Making Money With Mini Storage Auctions : Real Insider Tips And Tricks

Have you recently learned that you can make money with mini storage auctions? If so, you may be wondering how the process works and, better yet, how much you can make. To make money with self-storage auctions, you must buy merchandise for sale at an auction and then resell it for a profit. There is some risk involved. Rarely do you get to see up close or inspect what you are bidding on. With that said, there is always the possibility of making a profit. As for how much money you can make with mini storage auctions, it depends on a number of different factors. Start with how much you spend. When reselling for a profit, you need to limit your business expenses. This starts at the self-storage auction. If you see a storage unit filled with antique furniture, it is a good buy. You may have to bid high to walk away the winner, but never bid more than you need to. The less money you spend, the more you will make after your expenses have been deducted. It also depends on the merchandise you walk away with. Why there is the potential to make money is because a wide range of items can be found in self-storage units. As previously stated, it is common to find furniture stored in them. When two households are consolidated into one, a storage unit is often rented. You may get lucky and find an auction where the whole contents of a home are up for bid. Toys, books, movies, and clothes can also be found.

Storage Unit Auctions Unleashed

INTRODUCTION:THIS IS NOT ANOTHER BOOK FILLED WITH EMPTY PROMISES ABOUT HOW TO "GET RICH QUICK." GETTING RICH QUICK SIMPLY DOESN'T EXIST IN THE REAL WORLD OF WORKING. THIS IS AN EBOOK WRITTEN BY SOMEONE WHO HAS DONE WHAT HE WRITES ABOUT. INSTEAD OF TRYING OUT SOMEONE ELSE'S IDEAS THAT DO NOT WORK, YOU CAN REALISTICALLY BEGIN, AFTER A LITTLE PRACTICE, EARNING AN EXTRA \$400 TO \$800 OR MORE INCOME EACH MONTH BY RESELLING ITEMS YOU BUY FROM MY "SOURCE." YOU CAN TAKE IT EASY SUNDAYS AT YOUR OWN GARAGE SALE, SWAP MEET, OR FLEA MARKET WHILE COLLECTING CASH. IF YOU PREFER, YOU CAN STORE LARGER ITEMS TO RESELL LIKE FURNITURE AND REFRIGERATORS, INSIDE A MINI STORAGE UNIT YOU RENT, AND HAVE BUYERS MEET YOU THERE. TABLE OF CONTENTS: INTRODUCTION.....1 From Chapter #4 "YOUR PRODUCT SOURCE" "I do not recall where it was I got the idea, but I started visiting numerous storage

unit auctions, just to see what they were all about. These are also called Self Storage Auctions, and Mini Storage Auctions. Later, it became my best source for my products to resell at the swap meet, and through small online classified ads. Mini storage unit facilities are the places where you may have rented a room to store your extra things in, which you lock up yourself. You could have run out of room in your own garage storing your extra stuff. You may have discovered later that it cost more to store your valuables than they were actually worth. On the other hand, you could have had some family heirlooms, which were priceless to you because of their meaning and sentimentality, and it did not matter how much the space cost. I discovered that there were auctions held at storage facilities that were advertised right in my..."Note from the Author...If you want to earn part time or full time income in your own work from home legitimate business that is easy to learn, this eBook may be your ticket to a brand new career. This is the perfect business for someone who has kids at home, or is retired. If you are tired of having a boss, you could do this part time until you make enough money to quit your day time job. If you truly want to be free, and master of your own destiny, try this out on the weekends to see if you like being in this type of field, or not. You have nothing to lose, but could gain a way to make extra income each month in something that can be fun to do for part time income or full time to make a living at. Sincerely, Steve Humphreys

Mastering Storage Unit Auctions

It is a little known fact that all across America each month, thousands of storage units are auctioned off because the tenants have failed to pay the rent. The vast majority of these units will be sold well below what they are worth. This creates an opportunity for the ambitious, risk taking investor. It is possible to buy these units and profit from the sale of the items they contain. I, personally, have seen profits in one day that put a years worth of stock market gains to shame. You might ask yourself why you have not heard about these opportunities before. Well, the answer is that auction buyers know how much money they can make and are careful not to reveal their secrets. Inside this book, I break this code of silence. Learn how you can take part in this great opportunity!

Making Income from Storage Unit Auctions

Making money from buying storage lockers at auction is a booming trend. It's possible to work only a few hours per day and still make a big time profit. Buying items for resale at storage auctions is a great way to make money. Depending on the auction, you can be bidding on something as small as a single box or carton, to as large as an entire 400 square foot storage room. What you are doing is buying the entire contents at a wholesale price, and expecting that the merchandise you find inside will allow you to double or triple your investment, or more. The storage company has a problem; they have a unit that's full of stuff that they need to remove. You get to buy this stuff at a steep discount, throwing some out, and reselling the rest for a tidy sum of money. While it is possible to make a good amount of money this way, there are also risks of which you should be aware. Lots of different things can be found in these units, and you almost never get to inspect what's inside before you buy them. You might get stuck with a bunch of old rags, or a few moldy mattresses. Or worse, you can have a huge volume of goods, but that have no resale value whatsoever. So how do you take advantage of the profit potential that these auctions present without losing your shirt? This book will give you tips and strategies about the process, and how to maximize your return while minimizing risk. We will also go over the procedures and rules, so that you can avoid common mistakes in the process. And, we'll give an example of an easy to follow system for selecting items to buy, how to organize yourself and your team, and some tips on how and where to resell your purchase for maximum profit. Storage auctions are a great opportunity to make money by helping everyone out. Let's get started!

Contents
Preface

Giving even the most inexperienced collector the skills and expertise to buy, value, and sell their way to success, the book shows how anyone can turn garage sale garbage into cash. Newly revised and updated, The Garage Sale Millionaire also explains how to get the most bang for your buck when reselling—by holding the greatest garage sale ever. Presents exclusive insider tips on how to track down hidden treasures Reveals the best ways to resell at profit Explains how to use eBay & Craigslist for profit Includes an in-depth glossary on collecting for on-the-go advice Explains how to make money at storage unit auctions & thrift stores Essential reading for anyone interested in collecting, bargain hunting, or just making some money, The Garage Sale Millionaire will change the way you see garage sales forever.

Making Money in Storage Auctions: How to Profit from the Storage Wars and Become a Storage Auction Warrior

The Weekend Storage Warrior (Storage Auctions for Fun and Profit) was written for the average person who wants to learn how to make money at storage auctions as a small, part-time buyer. All you need is a few hundred dollars, a storage area, a pickup truck or van, and, perhaps, your own trash dumpster. This book does not promise to make you a millionaire. Making money from storage auctions is a lot of work. The nice thing about it is that you can earn some decent cash while you are waiting for that dream unit of a lifetime to come along. Written from 20 years experience, after purchasing hundreds of units, the book covers all aspects of the storage auction business. The first chapters shows all of the different ways to find auctions, how to buy profitable units, and how to avoid the scams and pitfalls that can befall the inexperienced buyer. The second part is about loading and sorting units, and pricing objects of unknown value. The third part is the most important, how to sell. Anyone can go to a storage auction and buy a storage unit. The hard part is selling the merchandise that is acquired for enough money to make a profit. The book really gets in to the details of how to price and sell used merchandise, both at local venues like flea markets and consignment stores, as how to sell on eBay, Craigslist, and Amazon. An entire sub-chapter is devoted to how to test gold jewelry, and get the best price for scrap gold and silver. Numerous case histories of actual units that were purchased in a time period spanning from 1993 to the 2013 give a feel of what it is really like outside of the world of reality TV. Finally, the book covers the rules and regulations, including items that are prohibited from sale, what to do if you find a firearm in a storage unit, proper disposal of hazardous materials, and sales tax and income tax issues. This book is an original work based on the author's own experience and research, and is among the best current reference materials on the subject. The book is 230 pages, first published in the paperback edition August of 2013. If you would just like to read a funny, entertaining book about storage auctions, or if you have some spare time and could use an extra ten grand or so by this time next year, and perhaps a lot more, I encourage you to buy a copy, and I wish you, Good luck! Jens Tobias

The Garage Sale Millionaire

This is the second "coming" of my storage auction book very , written in 2010, this one contains "far" more information, pages, chapters, etc. than my first book " Storage Auctions 101" this ia a more "robust storage auction book, if you want to get into the hidden marketplace of storage auctions, a business that produces a lot of cash read on"The New Storage Auction Buyer's Handbook" is for the person that is just " more than curious " about the storage auction business, it gives you the basics, and more perfect for the part- time or full time storage auction hound!!!! Making Money with Storage Unit Auctions

this book shows you the ins and outs of starting a business buying storage lockers and selling the contents for a nice profit.

The Newbie Storage Auction Buyer's Handbook

Find creative ways to make money in businesses with little competition Using interviews with unconventional entrepreneurs, the author's own wide-ranging experience with weird jobs, and extensive research, 101 Weird Ways to Make Money reveals unusual, sometimes dirty, yet profitable jobs and businesses. Whether you're looking for a job that suits your independent spirit, or want to start a new business, this unique book shows you moneymaking options you haven't considered. Most of these outside-the-box jobs don't require extensive training, and are also scalable as businesses, allowing you to build on your initial success. Jobs and businesses covered include cricket and maggot

farming, environmentally friendly burials, making and selling solar-roasted coffee, daycare services for handicapped children, and many more Each chapter features a "where the money is" section on how to scale-up and be profitable Author writes a popular website and email newsletter on unusual ways to make money Whether you're seeking a new career, an additional revenue stream, or a new business idea, you will want to discover 101 Weird Ways to Make Money.

Storage Auction Profits

After learning a little about storage unit auctions from a friend, the author set out to learn how to make enough money to go to work full time making money on storage unit auctions. After a lot of trial and error he accomplished his task. Now he shares a road map to success that will help you avoid the errors he made, and put you on a path to success.

101 Weird Ways to Make Money

This book was written with the intent of helping anyone who has been thinking about bidding on storage units as a hobby or a business. The process involves helpful suggestions on many levels of the "Ins" and "Outs" of making a successful business from storage auctions. Details covered include: Locating storage auctions, the tools needed to operate, registration, policies and laws of storage auctions, what to expect and what to avoid, the downsides, finding out what something is worth, how and where to sell, and the varying costs of doing business. If there had been a book like this one available when I began buying storage units, I would have saved a lot of money and avoided costly mistakes. This book is my opportunity to help others avoid those very mistakes and save money in the process. By reading this book, you will enjoy a profitable and successful storage auction business.

Buy for a Dollar Sell for Two

When you ask how do I get into the storage buying business? That's the easy question and gets an easy answer. But what do you do with all the stuff you buy? How can you make money at it? What is the next step. This book delivers every aspect of the storage buying business and takes you all the way to money in your pocket!

Making A Living With Storage Auctions Online & Off. Advice from the doers

Have you ever heard of storage for auction? Did you know that now is the perfect time to get into the storage auction business? This book proves to you that you can make a living in the storage auction business! You'll learn how to go from poor sales to over \$6,000 in sales per month, in just a few weeks, even if you're a newbie and have no business experience. Now imagine doing all of that, but with laser-like precision knowing full well that everything you do is designed to make you more money. If you want to be successful and make \$6,000 or more per month with storage auctions, then read this book today!

The Storage Auction Guide

If you want a down and dirty guide to the esoteric world of storage auctions this is your passport. This book is for the "casual" person who wants to know enough about storage auctions to be dangerous but is not ready to get married to the life. You have seen the reality storage auction shows on the tube. They have created a frenzy bordering on the insane and many people want to go out there and test their luck! With excitement comes a lack of good sense! I watched hundreds of people come out to "test their luck" over the years at the storage auctions and 99% of them went home with lighter pockets and dirty hands. Storage Auctions 101 gives you the basics and some tips that border on advanced storage auction buying techniques. This book will put you in the driver's seat and give you the ability to act like a "pro" on the auction trail. I submit the storage auction business is not easy, nor as clean as what you see on TV this business will get your hands, clothes and soul dirty if you are not careful. Just as there is the possibility of winning big you can lose big !!! Many people liken storage auctions to gambling. It is not, when you gamble you have no control over nothing but what you bet, with knowledge, a plan and some get up and go about yourself, you can consistently make money in the storage auction business. I know of few people who "gamble" that do pull that off on a regular basis. With over 1300 storage auction units under my belt there is not much I have not seen and this information will ramp up your knowledge base quickly! A quick read and that will prepare you to go out and win in no time." Fatigue makes cowards of us all" Vince Lombardi

Ham'r Up! Bid'r Down!

A Guide To Joining Auction Market

Garage Sales are as American as apple pie, just like apple pie, no two are the same! It can be a fun way to spend the weekend, driving around town to see what your neighbors have to offer. Seeking hidden jewels or checking out the curious things people no longer want. Unfortunately, most garage sales, are neither well organized, nor planned out well! Many garage sales are last minute endeavors and it shows! If you are thinking of having a garage sale in the near future and you are dreading it, The Ultimate Garage Sale is handy reference for you. This is a way to take the "pain" out of the process, by giving you a step by step method to host your garage sale and add to your income, by selling items, you no longer need or care about. The average 3-4 bedroom home usually has enough "stuff" laying around to make \$1500-2000.00 dollars at a well organized garage sale! Think about it, things that are in your way could be putting money in your pocket! The Ultimate Garage Sale is a nifty resource that will help you make big profits at you next garage sale, yard sale, basement sale, porch sale, church fund raiser, estate sale or any sale that you are selling pre-owned merchandise. I made \$1350.00 dollars in one day, during a three day sale, putting this one strategy into play! Written in no nonsense terms for the buyers of storage auctions, but applicable to anyone that wants to make money with a garage sale. The Ultimate Garage Sale will guide you from start to finish utilizing tried and tested techniques to make more than average income with a garage sale. The things that you will learn from this book, will teach you how to hold a successful garage sale. You can vastly improve your garage sale income, by employing the lessons laid out in this book! Written by Glendon Cameron the author of Making Money A-Z with Self Storage Auction Units, the number one storage auction book in the country!

Storage Auctions 101

Learn the tips and tricks that you need to get started with mini storage auctions. Get insider information that will help you to become profitable. Find out what to bring to an auction, how to bid, and how to sell the stuff you win. Included is a list of Do's and Don'ts as well as common mistakes to avoid. Armed with this knowledge, you should have a much better chance at success. Let the treasure hunt begin now!

200 Quick Cash Jobs

Step by step instructions on how to buy storage unit auctions, tips, stories, great finds and what to do after you buy a unit.

Creating Your Own Storage Auction Profits

This book fills a gap in the existing resources available to students and professionals requiring an academically rigorous, but practically orientated source of knowledge about real estate finance. Written by a bank vice-president who for many years has practiced as a commercial lender and who teaches real estate investment at university level, and an academic whose area of study is finance and particularly valuation, this book will lead readers to truly understand the fundamentals of making a sound real estate investment decision. The focus is primarily on the valuation of leased properties such as apartment buildings, office buildings, retail centers, and warehouse space, rather than on owner occupied residential property.

The Ultimate Garage Sale

Learn everything you need to know about buying storage units. Discover where to find the sales and how the auction process works. Utilize proven techniques to accelerate the learning curve and eliminate potentially costly buying mistakes, including the author's personal formula for making quick and accurate assessments; the Four C's (aka 'The Cube Theory'). Learn how to recognize valuables, determine their worth, and turn them into cash. Written by a real buyer, with extensive hands-on experience, How to Make Money Buying Storage Foreclosures is the most informative manual ever published on the subject.

Mini Storage Auctions

Find out how to create a passive income from rental properties (even if you don't own one yet) and never have to trade your time for money again! Start living life working when, how, and where you want. Even if you go to work every morning and bring home a steady paycheck to fit your lifestyle or your family's, you will probably always find it tricky to overcome unexpected occurrences due to the ever-increasing cost of living. How to Make a Living Buying Storage Unit Auctions

This is our story of our life for ten years in Our Thrift Antique Shop in Southern California. It deals with the lives and deaths of several customers, who mainly became family. The stories are true and heartfelt. It shows how life can change in an instant. We're all faced with diversities and challenges. There are no guarantees with life, we all must keep trying. There is a circle of life, in reality most of us are the same. Just playing different roles. We feel people will relate to these stories. Blessings find you in the strangest places. Maybe even a junk store.

Real Estate Investment
