Milton Keynes didn't exist at this point. Well at least not as it is now. The city was part of a new development project in the 1960s. Before that the area was mostly farmland with very small population. It was inhabited ever since the bronze age it just never was an established city or even a town until the 1960s. Allegedly one of the leaders of the rioters was the mayor of Cambridge.

Back then Corpus Christi College was located a bit more up street than it is today.
