Girl Genius: Agatha Heterodyne and the Beetleburg clank

Meet Zesty Tastee, flamboyant gay playboy and heir to the Tastee Corporation fortune. That's what the world knows of him, but Zesty is also Magpie, the corporate saboteur who fights against his father's corrupt business practices. Zesty's evil tycoon dad is out to destroy an entire rainforest, and he's joined up with a mysterious sect of ninjas to help keep 'Magpie' from interfering. Prince Ander is the sect agent on the case and Zesty has love at first sight for this dreamy ninja master. Zesty can't understand why anyone as noble as Prince would ever work with his father. His mission is to find out the secret of the rain forest, and win Prince's heart in the process!

Agatha H. and the Airship City

The Industrial Revolution has escalated into all-out warfare. It has been eighteen years since the Heterodyne Boys, benevolent adventurers and inventors, disappeared under mysterious circumstances. Today, Europe is ruled by the Sparks, dynasties of mad scientists ruling over — and terrorizing — the hapless population with their bizarre inventions and unchecked power, while the downtrodden dream of the Heterodynes' return. At Transylvania Polygnostic University, a pretty, young student named Agatha Clay seems to have nothing but bad luck. Incapable of building anything that actually works, but dedicated to her studies, Agatha seems destined for a lackluster career as a minor lab assistant. But when the University is overthrown by the ruthless tyrant Baron Klaus Wulfenbach, Agatha finds herself a prisoner aboard his massive airship Castle Wulfenbach — and it begins to look like she might carry a spark of Mad Science after all. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Girl Genius

The theft of Agatha Clay's locket, which is her only link to her parents, sparks a series of events that lead to revenge, kidnappings, and death.

Girl Genius Omnibus Volume One

Girl Genius, the multiple Hugo Award–winning steampunk webcomic by Phil and Kaja Foglio, now collected in hardcover! The Industrial Revolution has become all-out war! Mad Scientists, gifted with the Spark of genius, unleash insane inventions on an unprepared Europe. For centuries, the Heterodyne family of inventors kept the peace, but the last Heterodyne disappeared twenty years ago, leaving their ally Baron Klaus Wulfenbach to maintain order with his fleet of airships and army of unstoppable, if not very bright, Jaeger Monsters. At Transylvania Polygnostic University, Agatha Clay dreams of being a scientist herself, but her trouble concentrating dooms her to be a lowly minion at best. When her locket, a family heirloom, is stolen, Agatha shows signs of having the Spark in a spectacular, destructive fashion and captures the attention of the Baron—and the Baron's handsome young son, Gilgamesh. Swept up to the Baron's Airship City, Agatha finds herself in the midst of the greatest minds of her generation, as well as palace intrigue, dashing heroes, and an imperial cat. Agatha may be the most brilliant mind of her generation and the key to control of the continent, but first, she just has to survive.

Agatha H. and the Siege of Mechanicsburg

In a time when the Industrial Revolution has become an all-out war, mad science rules the world—with mixed success. In *Agatha H and the Siege of Mechanicsburg*, Agatha Heterodyne, the last of the Heterodyne family, has returned to her family's hereditary town with the might of the Wulfenbach Empire hot on her heels. The only thing holding off an outright attack is Gilgamesh Wulfenbach, the heir to the Empire, who has joined Agatha and her friends inside the great artificially intelligent fortress of Castle Heterodyne. Now they must race to repair the mechanisms that once allowed the Castle to defend Mechanicsburg, before the rest of Europa shows up to take all the revenge the mad Heterodynes of the past so richly earned. From the Hugo Award-winning *Girl Genius* online comics comes this fourth book in the Agatha H. series, and like the previous three books, it will engage you in a unique world of adventure, romance, and mad science!

Spider-Man

Blood washes the streets of the Big Apple. Torment plunges Spider-Man into the darkness within us all as he hunts the Lizard through the streets and sewers of New York City, trying to put an end to the bloodthirsty, homicidal rampage left in his wake. But what is driving the Lizard? Is it an answer that Spider-Man is prepared to face? Or will it be so shocking that it will make even the most courageous hero question his sanity? Collects *Spider-Man* #1-5.

Agatha H. and the Clockwork Princess

Intrigue! Subterfuge! Circus Folk! In a time when the Industrial Revolution has escalated into all-out warfare, mad science rules the world... with mixed success. With the help of Krosp, Emperor of All Cats, Agatha has escaped from the massive airship known as Castle Wulfenbach. After crashing their escape dirigible, Agatha and Krosp fall in with Master Payne's Circus of Adventure, a traveling troupe of performers dedicated to staging Heterodyne shows—dramatizations of the exploits of Bill and Barry Heterodyne and their allies—who are unaware of Agatha's connection to the Heterodyne line. Pursued by the ruthless Baron Klaus Wulfenbach, his handsome son Gil, and their minions (not to mention Othar Tryggvassen, Gentleman Adventurer), Agatha hides in plain sight among the circus folk, servicing their clanks and proving herself adept in performing the role of Lucrezia Mongfish, nemesis to—and later wife of—Barry Heterodyne. She also begins training under Zeetha, swordmistress and princess of the lost city of Skifander. Together, Agatha, Krosp, and the performers travel across the treacherous wasteland of war-torn Europa, towards Mechanicsburg, and the ancestral home of the Heterodynes—Castle Heterodyne. But with many perils standing in her way—including Wulfenbach's crack troops, mysterious Geisterdamen, savage Jägermonsters, and the fabled Storm King—it's going to take more than a spark of Mad Science for Agatha to get through... From Phil and Kaja Foglio, creators of the multiple WCCA and Hugo Award-winning webcomic *Girl Genius*, comes *Agatha H and the Clockwork Princess*, a gaslamp fantasy filled to bursting with Adventure! Romance! And Mad Science!

Librarians who work with readers will find this well-loved guide to be a treasure trove of information. With descriptive annotations of thousands of genre titles mapped by genre and subgenre, this is the readers' advisor's go-to reference. Next to author, genre is the characteristic that readers use most to select reading material and the most trustworthy consideration for finding books readers will enjoy. With its detailed classification and pithy descriptions of titles, this book gives users valuable insights into what makes genre fiction appeal to readers. It is an invaluable aid for helping readers find books that they will enjoy reading. Providing a handy roadmap to popular genre literature, this guide helps librarians answer the perennial and often confounding question "What can I read next?" Herald and Stavole-Carter briefly describe thousands of popular fiction titles, classifying them into standard genres such as science fiction, fantasy, romance, historical fiction, and mystery. Within each genre, titles are broken down into more specific subgenres and themes. Detailed author, title, and subject indexes provide further access. As in previous editions, the focus of the guide is on recent releases and perennial reader favorites. In addition to covering new titles, this edition focuses more narrowly on the core genres and includes basic readers' advisory principles and techniques.

Steampunk

What is steampunk? Fashion craze, literary genre, lifestyle - or all of the above? Playing with the scientific innovations and aesthetics of the Victorian era, steampunk creatively warps history and presents an alternative future, imagined from a nineteenth-century perspective. In her interdisciplinary book, Claire Nally delves into this contemporary subculture, explaining how the fashion, music, visual culture, literature and politics of steampunk intersect with theories of gender and sexuality. Exploring and occasionally critiquing the ways in which gender functions in the movement, she addresses a range of different issues, including the controversial trope of the Victorian asylum; gender and the graphic novel; the legacies of colonialism; science and the role of Ada Lovelace as a feminist steampunk icon.

Drawing upon interviews, theoretical readings and textual analysis, Nally asks: why are steampunks fascinated by our Victorian heritage, and what strategies do they use to reinvent history in the present?

Girl Genius

In the tradition of Jonathan Strange & Mr. Norrell, this brilliant first novel fuses history, fantasy, and romance. Prepare to be enchanted by M. K. Hobson's captivating take on the Wild, Wild West. The year is 1876. In the small Sierra Nevada settlement of Lost Pine, the town witch, Emily Edwards, is being run out of business by an influx of mail-order patent magics. Attempting to solve her problem with a love spell, Emily only makes things worse. But before she can undo the damage, an enchanted artifact falls into her possession—and suddenly Emily must flee for her life, pursued by evil warlocks who want the object for themselves. Dreadnought Stanton, a warlock from New York City whose personality is as pompous and abrasive as his name, has been exiled to Lost Pine for mysterious reasons. Now he finds himself involuntarily allied with Emily in a race against time—and across the United States by horse, train, and biomechanical flying machine—in quest of the great Professor Mirabilis, who alone can unlock the secret of the coveted artifact. But along the way, Emily and Stanton will be forced to contend with the most powerful and unpredictable magic of all—the magic of the human heart.

Library Media Connection

In the third installment of the Girl Genius novels, Agatha H. and the Voice of the Castle begins as Agatha Heterodyne returns to her ancestral home, the warped little town of Mechanicsburg. There she must claim her inheritance by convincing the artificial intelligence that animates her family's castle that she is, in fact, the new Heterodyne. But this apparently simple task is made complicated in several ways: An imposter claiming to be the legitimate heir appears. The Empire is convinced that Agatha is the person responsible for the Long War (and to be fair, they are not entirely incorrect). And, worst of all, the Castle itself is insane. From the Hugo Award-winning Girl Genius online comics comes this third book in the Agatha H. trilogy; and just like the first two, Agatha H. and the Voice of the Castle will grab you from the first page and not let go! Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. Agatha Heterodyne and the Siege of Mechanicsburg

Adventure, Romance, Mad Science! Agatha is the last of the Heterodynes-a notorious family of Mad Scientists that everyone had thought safely wiped out. In this volume, Agatha settles into a new lab, thinking she'll finally have time to get some work done. Then, the murders begin.

Agatha H. and the Voice of the Castle

In a time when the Industrial Revolution has become all-out war, Mad Science rules the world... with mixed success. At Transylvania Polygnostic University, Agatha Clay was a student with trouble concentrating and rotten luck. Dedicated to her studies but unable to build anything that actually worked, she seemed destined for a lackluster career as a minor lab assistant. But then the University was overthrown, and Agatha was taken aboard the giant airship Castle Wulfenbach - where it begins to look like she might carry a spark of Mad Science after all.
