En prostituerads bekännelser

Sandra ser ut som vilken annan kvinna som helst under 2000-talet. När Sandra handlar i affärer betalar hon till skillnad från de flesta andra kontant med pengar som hon har tjänat in genom prostitution. Sandra annonserar på Internet och bokar träffar med kunder via mobiltelefonsamtal. Sandra är specialist på sex och känner till männens sexualitet bättre än deras fruar. I En prostituerads bekännelser berättar eskortkvinnan Sandra under hemlig identitet om sin verksamhet och hur den påverkas av prostitutionspolitiken. Hennes dagbok garanteras vara allt annat än långtråkig och rekommenderas inte för känsliga personer. I sexhandelns värld gäller inte samhällets regler och här kan vad som helst hända. Läs berättelsen på egen risk...

Varat och varan : prostitution, surrogatmödraskap och den delade människan

Den här boken handlar om prostitution och surrogatmödraskap. Om hur det gick till när prostitution plötsligt började kallas sexarbete. Om lobbykampanjerna, vem som betalade och vem som lurades. Om hur »fackföreningar för sexarbetare« blev på modet trots att några fackföreningar inte existerar. Men också om en annan slags prostitution - handeln med graviditet. Om hur kvinnor i Indien och Ukraina föder barn åt västerlänningar. Och hur även detta beskrivs som »ett yrke« och »ett fräscht sätt att se på graviditet«. Det här är en bok om våra jag och våra kroppar, om splittring och helhet, om vår tids förakt för offer och tvånget att vara stark.

The Intimate Adventures Of A London Call Girl

The bestselling and infamous diary of a high-class call girl, as seen on the show starring Billie Piper. Belle de Jour is the nom de plume of a high-class call girl working in London. This is her story. From the summer of 2003 to the autumn of 2004 Belle charted her day-to-day adventures on and off the field in a frank, funny and award-winning web diary. Now, in her Intimate Adventures, Belle elaborates on those diary entries, revealing (among other things) how she became a working girl, what it feels like to do it for money, and where to buy the best knickers for the job. From debating the literary merits of

Martin Amis with naked clients to smuggling whips into luxury hotels, this is a no-holds barred account of the high-class sex-trade, and an insight into the secret life of an extraordinary woman.

Belle de Jour

A behind-the-scenes account of the world of high-class escorts, told from the perspective of a call girl who pursued a taboo career in London after she was unable to support herself on the proceeds of her impressive education, describes her lucrative relationships with a range of wealthy clients. Reprint.

The Further Adventures of a London Call Girl

"She lists like Hornby. She talks dirty like Amis. She has the misanthropy of Larkin and examines the finer points of sexual technique as she is adjusting the torque on a beloved but temperamental old E-type...It's hard to believe that this clever and candid new voice has no more to say. Whoever the author is, she should give up the day job. Only then will we find out what the real Belle de Jour is made of.' Independent This follow-up to the hugely successful 'Intimate Adventures' will be just as bold, funny and brilliant. Peppered with agony-aunt letters and advice, and stories from her 'working' life, it's also the story of a young woman making her way in the world - told in Belle's inimitable voice.

The Turning Tide

Erykah Macdonald has a nice life, the kind you're supposed to want. But on her twentieth wedding anniversary, she's about to cross a line. Several hundred miles away in the shallow waters of a Hebridean island, a body is found and it's clear this is no accidental death. Erykah has to make an irreversible choice - she's used to living with secrets but there are far worse secrets about to emerge. From a morgue in the Highlands to the powerplays in Westminster, a net is tightening. And those that find themselves caught will kill to get out. Erykah must decide what she's capable of. She should be scared - but sometimes, crossing the line is the first step to freedom...

Playing the Game

The first novel from the most infamous call girl in town... Game over? Belle is starting to wonder if she should call time on the call girl business: get a day job, a life free from secrets and have a 'normal' relationship with the Boy. But will Belle cope with the nine-to-five, a staggering decline in her underwear budget and no more paid sex? As Belle explores life and love after the game, her story is frank, smart and refreshingly honest. Punctuated with advice, anecdotes and reflections in her inimitable voice, this is a novel of secrets and lies, scabrous wit and more than a little lust.

Belle's Best Bits

From the summer of 2003 Belle charted her day-to-day adventures on and off the field in a frank, funny and award-winning diaries. She was the first to reveal (among other things) how she became a working girl, what it feels like to do it for money, and where to buy the best knickers for the job. She also discusses her efforts to change from 'working girl' to working girl, whilst sneaking off to visit clients in her lunch hour. From debating the literary merits of Martin Amis with naked clients to smuggling whips into luxury hotels, this is a no-holds barred account of the high-class sex-trade, and an insight into the secret life of an extraordinary woman.

Belle de Jour's Guide to Men

Belle de Jour is a woman who's met men of every conceivable type. She knows what they want, and how to give it to them. And outside the one-hour appointments, she's also had her heart broken, picked herself back up, put on another stunning pair of shoes and carried on - so she knows a thing or two about love as well as sex. So sit back, relax and listen to what your friends are too polite to tell you. About when you need or want a man, and when you damn well don't. Whether you want to find men, lure them, ditch them, hitch them - here's the lowdown. Funny, surprising and always entertaining, BELLE DE JOUR'S GUIDE TO MEN is must-have reading for every woman out there.

Sex, Lies and Statistics

"An enlightening must-read for anyone exposed to the press" THE INDEPENDENT ON SUNDAY "Should be read by anyone claiming an interest in sex and, especially, sex equality" EVENING

STANDARD "An important book... exactly the kind of level-headed analysis that could help to dispel some of the hysteria surrounding the sex industry" THE TIMES "As entertaining as it is erudite" THE OBSERVER As Belle de Jour she enthralled and outraged the nation in equal measure. Now her real identity is out in the open, Brooke's background as a scientist and a researcher can come to bear in her fascinating investigation into the truth behind the headlines, scandals and moral outrage that fill the media (and our minds) when it comes to sex. Using her entertaining and informed voice, Brooke strips away the hype and looks at the science behind sex and the panic behind public policy. Unlike so many media column inches, Brooke uses verifiable academic research. This is fact, not fiction; science not supposition. So sit back, open your mind and prepare to be shocked...(Review excerpts refer to 2012 UK edition)

The Viking Gods

The books in this series contain short texts from the original stories from Viking Age. These new translations unlock the treasures of the Classical texts and will make a valued gift for friends, relatives or business associates. The Viking Gods contains excerpts from Snorri Sturluson's Edda, which was written around 1220 and is the most important source on the gods of the Vikings. It's the story of the mythical kingdom of Asgard, ruled by the all-mighty god Odin, with Thor, Loki, Balder and the Valkyries.

The Notion of That Which Depends on Us in Plotinus and Its Background

Analyzing how Plotinus' critical reception of the Aristotelian, Stoic and Middle-Platonist notions of 'that which depends on us' lead him to a highly original interpretation of the notion, this book shows the central role of this notion in the Plotinian account of human agency.

The Mongwande Snake Cult

Moen presents a very fascinating subject Na snake cult among the Mongwande people in the northern part of the Democratic Republic of Congo. Going beyond a mere anthropological description, he brings the subject in relation to the snake concept in Scripture and reflects on the opportunities and fallacies of missionary ministry.

When the Powers Fall

Repressive authoritarian regimes are falling and fragile new democracies emerging around the globe. How are longstanding conflicts and deep divisions to be healed and enemies reconciled without breeding further injustices? To answer this question, Walter Wink here applies his compelling analysis of "the Powers, " as they appear in the New Testament, to the global scene. Surveying the wrenching religious and ethical dilemmas involved in transitions from despotism to democracy, Wink neatly summarizes key concepts from his Fortress Press trilogy on the Powers, including sections on "Jesus against Domination" and "Nonviolence." He then shows how central concepts in the teaching of Jesus can clarify true and false ideas of forgiveness and reconciliation and apology - without sacrificing justice. The personal, political, and geopolitical pertinence of Wink's ideas shines in his discussion of specific situations in Africa and Latin America.

Falling Freely

A fresh examination of one of the most contentious issues in runic scholarship - magical or not? The runic alphabet, in use for well over a thousand years, was employed by various Germanic groups in a variety of ways, including, inevitably, for superstitious and magical rites. Formulaic runic words were inscribed onto small items that could be carried for good luck; runic charms were carved on metal or wooden amulets to ensure peace or prosperity. There are invocations and allusions to pagan and Christian gods and heroes, to spirits of disease, and even to potential lovers. Few such texts are completely unique to Germanic society, and in fact, most of the runic amulets considered in this book show wide-ranging parallels from a variety of European cultures. The question of whether runes were magical or not has divided scholarship in the area. Early criticism embraced fantastic notions of runic magic - leading not just to a healthy scepticism, but in some cases to a complete denial of any magical element whatsoever in the runic inscriptions. This book seeks to re-evaluate the whole question of runic sorcery, attested to not only in the medieval Norse literature dealing with runes but primarily in the fascinating magical texts of the runic inscriptions themselves. Dr MINDY MCLEOD

teaches in the Department of Linguistics, Deakin University, Melbourne; Dr BERNARD MEES teaches in the Department of History at the University of Melbourne.

Mapping European Comparative Education Research Perspectives

On a miserable January morning Sarah is sitting on a plane to Tenerife - dickheads' destination of choice - for a week-long getaway. She's just realised that she's very angry and becoming a bitter bitch, despite being just thirty years old. With her on the plane she has a copy of Erica Jong's *Fear of Flying* and wishes it were 1975 instead of 2005. Sarah never intended for things to turn out the way they have: she just dreamed of love like everyone else. But now she's sitting here, thinking about all the injustices she's suffered. Thinking about how thoroughly fooled she was by the promise of love - the one that makes us want to start a family. Thinking about all the women she knows who, like her, were drained of all their energy by family hell - an inheritance passed down directly from generation to generation, from her restless mother's eczema-covered dishpan hands to her own nervous over-achiever complex. Angry and candid, *Bitter Bitch* is an uncompromising novel, at the heart of which is one of the most important women's issues: how can we ever have an egalitarian society when we can't even live in equality with those we love?

Noun Complementation in English

"In this new cultural history Harry Oosterhuis invites us to reconsider the quality and extent of Krafft-Ebing's influence. Revisiting the case studies on which Krafft-Ebing based his findings, and thus drawing on the voices of his patients and informants, Oosterhuis finds that Krafft-Ebing was not the harsh judge of perversions that we think he was.

The Unmanly Man

This study provides a definition and a typology of swearing and compares its manifestations in English and 24 other languages. In addition the study traces the history of swearing from its first known appearance in Ancient Egypt to the present day.

Bitter Bitch

Reflects how the dramatic transformations of Stockholm in late 1800s resulted in elements of the language being lost.

Referential Metonymy

The main focus of the study is the deepening crisis of the Ethiopian education system. This study reconstructs the growth of the crisis of the sector during the last four decades. It then discusses the implications of the crisis in terms of communication breakdown; absence of analytical capacity at system level; the fragmentation of society; loss of political legitimacy and perpetuation of authoritarian power. Although the education sector has greatly expanded its impact on poverty alleviation has so far been insignificant. The poverty landscape has changed to the worse during the last fifty years. This is largely due to the fact that the Ethiopian education system is based on false premises. At the center of the crisis is the use of English as medium of instruction. The proficiency in English is so low that its continued use as a medium of instruction can only lead to the collapse of the education system. The study argues that it is only through language (readily understood and practiced) that collective life and the world can be interpreted in an integrated manner. The replacement of English by Ethiopian languages all the way from the primary to tertiary levels is one of the factors that could strengthen the survival potential of the Ethiopian political community. The study is relevant for policy makers and students of development studies on the role of education in social change in Africa south of the Sahara.

Stepchildren of Nature

An entertaining and enlightening exploration of why waste matters, this cultural history explores an often ignored subject matter and makes a compelling argument for a deeper understanding of human and animal waste. Approaching the subject from a variety of perspectives--evolutionary, ecological, and

cultural--this examination shows how integral excrement is to biodiversity, agriculture, public health, food production and distribution, and global ecosystems. From primordial ooze, dung beetles, bug frass, cat scats, and flush toilets to global trade, pandemics, and energy, this is the awesome, troubled, uncensored story of feces.

An English and Swedish dictionary ...

Critically acclaimed novel from one of Sweden's most prominent 20th-century writers.

Swearing: A Cross-Cultural Linguistic Study

A classic account of a journey from Scandinavia to the Far East in 1770, with commentary on the foibles of European society of the day.

Lost Words and Lost Worlds

For more than three decades, Lucien ' one of the most notorious characters in the history of the novel ' has haunted the imaginations of readers around the world. Remarkably, the astounding protagonist of Gabrielle Wittkop's lyrical 1972 novella, *The Necrophiliac*, has never appeared in English until now. This new translation introduces readers to a masterpiece of French literature, striking not only for its astonishing subject matter but for the poetic beauty of the late author's subtle, intricate writing. Like the best writings of Edgar Allan Poe or Baudelaire, Wittkop's prose goes far beyond mere gothic horror to explore the melancholy in the loneliest depths of the human condition, forcing readers to confront their own mortality with an unprecedented intimacy.

The Nature and Evolution of Female Sexuality

Whether you're after number ones, number twos or perhaps a map of Ireland there is something for you in this scatological survey. It contains over 4000 words for everything ranging from mucus to menstrual blood, from ejaculation to defecation and features a wide range of lavatorial language from the mundane 'crap' to the picturesque 'flock of starlings' to the outlandish 'Gravesend twins'. The latest and grossest of the 'Big Books' taken from Jonathon Green's *Cassell's Dictionary of Slang*, *Bodily Functions* wades joyfully through swamps of raw sewage and picks its way across the stained bedclothes of the English-speaking world.

Education in Ethiopia

At the start of this dazzlingly inventive novel from Jonas Hassen Khemiri, Abbas, a world-famous photographer and estranged father to a young novelist—also named Jonas Hassen Khemiri—is standing on a luxurious rooftop terrace in New York City. He is surrounded by rock stars, intellectuals, and political luminaries gathered to toast his fiftieth birthday. And yet how did Abbas, a dirt-poor Tunisian orphan and Swedish émigré, come to enjoy such success? Jonas is fresh off the publication of his first novel when answers to this question come in the form of an unexpected e-mail from Kadir, a lifelong friend of Abbas and an effervescent storyteller with delightfully anarchic linguistic idiosyncrasies. The portrait Kadir paints of Abbas—from a voluntarily mute boy who suffers constant night terrors, to a soulful young charmer, to a Swedish immigrant and political exile—proves to be vastly different from Jonas's view of his father. As the two jagged versions reconcile in Kadir and Jonas's impassioned correspondence, we're given a portrayal of a man that is at once tender and feverishly imagined. With an arresting blend of humor and wit, *Montecore* marks the stateside arrival of an already acclaimed international novelist. Winner of the PO Enquist Literary Prize for accomplished European novelists under forty, Jonas Hassen Khemiri has created a world that is as heartbreaking as it is exhilarating. From the Hardcover edition.

The Origin of Feces

The irascible, obdurate, and very thirsty Detective Superintendent Evert Bäckström of the National Murder Squad returns in a new novel from the reigning master of Scandinavian fiction. It's the dead of summer in the sleepy town of Växjö when twenty-year-old police cadet Linda Wallin is found lying facedown in her mother's apartment, brutally murdered and raped. With no clear motive or suspect in sight, a series of bureaucratic mix-ups causes the National Crime Unit to send Bäckström and his team into the countryside to solve the case. The ever-irritable Bäckström leaves his beloved goldfish behind, checks into a local hotel, and begins to reconstruct the night of Linda's murder. But with more than a few

bottles in tow, and a constantly growling stomach to look after, things don't go so well, and Bäckström has to rely on the help of his colleagues to solve the crime—no matter how angry that makes him.
