For the beauty of the Earth

For the beauty of the skies

For the beauty of each hour

Hill and vale and tree and flower

Sun and moon and stars of light

Lord of all to Thee we raise

For the joy of human love

Brother sister, parent, child

Friends on Earth and friends above

For all gentle thoughts and mild

For each perfect gift of Thine

To our race so freely given

Graces human and divine

Flowers of Earth and buds of heav'n
