Raising My Voice

"Some of the pieces in this book were previously published in Voices, which began as the weekly [congregation] Kolot Chayeinu newsletter and evolved into a journal publishing Kolot's many writers"--Preface.

Raise Your Voice

The Lord is calling His people to break their silence and proclaim the Gospel to everyone—right now. The Spirit of God is moving in people's hearts, prompting them to speak out against the sins and atrocities in our world. Speaking out comes with a cost. It can be challenging, unpopular, and downright lonely. You will be misunderstood. But those who speak in God's voice find peace for being faithful to his call. God has always looked for people who are willing to do what He needs done. He takes those imperfect people and baptizes them with passion to do His will. They cannot escape its clutches. God wants to say something to you and through you. He is looking for a trumpet; the raised voices of His remnant are the sounds of revival. Revival happens when repentance happens. Repentance happens when people speak the heart of God. God has voices ready to speak and bring revival to earth. Are you one of them? If you are looking for a way to unlock the words of God from deep in your soul, this book is for you.

Sermons on Selected Lessons of the New Testament

May He, beloved, fulfil your expectation who hath awakened it: for though I feel confident that what I have to say is not my own, but God's, yet with far more reason do I say, what the Apostle in his humility

saith, "We have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us." I do not doubt accordingly that you remember my promise; in Him I made it through whom I now fulfil it, for both when I made the promise, did I ask of the Lord, and now when I fulfil it, do I receive of Him. Selected Sermons, Volume 3

By the mid-sixteenth century, Jews in the cities of Italy were being crowded into compulsory ghettos as a result of the oppressive policies of Pope Paul IV and his successors. The sermons of Jewish preachers during this period provide a remarkable vantage point from which to view the early modern Jewish social and cultural landscape. In this eloquent collection, six leading scholars of Italian Jewish history reveal the important role of these preachers: men who served as a bridge between the ghetto and the Christian world outside, between old and new conventions, and between elite and popular modes of thought. The story of how they reflected and shaped the culture of their listeners, who felt the pressure of cramped urban life as well as of political, economic, and religious persecution, is finally beginning to be told. Through the words of the Italian ghetto preachers, we discover a richly textured panorama of Jewish life more than 400 years ago.

Memoir of the Late A. Ross ... And a Selection of His Sermons ...

The Sermons of St. Augustine, besides their other excellencies, furnish a beautiful picture of perhaps the deepest and most powerful mind of the Western Church adapting itself to the little ones of Christ. In them, he who has furnished the mould for all the most thoughtful minds for fourteen hundred years, is seen forming with loving tenderness the babes in Christ. Very touching is the child-like simplicity, with which he gradually leads them through what to them were difficulties, watching all the while whether he made himself clear to them, keeping up their attention, pleased at their understanding, dreading their approbation, and leading them off from himself to some practical result. Very touching the tenderness with which he at times reproves, the allowance which he makes for human infirmities and for those in secular life, if they will not make their infirmities their boast, or in allowed duties and indulgences forget God. But his very simplicity precludes the necessity of any preface. His Sermons explain themselves. They appear from a passage in the Commentary on the Psalms to have been often taken down in writing at the time by the more attentive sort of hearers (as were those of St. Chrysostom); Possidius states that this was done from the commencement of his presbyterate, and that "thence through the body of Africa, excellent doctrine and the most sweet savour of Christ was diffused and made manifest, the Church of God beyond seas, when it heard thereof, partaking of the joy."
