UNDER THE KNIFE

A fan-favorite novel by internationally bestselling author Tess Gerritsen For attorney David Ransom, it begins as an open-and-shut case: malpractice. Then Dr. Kate Chesne storms into his office, daring him to seek out the truth—that she's being framed. When another patient turns up dead, David starts to believe her. Somewhere in the Honolulu hospital, a killer walks freely. And now David finds himself asking the same questions Kate is desperate to have answered. Who is next—and why?

Under the Knife

For attorney David Ransom, it begins as an open—and—shut case: malpractice. Then Dr. Kate Chesne storms into his office, daring him to seek out the truth—that she's being framed. When another patient turns up dead, David starts to believe her. Somewhere in the Honolulu hospital, a killer walks freely. And now David finds himself asking the same questions Kate is desperate to have answered.

Under The Knife

A fan-favorite novel by internationally bestselling author Tess Gerritsen Miranda Wood thinks she has seen the last of Richard Tremain, her rich and married ex-lover—until she discovers him stabbed to death in her bed. With her knife. Miranda is the obvious suspect, and she looks even guiltier when her bail is posted by an anonymous donor. Was this an act of kindness designed to buy her time to clear her name? Or is someone trying to manipulate Miranda and draw her into the dark and secret world of a murdered man, where everybody's presumed guilty? With her world falling around her, Miranda is determined to discover who killed Richard. But proving her innocence may become secondary to staying alive....

PRESUMED GUILTY

Mystery fiction. Detective and mystery stories. Another book in the series A Mizzoli and Isles Thriller.

Harvest

'If you like your crime medicine strong, this will keep you gripped.' Mail on Sunday DON'T COUNT ON SEEING TOMORROW Dr Toby Harper's quiet night is disrupted when a severely ill man stumbles into ER. She suspects a viral brain infection. But shortly after trying to treat him, he disappears without a trace. When a second person is admitted with the same symptoms, she starts to trace the deadly infection backwards. And begins to suspect foul play. And that she may be on borrowed time . . .

Life Support

An organism harmless on earth where it is subject to gravity terrorizes a research station in space. Scientists die violently and from their insides spill creatures that are part human, part frog and part mouse.

Gravity

Revisit this heart-racing romantic suspense novel from New York Times bestselling author Tess Gerritsen! If Nina Cormier's wedding had taken place, she would be dead. But after the bride was left at the altar, the church stood empty when the bomb exploded. It wasn't until a stranger tried to run her off the road that Nina realized someone actually wanted to kill her. But who? That's what Detective Sam Navarro has to find out...fast. With a nightmare unfolding all around them, Sam and Nina must try to decipher the terrifying truth: they are at the mercy of a brilliant madman, one who is playing for keeps.... First published in 1996.

Keeper of the Bride

Rediscover this classic story from master thriller author Tess Gerritsen The quiet scandal surrounding the death of her parents has always haunted Beryl Tavistock. Now she's asking dangerous questions, and the answers are proving that the past does not die easily. Pulled into a world of espionage, Beryl quickly discovers that she needs help, and former CIA agent Richard Wolf is her only hope. But in a world where trust is a double-edged sword, friends become enemies and enemies are killers. Originally published in 1994

In Their Footsteps

A ringing phone in the middle of the night shakes newlywed Sarah Fontaine awake. Expecting her husband's call from London she hears instead an unfamiliar voice. Nick O'Hara from the U.S. State Department is calling with devastating news: Geoffrey Fontaine, Sarah's husband of two months, died in a hotel fire ... in Berlin. Convinced her husband is still alive, Sarah forces a confrontation with Nick that finds them crisscrossing Europe on a desperate search for Geoffrey. Trying to stay one heartbeat ahead of a dangerous killer, they become quarry in the clandestine world of international espionage, risking everything for answers that may prove fatal.

Call After Midnight & Under the Knife

Under the knife: For attorney David Ransom it's an open-shut case, malpractice. Then Dr Kate Chesne storms into his office daring him to seek the truth.

Trust No One

Sarah Goldman loves Hanukkah, and she's thrilled to be appointed as vice chair of the Hollowville Hanukkah Festival. So when the festival is threatened with cancellation, she comes up with an idea: a new slogan and advertising campaign topped off with a metal menorah large enough to fill the center of town. But even though her heart and dreams are large, the committee's budget constraints threaten to stop her grand plans right in their tracks. Famous metal sculptor Isaac Lieberman also loves Hanukkah. But his vision of a perfect Hanukkah isn't a commercial community event—it's spending time with family, following age-old traditions. He's not interested in the festival, no matter how many times his grandmother, his bubbe, asks him to contribute one of his sculptures. Then Sarah comes tumbling into his life...can she change his mind about more than just the holidays?

Miracles and Menorahs

Biotechnology tycoon Morgan Finney is highly intelligent but shy and emotionally fragile. When his beloved wife Jenny dies of complications during a surgery led by Dr. Rita Wu, Finney's grief turns to rage. He vows to kill Rita just as he believes she killed his wife. But first he will systematically destroy her life. He will take what is precious to her just as she did to him. Aided by a mysterious man, Finney uses advanced medical technology to ruin Rita's reputation and bring her to the brink of madness. Alone, fighting for her sanity and life, Rita reaches out to her former lover, Dr. Spencer Cameron, for help. Together they must fight to uncover Finney's horrific intentions and race to stop him before it's too late. Terrifying and captivating, Kelly Parsons's *Under the Knife* is a heart pounding thriller that will have readers on the edge of their seats up to the very last page.

Under the Knife

Two books in one. *UNDER THE KNIFE*: For attorney David Ransom, it begins as an open-and-shut case: malpractice. Then Dr Kate Chesne storms into his office, daring him to seek out the truth - that she's being framed. When another patient turns up dead, David starts to believe her. Somewhere in the Honolulu hospital, a killer walks freely. And now David finds himself asking the same questions Kate is desperate to have answered. Who is next - and why? *NEVER SAY DIE*: Twenty years after her father's plane crashed in the jungles of Southeast Asia, Willy Jane Maitland travels to the other side of the world to track his final moves. She recognises the danger in what she's doing, but her search for the truth about that fateful flight is the only thing that matters. Irreverent former army officer Guy Barnard knows the jungles and the workings of the mystical land so unfamiliar to Willy - and Willy knows she couldn't proceed without him. But in a place where truth has many faces, she suspects even Guy has hidden motives. What she couldn't have prepared for are the shocking secrets and undeniable attraction she must face.

Clear Cut

With her acclaimed novels *Harvest* and *Life Support*, Tess Gerritsen has injected a powerful dose of adrenaline into the medical thriller. Now, Gerritsen melds page-turning suspense with chilling realism as a small-town doctor races to unravel the roots of a violent outbreak—before it destroys everything she loves. Lapped by the gentle waters of Locust Lake, the small resort town of Tranquility, Maine, seems like the perfect spot for Dr. Claire Elliot to shelter her adolescent son, Noah, from the distractions of the big city and the lingering memory of his father's death. But with the first snap of winter comes shocking news that puts her practice on the line: a teenage boy under her care has committed an appalling act of violence. And as Claire and all of Tranquility soon discover, it is just the start of a chain of lethal outbursts among the town's teenagers. As the rash of disturbing behavior grows, Claire uncovers a horrifying secret: this is not the first time it has happened. Twice a century, the children of Tranquility lash out with deadly violence. Claire suspects that there is a biological cause for the epidemic, and she fears that the placid Locust Lake may conceal an insidious danger. As she races to save Tranquility—and her son—from harm, Claire discovers an even greater threat: a shocking conspiracy to manipulate nature and cause innocents to slaughter.

Presumed Guilty

In 1862, having completed his medical studies in Europe, Julian Chisholm finds himself in Glasgow, penniless, but determined to return home and offer his skill as a surgeon to the cause of the Confederacy. Through a cynical, happy-go-lucky gambler he meets lovely Jane Anderson, widow of a Confederate army officer, who needs a husband badly if she is to return to Georgia to fight for her estates. She offers Julian the price of his passage if he will marry her, and he accepts, hoping that marriage will drive away his constantly recurring thoughts of beautiful, shameless Lucy Sprague who had rejected him three years before for an untrustworthy but wealthy Yankee senator. Once in the Confederacy, Julian plunges into the hazardous work of an army field surgeon as he tries to forget both Lucy and Jane, in whom his interest has deepened. On the bloody battlefields of Vicksburg and Chickamauga he performs delicate under-fire operations, oblivious of his personal safety and concerned only with the lives of the wounded under his knife. There are detailed and accurate descriptions of Julian at work, from the scene at the primitive base hospital where he saves an adolescent boy with a dangerous head injury to the night in a sumptuous mansion where he makes medical history when he removes an appendix as a cure for typhlitis. As we follow Julian through rapidly shifting scenes of action, Jane and Lucy again cross his path and disturb his loyalties. How he resolves his personal conflict and makes his final choice between love and duty is the climax of this dramatic story of a doctor in the Civil War

Never Say Die

German Panzer ace Michael Wittmann was by far the most famous tank commander on any side in World War II, destroying 138 enemy tanks and 132 anti-tank guns with his Tiger. In this continuation of his story, Volume Two follows Wittmann and his unit into Normandy to defend against the Allied invasion and provides maps, official documents, newspaper clippings, and orders of battle. A week after D-Day, Wittmann achieved his greatest success. On June 13, 1944, near Villers Bocage, the panzer ace and his crew attacked a British armored unit, single-handedly destroying more than a dozen tanks and preventing an enemy breakthrough. The exploit made Wittmann a national hero in Germany and a legend in the annals of war. He was killed two months later while attempting to repulse an Allied assault, but the book continues beyond his death until the Leibstandarte's surrender.

The Monster in the Box

A woman trying to outrun her past is drawn to a coastal village in Maine—and to a string of unsolved murders—in this novel of romance and psychological suspense from New York Times bestselling author Tess Gerritsen. "Suspenseful, sexy, and soulful."—J. R. Ward, bestselling author of the Black Dagger Brotherhood series After an unspeakable tragedy in Boston, Ava Collette flees to a remote village in Maine, where she rents an old house named Brodie's Watch. In that isolated seaside mansion, Ava finally feels at peace . . . until she glimpses the long-dead sea captain who still resides there. Rumor has it that Captain Jeremiah Brodie has haunted the house for more than a century. One night, Ava confronts the apparition, who feels all too real, and who welcomes her into his world—and into his arms. Even as Ava questions her own sanity, she eagerly looks forward to the captain's ghostly visits. But she soon learns that the house she loves comes with a terrible secret, a secret that those in the village don't want to reveal: Every woman who has ever lived in Brodie's Watch has also died there. Is the ghost of Captain Brodie responsible, or is a flesh-and-blood killer at work? A killer who is even now circling closer to Ava? Miss Mole

A gripping standalone thriller by the New York Times bestselling author of the Rizzoli & Isles series INTERNATIONAL THRILLER WRITERS AWARD FINALIST • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LOS ANGELES TIMES AND SUSPENSE MAGAZINE In a shadowy antiques shop in Rome, violinist Julia Ansdell happens upon a curious piece of music—the Incendio waltz—and is immediately entranced by its unusual composition. Full of passion, torment, and chilling beauty, and seemingly unknown to the world, the waltz, its mournful minor key, its feverish arpeggios, appear to dance with a strange life of their own. Julia is determined to master the complex work and make its melody heard. Back home in Boston, from the moment Julia's bow moves across the strings, drawing the waltz's fiery notes into the air, something strange is stirred—and Julia's world comes under threat. The music has a terrifying and inexplicable effect on her young daughter, who seems violently transformed. Convinced that the hypnotic strains of Incendio are weaving a malevolent spell, Julia sets out to discover the man and the meaning behind the score. Her quest beckons Julia to the ancient city of Venice, where she uncovers a dark, decades-old secret involving a dangerously powerful family that will stop at nothing to keep Julia from bringing the truth to light.
