## The Jazz Pilgrimage of Gerald Wilson

Jazz great Gerald Wilson (1918-2014), born in Shelby, Mississippi, left a global legacy of paramount significance through his progressive musical ideas and his orchestra's consistent influence on international jazz. Aided greatly by interviews that bring Wilson's voice to the story, Steven Loza presents a perspective on what the musician and composer called his "jazz pilgrimage." Wilson uniquely adapted Latin influences into his jazz palette, incorporating many Cuban and Brazilian inflections as well as those of Mexican and Spanish styling. Throughout the book, Loza refers to Wilson's compositions and arrangements, including their historical contexts and motivations. Loza provides savvy musical readings and analysis of the repertoire. He concludes by reflecting upon Wilson's ideas on the place of jazz culture in America, its place in society and politics, its origins, and its future. With a foreword written by Wilson's son, Anthony, and such sources as essays, record notes, interviews, and Wilson's own reflections, the biography represents the artist's ideas with all their philosophical, historical, and cultural dimensions. Beyond merely documenting Wilson's many awards and recognitions, this book ushers readers into the heart and soul of a jazz creator. Wilson emerges a unique and proud African American artist whose tunes became a mosaic of the world.

## The Jazz Pilgrimage of Gerald Wilson

New Orleans is a kind of Mecca for jazz pilgrims, as Whitney Balliett once wrote. This memoir tells the story of one aspiring pilgrim, Clive Wilson, who fell in love with New Orleans jazz in his early teens while in boarding school in his native England. It is also his story of gradually becoming disenchanted with his family and English environment and, ultimately, finding acceptance and a new home in New Orleans. The timing of his arrival, at age twenty-two, just a few weeks after the signing of the 1964 Civil Rights Act and the end of legal segregation, placed him in a unique position with the mostly African American musicians in New Orleans. They showed him around, brought him into their lives, gave him music lessons, and even hired him to play trumpet in brass bands. In short, Wilson became more than a pilgrim; he became an apprentice, and for the first time, legally, in New Orleans, he could make that leap. *Time of My Life: A Jazz Journey from London to New Orleans* tells the story of Wilson's journey as he discovers the contrast between his imagined New Orleans and its reality. Throughout, he delivers his impressions and interactions with such local musicians as "Fat Man" Williams, Manuel Manetta, Punch Miller, and Billie and DeDe Pierce. As his playing improves, invitations to play in local bands increase. Eventually, he joins in the jam and, by doing so, integrates the Original Tuxedo Jazz Band, which had been in continuous existence since 1911. Except for a brief epilogue, this memoir ends in

1979, when Wilson assembles his own band for the first time, the Original Camellia Jazz Band, with musicians who had been among his heroes when he first arrived in New Orleans.

### Time of My Life

A multifaceted portrait of "El Rey"

### Tito Puente and the Making of Latin Music

"New Orleans is a kind of Mecca for jazz pilgrims, as Whitney Balliett once wrote. This memoir tells the story of one aspiring pilgrim, Clive Wilson, who fell in love with New Orleans jazz in his early teens while in boarding school in his native England. It is also his story of gradually becoming disenchanted with his family and English environment and, ultimately, finding acceptance and a new home in New Orleans. The timing of his arrival, at age twenty-two, just a few weeks after the signing of the 1964 Civil Rights Act and the end of legal segregation, placed him in a unique position with the mostly African American musicians in New Orleans. They showed him around, brought him into their lives, gave him music lessons, and even hired him to play trumpet in brass bands. In short, Wilson became more than a pilgrim; he became an apprentice, and for the first time, legally, in New Orleans, he could make that leap. *Time of My Life: A Jazz Journey from London to New Orleans* tells the story of Wilson's journey as he discovers the contrast between his imagined New Orleans and its reality. Throughout, he delivers his impressions and interactions with such local musicians as 'Fat Man' Williams, Manuel Manetta, Punch Miller, and Billie and DeDe Pierce. As his playing improves, invitations to play in local bands increase. Eventually, he joins in the jam and, by doing so, integrates the Original Tuxedo Jazz Band, which had been in continuous existence since 1911. Except for a brief epilogue, this memoir ends in 1979, when Wilson assembles his own band for the first time, the Original Camellia Jazz Band, with musicians who had been among his heroes when he first arrived in New Orleans."--Provided by publisher.

### Time of My Life

*Global Jazz: A Research and Information Guide* is an annotated bibliography that explores the global impact of jazz, detailing the evolution of the African American musical tradition as it has been absorbed, transformed, and expanded across the world's historical, political, and social landscapes. With more than 1,300 annotated entries, this vast compilation covers a broad range of subjects, people, and geographic regions as they relate to interdisciplinary research in jazz studies. The result is a vivid demonstration of how cultures from every corner of the globe have situated jazz—often regarded as America's classical music—within and beyond their own musical traditions, creating new artistic forms in the process. *Global Jazz: A Research and Information Guide* presents jazz as a common musical language in a global landscape of diverse artistic expression.

### Global Jazz

The song remains the most basic unit of modern pop music. Shaped into being by historical forces—cultural, aesthetic, and technical—the song provides both performer and audience with a world marked off by a short, discrete, and temporally demarcated experience. *One-Track Mind: Capitalism, Technology, and the Art of the Pop Song* brings together 16 writers to weigh in on 16 iconic tracks from the history of modern popular music. Arranged chronologically in order of release of the tracks, and spanning nearly five decades, these essays zigzag across the cultural landscape to present one possible history of pop music. There are detours through psychedelic rock, Afro-pop, Latin pop, glam rock, heavy metal, punk, postpunk, adult contemporary rock, techno, hip-hop, and electro-pop here. More than just deep histories of individual songs, these essays all expand far beyond the track itself to offer exciting and often counterintuitive histories of transformative moments in popular culture. Collectively, they show the undiminished power of the individual pop song, both as distillations of important flashpoints and, in their afterlives, as ghostly echoes that persist undiminished but transform for succeeding generations. Capitalism and its principal good, capital, help us frame these stories, a fact that should surprise no one given the inextricable relationship between art and capitalism established in the twentieth century. At the root, readers will find here a history of pop with unexpected plot twists, colorful protagonists, and fitting denouements.

### One-Track Mind

Mel Lewis (1929-1990) was born Melvin Sokoloff to Jewish Russian immigrants in Buffalo, New York. He first picked up his father's drumsticks at the age of two and at 17 he was a full-time professional musician. *The View from the Back of the Band* is the first biography of this legendary jazz drummer. For over fifty years, Lewis provided the blueprint for how a drummer could subtly support any musical situation. While he made his name with Stan Kenton and Thad Jones, and with his band at the Village Vanguard, it was the hundreds of recordings that he made as a sideman and his ability to mentor young musicians that truly defined his career. Away from the drums, Lewis's passionate and outspoken personality made him one of jazz music's greatest characters. It is often through Lewis's own anecdotes, as well as many from the musicians who knew him best, that this book traces the career of one of the world's greatest drummers. Previously unpublished interviews, personal memoirs, photos, musical transcriptions, and a selected discography add to this comprehensive biography.

#### The View from the Back of the Band

The hit movie *La Bamba* (based on the life of Richie Valens), the versatile singer Linda Ronstadt, and the popular rock group Los Lobos all have roots in the dynamic music of the Mexican-American community in East Los Angeles. With the recent "Eastside Renaissance" in the area, barrio music has taken on symbolic power throughout the Southwest, yet its story has remained undocumented and virtually untold. In *Barrio Rhythm*, Steven Loza brings this hidden history to life, demonstrating the music's essential role in the cultural development of East Los Angeles and its influence on mainstream popular culture. Drawing from oral histories and other primary sources, as well as from appropriate representative songs, Loza provides a historical overview of the music from the nineteenth century to the present and offers in-depth profiles of nine Mexican-American artists, groups, and entrepreneurs in Southern California from the post-World War II era to the present. His interviews with many of today's most influential barrio musicians, including members of Los Lobos, Eddie Cano, Lalo Guerrero, and Willie chronicle the cultural forces active in this complex urban community.

#### The Jazz Discography

*Jazz Man's Journey* shares the story of acclaimed musician Ellis Louis Marsalis, Jr., visually charting his rise from his New Orleans roots to the international music world.

#### Barrio Rhythm

The New Grove Dictionary of Jazz, second edition will be the definitive resource for any serious lover & listener of jazz. This 3 volume hardcover second edition builds upon the impressive foundation laid by its predecessor in 1988 to become the most comprehensive jazz reference work ever published. Editor Barry Kernfeld, a well-known jazz authority & scholar, has brought together the world's leading experts in jazz, ensuring the accuracy, breadth, & depth expected from Grove's.

#### Jazz Generations

14,000 CDs reviewed 2,000 New discs in this edition More than 500 new artist listings The Penguin Guide to Jazz Recordings is now firmly established as the world's leading guide to recorded jazz. For this eighth edition Richard Cook and Brian Morton have once again reassessed and updated each entry. Whether you're looking for the best new CDs or finding out which are the essential jazz albums for downloading, this book is the perfect companion. It is a mine of information and a source of insightful, witty, trenchant criticism that is required reading for jazz aficionados and novices alike.

#### Jazz Times

The contemporary music magazine.

#### Jazz Man's Journey

Now fully updated--the critically acclaimed guide to the world of jazz on CD Where can you find a complete set of Ella Fitzgerald's many songbook recordings? Who are the influences of Wynton Marsalis, Harry Connick, Jr., and Joshua Redman? What are the earliest available recordings of trumpeter Chet Baker? Leading critics Richard Cook and Brian Morton answer these and myriad other questions in *The Penguin Guide to Jazz on CD*--the most comprehensive critical guide to jazz recordings available.

## The New Grove Dictionary of Jazz: Nightclubs-Zwingenberger

You've probably seen other jazz guides, but you haven't run across anything quite like MusicHound Jazz. It delivers sound advice on what to buy and what not to buy. Explore the rich world of jazz, from the soulful vocals of Bessie Smith to the groundbreaking explorations of John Coltrane. This comprehensive guide has it all - page after page of interesting facts, opinions, recording reviews and biographies on nearly 1,300 artists. But that's not all. Enjoy more than 100 stunning photos of jazz greats. Learn who influenced each artist and why. Discover what makes each one unique. Then sample some smokin' jazz with the CD sampler from the legendary jazz label Blue Note.

## Jazz Improv

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

## Jazz Education Journal

Appell (jazz studies, Diablo Valley College) and Hemphill (graduate studies, research, and development, San Francisco State University) offer a textbook for popular music, humanities, or cultural studies courses, organized by the musical influences of particular cultural groups--African American, European American, Latin, Native American and Asian--rather than a strict chronological approach. This is followed by a section tracing modern jazz to hip hop. They survey a broad range of styles, from minstrelsy, blues, hymns, and wind bands to Chicano music, Afro-Caribbean music, bebop, acid jazz, girl groups, folk-rock, the British invasion, R&B, and rock.

## Jazz Journal International

The third installment in Leonard Feather's magisterial reference source for jazz history, 'The Encyclopedia Of Jazz In The 70's' continues the same high standards of scrupulous research, great photos, and complete readability established in the previous two books.

## Coda Magazine

"Vintage photographs and 24 contemporary portraits capture the style and flavor of Jackson Street and its jazz legacy. Based on extensive interviews with jazz musicians, this significant new volume documents the smokey rooms, Prohibition antics, wartime parties, and unforgettable riffs that characterized great moments in Pacific Northwest jazz." -- Amazon.com viewed July 8, 2020.

## Audio

Presents information on all aspects of African-American life including politics, employment and income, education, religion, literature, performing arts, science and medicine, and sports.
