Jazz Musicians of the Early Years, to 1945

The story of the first roughly half century of jazz is really the story of some of the greatest musicians of all time. Scott Joplin, Glenn Miller, Louis Armstrong, Fats Waller, Duke Ellington, Count Basie, Benny Goodman, Billie Holiday, and Ella Fitzgerald all made tremendous contributions, influencing countless jazz musicians and singers. This work provides biographical sketches of the aforementioned artists and many others who made jazz so popular in the first half of the twentieth century. Biographies cover the pioneers of jazz in New Orleans in the late 1890s and early 1900s; the soloists who fueled the Jazz Age in the 1920s; the musicians and bandleaders of the big band and swing era of the late 1920s and early 1930s; and icons from the height of jazz's popularity on through the end of the war. A discography is provided for each artist.

The Book of Governors

The story of the career, music, and life of the man who made drums a solo instrument, symbolized the swing era, and is still internationally recognized as “the world's greatest drummer.”

This supplement to *V-Discs: A History and Discography* updates the original volume which cataloged and described these unique recordings. The discographic section presents corrections and a wealth of new material that has come to light since the main discography was published. New information includes details on recording dates, personnel, vocalists and soloists, sources, playing times, composers, test pressings, studio dialogue, and spoken introductions, together with data on selections made from newly discovered V-Disc recording sessions. The supplement includes introductory material and notes (V-Disc personnel and recordings studios) and V-Disc mastering sheets. These 1942-1947 sheets complete the series inaugurated in *V-Discs* and are the last of these items in existence. The supplement also has an up-dated listing of AFRS transcriptions and LP record releases. Following the discography is a detailed artist/title index of all leaders, conductors, vocalists, and featured soloists appearing on selections listed in the supplement.

It was for stage bands, for dancing, and for a jiving mood of letting go. Throughout the nation swing re-sounded with the spirit of good times. But this pop genre, for a decade America's favorite, arose during the worst of times, the Great Depression. From its peak in the 1930s until bebop, r & b, and country swamped it after World War II, swing defined an American generation and measured America's musical heartbeat. In its heyday swing reached a mass audience of very disparate individuals and united them. They perceived in the tempers and tempos of swing the very definition of modernity. A survey of the thirties reveals that the time was indeed the Swing Era, America's segue into modernity. What social structures encouraged swing's creation, acceptance, and popularity? *Swing, That Modern Sound* examines the cultural and historical significance of swing and tells how and why it achieved its audience, unified its fans, defined its generation, and, after World War II, fell into decline. What fed the music? And, in turn, what did the music feed? This book shows that swing manifested the kind of up-to-date allure that the populace craved. Swing sounded modern, happy, optimistic. It flouted the hardship signals of the Great Depression. The key to its rise and appeal, this book argues, was its all-out appropriation of modernity--consumer advertising, the language and symbols of consumption, and the public's all-too-evident wish for goods during a period of scarcity. As it examines the role of race, class, and gender in the creation of this modern music, *Swing, That Modern Sound* tells how a music genre came to symbolize the cultural revolution taking place in America. Kenneth J. Bindas is an associate professor of history at Kent State University, Trumbull Campus, in Warren, Ohio. He is the author of *All of This Music Belongs to the Nation: The WPA's Federal Music Project and American Society, 1935--1939*.

Music was not Enough

An Unexpected Life By: Tonio Rocciano Tonio Rocciano was just fifteen. Considered “too young” and “too small,” no one would hire him. So he robbed a bank. He was caught and sentenced to the state reformatory in 1947. At seventeen, Tonio was conditionally released. As a Navy frogman he participated in the Korean invasion at Inchon. Tonio would be discharged for striking an officer. Once he was a civilian, Tonio fought with a man who had called him a racial slur; Tonio was incarcerated once again in Buena Vista. An unfortunate event sent Tonio to the Colorado State Penitentiary in Canon City in a cell on Death Row. The truth is yet to be known. Unwind the story of An Unexpected Life: Tonio's twists, tumbles and intrigue will draw you into this fascinating account of a multiracial youth finding his way.

"What a great story - a must for all music aficionados - this is legendary stuff. What a gift." - Mark Snow (prolific screen and TV composer of The X-files, The Rookies, Hart to Hart) "Van Alexander knows more about the Big Band era than any man alive - and he's written it all in his autobiography." - James Bacon, veteran Hollywood columnist "What a delight it is to have the recollections of one who was there, and was central to the development of the Swing Era, and so much of what followed..." - Garry Giddens - author, columnist, artistic director of the American jazz orchestra "Van Alexander vividly recalls and recaps all the great stories depicting his extraordinary career that began for him in Harlem at the legendary Savoy Ballroom. His anecdotes and association with many musical giants in Hollywood from Les Brown and Billy May, to Stan Getz and "Sweets" Edison. Meet them all in this wonderful book." - Richard Grudens - author of Stardust, The Bible of the Big Bands, and well known jazz musicologist. "Van's life story is truly a bit of musical history, and it resurrected many fond memories for me. He was

there at the beginning of the Swing Era, and recalls many great stories covering his early days at the Savoy Ballroom with Chick Webb and Ella Fitzgerald, up to and including his TV and picture credits and his collaboration with Michael Feinstein. I found his book 'unputdownable.'" - Quincy Jones
