become aware of your in-breath

practice breathing in and out with some concentration

split in and out a few times

take one breath in and out and with one foot

develop your concentration

sit in a stable position and practice breathing

see the tiny branches

follow the movement of your abdomen

overcome your emotions

sit in a solid way

practice breathing in and out and calm

calm our selves

arrange flowers

give each flower a lot of space

another tool of freedom to offer emptiness to yourself

bring relaxation to all the muscles on your face
practice these exercises walking meditation
coordinate our breathing with the steps
walking meditation focus your attention on the contact between your feet
breathe with your feet
leave our moments deeply in mindfulness
combine our steps with our breath
nourish every cell of my body
stop at the red light
hear the telephone ringing practice breathing in
pick up the telephone
