They looked like old-fashioned, brown wood furniture.

Rams's mission to bring a Brave New World of modern design to post-war Germany began in earnest when he met the Braun Brothers.

Braun's success allowed Rams to apply his system thinking to almost every electronic object in the home.

In 1960, Rams created his classic Universal Shelving System for the furniture company, Vitsoe.

The beauty of the products and the thinking behind them has made Rams a 21st century cult figure...
