[#good mom](#) [#parenting tips](#) [#motherhood advice](#) [#raising children](#) [#happy mom](#)

Becoming a good mom is a journey of learning, growth, and unconditional love. It involves nurturing your child's physical and emotional well-being, providing a supportive and loving environment, and constantly seeking ways to improve your parenting skills. Remember that there's no such thing as a perfect mom, and focusing on being present, patient, and understanding will help you build a strong and lasting bond with your child.

Essential tips include: How to wake your mum up (nicely). How to be the best ever errands helper. How to help your mum relax. (Hint: you could sing her a lullaby) Always remember, mums are special. They require expert care and extra cuddles. This hilarious 'How To' guide style picture book is guaranteed to get kids giggling (and keep them busy!) Look out for more books in the brilliantly funny, New York Times bestselling series: How to Surprise a Dad How to Catch Santa How to Babysit a Grandad How to Babysit a Grandma How to Get Your Teacher Ready for School How to Scare a Ghost

### How to Raise Mom and Dad

Advice on how to manipulate your parents in order to avoid eating vegetables, extend your bedtime, or get a puppy.

### How to Raise a Man

In How to Raise a Man, as you learn more about the development of masculinity, identify your parenting style and familiarise yourself with the issues facing parenthood today, you will become a more compassionate, centred and effective parent. In this era of #metoo and #allmenaretrash, it's evident that something is going wrong with the way men progress from childhood into adulthood, and few realise how critical the role of the purposeful and emotionally empowered mother is in a boy's journey to maturity. So, what does all this mean for you as the mother of an adolescent boy? Like it or not, mom, your son is Generation Z. He has been adored and treasured, photo-graphed and recorded. Many of his generation of adolescents are outwardly assertive and outspoken and have good boundaries, yet inwardly they are full of paradoxes. And they are confusing to manage – your GenZ rules you. They are clever. But as a mother, you need to be smarter. Teenagers need centred adults to guide them. Confident, capable adults should never overreact, sulk, withdraw or blame, and if you find yourself resorting to this behaviour, it is time to reset your parenting methods. If you are confused or irritated by your pre-teen or teenage son, or feel bewildered and hurt by his behaviour, this book will guide you to a clear understanding of teenagers in general and teenage boys in particular. Written by a parenting expert, and drawing on Western psychology as well as Eastern philosophy, the processes and ideas in this practical guide will help you raise the man you want your son to be.

### A Mother's Guide to Raising Herself

For any mom who has ever felt inadequate, overwhelmed, or guilty in trying to balance it all, popular podcaster Sarah Bragg offers brilliant clarity and respite in this friendly manual for becoming your most authentic self, instead of just surviving motherhood. Nothing will make you grow up faster than trying to raise a kid. This is what popular podcast host and mom Sarah Bragg explores so beautifully as she encourages and equips moms who are discovering all the ways they still need to grow. It's easy to lose our sense of self in the all-consuming process of raising our children, but Sarah reminds us that the best gift we can bring to our kids is our true, authentic selves. Through vulnerable and relatable stories, no-nonsense wisdom, and a compassionate perspective for all the joys and challenges of motherhood, Sarah provides shame-free practical help to surviving right where you are in life, in relationships, in work, and in faith. This guidebook to health and sanity for the wilderness of parenting will help you: Give yourself permission and find the courage to show up as yourself Wrestle with how purpose, work, and calling fit together Notice and celebrate the good that's happening right around you Remember

your worth is not in your kids or your role as a parent but in something far more lasting Find solidarity, understanding, and helpful encouragement to embrace all that motherhood is and remember who you truly are. Because you matter, and raising great kids starts with raising yourself well.

### Raising Moms

The kids are in charge of Mom and Dad in this adorable board book boxed set featuring the bestsellers *How to Raise a Mom* and *How to Surprise a Dad*. Perfect for the littlest hands, two of Jean Reagan and Lee Wildish's bestselling books are now available as board books in this fun-filled boxed set. From exciting activities with Mom, to planning a surprise party for Dad each book is chock full of tongue-in-cheek tips and ideas for enjoying time with the parent in your life! This giftable set is perfect for baby showers, Mother's and Father's Day and more.

### How to Raise a Mom and Surprise a Dad Board Book Boxed Set

At the age of thirty-nine, Sarah Kowalski heard her biological clock ticking, loudly. A single woman harboring a deep ambivalence about motherhood, Kowalski needed to decide once and for all: Did she want a baby or not? More importantly, with no partner on the horizon, did she want to have a baby alone? Once she revised her idea of motherhood—from an experience she would share with a partner to a journey she would embark upon alone—the answer came up a resounding Yes. After exploring her options, Kowalski chose to conceive using a sperm donor, but her plan stopped short when a doctor declared her infertile. How far would she go to make motherhood a reality? Kowalski catapulted herself into a diligent regimen of herbs, Qigong, meditation, acupuncture, and more, in a quest to improve her chances of conception. Along the way, she delved deep into spiritual healing practices, facing down demons of self-doubt and self-hatred, ultimately discovering an unconventional path to parenthood. In the end, to become a mother, Kowalski did everything she said she would never do. And she wouldn't change a thing. A story of personal triumph and unconditional love, *Motherhood Reimagined* reveals what happens when we release what's expected and embrace what's possible.

### Motherhood Reimagined

Examines the rewards and challenges childfree adults face living in a world that celebrates traditional families, offering advice on how to cope with the pressure of friends and family to have children, taking advantage of leisure time, and financial considerations.

### Complete Without Kids

Now updated! The new edition of this best-selling guide uses science to tackle some of the most important decisions facing new parents—from sleep training and vaccinations to breastfeeding and baby food. Is cosleeping safe? How important is breastfeeding? Are food allergies preventable? Should we be worried about the aluminum in vaccines? Searching for answers to these tough parenting questions can yield a deluge of conflicting advice. In this revised and expanded edition of *The Science of Mom*, Alice Callahan, a science writer whose work appears in the *New York Times* and the *Washington Post*, recognizes that families must make their own decisions and gives parents the tools to evaluate the evidence for themselves. Sharing the latest scientific research on raising healthy babies, she covers topics like the microbiome, attachment, vaccine safety, pacifiers, allergies, increasing breast milk production, and choosing an infant formula.

### The Science of Mom

A friendly and practical guide to the stages and issues in boys'—? development from birth to manhood. From award-winning psychologist Steve Biddulph comes an expanded and updated edition of *RAISING BOYS*, his international best seller published in 14 countries. His complete guide for parents, educators, and relatives includes chapters on testosterone, sports, and how boys' and girls' brains differ. With gentle humor and proven wisdom, *RAISING BOYS* focuses on boys' unique developmental needs to help them be happy and healthy at every stage of life.

### Raising Boys

While this handbook can be read in only 60 minutes, it's packed with 10 years' worth of no-nonsense, actionable advice for new moms who want to learn how to sleep-train their baby, get a toddler to love eating healthy foods, avoid common parenting mistakes, know the rules for playdates, TV and video

games-and raise a happy, healthy, smart, disciplined and interesting child. Should your baby sleep alone from day one? Can formula save your sanity? Are pacifiers a good thing? What should Dad's job be? How do you discipline a toddler? What are the tricks for healthy eating habits? All these questions are expertly answered, and so much more!

### The Modern Mother's Handbook

"Liz has spent years working a gazillion hours a week picking up the slack for coworkers with kids, and she's tired of it. So one day when her stress-related nausea is mistaken for morning sickness by her bosses--boom! Liz is promoted to the mommy track. She decides to run with it and plans to use her paid time off to figure out her life: work, love and otherwise. It'll be her 'meternity' leave"--Page 4 of cover.

### Meternity

Raise Him Up delves into the challenges faced by African-American single moms and offers advice, scriptural support, and helpful prayers.

### Raise Him Up

At a time when many boys are in crisis, a much-needed roadmap for helping boys grow into strong and compassionate men. Over the past two decades there has been an explosion of new studies that have expanded our knowledge of how boys think and feel. In *How to Raise a Boy*, psychologist Michael Reichert draws on his decades of research to challenge age-old conventions about how boys become men. Reichert explains how the paradigms about boys needing to be stoic and "man like" can actually cause them to shut down, leading to anger, isolation, and disrespectful or even destructive behaviors. The key to changing the culture lies in how parents, educators, and mentors help boys develop socially and emotionally. Reichert offers readers step-by-step guidance in doing just this by:

- Listening and observing, without judgment, so that boys know they're being heard.
- Helping them develop strong connections with teachers, coaches, and other role models
- Encouraging them to talk about their feelings about the opposite sex and stressing the importance of respecting women
- Letting them know that they don't have to "be a man" or "suck it up," when they are experiencing physical or emotional pain.

Featuring the latest insights from psychology and neuroscience, *How to Raise a Boy* will help those who care for young boys and teenagers build a boyhood that will enable them to grow into confident, accomplished and kind men.

### How to Raise a Mum How to Raise a Mum

A powerful look at the importance of a mother's presence in the first years of life \*\*Featured in The Wall Street Journal, and seen on Good Morning America, Fox & Friends, and CBS New York\*\* In this important and empowering book, veteran psychoanalyst Erica Komisar explains why a mother's emotional and physical presence in her child's life--especially during the first three years--gives the child a greater chance of growing up emotionally healthy, happy, secure, and resilient. In other words, when it comes to connecting with your baby or toddler, more is more. Compassionate and balanced, and focusing on the emotional health of children and moms alike, this book shows parents how to give their little ones the best chance for developing into healthy and loving adults. Based on more than two decades of clinical work, established psychoanalytic theory, and the most cutting-edge neurobiological research on caregiving, attachment, and brain development, *Being There* explains:

- How to establish emotional connection with a newborn or young child--regardless of whether you're able to work part-time or stay home
- How to ease transitions to minimize stress for your baby or toddler
- How to select and train quality childcare
- What's true and false about widely held beliefs like "I'm not good with babies" and "I'll make up for it when he's older"
- How to recognize and combat feelings of postpartum depression or boredom
- Why three months of maternity leave is not long enough--and how parents can take control of their choices to provide for their family's emotional needs in the first three years

Being a new mom isn't easy. But with support, emotional awareness, and coping skills, it can be the most magical—and essential—work we'll ever do.

### How To Raise A Boy

The perfect story to make the distance between you and grandad feel a little smaller whilst you're stuck at home . . . A New York Times bestselling title, illustrated by the winner of the Red House Children's

Book Award 2013. When your grandad rings the doorbell, it's babysitting time! This is a hilarious and accessible picture book about a child spending time with his grandad. Written in a how-to style, the narrator gives important tips for 'babysitting' a grandad, including what to eat for snack (anything dipped in ketchup, ice cream topped with cookies, cookies topped with ice cream), what to do on a walk (find lizards and dandelion puffs, be on the lookout for puddles and sprinklers), and how to play with a grandad (build a pirate cave, put on a scary play). "A cunning study in role reversal, with Lee Wildish's over-the-top illustrations well in keeping with a jaunty text." - Independent on Sunday

### Being There

A research psychologist offers an incisive study of boys raised in female-headed households without a male role model in the house, arguing that such young men grow up more empathetic and well-rounded than those in traditional mother-father families, and offers a definitive blueprint for raising happier, healthier sons. 30,000 first printing.

### How to Babysit a Grandad

An indispensable guide to welcoming children—from babies to teens—to a lifelong love of reading, written by Pamela Paul and Maria Russo, editors of The New York Times Book Review. Do you remember your first visit to where the wild things are? How about curling up for hours on end to discover the secret of the Sorcerer's Stone? Combining clear, practical advice with inspiration, wisdom, tips, and curated reading lists, How to Raise a Reader shows you how to instill the joy and time-stopping pleasure of reading. Divided into four sections, from baby through teen, and each illustrated by a different artist, this book offers something useful on every page, whether it's how to develop rituals around reading or build a family library, or ways to engage a reluctant reader. A fifth section, "More Books to Love: By Theme and Reading Level," is chockful of expert recommendations. Throughout, the authors debunk common myths, assuage parental fears, and deliver invaluable lessons in a positive and easy-to-act-on way.

### Raising Boys Without Men

You are all set to start the adventure of a lifetime! Like most first-time moms, you are probably a little bit overwhelmed to find out you are going to be a mom. It doesn't matter whether you are pregnant, recently given birth to a baby or in the process of choosing a baby through adoption. No matter how you became a mom for the first time you must have a lot of questions on many things, but most of which is on how to be a better mom. It's a no brainer that becoming a mom is a huge transition of constant surprises, sacrifices, joy, anxiety, and changing of diapers. As a first-time mom, you will like to think that being a mom is a one-way lane of constant bumps and gallops, but I want you to see that being a mom is a little easier than you might think. This book will take you and your baby from infancy through coping with the change of having a baby to bonding with your baby. It will also talk about where teaching your baby the basics starts, disciplining your baby, and the ultimate the nightmare of many first-time moms, teenagers. Take a deep breath. You won't be perfect, and neither will your baby. But together you'll settle to being a happy mom to your baby. This book won't teach you how to raise your kid. It will only expose you to the various things you should expect as your kid grows and how I tackled them with my son, Alex. As a mom looking for the best for her baby, you owe it to yourself-and your baby-to find out as much as you can on this new challenge called mom and how best to go about it. So, delve right in!

### How to Raise a Reader

The perfect story to make the distance between you and grandma feel a little smaller whilst you're stuck at home . . . When you babysit a grandma, if you're lucky it's a sleepover at her house. With the useful tips found in this book, you're guaranteed to become an expert grandma-sitter in no time. Be sure to check the sections on: how to keep your grandma busy, things to do at the park and what to do when you're both snugly tucked in at bedtime. From the author-illustrator team behind the bestselling How to Babysit a Grandad comes a funny and heartwarming celebration of grandmas and grandchildren. 'Youngsters will recognize some of the sayings they've heard from their own grandparents and will thoroughly enjoy the tongue-in-cheek role reversal.' - School Library Journal Illustrated by the winner of the Red House Children's Book Award 2013.

### Kid's Manual

Jill Winger, creator of the award-winning blog The Prairie Homestead, introduces her debut The Prairie Homestead Cookbook, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin The Pioneer Woman Cooks meets 100 Days of Real Food, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, The Prairie Homestead Cookbook shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle.

### How to Babysit a Grandma

Ever Feel Like Your Son Is From a Different Planet? Don't worry, Mom. There's a good reason why your son perplexes you. He's the OPPOSITE sex! Boys really do think, communicate, and process the world differently than girls. But no matter your son's age, he needs you, and he needs you in not-so-apparent ways. Drawing from her own experiences, as well as those from moms and sons from around the country, Cheri Fuller shares what makes boys and young men tick and how to become a more welcome influence at every stage in their lives. She answers all the top questions, including: "How can I help my son (and me!) deal with his emotions in a healthy way?" "School is such a struggle. How can I help him?" "Our personalities are SO different. How can we get on the same page?" "My son hardly says a thing. What can I do?" "What are the best ways to instill good values?" "How can I encourage a lasting faith in God?" With page after page of use-it-today advice and encouraging stories, this book will help you steer your son toward becoming a caring, confident young man. Includes Reflection Questions for Personal or Group Use Great for understanding grandsons, too! "Some mother-son relationships seem to add credence to the adage that 'men are from Mars, women are from Venus.' Even mothers who have a close bond with their sons may think they harbor a complete stranger when their male offspring reach puberty. Fuller is a speaker and author, as well as mother of three (two boys and a girl) and grandmother of six. She lists specific activities that all sons need from their mothers, such as encouragement, communication, prayer, and confidence-building. She adds questions at each chapter's end to 'ponder, journal or discuss,' lending the book to both individual and group study. Recommended for the parenting section of any church library." --Church Libraries

### The Prairie Homestead Cookbook

A laugh-out-loud funny picture book. Packed full of tips on how to have fun with your dad and make him feel loved on Father's Day! So you want to surprise your dad? Then you need this book! Essential tips include: a) Yummy treats and presents for a dad b) What to do if he starts getting suspicious c) How to prepare for the big surprise moment! This hilarious 'How To' guide style picture book is guaranteed to get kids giggling (and keep them busy!) Look out for more books in the brilliantly funny, New York Times bestselling series: How to Raise a Mum How to Catch Santa How to Babysit a Grandad How to Babysit a Grandma How to Get Your Teacher Ready for School How to Scare a Ghost

### What a Son Needs from His Mom

Single Moms Raising Girls is a book that is focused on the reality that occurs between mothers and daughters. This is not a book that is meant to sugar-coat the issues single moms face and it is certainly not filled with mumbo-jumbo that focuses more on psycho-analytic babble than offering practical help. If you are a single mom who is trying to raise a daughter during these difficult times, you are sure to find this book will be an encouragement to you and a great source for finding strength during the difficult times. In this book, you will discover real advice, from a real single mom who knows how it feels to be

all alone in trying to raise a child. You will find this book will serve as a reference to help you deal with the many obstacles you may face on the path to raising your daughter to be a healthy young woman who is ready to go out and face her own adventures in life.

#### How to Surprise a Dad

"For parents who want to foster hearty self-reliance instead of hollow self-esteem, *How to Raise an Adult* is the right book at the right time." -Daniel H. Pink, author of the New York Times bestsellers *Drive* and *A Whole New Mind* A provocative manifesto that exposes the harms of helicopter parenting and sets forth an alternate philosophy for raising preteens and teens to self-sufficient young adulthood. In *How to Raise an Adult*, Julie Lythcott-Haims draws on research, on conversations with admissions officers, educators, and employers, and on her own insights as a mother and as a student dean to highlight the ways in which overparenting harms children, their stressed-out parents, and society at large. While empathizing with the parental hopes and, especially, fears that lead to overhelping, Lythcott-Haims offers practical alternative strategies that underline the importance of allowing children to make their own mistakes and develop the resilience, resourcefulness, and inner determination necessary for success. Relevant to parents of toddlers as well as of twentysomethings-and of special value to parents of teens-this book is a rallying cry for those who wish to ensure that the next generation can take charge of their own lives with competence and confidence.

#### Single Moms Raising Girls

The beloved host of PBS Kids' *Dinosaur Train* presents an activity-complemented guide for caregivers and teachers on how to alleviate common childhood challenges by forging strong connections between children and nature. 25,000 first printing.

#### How To Raise An Adult

How to avoid being a helicopter parent—and raise well adjusted, truly independent children In an age of entitlement, where most kids think they deserve the best of everything, most parents are afraid of failing their children. Not only are they all too willing to provide every material comfort, they've also become overly involved in their children's lives, becoming meddlesome managers, rather than sympathetic advocates. In *Drop the Worry Ball*, authors Alex Russell and Tim Falconer offer a refreshing approach to raising well-adjusted children—who are also independent and unafraid to make mistakes. In this practical sensible book, parents will truly understand the dynamics between parents and their children, especially the tendency of children to recruit their parents to do too much for them. The book also counsels that failing—whether it's a test, a course, or a tryout for a team—is a natural part of growing up, and not a sign of parental incompetence. Shows how to resist the pressure to become over involved in your child's life How to retire as a gatekeeper or manager of your child's life, and become a genuine source of support Build trusting relationships with teachers, coaches, camp counselors, and other authority figures—so they can play an effective role in your child's life Understand problems such as ADHD, anxiety, and substance abuse A guidebook for parenting courageously and responsibly—allowing your kids to be who they are while building structures that keep them safe—*Drop the Worry Ball* is a must for any parent who wishes to be and do their very best.

#### How to Raise a Wild Child

A high-profile feminist, and a mother herself, explores the question of whether or not to have children, and how having children changes the life of parents, often not for the better, in this modern world. 20,000 first printing.

#### Drop the Worry Ball

The Godmother of Silicon Valley, legendary teacher, and mother of a Super Family shares her tried-and-tested methods for raising happy, healthy, successful children using Trust, Respect, Independence, Collaboration, and Kindness: TRICK. Esther Wojcicki--"Woj" to her many friends and admirers--is famous for three things: teaching a high school class that has changed the lives of thousands of kids, inspiring Silicon Valley legends like Steve Jobs, and raising three daughters who have each become famously successful. What do these three accomplishments have in common? They're the result of TRICK, Woj's secret to raising successful people: Trust, Respect, Independence, Collaboration, and Kindness. Simple lessons, but the results are radical. Wojcicki's methods are the

opposite of helicopter parenting. As we face an epidemic of parental anxiety, Woj is here to say: relax. Talk to infants as if they are adults. Allow teenagers to pick projects that relate to the real world and their own passions, and let them figure out how to complete them. Above all, let your child lead. How to Raise Successful People offers essential lessons for raising, educating, and managing people to their highest potential. Change your parenting, change the world.

### Why Have Kids?

**PARENTING NEVER ENDS.** From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

### How to Raise Successful People

Full-time FindingJoy.net blogger, speaker, marketer, podcaster, and single mom of seven, Rachel Marie Martin presents a rallying cry to anyone who believes the lie that she is "just a mom." Over the years, you willingly pour everything you have into your family, but in the process, you lose the essence of who you are. In her characteristic raw and visceral style, Rachel teaches you how to rewrite the pages of your story, follow your passion, and discover the beauty of who you are. Drawing on lessons from her own incredible journey--together with insight from conversations with thousands of other women--Rachel encourages moms to break cycles, take off masks, and prevent fear from taking control. She balances her "no excuses" approach with breathing room and grace for those messy moments in life and mothering. Rachel reminds you there is always a reason to hope, to move forward, and to dare the impossible. You can make changes. You can pursue dreams, find yourself, and live a life of deep happiness and boundless joy. Stop waiting for "someday." Take hold of the moment, and say yes to your dreams.

### Grown and Flown

More and more parents are dealing with children that are out of control, children that are angry and parents do not know how to handle. What studies have found is that this anger that these children are experiencing can be caused from the type of parenting technique that is being used. Most parents begin by using negative discipline which involves spankings or time out, but when they do not see the results that they expect, they are left confused and not understanding what they should do. The answer is positive parenting. Positive parenting is parenting done right. It is a technique that is based on preparing your child for the future and looking for teachable moments in a child's life. This book is going to teach you everything that you need to know about positive parenting so you can start using it today!

### The Brave Art of Motherhood

A series of whimsical essays by the New York Times "Social Q's" columnist provides modern advice on navigating today's murky moral waters, sharing recommendations for such everyday situations as texting on the bus to splitting a dinner check.

### Positive Parenting

"This book is a true love letter, not only to Jha's own son but also to all of our sons and to the parents--especially mothers--who raise them." —Ijeoma Oluo, author of *So You Want to Talk About Race* and *Mediocre* Beautifully written and deeply personal, this book follows the struggles and triumphs of one single, immigrant mother of color to raise an American feminist son. From teaching consent to counteracting problematic messages from the media, well-meaning family, and the culture at large, the author offers an empowering, imperfect feminism, brimming with honest insight and actionable advice. Informed by Jha's work as a professor of journalism specializing in social justice movements and social media, as well as by conversations with psychologists, experts, other parents and boys--and through powerful stories from her own life--*How to Raise a Feminist Son* shows us all how to be better feminists and better teachers of the next generation of men in this electrifying tour de force. Includes chapter takeaways, and an annotated bibliography of reading and watching recommendations for adults and children. "A beautiful hybrid of memoir, manifesto, instruction manual, and rumination on the power of story and possibilities of family." —Rebecca Solnit, author of *The Mother of All Questions*

### Social Q's

The ultimate must-read handbook for the modern mother: a practical, and positive tool to help free women from the debilitating notion of being the "perfect mom," filled with funny and all too relatable true-life stories and realistic suggestions to stop the burnout cycle, and protect our kids from the damage burnout can cause. Moms, do you feel tired? Overwhelmed? Have you continually put off the things you need to do for you? Do you feel like it's all worth it because your kids are happy? Are you "over" being a mother? If you answered yes to these questions, you're not alone. Parents today want to create the ideal childhood for their children. Women strive to be the picture-perfect Pinterest mother that looks amazing, hosts the best birthday parties in town, posts the most "liked" photos, and serves delicious, nutritious home-cooked meals in her neat, organized home after ferrying the kids to school and a host of extracurricular activities on time. This drive, while noble, can also be destructive, causing stress and anxiety that leads to "mommy burnout." Psychologist and family counselor Dr. Sheryl Ziegler is well-versed in the stress that moms face, and the burden of guilt they carry because they often feel like they aren't doing enough for their kids' happiness. A mother of three herself, Dr. Z—as she's affectionately known by her many patients—recognizes and understands that modern moms are all too often plagued by exhaustion, failure, isolation, self-doubt, and a general lack of self-love, and their families are also feeling the effects, too. Over the last nineteen years working with families and children, Dr. Z has devised a prescriptive program for addressing "mommy burnout"—teaching moms that they can learn to re-energize themselves and still feel good about their families and their lives. In this warm and empathetic guide, she examines this modern epidemic among mothers who put their children's happiness above their own, and offers empowering, proven solutions for alleviating this condition, saving marriages and keeping kids happy in the process.

### How to Raise a Feminist Son

It's not easy to be a teen girl, and it's definitely not easy parenting one. Parents everywhere struggle to respond appropriately to challenging behavior, hit-or-miss communication, and fluctuating moods commonly exhibited by teenage girls. More than previous generations, today's teen girls face a daunting range of stressors that put them at risk for a range of serious issues, including self-harming behaviors, substance abuse, eating disorders, anxiety, and depression. Is it any wonder that parents are overwhelmed? *Parenting a Teen Girl* is a guide for busy parents who want bottom-line information and tips that make sense—and work. It also offers scripts to improve communication, and exercises to navigate stressful interactions with skill and compassion. Whether your teen girl is struggling with academic pressure, social difficulties, physical self-care, or technology overload, this book offers practical advice to help you connect with your teen girl. Parents and teens alike can enjoy a positive connection once common parent-teen pitfalls are replaced with solid understanding and strategies that work. In this book, you will learn how to: Maximize your teen's healthy development Understand what underlies her moods and behavior Implement strategies for positive results Communicate effectively about difficult issues Enjoy and appreciate time with your teen daughter

### Mommy Burnout

With a heartwarming story and tender illustrations, Jeanette Bradley's debut picture book *Love, Mama* is perfect for Valentine's Day, Mother's Day, and any day when a child needs a reminder of the strength of a mother's love. When Mama leaves her young penguin Kipling, he knows she'll return home soon—yet

he still can't help but miss her. After all, Pillow Mama won't read, Picture Mama won't laugh, and Snow Mama is too cold to cuddle. But then Kipling receives a special delivery from Mama, including a note that reads: My love for you stretches across the wide ocean, through day and night, from earth to sky and back again. And Kipling knows that no matter where Mama is, he is loved. Soon, Mama comes home, and Kipling ends the day where he belongs—right in her arms.

#### How to be a Movie Star

James Bawden: Seeing the way people behave when they're around you, is it still fun being Cary Grant?  
Cary Grant: I don't like to disappoint people. Because he's a completely made-up character and I'm playing a part. It's a part I've been playing a long time, but no way am I really Cary Grant. A friend told me once, "I always wanted to be Cary Grant." And I said, "So did I."—from the book *In Conversations with Classic Film Stars*, retired journalists James Bawden and Ron Miller present an astonishing collection of rare interviews with the greatest celebrities of Hollywood's golden age. Conducted over the course of more than fifty years, they recount intimate conversations with some of the most famous leading men and women of the era, including Douglas Fairbanks Jr., Joseph Cotten, Cary Grant, Gloria Swanson, Joan Fontaine, Loretta Young, Kirk Douglas, and many more. Each interview takes readers behind the scenes with some of cinema's most iconic stars. The actors convey unforgettable stories, from Maureen O'Hara discussing Charles Laughton's request that she change her last name, to Bob Hope candidly commenting on the presidential honors bestowed upon him. Humorous, enlightening, and poignant, *Conversations with Classic Film Stars* is essential reading for anyone who loves classic movies.

### Conversations with Classic Film Stars

Theoretically, the actor ought to be more sound in mind and body than other people, since he learns to understand the psychological problems of human beings when putting his own passions, his loves, fears, and rages to work in the service of the characters he plays. He will learn to face himself, to hide nothing from himself -- and to do so takes an insatiable curiosity about the human condition. from the Prologue  
Uta Hagen, one of the world's most renowned stage actresses, has also taught acting for more than forty years at the HB Studio in New York. Her first book, *Respect for Acting*, published in 1973, is still in print and has sold more than 150,000 copies. In her new book, *A Challenge for the Actor*, she greatly expands her thinking about acting in a work that brings the full flowering of her artistry, both as an actor and as a teacher. She raises the issue of the actor's goals and examines the specifics of the actor's techniques. She goes on to consider the actor's relationship to the physical and psychological senses. There is a brilliantly conceived section on the animation of the body and mind, of listening and talking, and the concept of expectation. But perhaps the most useful sections in this book are the exercises that Uta Hagen has created and elaborated to help the actor learn his craft. The exercises deal with developing the actor's physical destination in a role; making changes in the self serviceable in the creation of a character; recreating physical sensations; bringing the outdoors on stage; finding occupation while waiting; talking to oneself and the audience; and employing historical imagination. The scope and range of Uta Hagen here is extraordinary. Her years of acting and teaching have made her as finely seasoned an artist as the theatre has produced.

### Challenge For The Actor

Barbie can be a movie star! This hardcover storybook collection casts Barbie in her first three film roles: glamorous countess, rodeo champion, and secret agent. It's three books in one! Girls who love the highly successful I Can Be toys will love this I Can Be series. From the Hardcover edition.

### I Can Be a Movie Star (Barbie)

(Applause Books). He's famous for twice being *People* magazine's Sexiest Man Alive, for his penchant for practical jokes and his vow never to remarry, as well as for his Oscar-winning and Emmy-nominated acting career. But George Clooney's reputation as a celebrity belies his essential seriousness, as a businessman, a humanitarian, and, of course, in his ascendancy to the Hollywood A-list. In this updated biography of one of Hollywood's most colorful leading men, pop culture expert Kimberly Potts traces Clooney's life from small-town boy to big-screen idol. Clooney slowly and deliberately built a resume that took him from TV stardom on *ER* to a winning film career as a serious actor, writer, producer and director. Along the way Potts fills us in on Clooney's early attempts to break into film (including his *Batman* flop), his many well-publicized romances, and his political and humanitarian efforts, including cofounding the antigenocide organization Not On Our Watch. Potts also discusses Clooney's shrewd strategy of alternating blockbuster movie roles with less lucrative "passion" projects such as *Syriana* and *Good Night, and Good Luck* that reflect his personal ethics. He won an Academy Award for the former and rave reviews for the latter, and has continued to earn accolades and Oscar nominations for smart dramas such as *Michael Clayton* and *Up in the Air*. Including fresh interviews, essential Clooney photographs, an updated filmography and timeline, and a list of his favorite 100 films, this is the book no Clooney fan will want to be without.

## George Clooney

If I were a movie star, I would jet to places around the world. I would wear fancy costumes and get my hair and make-up done. I would make audiences laugh and cry. Dream big, and see what fun it is to be a movie star.

## If I Were a Movie Star

While spending the summer in California with her movie-star grandmother, fifteen-year-old Kat reluctantly agrees to impersonate the aging actress in the hopes of helping her land an important movie role.

## But I Don't Want to be a Movie Star

501 Movie Stars pays homage to these legends, trendsetters, and pop cultural idols, with a dazzling and comprehensive gallery of the biggest movie stars from around the world. Every notable name to have worked their magic in front of the camera is here, from Gloria Swanson to Julia Roberts, from Frank Sinatra to Arnold Schwarzenegger, Gene Autry and John Wayne, from Toshiro Mifune and Sonny Chiba to Catherine Deneuve and Gerard Depardieu. The A-Z approach of 501 Movie Stars allows you to locate any actor with maximum ease, making it an ideal movie lover's reference. Each star has at least one full page, with the most influential stars receiving extended treatment, devoted to their work, with a filmography and feature boxes on awards and stylistic trademarks. With 501 Movie Stars to hand, you'll have a one-stop resource to the larger-than-life faces of film that you can turn and enjoy, time and time again.

## Five hundred and one movie stars

Allegra, a young actress, and Clementine, a jaded journalist, are conducting a road-trip interview when they are in a car crash. Allegra vanishes into thin air and Clementine becomes a celebrity by proxy.

## My Last Movie Star

Praise for Five Easy Decades: How Jack Nicholson Became the Biggest Movie Star in Modern Times "Dennis McDougal is a rare Hollywood reporter: honest, fearless, nobody's fool. This is unvarnished Jack for Jack-lovers and Jack-skeptics but, also, for anyone interested in the state of American culture and celebrity. I always read Mr. McDougal for pointers but worry that he will end up in a tin drum off the coast of New Jersey."-- Patrick McGilligan, author of Jack's Life and Alfred Hitchcock: A Life in Darkness and Light Praise for Privileged Son: Otis Chandler and the Rise and Fall of the L.A. Times Dynasty "A great freeway pileup--part biography, part dysfunctional family chronicle, and part institutional and urban history, with generous dollops of scandal and gossip."-- Hendrick Hertzberg, The New Yorker "McDougal has managed to scale the high walls that have long protected the Chandler clan and returned with wicked tales told by angry ex-wives and jealous siblings."--The Washington Post Praise for The Last Mogul: Lew Wasserman, MCA and the Hidden History of Hollywood "Real glamour needs a dark side. That is part of the fascination of Dennis McDougal's wonderful book."--The Economist "Thoroughly reported and engrossing . . . the most noteworthy trait of MCA was how it hid its power."--The New York Times Book Review "Over the years, I've read hundreds of books on Hollywood and the movie business, and this one is right at the top."-- Michael Blowen, The Boston Globe

## Five Easy Decades

One hundred six famous actresses and actors are portrayed in full-page pictures by twenty-four leading Hollywood photographers

## Movie-star Portraits of the Forties

A Volume in the Star Decades: American Culture/American Cinema series, edited by Adrienne L. McLean and Murray Pomerance --Book Jacket.

## Larger Than Life

"Mesmerizing." —The New York Times Book Review Welcome to Hollywood, circa 1950, the end of the Golden Age. A remarkably handsome young boy, still a teenager, gets "discovered" by a big-time movie agent. Because when he takes his shirt off young hearts beat faster, because he is the picture

of innocence and trust and need, he will become a star. It seems almost preordained. The open smile says, "You will love me," and soon the whole world does. The young boy's name was Tab Hunter—a made-up name, of course, a Hollywood name—and it was his time. Stardom didn't come overnight, although it seemed that way. In fact, the fame came first, when his face adorned hundreds of magazine covers; the movies, the studio contract, the name in lights—all that came later. For Tab Hunter was a true product of Hollywood, a movie star created from a stable boy, a shy kid made even more so by the way his schoolmates—both girls and boys—reacted to his beauty, by a mother who provided for him in every way except emotionally, and by a secret that both tormented him and propelled him forward. In *Tab Hunter Confidential: The Making of a Movie Star*, Hunter speaks out for the first time about what it was like to be a movie star at the end of the big studio era, to be treated like a commodity, to be told what to do, how to behave, whom to be seen with, what to wear. He speaks also about what it was like to be gay, at first confused by his own fears and misgivings, then as an actor trapped by an image of boy-next-door innocence. And when he dared to be difficult, to complain to the studio about the string of mostly mediocre movies that were assigned to him, he learned that just like any manufactured product, he was disposable—disposable and replaceable. Hunter's career as a bona fide movie star lasted a decade. But he persevered as an actor, working continuously at a profession he had come to love, seeking—and earning—the respect of his peers, and of the Hollywood community. And so, *Tab Hunter Confidential* is at heart a story of survival—of the giddy highs of stardom, and the soul-destroying lows when phone calls begin to go unreturned; of the need to be loved, and the fear of being consumed; of the hope of an innocent boy, and the rueful summation of a man who did it all, and who lived to tell it all.

### Tab Hunter Confidential

Having unexpectedly landed a role in a movie being shot at her high school, Jessie discovers that movie stars and the film industry are not as glamorous as she once thought.

### Confessions of an Almost Movie Star

Shirley Temple, Clark Gable, Errol Flynn and Olivia de Havilland, Fred Astaire and Ginger Rogers, Bette Davis, Joan Crawford and Norma Shearer, Marlene Dietrich and Greta Garbo, William Powell and Myrna Loy, Jean Harlow, and Gary Cooper—Glamour in a Golden Age presents original essays from eminent film scholars that analyze movie stars of the 1930s against the background of contemporary American cultural history. Stardom is approached as an effect of, and influence on, the particular historical and industrial contexts that enabled these actors and actresses to be discovered, featured in films, publicized, and to become recognized and admired—sometimes even notorious—parts of the cultural landscape. Using archival and popular material, including fan and mass market magazines, other promotional and publicity material, and of course films themselves, contributors also discuss other artists who were incredibly popular at the time, among them Ann Harding, Ruth Chatterton, Nancy Carroll, Kay Francis, and Constance Bennett.

### Glamour in a Golden Age

The "It" book you absolutely must pack in your beach bag—an addictively juicy novel of celebrity love gone wrong. • An EW Best Book of 2015 for the Pop Culture Fanatic in Your Life • "Readers who come for the dirt, real or imagined, won't be disappointed; there's plenty of gold in these True Hollywood hills." —Entertainment Weekly Chosen as a Great Summer Read by: • USA Today • People Magazine • Entertainment Weekly • Good Housekeeping • Cosmopolitan • Vogue.com • The Hollywood Reporter • "[A] delicious beach read." —People Magazine "A hilarious, tabloid-trashing gotcha novel." —Vanity Fair "A juicy work of shocking betrayal." —Us Weekly "I've had a million meetings in my acting career, and I had no idea that this would be the one that would change my life forever. I walked into the room, and there was Rob . . . in the flesh." Actress Lizzie Pepper was America's Girl Next Door and her marriage to Hollywood mega-star Rob Mars was tabloid gold—a whirlwind romance and an elaborate celebrity-studded wedding landed them on the cover of every celebrity weekly. But fame, beauty, and wealth weren't enough to keep their marriage together. Hollywood's "It" couple are over—and now Lizzie is going to tell her side of the story. Celebrity ghostwriter Hilary Liftin chronicles the tabloids' favorite marriage as Lizzie Pepper realizes that, when the curtain falls, her romance isn't what she and everyone else thought. From her lonely holidays in sumptuous villas to her husband's deep commitment to a disconcertingly repressive mind-body group, Lizzie reveals a side of fame that her fans never get

to see. Full of twists and turns, *Movie Star* by Lizzie Pepper is a breathless journey to the heights of Hollywood power and royalty and a life in the spotlight that is nearly impossible to escape.

### Movie Star by Lizzie Pepper

While on vacation Michelle makes friends with a girl named Natalie who she later finds out is famous. Can their friendship stand Michelle's star struck change of attitude? Copyright © Libri GmbH. All rights reserved.

### My Best Friend Is a Movie Star

Allegra Coleman is young, beautiful, and destined for stardom. Clementine James is a jaded journalist who has been persuaded to write one last celebrity profile, a piece on Allegra for *Flame* magazine. But when their road-trip interview ends in a car crash, Allegra vanishes into thin air, and America goes into a frenzy of round-the-clock TV coverage, candlelight vigils, and miraculous sightings. Clementine becomes a celebrity by proxy--and while recovering from her injuries, she receives a series of ghostly visits from Natalie Wood, Clara Bow, Myrna Loy, Loretta Young, Gloria Swanson, and other screen sirens of the past. As Tallulah Bankhead tells her, "It's agony, darling...bitter agony--watching everything slip away. Your looks. Your dough. Your mind. Your ass." Has the missing Allegra escaped such a fate? To find out, Martha Sherrill takes Clementine on a riotous, often hilarious journey inside the hideaways of Hollywood stars and the hangouts of Manhattan's power editors. Along the way, Sherrill captures the erotic jolt of celebrity and the way it affects the celebrated. *My Last Movie Star* is both a parody and parable of Hollywood, at once absurdly funny and weirdly plausible.

### My Last Movie Star

Nora Tucker is an admin assistant from a tiny English village. Gary Montgomery is Hollywood's hottest new star. After seeing him on the silver screen, Nora believes that Gary is her soulmate, her one true love, the man she's supposed to grow old and wrinkly with. She knows it sounds nuts, she knows it's completely crazy. But sometimes love is crazy, right? Only... how on earth is this Plain Jane introvert supposed to get to Los Angeles, infiltrate Gary's inner circle AND convince him that they're meant to be? Throwing herself into this mission might be a tall order but it means Nora can stop thinking about that one awful day, two years ago, when everything in her life fell apart... With the help of a sunny Californian weather girl, a super hot but super grumpy script writer, and a very passionate Adam Levine tribute act, Nora is about to try the impossible and let fate decide her future... Kirsty Greenwood's most romantic book yet! It's full of laugh out loud, uplifting moments, heart-melting romance, and the adventure of a lifetime! If you like feel-good romance books by Sophie Kinsella, Christina Lauren and Lindsey Kelk, then you'll LOVE this hilarious laugh-out-loud romantic comedy from bestselling romance author Kirsty Greenwood

### He Will Be Mine

Can you name ten actors who played women or ten actresses who played prostitutes in the movies? What about anyone who gained weight or got into shape for a movie role? And, there are those who fell in love on a movie set, performed together, and were paid big bucks for a divorce. The answers are in this book, although you might have a preference for someone I didn't recognize. You might even learn something new about the movies or your favorite stars. Did you know that television's *Police Squad!* ran for only six episodes, but it led to three movies. Do you remember when Paul Newman played himself on *The Simpsons*? The idea for the book was based on a childhood pastime similar to hopscotch, but without the hopping or standing on one leg. This book is sure to bring hours of entertainment. There are over 1000 entries, organized into ten chapters with ten sections each. Sit down, keep reading, and enjoy!

### A New Way of Looking at Movie Stars

Moving pictures existed for over a decade before anything resembling a star system appeared. Then American cinema went from being devoid of stars to being dependent on them. This is an account of this development in cinema and modern culture.

### Picture Personalities

\*Includes pictures of Bergman and important people, places, and scenes. \*Includes Bergman's own quotes about her upbringing, films and relationships. \*Includes a Bibliography for further reading. "Be yourself. The world worships the original." - Ingrid Bergman Since the early 20th century, film has been embraced as arguably the preeminent international art form. Not only is Hollywood cinema immensely popular around the world, but other nationalities (Bollywood being the greatest current example) have their own thriving industries. Major actors and actresses are not only icons in their parent countries but reach tremendous international fame. However, most actors who become internationally famous do so via the success of the films they make in their native land, without actually leaving their country. One of the most famous early examples is Charlie Chaplin, who reached incredible fame in Asia and Western Europe during the silent cinema era despite having never left the confines of Hollywood. Chaplin's example illustrates how the vast majority of film stars who reach international fame do so through the global success of the films they make within a given industry. This dynamic highlights the uniqueness of Ingrid Bergman's career and her significance as an international film star. Not only were films like Casablanca (1942) famous around the world, but she made films in five different languages and film industries. In this regard, she was the rare star who was willing to literally act in films produced in different countries. Bergman's fame cannot be doubted, but the international quality of her career has prevented most people from gaining a complete understanding of her filmography. Moreover, the immense success of her most famous films obscured her other achievements; one of Bergman's persistent lamentations late in her career was that even though she appeared in other films she deemed more significant, the only film of hers that people wanted to discuss was Casablanca. As a result, her early films in Sweden, the Italian Neorealist films she made with famous director and future husband Roberto Rossellini, and her French film with Jean Renoir have all been relegated to the margins. Bergman is thus recognized as a Hollywood star rather than an actress who should be identified with an array of different film industries, reducing the enormous scope of her career to a relatively small proportion of her filmography. At the same time, Bergman's personal life reflects the dynamics of the film industry and the relationship between celebrities and American culture more generally. At times during her career, Bergman was the darling of Hollywood, but at other times she was literally a pariah. It is all too common to remember Bergman for her performance in Casablanca, forgetting the fact that she was effectively exiled from Hollywood for several years during her romance with Roberto Rossellini. Her life and career amply demonstrated the expectations American culture held for their film stars during the mid-20th century. Ingrid Bergman: The First International Movie Star profiles the life and career of one of the world's most famous actresses and entertainment icons. Along with pictures of important people, places, and events, you will learn about Ingrid Bergman like you never have before, in no time at all.

### Ingrid Bergman

Focusing on stardom during the 1920s, this title reveals strong connections & dissonances in matters of storytelling & performance that can be traced both backwards & forwards, from the silent era to the emergence of sound.
