Black Dawn

With its eclectic mix of vampire and human citizens, Morganville, Texas, has always been a risky place to call home. But with the invasion of the vampire's deadliest enemy, Morganville isn't just in danger—it's dying... Ever since the draug—mysterious creatures that prey on vampires—took over Morganville, the lives of student Claire Danvers and her friends have been thrown into turmoil. Most of the town's residents have evacuated, but Claire, Shane, Eve and Michael have chosen to stay and fight. Using the city's water system to spread, the draug have rapidly multiplied. Things in Morganville look grim, especially since vampire Amelie—the town founder—has been infected by the master draug's bite. Now, if Claire and her friends don't figure out how to cure Amelie and defeat the draug, it looks like Morganville will become little more than a ghost town...

Black Dawn

Something drastic has happened in Morganville while Claire and her friends were away. The town looks cleaner and happier than they've ever seen it before, but when their incoming group is arrested and separated-vampires from humans-they realize that the changes definitely aren't for the better. It seems that an organization called the Daylight Foundation has offered the population of Morganville

something they've never had: hope of a vampire-free future. And while it sounds like salvation—even for the vampires themselves—the truth is far more sinister and deadly. Now, Claire, Shane and Eve need to find a way to break their friends out of Daylighter custody, before the vampires of Morganville meet their untimely end.

Daylighters

Thanks to its unique combination of human and vampire residents, Morganville, Texas, is a small college town with big time problems. When student Claire Danvers gets the chance to experience life on the outside, she takes it. But Morganville isn't the only town with vampire trouble... Claire never thought she'd get to leave Morganville, but she can't pass up the chance to finally attend her dream school, MIT. After all, getting to invent anti-vamp devices with Professor Anderson—a Morganville exile herself—sounds like a dream come true...until Claire realizes that there are sinister forces in play, and she's not the only one with a vampire-related agenda. Without her friends Shane, Eve and Michael, surviving a killer schedule may be hard...but with them, it might turn out to be impossible.

Welcome to Morganville. Just don't stay out after dark. Morganville is a small town filled with unusual characters - when the sun goes down, the bad come out. In Morganville, there is an evil that lurks in the darkest shadows - one that will spill out into the bright light of day. For Claire Danvers, high school was hell, but college may be murder. It was bad enough that she got on the wrong side of Monica, the meanest of the school's mean girls, but now she's got three new roommates, who all have secrets of their own. And the biggest secret of all isn't really a secret, except from Claire: Morganville is run by vampires and they are hungry for fresh blood . . . 'Thrilling, sexy, and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

Glass Houses

Morganville. Texas. Just south of normal. In the college town of Morganville, vampires and humans coexist in (relatively) bloodless harmony. Then comes Bishop, a master vampire who threatens to abolish all order, revive the forces of the evil dead, and let chaos rule. But Bishop isn't the only threat. Violent black clouds promise a storm of devastating proportions. As student Claire Danvers and her friends prepare to defend Morganville against the elements - both natural and unnatural - the unexpected happens: Morganville's vampires begin to vanish one by one. Discovering why leads Claire to one last choice: swear allegiance to Bishop . . . or die. 'Thrilling, sexy and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

Lord of Misrule

Morganville is such a nice place to live . . . And die. If you don't mind that sort of thing. When Claire Danvers learnt that her college town was run by vampires, she did what any intelligent, self-preserving student would do: she applied for a transfer and stocked up on garlic. The transfer is no longer an option, but that garlic may come in handy. Now Claire has pledged herself to Amelie, the most powerful vampire in town. The protection her contract secures does little to reassure her friends. All of a sudden, people are turning up dead, a stalker resurfaces from Claire's past, and an ancient bloodsucker extends a chilling invitation for private lessons in his secluded home. 'Thrilling, sexy, and funny! These books are addictive. One of my very favorite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

Midnight Alley

For years, the human and vampire residents of Morganville, Texas, have managed to co-exist in peace. But now that the threat to the vampires has been defeated, the human residents are learning that the gravest danger they face is the enemy within... Thanks to the eradication of the parasitic creatures known as the draug, the vampires of Morganville have been freed of their usual constraints. With the vampires indulging their every whim, the town's human population is determined to hold on to their lives by taking up arms. But college student Claire Danvers isn't about to take sides, considering she has ties to both the humans and the vampires. To make matters worse, a television show comes to Morganville looking for ghosts, just as vampire and human politics collide. Now, Claire and her friends have to figure out how to keep the peace without ending up on the nightly news...or worse.

Bitter Blood

With her boss preoccupied researching the Founder Houses in Morganville, student Claire Danvers is left to her own devices when she learns that three vampires have vanished without a trace. She soon discovers that the last person seen with one of the missing vampires is someone new to town-a mysterious individual named Magnus. After an uneasy encounter with Morganville's latest resident, Claire is certain Magnus isn't merely human. But is he a vampire-or something else entirely?

Feast of Fools

'Thrilling, sexy, and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series Claire Danvers has a few things on her mind. First of all there is the laundry, which is now an unfortunate shade of pink. Then there is her boyfriend, Shane, who is never too far from her thoughts. Finally there is her best friend Eve's relationship problems. As if life as a student wasn't complicated enough, Claire just happens to be studying in Morganville. A town run by vampires. Trouble seems to follow Claire and her friends like a shadow and tonight is no exception to the rule. They must find the most difficult documents for a vampire to acquire; people passes that will allow 'bad ass' Morley and his friends to leave Morganville. But it's proving incredibly problematic, and with the odds seemingly stacked against them, the biggest question of all is . . . Will they survive?

Last Breath

After discovering that vampires populate her town, college student Claire Danvers knows that the undead just want to live their lives. But someone else wants them to get ready to rumble. There's a new extreme sport getting picked up on the Internet: bare-knuckle fights pitting captured vampires against each other-or humans. Tracking the remote signal leads Claire to discover that what started as an online brawl will soon threaten everyone in Morganville...

Kiss of Death

Good news, girls: your dates are here! Claire Danvers has had her share of challenges - like being a genius in a school that favours beauty over brains, dealing with the homicidal girls in her dorm and, above all, finding out that her college town is overrun with blood-sucking fiends. On the plus side, so far Claire and her friends have managed to survive getting on the wrong side of some Morganville VIPs . . . Vampire Important Persons. But their temporary peace is in danger of collapsing, thanks to the arrival of her new boyfriend's scary father and his vampire-fighting supporters. Bad news, girls: they're dead.

'Thrilling, sexy, and funny! These books are addictive. One of my very favorite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

Bite Club

In the small town of Morganville, vampires and humans lived in (relative) peace - until all the rules got rewritten when the evil vampire Bishop arrived, looking for the lost book of vampire secrets. He's kept a death grip on the town ever since. Now an underground resistance is brewing, and in order to contain it, Bishop must go to even greater lengths. He vows to obliterate the town and all its inhabitants - the living and the undead. Claire Danvers and her friends are the only ones who stand in his way. But even if they defeat Bishop, will the vampires ever be content to go back to the old rules, after having had such a taste of power? 'Thrilling, sexy and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

They have only two choices: face the might of the Great Library head on, or be erased from life, and the history of the world, for ever. Win or die.

Midnight Bites

Without the evil vampire Bishop ruling over the town of Morganville, the resident vampires have made major concessions to the human population. With their newfound freedom, Claire Danvers and her friends are almost starting to feel comfortable again . . . Now Claire can actually concentrate on her studies, and her friend Eve joins the local theatre company. But when one of Eve's castmates goes missing after starting work on a short documentary, Eve suspects the worst. Claire and Eve soon realise that this film project, featuring the vampires themselves, is a whole lot bigger - and way more dangerous - than anyone suspected . . . 'Thrilling, sexy, and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series

Ash and Quill

INCLUDES A MORGANVILLE SHORT STORY When Claire is ordered to repair the systems that protect Morganville, it's not just cutting into her study time, it's a life-threatening problem. If there's one thing this vampire-infested town is serious about, it's security. But achieving the impossible only brings a whole new set of problems, and the upgrades have unexpected consequences: people inside the town are slowly beginning to forget who they are, even the vampires. Soon, the town's little memory problem has turned into a full-on epidemic. Now Claire needs to figure out a way to pull the plug on her experiment - before she forgets how to save Morganville . . . 'Thrilling, sexy, and funny! These books are addictive. One of my very favorite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

The Morganville Vampires

'A plague! A plague on both your houses!' In the Houses of Montague and Capulet, there is only one goal: power. The boys are born to fight and die for honor and—if they survive—marry for influence and money, not love. The girls are assets, to be spent wisely. Their wishes are of no import. Their fates are written on the day they are born. Benvolio Montague, cousin to Romeo, knows all this. He expects to die for his cousin, for his house, but a spark of rebellion still lives inside him. At night, he is the Prince of Shadows, the greatest thief in Verona—and he risks all as he steals from House Capulet. In doing so, he sets eyes on convent-bound Rosaline, and a terrible curse begins that will claim the lives of many in Verona.

The Hallowed Ones

She believed werewolves were a myth...until she met one. For paranormal romance author Emma Gavin, werewolves only existed between the pages of her novels. They were seductive heroes drawn from her imagination, not living, breathing creatures in the real world. And they certainly were not wealthy lords of industry. And then the sexy Mr. Wallace sprouted fur. Offering to pose as Emma's bodyguard to deter a rogue Were should have been an easy assignment for pack alpha Aidan Wallace. She's human. He's Were. The two don't mix. But he didn't count on the temptation she would pose to his highly tuned senses. Or how hard it would be to resist her siren call. Denying the bond that's drawing them together could cost him his sanity. But surrendering to desire could cost him his life. A lighthearted paranormal series from the NYT bestselling author who brought you daring nerds and hunky cowboys. If you love sexy werewolves, spunky heroines, and a dash of humor, you'll love the Wild About You series! Wild About You These books are standalone romances and can be read in any order. Werewolf in Manhattan (Aidan & Emma) Werewolf in the North Woods (Roarke & Abby) Werewolf in Seattle (Colin & Luna) Werewolf in Denver (Duncan & Kate) Werewolf in Alaska (Jake & Rachel) Werewolf in Las Vegas (Luke & Giselle)

Fall of Night

Thanks to its unique combination of human and vampire residents, Morganville, Texas, is a small college town with big time problems. When student Claire Danvers gets the chance to experience life on the outside, she takes it. But Morganville isn't the only town with vampire trouble... Claire never thought she'd get to leave Morganville, but she can't pass up the chance to finally attend her dream school, MIT. After all, getting to invent anti-vamp devices with Professor Anderson—a Morganville exile herself—sounds like a dream come true...until Claire realizes that there are sinister forces in play, and she's not the only one with a vampire-related agenda. Without her friends Shane, Eve and Michael, surviving a killer schedule may be hard...but with them, it might turn out to be impossible.

Carpe Corpus

Includes a brand new and exclusive Morganville short story only available in this edition. In the small town of Morganville, vampires and humans lived in (relative) peace - until all the rules got rewritten when the evil vampire Bishop arrived, looking for the lost book of vampire secrets. He's kept a death grip on the town ever since. Now an underground resistance is brewing, and in order to contain it, Bishop must go to even greater lengths. He vows to obliterate the town and all its inhabitants - the living and the undead. Claire Danvers and her friends are the only ones who stand in his way. But even if they defeat Bishop, will the vampires ever be content to go back to the old rules, after having had such a taste of power? 'Thrilling, sexy and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

Bite Club

After discovering that vampires populate her town, college student Claire Danvers knows that the undead just want to live their lives. But someone else wants them to get ready to rumble. There's a new extreme sport getting picked up on the Internet: bare-knuckle fights pitting captured vampires against each other-or humans. Tracking the remote signal leads Claire to discover that what started as an online brawl will soon threaten everyone in Morganville...

Glass Houses

Welcome to Morganville. Just don't stay out after dark. Morganville is a small town filled with unusual characters - when the sun goes down, the bad come out. In Morganville, there is an evil that lurks in the darkest shadows - one that will spill out into the bright light of day. For Claire Danvers, high school was hell, but college may be murder. It was bad enough that she got on the wrong side of Monica, the meanest of the school's mean girls, but now she's got three new roommates, who all have secrets of their own. And the biggest secret of all isn't really a secret, except from Claire: Morganville is run by vampires and they are hungry for fresh blood . . . 'Thrilling, sexy, and funny! These books are addictive. One of my very favourite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

Feast of Fools

Morganville is such a nice place to live . . . And die. If you don't mind that sort of thing. When Claire Danvers learnt that her college town was run by vampires, she did what any intelligent, self-preserving student would do: she applied for a transfer and stocked up on garlic. The transfer is no longer an option, but that garlic may come in handy. Now Claire has pledged herself to Amelie, the most powerful vampire in town. The protection her contract secures does little to reassure her friends. All of a sudden, people are turning up dead, a stalker resurfaces from Claire's past, and an ancient bloodsucker extends a chilling invitation for private lessons in his secluded home. 'Thrilling, sexy, and funny! These books are addictive. One of my very favorite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.
