Can you imagine living in the **medieval**, ages? Let's have a look at how our ancestors used to live!

Medieval ages, also known as Medieval times, commenced in 476, with the fall of the Roman empire, and finished in 1492 with the discovery of America.

Under the noblemen, there were vassals, who worked and lived in the lands dominated by the noblemen, and they gave part of their work in exchange for protection and help.

Islam was the other great religion during this time, and the confrontation between Muslims and Christians was constant.
