The Upside-Down Jesus and Other Stories

The Upside-Down Jesus and other stories is a collection of published and prize-winning short stories, flash fiction and micro-fiction giving voice to a variety of different characters. A child struggles to overcome her fear of the upside-down Jesus, a man dons his 'egg-stealing coat' once a week, a teenager becomes obsessed with the colour purple, an old man keeps his wife closer than others would like, a psychiatrist considers the folly of his patients, and a little girl watches her neighbour slowly disappear.

The Upside Down Way

Jesus' life should turn our world upside-down. His first observers, according to Luke, were routinely seized with amazement, both at the bending of physics--making the blind see and lame walk--and

at the ridiculous things he did and taught. A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking; a man radically devoted to living a shocking life for the sake of the broken and forgotten. In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves. Jesus' life story should lead more to humble servanthood than to syncopated light shows in church or the triumph of a political candidate or a well-ordered and respectable lifestyle. The Upside Down Way is a series of devotionals drawn from the text of Luke. Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus. Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold, reflective, honest, and challenging, in order to elevate Luke's ridiculous Jesus to his rightful position as the fountain of Christian faith.

The Upside-Down Bible

Attempts to read the Bible with an open mind are often hampered by years of being told the 'right' interpretation in church. Christians familiar with the text have a lot to learn from people coming to it for the first time, who may find the traditional readings far from obvious. This book presents the text of many well-known Bible passages and the surprising and helpful insights that they prompt when non-Christian groups read them for the first time. Core Synopsis includes: -The text of the passage, making it easier to read the book without having a Bible to hand. -Some initial questions about the readers' reactions, which they can reflect on alone or in a group. This will encourage them to think about how far their attitude has been shaped by hearing common interpretations. -Quotes particularly from non-Christians coming to the text for the first time, followed by a discussion of the questions raised by the passage and a description of traditional interpretations as well as others offered by biblical scholars in recent years. -Final questions for reflection focusing on the relevance of the passage to life and society today.

Into the Fray

In the earliest days of the Christian church, the gospel spread out from Jerusalem in a burst of incredible stories. A man who could calm a stormy sea with a word, who healed the lame and the blind, who raised the ire of the religious leaders, and who even raised people from the dead. Compare this organic, even entertaining, method of spreading the Good News to how we are often encouraged to evangelize today, with clever arguments and our defenses already up in anticipation of rebuttal. Somewhere along the way, we've lost the plot to the greatest story ever told. Now Matt Mikalatos invites us back into God's story, both to find our place in it and to rediscover the wonder that the apostles saw in their listeners as they told the story of Jesus, the Messiah they knew personally and loved fiercely. As they lose themselves in modern retellings of the events of the book of Acts, readers will find that sharing the story is easier and more rewarding than they ever imagined.

Holy Week: The World Turned Upside Down

This is a story depicting many events of Holy Week as seen through the eyes of Jesus, Judas, Caiaphas, Pilate, Simon of Cyrene, the centurion, and many others. It often uses Scripture to set the stage but then expands the view to encompass the sights and sounds of Jerusalem. It presents the triumphant entry into the city on Palm Sunday, the chaotic events of Jesus and the moneychangers, and then Caiaphas's desperate plot to put an end to this problem rabbi called Jesus. The famous, the infamous, the disciple, the casual follower of Christ, the Roman soldier, and the common man are all included in the events, and each gets a chance to tell his story about what it means to him and how it affects his world.

Upside Down Living

Every person of faith has a story. At times our lives are interesting and compelling, mundane and routine. Yet taken together these individual moments create a mosaic that can be shared with others. This study will empower you to discover how to communicate your own story with others as an effective way of sharing your faith. Weary of Christian faith wrapped in a flag and trapped in your heart? Tired of faith as usual? Live out your Christian faith through the lens of Jesus. Follow values that seem so counter-cultural they appear to be upside down. Each compelling six-session Upside-Down Living Bible study helps us encounter the teachings of Jesus and wrestle with living out the kingdom here and now. The Bible isn't a cookbook with solutions for every ethical dilemma, but it helps us raise the right questions, encounter the teachings of Jesus, and discover new ways of faithful living in the world. Ideal for Sunday school or Bible study sessions, each topical study covers a specific theme or issue, and

comes with thought-provoking discussion questions and activities. Be inspired and transformed in your faith. Live upside down. Topics in the series include: Sabbath (February 2017), Technology (February 2017), Identity and Aging (April 2017), Money (April 2017), Violence (June 2017), and Sharing Faith Stories (June 2017). Introduction 1. The Power of Story 2. Sharing Your Personal Story 3. Sharing Faith Stories for Every Day 4. Sharing Faith Stories in Words and Actions 5. Sharing Faith Stories When It's Difficult 6. Sharing Faith Stories as a Community About the Writer

Love Upside Down

Oh no, another book on love? But this is different. This is for people who are looking for a gritty account of life, love and the dilemmas of human existence. This is for twenty first century thinkers and lovers, from searching Christians to open minded agnostics and willing atheists who want a genuine account of love that respects human experience and mines the depths of a greater wisdom. Steven Ogden taps into Christianity, but there is no old man in the sky pulling the strings and no bible bashing or hocus pocus. And instead of Jesus meek and mild, he recommends the subversive Jesus: this Jesus provoked outrage and censure, all in the name of love, because people were more important to him than religious dogma, principles and institutions. This is love upside down. This means we can look at the big issues of our day with new eyes. Love Upside Down looks at contemporary attitudes regarding women, the environment and homosexuality to see if love can make a difference.

Life Upside Down

An upside-down view of an upright life. If you've spent any time studying Jesus' teachings, you may have noticed that they seem a little...backward: The last will be first; in giving we receive; there is strength in weakness, the way to life is through death. But what does it all really mean? With wisdom and wit, Gracie Malone shows you just what walking with God looks like as she uncovers the path to a fresh faith.

Flipped

Christians are called to model a way of life that challenges the status quo and infuses the world with hope and possibility. We are to be people who see possibility where others see failure, beauty where others see ugliness and freedom where others see chains. This is the Upside Down Kingdom, where the forgotten are noticed, the silenced are given back their voice and love is stronger than hate. By exploring the teaching of Jesus, as recorded in the Gospel of Matthew, Malcolm Duncan in Flipped traces the key components of this new community, this life-giving way of living. He explores the five key discourses in Matthew and invites us to a radical new way of living and being centred around the reign and the rule of King Jesus. The message of Flipped: The Upside Down Kingdom is one that our churches need to hear - that God's Kingdom is unshakeable, local churches are its vanguard and Christians are its citizens. Flipped paints a vision of what is possible when ordinary people catch a glimpse of God's radical call to follow the Lord Jesus.

The Jesus People Movement

Who would have imagined that the hippies, those long-haired, psychedelia-influenced youth of the 1960s, would have initiated a spiritual revolution that has transformed American Christianity? If you are unfamiliar with the 1960s, the counterculture, the hippie movement, and the Jesus People, then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down. If you have read other books on the Jesus People, this account will take you by surprise. A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement, this book argues that the Jesus People, though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood, helped American Christianity negotiate a way forward in a post-1960s culture. It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism. Although utterly central, the Jesus People's Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism. This account uniquely redresses this omission.

Into the Mess and Other Jesus Stories

He was a disrupter and a peacemaker, a rebel and a rabbi. His friends were the riffraff, and his enemies the religious elite. He was the wounded man who healed the sick, the homeless man who fed the hungry, the convicted criminal who released the captives, and the dead man who conquered the grave. The stories he told were scandalous, and the stories he lived changed the world. To reflect on the Jesus of the Gospels is to reflect on paradox, mystery, wonder, and messiness. It is to find God in the shadows, the tensions, and the ambiguities of life on earth as it is. These essays on the stories of Jesus are invitations to faith in all its complexity and untidiness. The Jesus who emerges here is not the sanitized Christ of piety and platitude, but the Christ of complicated joys and transcendent sorrows. The Christ who weeps, wonders, loses, learns, and seeks. These are the stories of the Incarnate God who finds and loves us in the messiness of our lives.

Called to Christian Joy and Maturity

More than ever, Christians must be grounded in their identity and purpose to reach a hurting world. This groundbreaking book brings together the latest best practices for how to be (and help others become) mature, balanced, and joyful Christians today. Evangelism experts Gordy DeMarais and Daniel Keating lay out thoughtful actions for effectively bringing Christ to the world. A must-read for every follower of Jesus.

The Other Side of Christmas

Ambigram Christmas childrens' book that bridges the gap between the Santa story and the Jesus story. This ambigram book has two stories in one. The first story shares people celebrating this traditional holiday. Then at the last page, readers are directed to turn the book upside down to read the second story of the birth of Jesus on Christmas day.

Upside-Down Kingdom

Translated into six languages, and with over 100,000 copies sold, The Upside-Down Kingdom continues to change people's lives. In addition to a new cover, this edition includes three essays by people whose lives have been inspired by the book. Donald B. Kraybill shows how the kingdom of God announced by Jesus appeared upside-down in first-century Palestine. Jesus wins by serving and triumphs by losing. Today, God's way still looks upside-down as it breaks into diverse cultures around the world. According to Kraybill, worldly authorities seek power and prestige, but Jesus' counter-cultural message is a clear call to turn the social ladder upside-down. Jesus demonstrates radical opposition to the dominant culture by making friends with social outcasts and rebelling against authorities. This message calls Christians from many cultures to actively participate in God's upside-down kingdom. Winner of the 1979 National Religious Book Award.

The Kingdom that Turned the World Upside Down

In The Kingdom that Turned the World Upside Down, David Bercot takes the reader back to Jesus' teachings of the kingdom teachings that have too often been forgotten. Bercot describes the radically new laws of the kingdom and its upside-down values. There's no room in Christ's kingdom for superficial Christianity, for this is a kingdom that has historically turned the world upside down.

Quid Pro Quirk

Have you ever read a Bible passage that seemed to contradict other Scriptures, or simply didn't make sense? Have you ever wanted to answer a skeptic who insisted the Bible was full of errors, but didn't know how to respond? Do you hesitate to share your faith because you don't know what you believe—or why you believe it? Quid Pro Quirk seeks to resolve such issues and help you share the reason for the hope that is within you (1 Peter 3:15). In a legal context, the Latin phrase quid pro quo means to exchange "something for something," or "this for that." Quid Pro Quirk uses a courtroom setting to exchange plausible explanations for alleged Bible quirks. The compelling explanations can give you confidence as you add to your knowledge and understanding of God's Word. In Quid Pro Quirk, the prosecution begins with an opening statement establishing the background behind each alleged quirk and then finishes with a specific charge. The defense responds, using the Bible and other sources to dispute the charge. After considering all of the evidence, you act as judge and jury in rendering an informed verdict. Quid Pro Quirk's explanations are as brief and concise as possible, and yet remain faithful to the letter and spirit of God's Word in responding to a broad spectrum of charges. A handy

reference source for the layman that avoids dry and endless rhetoric, Quid Pro Quirk focuses on the key facts that can bless you in your quest for God's truth.

Peter, Paul and Mary Magdalene

Bart Ehrman, author of the highly popular books *Truth and Fiction in The Da Vinci Code*, *Lost Christianities*, and the New York Times bestseller *Misquoting Jesus*, here takes readers on another engaging tour of the early Christian church, illuminating the lives of Jesus' most intriguing followers: Simon Peter, the Apostle Paul, and Mary Magdalene. What does the Bible tell us about each of these key followers of Christ? What legends have sprung up about them in the centuries after their deaths? Was Paul bow-legged and bald? Was Peter crucified upside down? Was Mary Magdalene a prostitute? In this lively work, Ehrman separates fact from fiction, presenting complicated historical issues in a clear and informative way and relating vivid anecdotes culled from the traditions of these three followers. He notes, for instance, that there is no evidence to suggest that Mary Magdalene was a prostitute (this legend can be traced to a sermon preached by Gregory the Great five centuries after her death), and little reason to think that she was married to Jesus. Similarly, there is no historical evidence for the well-known tale that Peter was crucified upside down. A serious book but vibrantly written and leavened with many colorful stories, *Peter, Paul, and Mary Magdalene* will appeal to anyone curious about the early Christian church and the lives of these important figures. "An informed but breezy look at the myths surrounding Jesus' most influential followers.... This book contains valuable historical scholarship. It also encourages readers to approach the Scriptures with fresh and enlightened eyes." --Christian Science Monitor

The Upside-Down Kingdom

Translated into six languages, and with over 100,000 copies sold, *The Upside-Down Kingdom* continues to change people's lives. In addition to a new cover, this edition includes three essays by people whose lives have been inspired by the book. Donald B. Kraybill shows how the kingdom of God announced by Jesus appeared upside-down in first-century Palestine. Jesus wins by serving and triumphs by losing. Today, God's way still looks upside-down as it breaks into diverse cultures around the world. According to Kraybill, worldly authorities seek power and prestige, but Jesus' counter-cultural message is a clear call to turn the social ladder upside-down. Jesus demonstrates radical opposition to the dominant culture by making friends with social outcasts and rebelling against authorities. This message calls Christians from many cultures to actively participate in God's upside-down kingdom. Winner of the 1979 National Religious Book Award.

War and the American Difference

How are American identity and America's presence in the world shaped by war, and what does God have to do with it? Esteemed theologian Stanley Hauerwas helps readers reflect theologically on war, church, justice, and nonviolence in this compelling volume, exploring issues such as how America depends on war for its identity, how war affects the soul of a nation, the sacrifices that war entails, and why war is considered "necessary," especially in America. He also examines the views of nonviolence held by Martin Luther King Jr. and C. S. Lewis, how Jesus constitutes the justice of God, and the relationship between congregational ministry and Christian formation in America.

101 Amazing Truths About Jesus That You Probably Didn't Know

No one has influenced history like Jesus Christ, yet so many know so little about this amazing man. Do you know . . . -- Jesus paid taxes? -- His parents almost divorced? -- Some of his ancestors were less than desirable characters? -- Sometimes even his followers didn't believe him? -- If Jesus was really born on December 25? Are you ready to . . . -- Expand your knowledge beyond the stories you heard in Sunday school? -- Find truths that will compel you to love him more? -- Understand his words and find the secret of true happiness? -- Discover the joy in seeing others through his eyes? Let this captivating book introduce you to the most creative, thought-provoking person in history . . . JESUS!

Missional (Allelon Missional Series)

The burgeoning missional church movement is a sign that believers are increasingly feeling the call to impact their communities, which is a good thing. But, says Alan J. Roxburgh, these conversations still prioritize church success over mission--how can being missional grow my church? But to focus on such

questions misses the point. In *Missional*, Roxburgh calls Christians to reenter their neighborhoods and communities to discover what the Spirit is doing there--to start with God's mission. He then encourages readers to shape their local churches around that mission. With inspiring true stories and a solid biblical base, *Missional* is a book that will change lives and communities as its message is lived out.

Preaching to the Converted

Short (700 word) homilies for each Sunday for all three cycles, in one volume.

Walk Humbly with the Lord

In June of 1910, delegates gathered in Edinburgh for the first World Missionary Conference. One hundred years later, the 2010 Church and Mission in a Multireligious Third Millennium conference sought to reconcile a century of seismic shifts in the worldwide landscape of the church with its ongoing mandate to make disciples of all nations. Arising out of that recent conference, *Walk Humbly with the Lord* presents a broad, multinational spectrum of contemporary approaches to both theology and missiology. Recognizing that the old Western notion of Christendom which formed the cultural backdrop of Edinburgh 1910 is now long obsolete, the book's twenty-seven forward-thinking contributors respond to globalization and the enormous growth of religious pluralism worldwide, offering reflections on the future of missiology and the relationship of church and mission. Together they speculate about the possible shape of Christianity in a multireligious age, as God works out new and unforeseen schemes in the reconciliation of the world. I wish I could have been at the conference from which this book comes! Viggo Mortensen and Andreas Nielsen have assembled a marvelous collection of reflections on mission that will be especially helpful to Christians committed to living faithfully and missionally in today's pluralistic world. If a new postsecular reality is emerging, as some are saying, these essays will help the church be a sign of hope and stability in such a new age. Stephen Bevans, SVD Catholic Theological Union, Chicago

Leader's Manual the Apostles of Jesus Christ

This **LEADERS MANUAL** provides new materials and suggestions to assist Sunday School teachers and Bible study leaders in successfully conducting six-week or thirteen-week courses of studies based upon the book. The manual contains both the questions posed in the Readers Guide (Appendix C) of the book, and the manual also gives the answers to those questions. The manual also contains the Minyan Sociogram and maps of the Roman Empire and the Holy Land. A NEW DVD inside the back cover (or available directly through the author) includes a feature-length video, *The Life and Legends of the Apostles*, together with the questions from the Readers Guide, the color Minyan Sociogram, the maps of the Roman Empire and the Holy Land. Cover illustration by: Tim Baron

Yeshua, the Untold Story

Based on the fantasies created in the mind of an apathetic church attendee who reimagines the possibility that Jesus in the New Testament was actually the creation of a famous Judean street performer, *Yeshua* is the story of how the character of Jesus in theater emerges as an iconic celebrity whose dramatic reenactments of well-known stories in the New Testament challenge and threaten the current social and political order of the first half of the century. The growing popularity of the Jesus character in *Yeshua*'s performances occurs alongside his romantic relationship with Alexia, the daughter of a Roman aristocrat. As the crowds attending *Yeshua*'s performances increase exponentially, they eventually capture the attention of the Roman emperor. After a series of dangerous encounters, death, and sacrifice, *Yeshua*'s character will be revered in history for all of eternity as the one who inspired people beyond their imagination.

Shiloh's Well

When a woman from Samaria comes to draw water at Jacob's well, Jesus, known prophetically as Shiloh, Prince of Peace, offers her an incredible gift of living water. All she has to do is ask, which, by the way, still applies today. Jesus explains that everyone who drinks from His well, even those of questionable character like her, will never be thirsty again, and the water will become a spring welling up to eternal life (NIV). In *Shiloh's Well* you can read all about an overflowing, abundant life that is available to all those who drink of this miraculous living water. My prayer is that these pages will proclaim a clear, unequivocal message of eternal hope and spiritual truth pointing to the God who has sustained and

blessed me my entire life. May Shilohs Well make you smile, touch your heart, lead you humbly to the feet of Christ, enlighten your spiritual understanding, and challenge your commitment to Christian service!

Signs, Wonders and a Baptist Preacher

Baptist Preacher Takes the "Weird" Out of the Supernatural Demonstrating humor, candor, and personal vulnerability, this Southern Baptist preacher offers an entertaining, non-religious look at the Holy Spirit. He shares transparently, recounting his own history of depression and panic attacks until Jesus rescued him and showed him how to do the works of the Father. As Norris explains, "I had no paradigm for that." Then he challenges readers to engage with the supernatural. Even though Jesus said we will do even greater things than he did, we don't. Norris's engaging narrative style lowers readers' defenses and opens their minds to the idea that these "greater things" are more attainable than they think. Because we are loved more than we imagine, says Norris, we are more capable of doing the Father's works than we have ever considered.

The Wandering Atheist and Other Stories

Religious literature fills the world, but literature around non-belief is sparse. This book is my small effort to help rectify that and add to the small but growing body of literature that begins in the Enlightenment (or earlier; Lucretius comes to mind) and stretches in a very thin line to the present. Find out what happens when the United States votes to become officially a Christian nation. Follow along with Lepidus and Derek as they attempt to bring Enlightenment and humanist values to a world that doesn't want them. Visit Hell and speak with Mephistopheles. Find out what happens when a mother faces a challenge to custody of her child simply because she doesn't believe in God.

Celebrating the Lectionary® for Preschool and Kindergarten 2017-2018

Celebrating the Lectionary® for Preschool and Kindergarten provides 15-minute Lectionary-based catechetical sessions for every Sunday and Holyday of Obligation. It includes reproducible send-home pages for each Sunday and Holyday of Obligation that families can use to live the message of the Lectionary and celebrate the seasons of the liturgical year.

Turning the World Upside Down

This book will examine the spirit of homosexuality; what it is, where it comes from, how it manifests, why it is such an integral key to the last days, and how to overcome it. In doing so, it will address such questions as: Why has the acceptability of homosexuality become such a prominent topic? Can someone be born homosexual? Where does the homosexual spirit come from? What is original sin? What was the forbidden fruit? What was the tree of the knowledge of good and evil? What does it mean for man to be made in God's image? Why does the exaltation of patriarchy promote the homosexual spirit? How is this spirit manifested in heterosexuals?

Surprised by God

There is no change more radical in the life of any person than that which comes about when they come to faith in the Lord Jesus Christ. Every part of their being is touched, and at the deepest level. In these thrilling accounts, Faith Cook takes individuals from the sixteenth to the twentieth century and tells the story of how they were each in their turn 'surprised by God.' These wonderful and well-told stories will warm your heart and give you cause for praising the God who seeks out sinners. This is biography with it's main focus in just the right place, told as it should be by a writer of whom Dale Ralph Davis said 'I am tempted to say that no one can dig up saints like Faith Cook!' Note: This title is a revised edition, formerly titled 'Lives Turned Upside Down'.

The Man Who Saw Himself and Other Stories

"A 12-year-old's take on the totally unborring, slightly weird stuff in the Bible, including fish guts, wrestling moves, and stinky feet." -- Cover.

Kirby McCook and the Jesus Chronicles

What does it really mean for Christians to live as faithful kingdom citizens in today's world? Bitter partisan conflict. State-sanctioned torture. Economic injustice. Ethical corruption. Even a cursory glance over daily news headlines shows a stark contrast between the American political state and the kingdom of heaven. Where, then, does the Christian's ultimate allegiance lie? In *I Pledge Allegiance* David Crump issues a clarion call to Jesus's twenty-first-century disciples, stirring them up to heed God's word and live out their kingdom citizenship here on earth. Closely examining the ethical teachings of Jesus and his apostles in the New Testament and using real-world examples to illustrate the vital issues at stake, Crump challenges Christians to embrace the radical, counterintuitive, upside-down way of Jesus—a way of living and thinking that turns the world's values on their head, smashes through stale political and cultural conventions, and welcomes God's kingdom into the very heart of our shared society.

I Pledge Allegiance

How many times have you read a book by a seasoned diplomat in the United States Foreign Service examining the universal drawing power of Jesus? With the advantage of a solid theological education and the privilege of living among communities of people world-wide with vastly different perspectives, Phil Skotte here presents richly woven insights into his studied conviction that we are all hard wired for Jesus: that Jesus is not going away. This book is a gem. Read it! Samuel Hugh Moffett Emeritus Professor of Ecumenics and Mission Princeton Theological Seminary Princeton, New Jersey It has often been said that humans are hard-wired for belief in God and for religion. In *Why Jesus Won't Go Away*, Philip Skotte suggests that we are also hard-wired for Jesus Christ. Faith in Jesus is the most globally widespread movement in human history, and it is growing more rapidly than ever before, even in remote and unexpected places. Why Jesus takes us on a world tour to discover the surprising sources of Jesus' attraction and explores the powerful impact of his attraction on the human race. Written by a seasoned diplomat, *Why Jesus Won't Go Away* may change your calculations about humanity's religious future. It may also change your mind about Jesus.

Why Jesus Won't Go Away

World Upside Down: The Life of Paul, God's Chosen Messenger By: Louis McCall Saul was an uncompromising Pharisee and religious bigot. He approved of the death of Christianity's first martyr, Stephen, after the crucifixion of Jesus. He knew the scriptures but didn't really know God. Above all, he lacked God's character of love, compassion, mercy, and self-sacrifice. If you weren't born a Hebrew, Saul considered you a pagan far from access to the promises of God. He was so cruel he pulled men and women from their homes in chains and brought before the religious tribunal known as the Sanhedrin to be judged and punished. Their offence was believing that Jesus of Nazareth came from God, was born a man of a virgin when she was overshadowed by the Holy Spirit, fulfilled scripture, died for the sins of the world by an unjust crucifixion, preceded by torture, and rose again, after appearing to His followers, and then was taken up into heaven until He should return for His saints. To Saul, these Jews were heretics. His duty was to make them recant. Some were put to death in the process. Then Saul encountered the risen savior Jesus Christ. Learn how everything changed for him, Judea, Jews, and the world. • Why did God choose Saul, also called Paul, the Greek version of the same name? • How was Paul prepared for three years without interacting with the apostles? • What special miracles were attributed to Paul? • Why was Paul such a tireless traveler on mission? • What inspired a new generation to be co-workers with Paul knowing how much he suffered for the gospel? • Learn how Paul established churches and placed trusted male and female co-laborers in them to ensure the growth and development of those churches. • How was the worship of God changed? What was different about The Way? • How did the gospel focus change to include evangelizing formerly pagan non-Hebrews? • What were the issues with rejectionist traditional Jews and with Christian Judaizers? • What did the centers of idol worship and the rulers of that day have to fear from Paul? • What about Paul convinced Christians to be willing to suffer persecution and death for their faith after he and the apostle Peter were executed by a mad Caesar? As you read this book, you will feel like you are walking with Paul and sense his determination to fulfill the calling he received directly from the Lord Jesus. See his love, prayers, and pastoral care for those that accepted Jesus Christ through his ministry.

World Upside Down

Originally published in 1929, this book contains the first of three volumes on the origin and progress of the Christian faith from its origins in Judaism until the early twentieth century. Volume one reviews

the Jewish faith and the elements contained within it which gave rise to some of the key tenets of Christianity, as well as the earliest days of the Christian church and early traditions surrounding the life and teachings of Jesus. This book will be of value to anyone with an interest in the history of Christianity and its ties to Judaism.

The Rise of the Christian Church

The story of Jesus Christ goes much deeper than His crucifixion and resurrection. Few will dispute that a man named Jesus Christ lived 2,000 years ago and that He was a great teacher who impacted the world. Christ made a controversial claim—that He was the very Son of God, the long-prophesied Messiah—causing religious authorities in Jerusalem to reject Him, hate Him and eventually succeeded in having Him put to death. Likewise, the local Roman civil authorities also saw Him as a threat and became complicit in His execution. The religions of His day, both Judaism and paganism, opposed the growth of His teachings and used unlawful and violent means to try to destroy the Church He founded. The government of Rome also came to vigorously persecute the followers of this Jewish teacher from Galilee. Today, there is much confusion and questions concerning this controversial figure. Where can you go for the answers? The Bible. This Bible Study aid booklet, "Jesus Christ: The Real Story" will help explain what is written in the Bible about Jesus Christ. You can discover the answers to these questions and more: Who was Jesus Christ of Nazareth? Where did He come from? When was Jesus Christ born? What did Jesus teach? Was He God in the flesh? What did Jesus look like? Was He only a man? Why did He die? Discover the true, fascinating story that so few understand. The story of the greatest Man who ever lived and the misunderstood message He preached—the gospel (good news) of the coming Kingdom of God! Chapters in this ebook: -- Introduction - Jesus Christ: The Real Story -- Who—and What—Was Jesus Christ? -- Jesus Christ's Disciples Understood Him to Be the Creator -- Jesus Christ: 'The Rock' of the Old Testament -- The Family of God -- Jesus' Amazing Fulfillment of Prophecy -- The Bible Prophesied the Exact Year the Messiah Would Appear -- Was Jesus Born on Dec. 25? -- A Sinless and Miraculous Life -- Could Jesus Perform Miracles? -- Did Jesus Really Die and Live Again? -- Roman Forms of Crucifixion -- When Was Jesus Christ Crucified and Resurrected? -- The Chronology of the Crucifixion and Resurrection -- Do Other Nonbiblical Sources Confirm Jesus Christ's Existence? -- Much More Than a Man -- Was Jesus a Created Being? -- The God Who Became a Human Being -- Jesus' Family Connections -- Did Jesus Have Long Hair? -- The Messiah's Misunderstood Mission -- What Do 'Messiah' and 'Jesus Christ' Mean? -- What Was Jesus' Gospel? -- Salvation Is Entrance Into the Kingdom of God -- Other Names for the Kingdom -- Jesus' Teaching on God's Law -- Other Important Ways Jesus Fulfilled the Law -- Christ's New Commandment -- Does the New Covenant Abolish the Commandments? -- Jesus Christ and the Festivals of the Bible -- Who Killed Jesus? -- Jesus Christ, the Wisdom of God -- The Tearing of the Temple Veil -- Alive Again Today and Forever -- Your Date With Destiny: Meeting the Real Jesus -- 'Even So, Come, Lord Jesus!' Inside this Bible Study Aid ebook: "Perhaps the boldest claim Jesus made about His identity was the statement, "Most assuredly, I say to you, before Abraham was, I AM" (John:8:58)...What was going on here? Jesus was revealing His identity as the actual One whom the Jews knew as God in the Old Testament." "The New Testament writers cite messianic prophecies from the Old Testament more than 130 times. By some estimates the Old Testament contains 300 prophetic passages that describe who the Messiah is and what He will do. Of these, 60 are major prophecies. What are the chances of these prophecies being fulfilled in one person?" "A careful analysis of Scripture, however, clearly indicates that December 25 is an unlikely date for Christ's birth. Here are two primary reasons..." "How can we fit "three days and three nights" between a Friday-afternoon crucifixion and a Sunday-morning resurrection?"

The Christian Religion

The fifty-six essays in this book present cultural reflections on the gospel reading assigned for each Sunday in Cycle A of the Roman Lectionary. Each essay highlights aspects of the first-century, Eastern Mediterranean cultural world in which Jesus lived and suggests across-cultural comparison with contemporary Western culture. With this background information, readers can make more fitting applications of the Scripture to modern life situations. Used as an aid in preaching, Lectionary-based catechesis, Scripture study, or for the interest and knowledge it brings, The Cultural World of Jesus will add form and substance to your understanding of the Word that dwelt among us." "
