Kink

A New York Times Notable Book Kink is a groundbreaking anthology of literary short fiction exploring love and desire, BDSM, and interests across the sexual spectrum, edited by lauded writers R.O. Kwon and Garth Greenwell, and featuring a roster of all-star contributors including Alexander Chee, Roxane Gay, Carmen Maria Machado, and more. A Most-Anticipated book of 2021 as selected by * Marie Claire * O, The Oprah Magazine * Cosmopolitan * Time * The Millions * The Advocate * Autostraddle * Refinery29 * Shape * Town & Country * Book Riot * Literary Hub * Kink is a dynamic anthology of literary fiction that opens an imaginative door into the world of desire. The stories within this collection

portray love, desire, BDSM, and sexual kinks in all their glory with a bold new vision. The collection includes works by renowned fiction writers such as Callum Angus, Alexander Chee, Vanessa Clark, Melissa Febos, Kim Fu, Roxane Gay, Cara Hoffman, Zeyn Joukhadar, Chris Kraus, Carmen Maria Machado, Peter Mountford, Larissa Pham, and Brandon Taylor, with Garth Greenwell and R.O. Kwon as editors. The stories within explore bondage, power-play, and submissive-dominant relationships; we are taken to private estates, therapists' offices, underground sex clubs, and even a sex theater in early-20th century Paris. While there are whips and chains, sure, the true power of these stories lies in their beautiful, moving dispatches from across the sexual spectrum of interest and desires, as portrayed by some of today's most exciting writers.

The Book of Kink

How to get your Fifty Shades on... For anyone who's felt...inspired...after reading Fifty Shades of Grey, The Book of Kink both entertains and enlightens, showing you the who, what, where, why, and how of kink. People everywhere are into kinky sex. For some, it's a way to spice up a withered sex life; for others, it's a way of life. No matter how or why we do it, kinky sex is as old as Adam and Eve and as commonplace as your next-door neighbor. For example, did you know: Japan organized the largest orgy ever caught on tape, featuring 500 participants? A Berlin hotel offers different rooms dedicated to kinky sex, including one with a coffin? Those who are into having sex with an armpit have a fetish called axillism? There is a university dedicated entirely to love and sex called the Loveology University? The Book of Kink is an entertaining and enlightening look into all things beyond the pale when it comes to sex. Exploring everything from equipment, sex classes, sex parties, and porn to the who, what, where, when, why, and how of kink, it delves into fetishes, turn-ons, role-playing, and how the Internet has put a new spin on kinkiness. It is an X-rated romp through cultural and social history and contemporary mores. Whether you're appalled to learn that people actually do this or are relieved to find out that you're not the only one, you'll never see sex the same way again.

The Little Book of Kink

Kinky sex is fun, playful, exciting, and exhilarating. But it can also be dark and more than a little wild. If you want to put some "50 Shades of Grey" kind of adventure into your bedroom repertoire, but don't know where to begin, The Little Book of Kink is for you. Popular sexologist Jessica O'Reilly shows you how to take sex from nice to naughty with techniques for hotter blowjobs, mind-blowingly orgasmic positions, exciting bondage and sensation play, and hot role-playing scenarios. Jessica O'Reilly provides you with specific scenarios and techniques for each activity, including props, dialogue and mind-play to make the experience as hot as possible. Make your fantasies a reality with help from The Little Book of Kink!

Wild Side Sex

A collection of smouldering wisdom and frank essays from legendary fetish diva Midori. Includes writing on public sex; pleasure, pain, dominance and submission; ritual, ceremony and protocol; erotic humiliation; objectifying; trust and vulnerability; aftercare; chastity; rope bondage; and slave selection.

The Color of Kink

Winner of the MLA's 2016 Alan Bray Prize for Best Book in GLBTQ Studies How BDSM can be used as a metaphor for black female sexuality. The Color of Kink explores black women's representations and performances within American pornography and BDSM (bondage and discipline, domination and submission, and sadism and masochism) from the 1930s to the present, revealing the ways in which they illustrate a complex and contradictory negotiation of pain, pleasure, and power for black women. Based on personal interviews conducted with pornography performers, producers, and professional dominatrices, visual and textual analysis, and extensive archival research, Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence. She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power. Drawing on feminist and queer theory, critical race theory, and media studies, Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality. Illuminating the cross-pollination of black sexuality and BDSM, The Color of Kink makes a unique contribution to the growing scholarship on racialized sexuality.

The Little Book of Kink

Popular sexologist Jessica O'Reilly shows you how to take sex from nice to naughty with techniques for hotter blowjobs, mind-blowingly orgasmic positions, exciting bondage and sensation play, and hot role-playing scenarios.

Kink

In a raw and riveting, completely candid autobiography, Dave Davies, co-founder of the legendary, ever-popular English rock band The Kinks, delves into the turbulence of his own amazing life: sex, drugs, and rock and roll; his famous feuds with brother Ray; and an insider's life in the steamy center of the music scene. of photos.

The Big Book of Kink

Get ready to go deep with these delightful and delicious short shorts from top BDSM eroticist Alison Tyler. Every kind of bondage is fully explored in this fun and romantic romp of kinky confections. Playful, inspirational and filled with surprises, The Big Book of Kink is a supremely pleasurable read. One of the most prolific editors and writers of erotic fiction today, Alison Tyler has assembled powerfully seductive stories of women and men in the throes of pleasurable restraint, intricately secured by ropes, locked in handcuffs or bound simply by a lover's command. From start to finish this solid collection of BDSM stories earns its kinky merit badge for its explicit erotic tales of pleasure and pain.

Existential Kink

A smart, sexy guide to embracing the repressed, tabooed, and often unwanted aspects of ourselves so we can discover our inner power and finally live the life we deserve. "We always get exactly what we want; but often, though we may not be aware of it, what we most want is dark—very dark." Each of us has a dual nature: we are light (conscious) and dark (unconscious). The dark side of our personality—the "other," the shadow side—is made up of what we think is our primitive, primal, negative impulses—our "existential kink." Our existential kink also drives the dark or negative repeating patterns in our life: always choosing the abusive partner or boss, settling for less, thinking that we're undeserving, not worthy. But it also is the source of our greatest power. In Existential Kink, Carolyn Elliott, PhD, offers a truth-telling guide for bringing our shadow into the light. Inviting us to make conscious the unconscious, Elliott asks us to own the subconscious pleasure we get from the stuck, painful patterns of our existence. Existential Kink provides practical advice and meditations so we truly see our shadow side's "guilty pleasures," love and accept them, and integrate them into our whole being. By doing so, Elliott shows, we bring to life the raw, hot, glorious power we all have to get what we really want in our lives.

Playing Well With Others

Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, Playing Well With Others is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to: • Examine your own motivations, needs, wants and desires • Ease your way into established communities • Understand etiquette in different adventurous sex communities • Familiarize yourself with the many types of events available to you • Care for your relationships as you explore new territory • Negotiate for play and aftercare • Go back to the "world at large" without ruffling feathers • ...and, of course, answer the all-important question: What do you wear?! The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of "sexual sherpas" with an inimitable voice and a great deal of wisdom. Playing Well With Others is an unprecedented and essential guidebook for anyone who wants to explore or understand the "community" aspect of the kink lifestyle.

Kink

'This anthology of literary fiction features an all-star ensemble' Cosmopolitan 'A reflective and must-read collection' Stylist Kink is a groundbreaking anthology of literary short fiction exploring love and desire,

BDSM, and interests across the sexual spectrum, edited by lauded writers R.O. Kwon and Garth Greenwell, and featuring a roster of all-star contributors including Alexander Chee, Roxane Gay, Carmen Maria Machado, and more. *Kink* is a dynamic anthology of literary fiction that opens an imaginative door into the world of desire. The stories within this collection portray love, desire, BDSM, and sexual kinks in all their glory with a bold new vision. The collection includes works by renowned fiction writers such as Callum Angus, Alexander Chee, Vanessa Clark, Melissa Febos, Kim Fu, Roxane Gay, Cara Hoffman, Zeyn Joukhadar, Chris Kraus, Carmen Maria Machado, Peter Mountford, Larissa Pham, and Brandon Taylor, with Garth Greenwell and R.O. Kwon as editors. The stories within explore bondage, power-play, and submissive-dominant relationships; we are taken to private estates, therapists' offices, underground sex clubs, private estates, and even a Victorian-era sex theater. While there are whips and chains, sure, the true power of these stories lies in their beautiful, moving dispatches from across the sexual spectrum of interest and desires, as portrayed by some of today's most exciting writers.

Women and Kink

Based on original research from nearly 1,600 women from the kink community, this book takes you on a journey into the motivations, meanings, and benefits of kink, in these women's own words. *Women and Kink* presents a diverse range of personal and intimate stories about life, love, relationships, kink, sex, self-discovery, growth, resilience, community, and more. The book offers insight into the breadth of the kink community, with chapters discussing different aspects of kink and forms of engagement, both individually and within relationships. Filled throughout with personal vignettes and examples, the authors provide commentary, reflection questions, and thought-provoking considerations to readers who are looking to explore a new area of their life. By exploring personal stories of love, alternative sexualities, and reasons for participating in the "unconventional," the book supports and empowers each reader to build a relationship and life that best suits their needs. It is also an illuminating resource for sex therapists, counselors, and other mental health professionals interested in developing a kink-affirmative practice.

Gay Kink for Dummies

As an erotic writer, I have been getting many questions from people showing interest in various kinds of kink. Some consider me a sex expert, but I think I learn something new about sex and myself every day. I have been having a lot of sex for over 10 years, with many different men and in many different countries. My life has been mainly focused on sports and sex, in addition to some other things here and there. When I started exploring my sexuality, trying to learn more about sex and finding what I liked, I struggled to find useful information for gay men about more than regular sex. This book is my attempt to simplify kink and what it means to me. It covers the basics and should answer all the questions that a newbie to kink would like to know. I want to offer a book that will have accurate, honest, and straightforward information about sexuality. As I have found that portrayals of kink, aka BDSM, in the media, from novels and magazines to television and movies, are generally inaccurate, misleading, one-dimensional, or just plain wrong. I use 'kink' as a catch-all term that includes BDSM, sadomasochism, kinky sex, dominance and submission, role play, sex games, fantasy, and fetish. But that definition just leads to more terms that need defining! I will both define and expand on these words throughout this book, so for now, just relax. But what is kink really? And why do I do it? For me, kink is an intimate experience, an exchange of power between people that can be physical, erotic, sexual, psychological, spiritual, or, most often, some combination of these. It makes me explore the territory between pleasure and pain, eroticize the exchange of power, experience intense physical sensations and psychological scenarios, and test and push my limits. Kink can be a unique space where I feel safe enough to try new things, push my boundaries, flirt with edges, and conquer fears. The most important thing is "Consent" everyone is on board with what is going on and nothing happens against anyone's will. After that comes trust, communication, and safety. Kink is one area of the spectrum of sexual practices, so people do kink for as many reasons as people have sex: to give, to take, to connect, to discover, to trust, to experiment, to imagine, to learn, and to grow. Have you ever fantasised by reading fictional accounts of dominance and submission, power and lust, pleasure and pain, hot sex, and incredible orgasms? Or maybe you have been turned on by watching a porn video. Perhaps you have some reservations about these newfound fantasies. This book is a primer for gay men who are interested in kink and want to know more about it, learn how to negotiate with another guy, get some ideas, and explore different activities. It's meant to be an introduction to the world of kink from my perspective, and you will learn more about me on the way. I will talk about the truth behind common myths about kink, how to talk about your fantasies, common

kinky terms and tenets, dominant/submissive role play, and sexual power games. I will also give some ideas, tips, and techniques for different kinky activities, including sensory deprivation, sensation play, bondage, spanking, flogging, and more. I hope reading this book, understanding the different types and definitions, as well as the glimpses of my own life I provide throughout the book, will give each of you a broader understanding and help to guide you further on your own journey into practicing your own version of kink.

Decoding Your Kink

Highly acclaimed Decoding Your Kink - Guide to Explore Share and Enjoy Your Wildest Sexual Desires, gets rave reviews! "Visionary...Masterful...Groundbreaking...Cutting Edge...Worth its Weight in Diamonds ... Highly Recommended...A Must Read" These are some of the exclamations from prominent sex positive psychologists, therapists and Kink sex educators who offered pre-publication reviews of Decoding Your Kink. Decoding Your Kink, by leading Fetish Sex educator, researcher and sex-positive therapist Galen Fous MTP, offers ground-breaking psychological insight into the emerging global renaissance of sexual exploration, orientation and identity particularly in the realm of Kink. The book includes extensive guidelines to embrace one's authentic sexuality, decode an array of Kink fantasies, and access the ecstatic sexual depths inherent in anyone's wildest sexual desires. Techniques are offered to negotiate honestly for what one desires, create profound trust between partners, and begin to resolve old shame, trauma and fear about one's authentic sexuality. Decoding Your Kink provides easy to follow practices for individuals and partners to safely share their deepest intimacies. Once trust is built, partners may access mind shattering orgasmic states offered by conscious expression of their most taboo Kinky yearnings. Also included in the book are revealing and provocative analysis of people's kinkiest fantasies gleaned from over 2000 participants in the innovative Discover Your Personal Erotic Myth Survey. Fous developed this anonymous 40-question survey in support of his research into the nature of a recently visible sexual identity he defines as Fetishsexuality, aka Kink. "This book conveys what I have learned about Conscious Kink and D/s-BDSM sexuality over the last 15 years as a Fetish-positive therapist, researcher and public advocate for sex-positive values. It includes reporting and case studies from the 100's of singles and couples I've supported who desired to come to terms with old experiences of shame, fear and trauma, and understand how to embody their edgiest sexual fantasies. I share hard earned insights from my personal journey into the Kink lifestyle as well." Galen Fous MTP "Galen Fous is a visionary, providing a clear and courageous roadmap for anyone looking to undo the shackles of societally induced sexual shame and go on a journey to discover his or her own Personal Erotic Myth." - Dr. Michael Aaron, NYC sex therapist. "Galen Fous smooths the path and leads you through the predicaments, pleasures, enticements and outrageous glories of Kink. His genuine, unique voice is outstanding and heartwarming. A must read!" Limor Blockman, PhD, Clinical Sex Therapist, Playboy Radio Host, www.DrLimor.com "Nobody struggles more with the feeling that their erotic desires are 'wrong' or 'broken' than the man or woman who otherwise fits easily into mainstream culture - the heterosexual man and woman into dominance and submission and BDSM. 'Decoding Your Kink' is worth its weight in diamonds to such strugglers, offering them a sensible and nurturing path to self-knowledge, self-acceptance and the erotic intensity we all crave and too few ever obtain." - Janet W. Hardy, coauthor, The Ethical Slut, The New Bottoming Book and more "Galen Fous' unique insights on a subject much maligned and misunderstood is a primer for individuals interested in exploring the world of kink. It provides guidelines, case studies and personal experiences to assist the reader in shedding their shame and discovering their authentic sexuality." - Susana Mayer, Ph.D., Clinical Sexologist, theEroticliterarysalon.com

50 Shades of Kink

Tristan Taormino can tell you everything you want to know about the world of kink, and more! Operating on the pleasure principle 50 Shades of Kink is a truly helpful how-to that is a perfect beginner's guide into the realm of kinky sex and can also serve as a wonderful refresher course. Whether you want to get up close and personal with blindfolds, crops and paddles or just looking for some inspiration to keep your love life fresh, 50 Shades of Kink is just the book for you and your lover(s). • techniques and creative ideas for bondage, spanking, flogging, sensation play, rough sex and more • lessons on how to eroticize power, cultivate deeper connections and incorporate kink into your sex life • role-playing fantasies from the popular to the taboo

Beneath the Skins

The New Spirit and Politics of the Kink Community This book examines some of the important issues facing the leather/SM/fetish community.

The Ultimate Guide to Kink

The Ultimate Guide to Kink is the first major guide to BDSM in a generation—a bold and sexy collection of essays that run the gamut from expert how-to tutorials to provocative essays that delve into complex questions about desire, power, and pleasure. The book brings together diverse voices from the kink community in an unprecedented way: each chapter is written by a different sexuality/BDSM educator. Divided into two sections, the first section features thorough, thoughtful pieces—on everything from flogging to bondage—packed with techniques and beautifully illustrated with original images from artist Katie Diamond. The second section is dedicated to role-playing fantasies and personal manifestos. From age play to masochism, these chapters cover some of the edgiest, most taboo and controversial elements of kink in depth. The Ultimate Guide to Kink features the expertise of renowned educators writing passionately on their favorite subjects, including Patrick Califia, Midori, Laura Antoniou, Barbara Carrellas, Lee Harrington, Jack Rinella, Lolita Wolf, Madison Young, Hardy Haberman, Felice Shays, Ignacio Rivera, Sarah Sloane, Mollena Williams, FifthAngel, and Edge. It will educate, inspire, and challenge both newcomers to the world of kink and experienced BDSM players.

Kink

Dave Davies was known as one of rock's wild boys, famed for both his hits with the Kinks and his sexual liaisons with both sexes. Here, he gives an honest account of his life, of his rivalry with Ray, and of his friendships with other rock stars.

Gay Kink for Newbies

Gay Kink for Newbies The ultimate guide to Kink, BDSM, Roleplay and erotic edge As an erotic writer, I have been getting many questions from people showing interest in various kinds of kink. Some consider me a sex expert, but I think I learn something new about sex and myself every day. I have been having a lot sex for over 10 years, with many different men and in many different countries. Mister Kink

Carla thought she had it all together. Then Jake moved in next door. She never expected to fall for someone half her age. Especially Jake, an escort who specialized in very kinky sex. But Carla was curious. And rich. And when Jake accepts her as a client, they each may have gotten more than they'd bargained for... Mister Kink mixes erotic romance with laugh-out-loud humor. Sexy, funny, and outrageous, this is the book you've always wanted to read. A smart, older woman goes on a journey of sexual discovery, and somewhere along the way finds love. Or at least something equally as tasty. MISTER KINK It begins where 50 Shades of Grey left off... Mister Kink is a 64,000 word contemporary romance by bestselling author Melinda DuChamp. It's hot. It's playful. It's more fun than the last ten books you've read. Try Mister Kink. You won't be disappointed. It's erotica for smart people who like to laugh... just like you. Previously published as Want It Bad. The title was changed because this new title is a lot more fun.

Kink 101

Add a healthy dose of BDSM to your sex life. Experience the difference. One of the biggest misconceptions about BDSM is: It's violence. That's nonsense. BDSM is an additional flavor in your bedroom. It's a safe sexual role-playing game between you and your partner. Explore your fantasies live out your sexual desires experiment with pain and pleasure Building on personal experiences, and tons of research, this book stretches the importance of communication and safety (in a very non-boring way) and walk you through the most critical steps in building a long-lasting relationship for both Doms and Subs. The 350 pages include two great books on this topic: Submissive Training: Be Sexually Vulnerable, Explore Your Fantasies and Transform Your Sex Life With Spectacular Experiences Introduction to the Submissive Lifestyle and Thrilling BDSM Experiences Press the Buy now-button, enjoy the book, and let me know if we can help you in any way! All the best, Alexandra

Bdsm

A standalone non-fiction BDSM book written by International Bestselling Author, Nikita Slater. All proceeds for this limited time release will go to the MVK (Metro Vancouver Kink Society), a non-profit organization. This is My Kink explores the lives and kinks of people who are part of the BDSM community. Each chapter is an interview with a different kinkster and looks at the types of kinks the interviewees love, how they integrate kink into their lives and relationships, how they maneuver within their local community, and what sort of things they want the world to know about them. These are real stories from real people living a kinky lifestyle, living life the way they choose; their thoughts, motivations and expectations. In the words of the kinky: "Another thing that drew me to the community was how much more empowered women seem in BDSM than in other places." - Mozart "The one thing I remember taking away from that experience was him licking my boot, his tongue caressing each toe through the boot. It was sensual, awkward, and one of the coolest things I'd ever done." - Whisper "A big thing for me was my collaring ceremony. Part of what stood out for me was it was a chance to make our commitments known within our community. Within polyamory you don't get a chance to always have

those ceremonies, or public acknowledgment of those relationships, like a wedding." - Kitten "I love the sights, the sounds, the smells, the feeling. The joy that comes from kink. And I love the reactions I get from my partners, and being able to follow those reactions in a way that brings them ecstasy." - Zoot
Author note: Nikita is not an expert on this subject, but is interested in BDSM, community and how these things impact the lives of people in the BDSM lifestyle. These are candid interviews with a variety of people in the community.

This is My Kink

Love Letters to a Unicorn explores the world of BDSM/kink through the experiences of a submissive. Blanton is a life-long member of the kink community. This book delves into the theory and psychology of kink as well as exploring what the kink world can contribute to everyone. The essays cover a range of topics including how creating a national safe word could help address rape culture; how BDSM and third wave feminism intersect; why people enjoy pain; the psychological and spiritual underpinnings of sub space and more. Blanton draws on her work as a political psychology and policy analyst to go beyond the "how to's" and "kink 101" topics covered well by other authors. The assertions in the essays are substantiated with links to academic studies and policy works. This work is written for the non-academic reader. The language is casual and the author continually refers back to first-hand experiences in the kink world.

Love Letters to a Unicorn

She shares personal stories, safety information as well as tips to make your explorations thrilling and fulfilling.

The Kink

When the mildly kink-themed trilogy 50 Shades of Grey became popular reading in 2012, the media speculated that feminism was in reverse, as the public went mad over bondage and discipline, domination and submission and sadomasochism (BDSM). The novels provoked academic debate about BDSM and the issues it raises for feminists. Is the female dominant truly powerful or is she just another objectified body? Does lesbian BDSM avoid the problematic nature of heterosexual kink, or is it actually more subject to the "male gaze" of feminist theory? And what is it about kink that has creators of pop culture—from Anne Rice to the producers of Scrubs—using it to attract audiences? Examining the tropes of kink in books, TV shows, film and the music industry, this work addresses these and other questions that depictions of BDSM raise for the feminist audience. The author interweaves her own research and experiences in the BDSM scene with the subculture's portrayal in the media. Instructors considering this book for use in a course may request an examination copy [here](#).

Exploring BdsM

The A to Z of Kink Fetish Compendium and Coloring Book is a titillating collection of images and mini-sonnets dedicated to the kinky things grown-ups love most! Black and white illustrations are prime for colouring and enjoying with equally perverted company.

Whether you're a seasoned explorer or have never delved into the depths, you hold in your hand a roadmap, a set of keys, and an invitation to journey on your own path of Sacred Kink.

101 Kinky Things Even You Can Do

As Kinky as You Wanna Be is not an instruction book. It won't teach you how to tie up your squirming lover or choose the proper lube. Rather, it teaches you how to be a kinky person who has safe, sane, and smart experiences. Like a tourist's guide to BDSM, *As Kinky as You Wanna Be* offers a road map to your own kinky self. This book helps you discover which kinky countries you want to visit, gives you tips and techniques on the language of BDSM, and helps you navigate the customs and rituals of the kink community. With sections on discovering your pleasures; talking about kink with your partner, your family, or your doctor; staying physically and mentally safe; putting your kinky dreams into practice; and dealing with difficult situations, *As Kinky as You Wanna Be* is your guide and confidant. The book features informative interviews with BDSM experts such as Jay Wiseman and Lee Harrington, and it is sprinkled with stories from top erotica authors like Janine Ashbless and Rachel Kramer Bussel. Whether your first kinky experience or thousandth, *As Kinky as You Wanna Be* guides you — safely and smartly.

Sacred Kink: the Eightfold Paths of BDSM and Beyond

What took years for others to learn will only take you a few hours of reading this book. BDSM activity is becoming more and more mainstream. A recent sociologist report published in the *Journal of Sexual Medicine* regards this as a leisure activity; for some it is, and for others it's simply a way of life. The report states that those who engage in BDSM activity develop a sense of personal freedom, enjoyment, improved personal skills, a sense of adventure, self expression, positive emotions, and decreased stress level

As Kinky as You Wanna Be

Do you want to stay in the same vanilla sex routine forever? Or are you ready to bring more pleasure and excitement to your sex life starting today? What do you think when you hear "BDSM?" I'll tell you what most people think. Most people think whips, chains, pain, and crying. They think only "evil" or "mentally ill" people enjoy these types of things. They think of the most corrupt things they can because of the way that mainstream media misrepresents BDSM. BDSM has become more popular than ever in recent years. Only a few decades ago only 10-15% of surveyed people reported engaging in BDSM. Since then that number has increased by nearly 90%. Even though BDSM is gaining popularity many people still feel guilty for having BDSM related fantasies. I'm here to tell you there is absolutely no reason to feel guilty. BDSM is much broader than it seems and when done correctly, is completely safe and healthy. If given the chance, BDSM can be the most sincere display of love and affection between you and your partner. Whether you are somewhat familiar with BDSM or not familiar at all, don't miss out on what could be a life-changing experience because of misconceptions and miseducation. *Vanilla to Kinky* will help you discover: What aspects of BDSM are best for you How to partake in BDSM the right way How to find your role How to create amazingly intense scenes How to find the dynamic you love the most How toys can enhance your BDSM experience The keys to being a good Dominant The keys to being a good submissive Helpful tips to get you started on your journey BDSM is for anybody. It does not discriminate against any ages, genders, or body type. Yes, even an average joe like you can partake in safe and healthy BDSM. BDSM is a journey that can be truly rewarding every time but will take effort, patience, and self-examination. If you want to begin your journey then this is where you start. Scroll up and click the "Add to Cart" to get started today.

Kink 101

Are you ready to unlock the keys to your biggest BDSM fantasies? Then this kink journal is for you! Designed to be used at any time of the year, these 365 questions and prompts are the perfect roadmap to build intimacy and take your kinky relationship to the next level. You can go through them daily or skip around to the ones that speak to your specific fetishes and kinks. Dive deep into topics like service submission, role-playing, BDSM titles, impact play, figuring out your kinky persona, aftercare and so much more. Maybe you have topping or bottoming fantasies, but haven't been sure how to live them out in the real world. Maybe you know what turns you on, but aren't sure where your boundaries are. Maybe you want to go deeper in your kinky play but are looking for a little guidance. This insightful journal from Kink Academy, the web's leading resource for adult sexuality education, helpfully addresses every aspect of BDSM, from specific acts to incorporating your kinky identity into your daily life. This journal has something for everyone-newbie or long-time kinkster, dominant, submissive or switch. You can use your answers to help guide you toward your next scene or simply to get clear on what you want out of BDSM. You'll come away from these exercises with a deeper understanding of your erotic wants and needs. Your sex life will be all the hotter. Give yourself a roadmap to kinky pleasure every day of the year!

Vanilla to Kinky

Love Letters to a Unicorn explores the multifaceted dimensions of kink life. While a few kinky sex practices have become popular to integrate into mainstream discussions and writings about sex, the deeper and more significant reasons to practice kink have not been broached. Love Letters brings the reader into the life of a submissive. The essays discuss kinky practices such as negotiation, consent, boundaries and limits, safe words, and continuing education about sex. The author is a practicing submissive who has enjoyed kink for more than two decades. She reveals why kink is a true manifestation of feminist values, how it could end rape culture, help stabilize long-term relationships and how getting tied up and whipped helps ground her. Blanton advocates that everyone, regardless of what they actually do in bed, adopt certain kinky values and practices. She has started to campaign for the adoption of a national safe word and rewriting sex ed curriculum to include kinky values. Love Letters is not just theoretical. Blanton includes a number of love letters to her primary partner who is not actively identified with the kink community. The letters, including poems and porn, were written during the first eighteen months of her relationship with the unicorn. Using her relationship with a non-kink-identified man to illustrate the benefits of kink values for all people, Blanton reveals how her kink practices have improved her relationship with the unicorn. Rebecca E. Blanton is an academic and policy researcher by training. She has previously written extensively about women veterans, the criminal justice system, and charter school oversight. She has taught at several New York City universities and headed the California Commission on the Status of Women and Girls. Love Letters is her first non-policy/non-academic publication.

365 Days of Kink: a Journal of Sexy Self-Discovery

New, groundbreaking images they couldn't publish... until now. An entire collection of raunchy sexual perversions: anal penetration, urination, transvestism, lesbianism, B&D, spanking, piercing and much, much more. Watson's rapport with his models is nothing short of amazing - stunningly frank and uninhibited, this selection is both sophisticated and very rude indeed, and will definitely not be available in the high street book stores!

Love Letters to a Unicorn

Likened to Clive Barker, Don DeLillo, and William S. Burroughs, a celebrated young novelist offers a new novel set in the nightclubs of a decadent urban artists' community, where a man and two women share a complex erotic relationship.

Kink!
