Dr. Biel has ...

Meet Dr. Matthew Biel

Do children get depressed?

How do I know if my child is depressed?

How treatable is my child's depression and what kind of treatments are available?

When should I be worried about my child's emotions or mood?

Do children get Obsessive Compulsive Disorder (OCD)? Is that something you treat?

What are the symptoms of OCD in children?

What's the difference between a child psychologist and a child psychiatrist?

Will my child meet with both a psychologist and psychiatrist?

What is ADHD and how is it treated?

How would I know if my child has ADHD?

What is Autism? How do you evaluate it and how do you treat it?

What are some signs of autism?

Are there medications for autism?

Are children and adolescents at risk for suicide?

To what extent have treatments improved in the last 5 years for kids with mental health issues.
