions.

## The Cherokee Full Circle

A comprehensive overview of Native American spiritual principles and their application for personal spirit-healing. • Includes traditional sacred exercises, teaching tales, case studies, and suggested rituals for individual and group healing. • Outlines the core principals of Native American traditional values and teaches how to apply them to the contemporary path of wellness and healing. • Publication to coincide with annual Full Circle gathering in September 2002 The Four Directions, the four seasons, and the four elements that make up the sacred hoop of the full circle must be in right relationship with one another or disharmony will result. Native American ritual has always emphasized the restoration of balance through ceremonies that provide a forum for learning, transition, and expressions of personal growth. Now Cherokee authors J. T. and Michael Garrett share Native American traditions to explore interrelationships as a tool for growth and transformation. The Cherokee Full Circle gathers techniques representing Native American cultures from across America--stories, exercises, and individual and group rituals--to teach the inherent dynamics of right relationship and apply them to the healing path. The authors provide a comprehensive overview of Native American spiritual principles and traditions and demonstrate how these ideas and methods can be applied universally to deal with life's situations--from depression and grieving to finding purpose and establishing positive relationships.

## Native American Spirituality: Path of Heart (Don Juan Matus, Eagle, and Others)

This book is dedicated to the true spiritual culture of Native Americans. On its pages, Divine Native American Chiefs tell about the Path leading to Perfection - the Path to Freedom.

## American Indian Medicine Ways

The book highlights American Indian spiritual leaders, miracle healings, and ceremonies that have influenced American history and shows their continued significance--Provided by publisher.

## Aboriginal Secrets of Awakening

One woman's story of healing through Aboriginal principles and awakening to her own healing powers • Explains principles from the 60,000-year-old Aboriginal culture of Australia that can help create transformation in your life • Details her experiences participating in secret women's ceremonies with an Outback Aboriginal tribe • Describes how she recovered from illness, met her team of spirit guides, coped with her husband's passing, and found that love can transcend death Sharing her journey from bedridden patient to inspired healer, Robbie Holz recounts her recovery from hepatitis C, fibromyalgia, and treatment-induced brain damage, as well as the blossoming of her own healing powers, through her work with her husband, the late healer Gary Holz, and her experiences with a remote tribe in the Outback of Australia. Robbie describes many of the miraculous healings she witnessed while working with Gary in his Aboriginal-inspired healing practice. She details the powers that Gary developed after his transformative time being healed by Aborigines, including telepathy, seeing the inner workings of his patients' bodies, and channeling the healing energy of the universe. She discloses how Gary accessed the Dreamtime, the energy field that is the source of reality, and reveals how her work with Gary led her to an invitation to participate in secret Aboriginal women's ceremonies in the harsh Outback desert, where her own healing powers blossomed. Through her story of healing and discovery, Robbie describes principles from the 60,000-year-old Aboriginal culture that can help create transformation in your life. She explains how she became aware of her team of spirit guides, who provide unwavering support and unconditional love through each of life's struggles. She shares the tenderness of her husband's final moments and how she worked past her grief to transform her relationship with him, enabling him to become an active, loving part of her spirit team and partner in her healing work.

## Soul Companions

You are never alone... whatever your nationality, religion or belief, you have a spirit guide to assist your journey through life. A spirit guide doesn't have to be dead - everything that lives has a spirit that could

potentially be a spiritual guide including pets and animals, plants, and elemental and otherworldly spirit allies. We can also be our own guides, and be guides to other people. This collection of spirit guide encounters from around the world will inspire you in your own quest for spirit guide contact with practical 'how to' advice. Learn how to recognise the signs and talk with the spirit beings guiding your life. This diverse collection of over 40 experiences, united in one book, will inspire you on your spiritual path to know that you are not alone, but that we are 'all-one'.

### The Renaissance of Native Spirituality

Based on her personal search for life's meaning, Judy Bindas' anthropological research on spirituality led her to write this ethnography. Without God's presence in her life, she would never have been able to overcome the many challenges she faced in her dual journey to grow both as a human being and a spiritual being. In the first part of this work, through her encounters, Judy learns that her own spiritual path was mirrored in that of her contributors. She engages her applied research in the second part of her study in integrating traditional medicine and healers into Western clinics, in order to find solutions to improve the wellness of people and encourage Native spiritualism as a way of life. These ethnographic studies conducted with those who walk their Native spiritual journey as spiritual seekers and the traditional medicine people and healers who have the ability to heal through spiritual guidance, traditional practices, and medicines offer richness and benefits for those seeking different paths to wellness.

### Native Spirit

Thomas Yellowtail—one of the most admired American Indian spiritual leaders of the last century—reveals the mystical beauty of the ancient Sun Dance ceremony, which still remains at the center of the spiritual life of the Plains Indians.

### Spirit Healing

Introduces the spirit-healing techniques of tribal shamans, and tells how to rid oneself of worries and contact a spirit guide

### Think Indigenous

A guide to integrating indigenous thinking into modern life for a more interconnected and spiritual relationship with our fellow beings, Mother Earth, and the natural ways of the universe. There is a natural law—a spiritual intelligence that we are all born with that lies within our hearts. Lakota spiritual leader Doug Good Feather shares the authentic knowledge that has been handed down through the Lakota generations to help you make and recognize this divine connection, centered around the Seven Sacred Directions in the Hoop of Life: Wiyóhinyanpata—East: New Beginnings Itókagata—South: The Breath of Life Wiyóhpeyata—West: The Healing Powers Waziyata—North: Earth Medicine Wankátakáb—Above: The Great Mystery Khúta—Below: The Source of Life Hóchoka—Center: The Center of Life Once you begin to understand and recognize these strands, you can integrate them into modern life through the Threefold Path: The Way of the Seven Generations—Conscious living The Way of the Buffalo—Mindful consumption The Way of the Community—Collective impact

### Teaching Spirits

This text offers a thematic approach to Native American religious traditions. The author demonstrates how themes within native traditions connect with each other while upholding the integrity of individual traditions.

### Two Ravens

This is the story of a remarkable Native American who through his own life struggles learned to unite the paths of warrior and healer. Two Ravens was taught the traditional healing ways of his Mandan, Hidatsa, and Arikara people by his grandfather, knowledge which served him well in his dealings with the hostile white society he later encountered. After years of rampant discrimination and racism, he became a warrior in the fight for the rights of his people. He joined the efforts of Leonard Peltier, Leonard Crow Dog, Frank Clearwater, and many other prominent leaders to ensure that his people might live in peace and with respect. But the constant battles often left Two Ravens censured both by fellow Native Americans who supported a more conservative political agenda and white law enforcement agencies.

who considered him an outlaw. Pulled between different worlds, he struggled against alcoholism and despair. It was only when he returned to his grandfather's teachings that he discovered a way to join the paths of the warrior and the healer. In the years before his death, Two Ravens worked as a substance abuse counselor and spiritual advisor, helping others integrate Native American traditions into their lives in contemporary America. Offers personal insights from a Native American who worked with the American Indian Movement from its inception

### The Eyes of Chyenne Soul Bird

Believe it or not, this little book took fourteen years to write. The Eyes of Chyenne Soul Bird is the story of Chyenne's caregiving experience of a terminally ill parent. During this time of isolation, she was routed inward on a spiritual journey that re-awakened her Native American heritage through a path of self-discovery born out of visions, dreams, and an inner dialogue of Spirit to Spirit. The Native American believes that a person's individual relationship with our Mother the Earth is a sacred one and that it can be unique in its expression. This book is simply the expression of her relationship with the Earth Mother and Her children. It is an inner dialogue of Spirit to Spirit. In that dialogue, is the voice of the Sacred Spirit that lives in all things, the Ancient Grandmother, Earthen Mother and her own voice, too. And in that intimacy of the sweetness of the Spirit, all are One. During those years of spiritual solitude on that perilous passageway of balance between Light and Darkness, she found Love, Compassion and herself.

### Road to the Sundance

A Native American spiritual elder shares many of his experiences of sacred Shoshoni and Lakota rituals, including piercing and buffalo-skull dragging and the Sundance, the rigorous four-day spiritual awakening.

### Spirit healing

Discusses the controversy over non-Native Americans practicing mysticism and earth spirituality.

### One Spirit, Many Peoples

Shamanism is the oldest and most enduring spiritual wisdom tradition, and is playing a major part in the psycho-spiritual awakening and movement we see now all across the globe. In today's disconnected, fragmented world, shamanism has the power to offer us the connection and wholeness we so need. In this book, Christa Mackinnon introduces the reader to a range of shamanic tools and approaches - including ceremony, trance journeying, vision quests, nature work, drumming, dancing, and lucid dreaming - to help readers heal, expand their consciousness, and reach their highest potential. This highly practical and straightforward manual demonstrates how to: - build an altar - conduct small ceremonies - connect with spirit helpers - carry out ancestral work ... and much more ! Through these practices, readers will learn how to come back to their roots, put soul and spirit at the heart of their existence, and develop authentic vision, purpose and meaning in life.

### Shamanism

More than 40 years ago, Thomas E. Mails began a personal exploration of the spiritual richness of traditional Native American customs and secret ceremonies. Using his gifts as a talented illustrator and writer, he tirelessly worked to bring the spiritual culture of Native Americans to readers until his death in November 2001. The new edition of Secret Native American Pathways: A Guide to Inner Peace authentically details the religious beliefs and rituals of four major tribes (Apache, Cherokee, Hopi, and Sioux) as practiced since ancient times. In this beautifully illustrated "how-to why-to" book, Mails' includes instructions for applying Native teachings to contemporary life. His central premise is that each tribe he discusses has triumphed over adversity through "walking the pathways" that led to inner peace, and that each of us can use these pathways to find our own inner peace.

## Secret Native American Pathways: Guide to Inner Peace

"This book is a fantastic and comprehensive introduction to shamanism by a leading expert and teacher on the subject. Shamanism is the oldest and most enduring spiritual wisdom tradition on Earth. It offers powerful practices for healing and finding wholeness, and is appealing to a whole new generation of spiritual seekers"--Amazon.com.

## Shamanism Made Easy

In these days of global crisis, thoughtful seekers increasingly turn to Native Americans for healing wisdom. The Sacred Pipe is the medicine, says Jay Cleve in this informative and practical guide to a key practice of Native American spirituality. The Hopi and other ancient cultures predicted our present age as one of transition into a New World. The galactic alignment ending the Mayan calendar on December 21, 2012 occurs only every 26,000 years and is thought to be a critical time for raising consciousness to align with the radical expansion of Earth energies. Cleve shows how the Pipe can facilitate transformation on both the personal and planetary levels. He explains its use in rituals such as the sweat lodge, the vision quest, and the sun dance and in relation to the Medicine Wheel. He also provides practical information on obtaining and caring for a Pipe and on preparing for and performing the Pipe ceremony.

## Path of the Sacred Pipe

These spiritual lessons are based on Native American shamanism but fit a wide range of interests from yoga and alternative medicine to Bible study and nature hiking. Hands-on exercises, step-by-step instructions for ceremonies, and sketches by the author's wife explain how to clear spaces of unwanted energy, create simple ceremonies, connect with spirit guides and angels, and interpret symbols. An extended discussion tells how to make a medicine wheel that resembles a labyrinth and use it as an engine for distance healing. Additional ceremonies for daily living, healing the earth, and soul retrieval are also described, and the spiritual quest itself is shown to follow the process of choosing a sacred place in nature, finding a sacred place within oneself, and connecting to the inner and outer worlds. Readers are encouraged to keep a notebook about their spiritual growth and refer to the key words and suggestions for internet research that are included.

## Finding Sanctuary in Nature

In *Before the Great Spirit* Julian Rice explores the spiritual values that informed Sioux attitudes surrounding warriors, tricksters, spirits, games, and conflict. Countering the widespread myths that both denigrate and appropriate Indian spirituality, Rice examines accounts written in the 1830s by Congregationalist ministers Samuel and Gideon Pond and Stephen R. Riggs; Ella Deloria, a Yankton Nakota linguist; Wilson D. Wallis, a Canadian anthropologist; native Lakota George Bushotter; and physician James R. Walker in order to delineate clearly Sioux thought from the biases and perspectives of these observers.
