Conflict over Slavery

Kansas-Nebraska Act and Bleeding Kansas

Borders within the unorganized Nebraska territory would have to be settled before the railway could break ground.

Kansas-Nebraska Act Established borders for the Kansas Territory and the Nebraska Territory, provided for popular sovereignty to address slavery in both territories, and repealed the Missouri Compromise

Dred Scott Decision Ruling that determined slaves could not be citizens and that prior residence in a free state did not entitle an enslaved individual to freedom

Dred Scott's court decision would not be overturned until the passage of the 13th and 14th Amendments in 1865 and 1868.

Colonial Families of the United States of America

This is a facsimile reprint of Colonial families of the United States of America, Vol. VI, in which is given the history, genealogy and armorial bearings of colonial families who settled in the American colonies from the time of the settlement of Jamestown, 13th May, 1607, to the Battle of Lexington, 19th April 1775. Edited by George Norbury MacKenzie, LL.G., member of the Society of Genealogists of London, England; National Geographical Society; Old North-West Genealogical Society; Maryland Historical Society.

Colonial families of the United States of America, Vol. VI

Provides the history, genealogy, and armorial bearings of 850 families and 125,000 family members who trace their ancestry back to the Colonial Period, 1607-1776; arranged alphabetically within each of seven volumes, with individual indexes.

Colonial Families of the United States of America Vol. I

Colonial Families of the United States of America, in which is given the history, genealogy and armorial bearings of colonial families who settled in the American colonies from the time of the settlement of Jamestown, 13th May, 1607, to the Battle of Lexington, 19th April, 1775. In seven volumes.

Colonial Families of the United States of America. in Seven Volumes

More than thirteen years in preparation, Mackenzie's "Colonial Families" treats only those families who trace their ancestry back to the period 1607-1776. Ranging from three or four pages to ten or twenty pages or more, each family history article furnishes the British or European pedigree of the colonial ancestor, followed by a listing of his descendants--generation by generation--up to the time of writing, giving names, birth dates, dates of marriage and death, places of residence, occupation, and a variety of other matter. Also included in the articles are illustrations of coats of arms associated with the families. The seven volumes combined cover no fewer than 850 families and name 125,000 family members!

Colonial Families of the United States of America. in Seven Volumes. Volume I

This is a facsimile reprint of Colonial families of the United States of America, Vol. VI, in which is given the history, genealogy and armorial bearings of colonial families who settled in the American colonies from the time of the settlement of Jamestown, 13th May, 1607, to the Battle of Lexington, 19th April 1775. Colonial Families of the United States of America...1607-1775

Robert Bell was born between 1520 and 1539 in England. He married three times and had twelve children. Descendants and relatives lived mainly in England and Virginia.

Colonial Families of the Southern States of America

By the early twentieth century, Basil Wilson Duke had established himself as one of Kentucky's most popular storytellers, but unlike many other talented raconteurs, Duke was not merely a man of words. In Basil Wilson Duke, CSA, the first full-length biography of this distinguished American, Gary Robert Matthews offers keen insight into the challenges Duke faced before, during, and after the strife of the Civil War. As first lieutenant of General John Hunt Morgan's legendary band of Confederate raiders, Duke became Morgan's most trusted advisor and an integral contributor to his dramatic tactical successes. Duke was twice wounded in battle and was captured during a raid in Ohio in 1863. Held captive for over a year, Duke rejoined Morgan's cavalry in August 1864, only days before Morgan

(who was Duke's brother-in-law) met his demise in Greeneville, Tennessee. Promoted to brigadier general and appointed commander of Morgan's men, he helped convince Jefferson Davis of the futility of continued resistance at the close of the war and was assigned to the force escorting Davis in his escape. Duke's life of action and achievement, however, did not end with the war. He wrote *A History of Morgan's Cavalry*, preserving for posterity the experiences of his fellow warriors, and covered for the *Louisville Courier-Journal* an 1875 horserace that would eventually be known as the first Kentucky Derby. He built a reputation as a skilled historical writer, and his interests led him to help found the Filson Historical Society in Louisville. Duke also applied his talents to public and political life. He opened a law office and was elected as a Democrat to the Kentucky House, where he served until 1870. Then applying his legal expertise and political connections at the state and national levels, Duke represented the powerful L&N Railroad as the company's chief lobbyist in the aftermath of the war and during the emotionally charged era of Reconstruction. Gary Robert Matthews's comprehensive study of the life of Basil Wilson Duke allows a great soldier and statesman to step out of the shadows of the past.

Colonial Families of the United States of America

John Houghton (1624-1684), son of John Houghton, was born in England. He married Beatrix Joselyn (1625-1720) in Eaton Bray, Bedfordshire, England. They immigrated to America in 1647 and settled in Massachusetts. Ancestors, descendants and relatives lived mainly in England, Massachusetts, Illinois and Wisconsin.

Colonial Families of the United States of America

The Ancestry of Karl Arthur Lyman is a family history book that traces the author's paternal ancestral line from the sixteenth century to the year 2014. It includes a brief biography of the people who, in the paternal ancestral line, are descendants of Richard Lyman who immigrated to America from England in 1631. There is also a brief discussion of the historical influences and contributions of these ancestors.

Colonial Families of the United States of America

This book traces the history of immigrants from the British Isles who settled in New England and Virginia, and whose progeny were among the first settlers in Wisconsin.

Colonial Families of the United States of America

Before 1650, only a few hundred Scots had trickled into the American colonies, but by the early 1770s the number had risen to 10,000 per year. A conservative estimate of the total number of Scots who settled in North America prior to 1785 is around 150,000. Who were these Scots? What did they do? Where did they settle? What factors motivated their emigration? Dobson's work, based on original research on both sides of the Atlantic, comprehensively identifies the Scottish contribution to the settlement of North America prior to 1785, with particular emphasis on the seventeenth century.
